The American Legion Riders perform many functions including escorting the National Commander on his visit to New Hampshire.

American Legion Riders escort National Commander

Text and photo by Richard Dahlgren

Why is it when we see a group of motorcycle riders, we become fearful? In the future, don't jump to conclusions! New Hampshire has a large contingent of motorcyclists known as the American Legion Riders who can be seen whenever and wherever their services are needed. When National American Legion Commander Fang A. Wong and his wife Barbara recently visited New Hampshire, a group of Riders from Chapter 15 – Merrimack Memorial Post 98, Merrimack, NH, escorted Commander Wong and his party from Nashua to Merrimack. Commander Wong stated that he was very impressed by the professionalism of the group. The American Legion Riders began in 1993 in Garden City, MI and was formed "to promote the aims and purposes of The American Legion as a family oriented motorcycling activity for members of The American Legion, The American Legion Auxiliary, and The Sons of The American Legion. Their objective was to provide an atmosphere where Post, Auxiliary and Sons of the American Legion (SAL) members, who shared an enthusiasm for motorcycles, could come together. It was meant to be a family oriented group."

The main objective of the New Hampshire American Legion Riders is "to support the aims and purposes of the American Legion, through service to our Community, State and Nation." Activities such as a "Bingo" night at the VA Hospital, raising money for Battered Women and Children's' Center, varied children and youth programs, a School for Blind Children, Veterans Relief, and needy families" are some of their charitable contributions. The Riders participate in the annual POW/MIA Rally held on Memorial Day weekend in Washington, DC, known as the "Rolling Thunder". Other activities by the Riders include participating in motorcycle "Runs" to benefit numerous charities such as those for underprivileged children and medical research; and participating in memorial ceremonies and community parades. They ride to honor fallen military comrades and to protect their sanctity from those who would dishonor their memory. They escort military units to departure airfields for overseas duty and welcome them home upon their arrival from their tour of duty. There are 520 members of the Riders in New Hampshire in 18 Chapters. In the US and three foreign countries, there are approximately 106,000 Riders in over 1000 Chapters.
