Local Arts Forum

Colby-Sawyer College will host this season's Local Arts Forum, featuring presentations in April by Spring Ledge Farm owner Greg Berger and award-winning novelist and Professor of English at Dartmouth College Ernest Hebert. On Thursday, April 4th, at 4 p.m. in the Archives Reading Room at the Susan Colgate Cleveland Library/Learning Center, Berger will share images of New London's Spring Ledge Farm and discuss sustainability and local food resilience. Hebert will continue the forum on Thursday, April 18th , with a discussion of his work. Admission to both events is free.

World Day of Prayer

Women from 7 churches led the Hillsboro Area World Day of Prayer Service on March 1st at Valley Bible Chapel in Hillsboro and written by women in France. Next year's service will be March 7th at Hillsboro United Methodist Church and is being written by women in Egypt. Come join them next year.

Governor Maggie Hassan and Joe Carelli, president of Citizens Bank purchase the first cans of Nothing at Harvest Market in Bedford.

It's not something for nothing

Food Bank Campaign sells "nothing for something"

The New Hampshire Food Bank and the Citizens Bank Foundation have announced an innovative campaign that aims to challenge the struggle of hunger in NH, and it's all about "Nothing."Cans of Nothing are empty and represent the reality that so many people in NH face every day: hunger. The cans are being sold for $5.00 and are available at all New Hampshire Hannaford, Harvest Market, Jiffy Mart, Market Basket, Shaw's, and Stop & Shop locations, as well as Sully's Superette in Goffstown and Vista Foods in Laconia. Donations for the Nothing Campaign will be collected at registers of all New Hampshire Wine & Liquor Outlets. Proceeds go to the New Hampshire Food Bank to buy meals for the hungry. If generously filled and returned with donations, the cans help replace nothing with 60 nourishing meals.

Andover woman dominates ChocolateFest

A record crowd of over 500 people attended the 18th Annual ChocolateFest Chocolate Challenge in New London Saturday. Laura Powers, of Extraordinary Taste Catering in Andover, whose 2009 chocolate tiramisu was the winner, returned for a chance to win again. This year her trio of French macaroons captured both the Best Chocolate and Best Presentation awards. Doug Langevin of Bistro Nouveau in Grantham prevented Powers from sweeping the top three awards with his triple chocolate cake pudding with espresso cream anglaise and chocolate mousse, which won the People's Choice Award. Other vendors participating included: Rocky Cannoli's Bakery and Watts' New Bakery, Newport; Cloud 9 Cupcakes, Bow; Metro Bakery & Cafe, Hanover; My Brigadeiro, Norwich; New London Confections, New London; Ooo La La Creative Cakes, Meredith; Sweet Great Greetings, Northfield, and Unbridled Chocolates, Marlborough.

Serving the heating needs of Henniker and the surrounding towns for over 60 years.

Andover voters adopt solar, wind & wood energy exemptions

Andover voters began Tuesday's Town meeting by giving retiring librarian Sandra Graves a standing ovation for her 35 years of service.

It was also announced that former moderator Ed Becker would miss the meeting because he fell down a flight of stairs and broke his neck and back. Moderator Ed Coolidge did say that Becker was lucky as there was no paralysis.

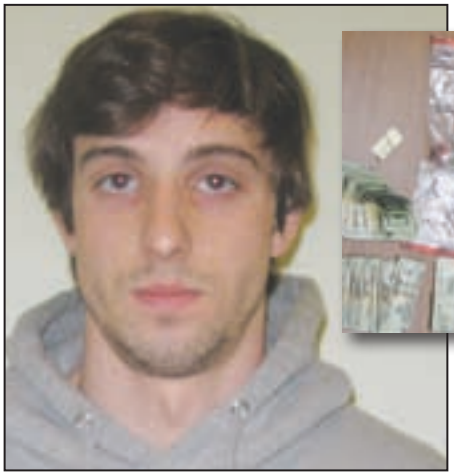
Getting down to business, voters easily approved the proposed $1.3 million operating budget. Most of the discussion was reserved for an article granting tax exemptions for home owners who install equipment designed to produce renewable energy.

Originally the article only included solar and/or wind energy systems, but an amendment was requested adding geothermal energy. After a break to check state statutes, Coolidge announced that geothermal was not mentioned, but wood heating central energy systems are included under the statute. After considerable debate, voters, on a clear voice vote, adopted the amended article.

Sutton hazzard mitigation

The Town of sutton has formed a Hazard Mitigation Committee and charged it with updating the town's 2008 Hazard Mitigation Plan, enabling the Town to retain eligibility for federal reimbursable recovery and pre-disaster funding. The committee will hold the first meeting on Wednesday, March 20, from 4 - 6 p.m. at the Sutton Town Hall, 93 Main St., in Sutton Mills.

Additional meetings will be scheduled at that time. All are invited to attend and participate. The draft Hazard Mitigation Plan Update is anticipated to be completed in the fall of 2013. For more information, please contact Elly Phillips, Hazard Mitigation Plan Coordinator, at 927-4416.



James Putney

Felix Greene

Two men arrested during Henniker drug bust

On March 7, 2013 at 7:26 a.m. the Henniker Police Department, Merrimack County Sheriff's Office and the New Hampshire Attorney General's Drug Task Force served a search warrant on an apartment located at 4 Bridge Street in Henniker.

The search warrant was the result of a several month investigation into drug sales at that location. As a result of the search, a considerable amount of drugs and drug paraphernalia were seized as well as a substantial amount of cash.

Taken into custody was 24 year old Felix Greene of Baltimore, Maryland. He was charged with eight counts of Sale of a Controlled Drug and two counts of Possession of a Controlled Drug. Greene was arraigned in the Hillsborough District Court and ordered held on $20,000 cash bail. He is currently being held at the Merrimack County House of Corrections. A probable cause hearing has been scheduled for April 7, 2013.

Also taken into custody was 23 year old James Putney of Mountain Lakes, New Jersey. He was charged with Acts Prohibited. Putney was released on $1000.00 personal recognizance bail with a court date of May 7, 2013.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

While the whooping cough vaccine offers the best chance of protection against this potentially deadly disease, immunity provided by the vaccine appears to wane significantly every year after vaccination. A new study published in the *New England Journal of Medicine* found that protection against whooping cough (also known as pertussis) dropped by 40 percent a year after the fifth and final dose of vaccine.

• • •

Proscar (finasteride), a drug used to treat an enlarged prostate, does not reduce the quality of life of men who use it for a prolonged period of time, found a new study funded by the U.S. National Cancer Institute. Published in the *Journal of the National Cancer Institute*, the research involved men aged 55 and older enrolled in a seven-year randomized clinical trial looking at the drug's possible use for prostate cancer prevention. Proscar did not significantly affect the men's physical functioning, mental health or vitality.

The U.S. Food and Drug Administration has expanded the approved use of Humira (adalimumab) to include treatment of moderate-to-severe ulcerative colitis in adults. Ulcerative colitis is a chronic disease that causes inflammation and ulcers in the inner lining of the large intestine. It is one of two main forms of chronic inflammatory bowel disease and affects about 620,000 Americans, according to the National Institutes of Health. The FDA previously approved Humira to treat rheumatoid arthritis (2002), psoriatic arthritis (2005), ankylosing spondylitis (2006), Crohn's disease (2007), plaque psoriasis (2008) and juvenile idiopathic arthritis (2008).

Bruce Elsworth filled in as Moderator of the Hopkinton School District meeting as Ed Kaplan was called away.

Hopkinton voters approve $17.6 million

The just over 200 Hopkinton voters who attended Saturday's School District Meeting were in a spending mood. All warrant articles passed easily, including the proposed $17.6 million operating budget and a new 3-year contract for the District's support staff. Even frequent critic Arnold Coda seemed satisfied after Board Chair David Lundeau assured him that absent the mandated pension and special education increases, it would have been a flat budget. The budget reflects a $460,000 increase and will add 70 cents/$1000 valuation to the tax bill.

Sullivan County Grand Jury indicts trio

The Sullivan County Grand Jury indicted three area residents: Dawn Withington, 35, of Newport faces three counts of sale of marijuana, Jan. 4th, 8th and 21st in Newport and possession of marijuana-intent to sell, Jan. 22 in Newport. Paul Sanguedolce, 18, of Washington, is charged with three charges of assault by prisoner on or about Jan. 2nd at the Sullivan County House of Corrections, Unity. Cory Hale, 24, of Newport was indicted on charges of sale of cocaine, subsequent, within 1,000 feet of Richards School in Newport Nov. 21st.

Deering Historical Society Reorganized

The Deering Historical Society has a new slate of officers and board of directors who are excited and energized with enthusiasm for furthering knowledge of Deering's history among residents. The DHS is also looking forward to working with the other groups in and about our town that have a vast knowledge of our History. The new board and the some interested residents have joined the meetings to plan events and opportunities to learn more about the town and its people. Among the public events planned are: A round table discussion, "An Evening of Deering History". Reviewing and preserving old maps, locations, and place names. Creating a map of the town showing historical events and locations. Maintaining the East Deering Church. Opening the East Deering Church for the public. An "Old Home Day" celebration. The monthly meetings of the Society are held on the second Tuesday of each month at 7:00 p.m. in the library/conference room of the Deering Town Hall. However the March meeting will be on Tuesday, March 19, because the second Tuesday is Town and School Election Day. The public is cordially invited to attend all meetings for suggestions and input.

Hillsborough approves reduced town & school budgets

Hillsborough voters needed just over two hours to pass all 24 Warrant Articles, including the $6.5 million operating budget, most without discussion or debate. The selectman's budget was nearly $150,000 less than the current budget. $75,000 was approved to repair masonry on the Governor Smith House which houses the Library and a $100,000 Capital Reserve fund was established to maintain and preserve it. The most discussion occurred on a request for $42,000 to purchase and equip a new police cruiser, which eventually passed on a close standing vote.

All the proposed Zoning Amendments passed including one which eliminates "Public School Impact Fees". A petition article seeking to adopt SB2 voting received a majority but failed to achieve the 3/5th required for adoption.

Ballot voting for the Hillsboro-Deering School District confirmed the actions of frustrated taxpayers, who cut the proposed school budget by $1 million at the Deliberative Session. Overcoming a vigorous campaign from the administration, teachers and some School Board members to defeat the reduced budget and trigger the higher default budget, the reduced budget prevailed by a vote of 602-523.

Also defeated was the SAU's proposed $1,031,860 budget, forcing it to operate on a default budget nearly $20,000 less.

Brett Charrington, Chair of the Hillsborough Conservation Commission (r) presents Hope Thomas (l) with the Commission's Loon Award in recognition of her efforts to preserve the environment.

Andover expands kindergarten

At the March 4th Andover School District Meeting voters overwhelmingly decided to expand the kindergarten program from for three to seven hours a day. On a ballot voter, the measure passed 113-37. against that expansion. Voters also approved adding a second fourth-grade teacher after Principal Jane Slayton explained that the school currently has two third grades, so a second teacher is needed for the anticipated 34 fourth-graders next year.

Neighbors complain about Weare gun shop-range

The Weare ZBA has delayed a decision on garage-based gun shop and backyard shooting range, which a neighbor claims a danger and violates zoning ordinance. Neighbors have complained that they are threatened by the persistent shooting at the facility owned by Michael Stevens on Thorndike Road. The main issues is whether the shop, is, or is not a "home-based" business, under the ordinance. In 2009, Chip Meany, the town zoning administrator, submitted a letter to the town in certifying that Stevens was approved for a "home-based business." which the ordinance defines as, "any legal use which is carried on entirely within a dwelling and occupying no more than 25 percent or 500 square feet, whichever is less, of the individual's primary dwelling." A final vote is expected at the ZBA's April 2nd meeting

HCS Principal Katherine McBride (l) and Sam Hammond '13 (r).

HCS student in NH Geography Bee finals

Henniker Community School eight grader Sam Hammond, son of Matthew and Andrea Hammond is one of the semi-finalists eligible to compete in the 2013 New Hampshire National Geographic Bee. To qualify for this honor, Sam was among the top 100 scorers in the state on the written test. The 2013 New Hampshire National Geographic Bee will be held at Keene State College on Friday, April 5. The state winner will receive $100, the "Complete National Geographic on DVD," and a trip to Washington, DC, where the winner will represent NH in the national finals at National Geographic Society headquarters, May 20-22, 2013. The first-place national winner will receive a $25,000 college scholarship and lifetime membership in the National Geographic Society. The national winner will also receive (along with one parent or guardian), an all-expenses paid trip to the Galapagos Islands. National Geographic Channel and Nat Go Wild will air the final round of the 2013 National Geographic Bee, moderated by Alex Trebeck, on Thursday, May 23, 2013.

Antrim man indicted for home invasion

An Antrim man became the fourth suspect arrested in relation to a Christmas Eve home invasion in Peterborough. Samuel Ruoff, 21, of Antrim was arrested by U. S. Marshals and Antrim Police and taken to Valley Street Jail. Austin Cadorette, 18, and his brother, Dylan Cadorette, 17, of Greenfield, and Isaac Lyons, 17, of Antrim were indicted on Feb. 14 on charges of conspiracy to commit burglary, robbery, first-degree assault and two counts of burglary. Ruoff was indicted at that time but it was sealed as he was not then in custody.

Weare woman agrees to plea agreement

Rene Pelletier of Weare has entered into a plea agreement with federal prosecutors which could avoid her spending the next 30 years in jail. Pelletier has been charged with and will plead guilty to diverting a total of $85,000 of her employer's funds by forging his name on checks and paying her own bills through the company's online banking account. According to charges filed in U.S. District Court, the theft involved more than 500 transactions over a three-year period.

As part of the plea agreement, prosecutors are recommending that she serve a minimum jail sentence. The agreement could be approved or negated by the trial judge.

Future of Bradford's Town Hall still uncertain

It was standing room only at Bradford's Town Meeting Tuesday night at the elementary school gymnasium. Interest ran high over a pair of conflicting proposals for a Town Hall.

Supported by the selectmen, a $1.8 million bond would restore and renovate the existing 150 year-old Town Hall, closed since late 2011 because of mold and other problems. If approved, the bond would provide renovated offices on the first floor and a meeting room and 220 seat auditorium with stage, on the second floor.

After an hour and a half debate, the measure gained a majority vote of 195-115 but fell short of the two-thirds (206 votes) needed to pass. A motion for a recount passed late in the evening, and will be scheduled later.

Two alternatives, submitted by petition would purchase, renovate and relocate the town offices to Bradford Corners. The five-year lease option would cost $650,000 with a first year payment of $107,450. An additional $95,00 would be needed for renovations. The paper ballot votes had not been tabulated when this reporter left for another meeting. A Thursday morning call to the town office for the results was not returned by press time.

Bradford's Town Meeting ran late but the results are still unknown.

4th DWI for Newport man

Lance J. Leclair, 41, of Newport faces a long jail sentence after a high speed chase, reaching speeds of 100 mph, on Route 103 Saturday night. He was arraigned on charges relating to the pursuit, including his fourth DWI. In addition to his prior DWI convictions, Leclair has several drug charges and a rash of violations of court orders.

There is no crying over spilled milk.

Milk truck overturns on I89 in Sutton

A tanker truck carrying 65,000 pounds of milk overturned last Thursday morning on I-89 in Sutton. State police say the driver lost control, sliding off the shoulder and rolling the truck onto its left side. Investigators can't say yet exactly what caused the crash, but they say icy roads may have played a part. The driver, 59-year-old Frederick Steinhour, was not hurt.

Mass man shoots himself in Greenfield

N.H. State Police report that Thomas Regan, 46, of Ashby, MA, shot himself in the head as Greenfield, Lyndeborough and Francestown police pursued his vehicle and attempted to stop it on Route 31 on March 4th. He remains in critical condition at UMass Medical Center. When Regan saw the road blocked by two cruisers, he reportedly put the gun to his head and fired. His truck then collided with the Francestown cruiser.

Warner area sugar houses offering tours

Twelve Warner area sugar houses are banding together to make this year's Maple Weekend a memorable event. The annual open house weekend will be March 23 & 24, and these sugar houses will be open from 10-4 each day. Visitors can start off with a pancake breakfast at one of two local restaurants, then begin their maple tour. At each sugar house, they will see how maple sap is harvested and made into pure maple syrup. No two sugar houses are alike. These are different sized operations using different methods." Here are the participating sugar houses in Warner: Baker's Syrup, 611 Newmarket Road; Bates Maple Syrup, 6 Collins Road; Beaver Meadowbrook Farm, 402 Rte. 103 East; Courser Farm, 427 Schoodac Road; Kearsarge Mountain Maples, 984 Kearsarge Mt. Road; Rogers Maple Syrup, 133 Couchtown Road; Zock's Maple Brook Farm, 98 Birch Hill Road. Webster sugar houses include: Covered Bridge Tree Farm, 412 Tyler Road; Hi/Lo Farm, 266 Pond Hill Road; Kimball Family Maple Syrup, 390 White Plains Road; Tall Maples, 1141 Route 127; Turyn's Tap'n & Sap'n, 11 Clough-Sanborn Rd.

Selectmen meet with Harbor Committee

John Augustine asked if there was a Sunapee Selectman on the Harbor House Livery Committee. Town Manager Donna Nashawaty replied that there was not, but the Board has the choice to appoint a member to the committee. Augustine then suggested that one of the Selectmen be on the Harbor House Livery so the Board can be up to speed on what is happening with the Harbor House Livery and to help keep them focused.

Warner moves closer to an Exit 9 roundabout

It took over three hours, but Warner voters eventually decided all articles on the warrant Tuesday night. Approved was a $2.9 million operating budget,which was up only .57% from the 2012 budget and $15,000 appropriation to offset health insurance deductibles for town employees. Although it was debated, it did pass by vote of 67-41. After considerable debate, voters approved spending $129,000 to survey and re-design the area at I89's Exit 9. In the end, the article passed, 94-58. In the process, residents expressers a preference for a roundabout rather than a traffic light in the area. The project, projected to cost between $675,000 and $770,000,is scheduled to begin in 2015.

Voters also agreed to allow the selectmen to negotiate a five-year lease with TDS to erect a cell tower with the provision that it be "as safe and as unobtrusive as possible".

Warner Police Chief William Chandler outlines the need for a new police cruiser.

Sutton voters approve budget purchase 139 acres of land

Sutton voters voters approved a $2 million operating budget at Town meeting Tuesday night. They also agreed to authorize the town to spend up to $82,000 from the conservation commission's capital reserve fund to purchase 139 acres from Thomas and Janet Paul for conservation. Resident Brian Tilton wanted to know if the purchase would prevent the land from being available for such things and the Antrim Wind Towers of Nothern Pass projects and was assured it would.

MORTGAGEE'S SALE OF REAL ESTATE

Pursuant to and in execution of a certain Power of Sale contained in a mortgage from Jesus is The Answer Ministries, Pastor Russell Kulisich, to The Lowell Five Cent Savings Bank, a Massachusetts banking corporation, having a principal place of business in Lowell, Middlesex County, Massachusetts, dated February 10, 2012, and recorded in Hillsborough County Registry of Deeds, Book 8396, Page 495, of which The Lowell Five Cent Savings Bank is the present holder, for breach of conditions of said mortgage, and for the purpose of foreclosing same, will be sold on Thursday, April 4, 2013, at 2:00 p.m., at 46 Huntington Drive, Hillsborough, New Hampshire 03244, being a portion of the property described in said mortgage as 46 Huntington Drive and 44 Huntington Drive, Hillsborough, New Hampshire, said property being described in said mortgage as follows, to wit:

"46 Huntington Drive, Hillsborough, NH

A certain tract or parcel of land with the buildings and improvements thereon, situated in the Town of Hillsborough, County of Hillsborough, State of New Hampshire, being Lots CI-72 and CI-74 shown on a plan of land entitled, "Emerald Lake Shores, Inc., Part 3, Section C" dated November 19, 1966, and recorded with Hillsborough County Registry of Deeds as Plan No. 3447.

Subject to and with the benefit of easements, restrictions, and rights of way of record, insofar as they are in force and applicable.

Being the same premises conveyed to Mortgagor by deed of Louis E. Mezzoni dated January 6, 2005, and recorded with said Registry of Deeds, Book 7392, Page 2004.

44 Huntington Drive, Hillsborough, NH

A certain tract or parcel of land with the buildings and improvements thereon, situated in the Town of Hillsborough, County of Hillsborough, State of New Hampshire, being Lots CI-68 and CI-70, also known as Map 14, Lot 297 as shown on a plan of land entitled, "Emerald Lake Shores, Inc., Part 3, Section C" dated November 19, 1966, and recorded with Hillsborough County Registry of Deeds as Plan No. 3447.

Being the same premises conveyed to Mortgagor by deed of Joseph D. Mezzoni and Ethel M. Mezzoni dated January 7, 2005, and recorded with said Registry of Deeds, Book 7392, Page 2003.

Both properties are subject to an Easement to PSNH and Contoocook Valley Telephone Co., Inc. dated October 15,1966, and recorded with said Registry of Deeds, Book 1907, Page 123 and a 30' R.O.W. as shown on said Plan No. 3447."

Subject to all conditions of the title.
This foreclosure sale is for the purpose of foreclosing all rights of redemption of the said mortgagors therein possessed by them and any and all persons, corporations, or entities claiming by, from, or under them.

Said premises will be sold subject to the payment of any unpaid taxes, tax titles, municipal liens, betterments and assessments, if any, and any enforceable encumbrances entitled to precedence over the said mortgage. Subject to rights of the United States of America and/or its subsidiaries, if any; and subject to rights of tenants or parties in possession, if any.

The premises will be sold in an "as is" condition, in all respects

To the mortgagors and any and all persons, firms, corporations or entities, or others claiming by, from or under them: YOU ARE HEREBY NOTIFIED THAT YOU HAVE THE RIGHT TO PETITION THE SUPERIOR COURT FOR THE COUNTY IN WHICH THE MORTGAGED PREMISES ARE SITUATED, WITH SERVICE UPON THE MORTGAGEE, AND UPON SUCH BOND AS THE COURT MAY REQUIRE, TO ENJOIN THE SCHEDULED FORECLOSURE SALE. Failure to institute such petition and complete service upon the foreclosing party, or its agent, conducting the sale prior to sale shall thereafter bar any action or right of action of the mortgagor based on the validity of the foreclosure.

Terms of Sale: The sum of Five Thousand Dollars ($5,000.00) will be required to be paid by certified bank or treasurer's check, satisfactory to the holder, at the time and place of the foreclosure sale. The balance of the purchase price is to be paid by certified bank or treasurer's check, satisfactory to the holder, within thirty (30) days thereafter, at the office of the mortgagee's lender during normal business hours (8:30 a.m. - 4:30 p.m., Mon., through Fri.) at the following address: James P. Hall, Attorney; QUA, HALL, HARVEY & WALSH, 25 Fletcher Street, Chelmsford, Massachusetts 01824. Purchaser shall assume and agrees to pay any and all recording charges and any deed transfer stamps pertinent thereto.

The mortgagee reserves the right to cancel or postpone the sale to a subsequent date or dates.

The mortgagee reserves the right to sell the property to the second highest bidder in the event of default of the highest bidder at the foreclosure sale.

Other terms, if any, will be announced at the sale.

SPORTS High School Results

#2 John Stark-Hopkinton 3 #1 Berlin 2 Division III Hockey Championship

It took overtime, but the John Stark-Hopkinton Hockey Team avenged it's only loss earlier in the season, defeated the top seeded Mountaineers and came away with their first Division III Hockey Championship.

Peter Sawitsky's backhander on a power play gave Stark-Hopkinton the 1-0 lead 3:53 in, which lasted the first period. The second was back and forth a Berlin tied it at 1-1 at 6:59 of the second, Simon Becka regained the lead at 8:58 only to have Berlin tie it again at 10:56.

After a scoreless third and over eleven minutes of overtime, Simon Hunter intercepted a faulty Berlin clearing shot and put it in the next for the win.

Sunapee Cheerleaders off to Regionals

Fresh off a second place finish in the Division IV tournament, the Sunapee cheerleaders have received an invitation to compete in the regionals against the top ranked teams in New England this Saturday at Lawrence High School in Lawrence, MA. The Lakers last made it this far after winning the state championship in 2008.

Great Brook School survives two attempts to close it

Supporters of Antrim's Great Brook School survived two attempts to close the facility during Tuesday's voting. A petitioned article, sponsored by former Temple School Board member Gail Cromwell and Mark Fernald of Sharon would also have amended the District Articles of Agreement, by authorizing only one middle school in Peterborough, effectively closing Great Brook. That articled failed with only 1,622 voters for and 2,819 against. Not surprisingly, in Antrim, only 57 people voted in favor of the petition while 808 were against it.

A second similar article, endorsed by the Con Val School Board, did receive a majority vote but failed to gain the 2/3 super majority required to amend the District Agreement.

It took Windsor voters only 15 minutes to conclude the School District Warrant. After a short break, the Selectmen replaced the School Board at the front table and the Town Meeting commenced.

Newport approves $17,783,963

Newport School District voters approved a $17,783,963 operating budget by a margin of 519-95. All warrant Articles passed easily except one asking for $1 to be added to the Transportation Capital Reserve Fund. The collective bargaining agreement with the Newport Teachers' Association calling for $65,639 on a vote of 387-232, and the support staff pay raises of $29,353 was approved 403-213.

Publisher's Perspective *by Leigh Bosse*

Recent action by the administration and staff at Hillsboro-Deering Schools comes perilously close to illegality and clearly violates any standard of ethics. Frustrated that beleaguered taxpayers refused to grant a nearly $1 million increase in the school budget, school board members, the administration and teachers have done everything they can to subvert the will of the people: 1st. Students were asked to take a note home urging their parents to show up at the polls and vote 2nd Several parents reported their children telling them that their teachers had asked them to tell their parents to vote and one was shocked when his student, in tears, reported that a teacher told him that several teachers would be laid off if the higher budget didn't pass. 3rd. On the eve of voting the following message was sent over the storm and emergency contact system to parents; "Good Afternoon: This is Robert Hassett, Superintendent of SAU 34. I am contacting you today to remind you about some important events this week. Tuesday is voting day for the Hillsboro-Deering School District. There are matters of great importance on the ballot that will affect the direction and future of our schools. Your vote is your voice in directing our schools future so please vote."

School officials will justify this by saying it is purely "informational" and does not specifically urge voters to defeat the smaller proposed budge in order to implement the higher default budget.

That argument misses the point. A political message was intentionally targeted to a specific group (parents) who have a predisposition to voting for higher school budgets. If everyone in the district was sent that message, no harm-no foul. When it is sent ONLY to one faction, it is purely politicly motivated and unjustifiable. To add insult to injury, the same thing happened a few years ago when the call system was used to urge parents to attend the Deliberative Session to support the budget and teacher raises. Officials assured us it would not happen again.

Letters to the Editor

Dear Editor:

When I entered Hillsboro-Deering High School I felt the way many ninth-graders feel: alone. I felt awkward and nerdy, but more than anything else, isolated. Then I walked into Ms. Welch's music room. The first day we read "The Law of the Jungle." To this day, I remember one of the key lines in that poem: "The strength of the pack is each wolf, and the strength of each wolf is the pack." This was the lesson that I would learn over the next four years. I would learn it by singing in the chorus and Red, White, and A Cappella, and I would learn it by playing and marching with the band.

In the HDHS Music Department I found a true family. I was friends with students of all grade-levels. I was friends with jocks, cheerleaders, artsy kids, bookworms, social butterflies, kids who wore all black, kids who wore mismatched socks with sandals... Looking back on my high school experience I can appreciate how lucky I was to have this community of such diversity and acceptance.

It was in chorus, band, and RWA that I learned what it was like to be part of something larger. I have always been an independent-worker. I never really liked group projects or big social events. Chorus, band, and RWA gave me a sense of belonging and purpose that I had never felt in a group before. At the end of my senior year, the music department traveled to Disney World in Florida. Each group participated in a workshop, which was extremely inspiring, and performed. For me, the highlight of the trip was marching down Main Street with the HDHS Marching Band. I will never forget how it felt to march around the bend and see, amidst the crowd, a group of parents wearing red polos and cheering the loudest. I had spent four years learning what it meant to be a part of something bigger than myself. In that moment I learned that that bigger something extended far beyond my friends and the walls of HDHS. In that moment I realized that I was part of a community much larger than I had imagined.

If you can find it in your heart to help the current students of the HDHS Music Department fulfill their dream of experiencing that same kind of community, understanding that they're part of something much bigger, and having the memories and inspiration as they move forward in life, please make a donation to the Music Department. No amount is too small.

Jayne Segedy, HDHS Class of 2009

The Danbury Country Store.

Danbury Welcome Center on Northern Rail Trail

There is good news for users of the Northern Rail Trail. The Danbury Country Store, formerly the Danbury General Store, slated to open April 19, 2013, has been designated an official Rail Trail Welcome Center by the Board of the Friends of the Northern Rail Trail in Merrimack County, the Store will offer amenities to bikers, walkers and other users stepping off the Rail Trail in Danbury.The Danbury Country Store is located across the street from the Northern Rail Trail at High Street and Route 4, about midway along the 52 miles of built out trail in Grafton and Merrimack Counties.

The distance from the first Rail Trail Welcome Center, the Highland Lake Inn in East Andover, to the Danbury Country Store is just about 13½ miles—an excellent distance to ride to lunch.

"We're very excited about the opening of the Danbury Welcome Center at the Danbury Country Store," said Craig Heim, member of the Board of Directors of the Friends of the Northern Rail Trail in Merrimack County. "Fresh food, a public bathroom, water, and a warm welcome—a bicyclist's dream! We're delighted that local businesses are developing along the Trail."

New London Board delays signing Ausbon easement

Andy Deegan of the Ausbon Sargent Land Preservation Trust, met with the New London Selectmen to discuss the conservation easement deed for the Phillips Preserve property.

He noted that some changes have been made in the deed as a result of comments by the Town, but that sections 9E and 9H are provisions that the Town and Ausbon Sargent remain at odds on. Section E provides that Ausbon Sargent is entitled to recover damages from the Town for loss of scenic, aesthetic or environmental values. Section H states that Ausbon Sargent could recoup attorney's fees and costs if they must bring the Town to court in order to enforce the easement. Town Counsel has informed the Board that these provisions are not in the Town's best interests. He has met with the Ausbon Sargent Board Chair and the Executive Committee and they are firm on the need for both of these sections and do not want to change the wording. Chair Peter Bianchi noted that the Town's attorney and Administrator Kim Hallquist did not feel that these provisions as worded are good for the Town as it puts the Town in a hard position.

Tina Helm said she would hate to see this easement fall apart and not be held by Ausbon Sargent. Deegan said he would be meeting with his board and would relay the thoughts and feelings to them.

Newport man being held without bail

Ralph Clayton, 39, of Newport was arrested for allegedly choking a woman to the point of unconsciousness.

He was arraigned in Claremont District Court on charges of second degree assault, sexual assault, and simple assault on Saturday. Because Clayton has a history of domestic violence and has been sentenced to jail time for past assaults, he is being held without bail.

Exercise Science students Madison Hawkins '12 (at left) and Justine Sachetta '13 work with student volunteer as part of a research study on the effects of exercise on human health. (Photo by Michael Seamans)

Colby-Sawyer hosts Sports Science Symposium

Colby-Sawyer College will host the 22nd Annual Exercise and Sport Sciences and Athletics Symposium, focusing on Youth, Health and Sport, on Monday, March 18, 2013, in Wheeler Hall at the Ware Student Center. The symposium will include presentations on sport-related concussion, the significance of sports nutrition for youth and ACL injury prevention. Registration begins at 8 a.m. and lectures are free. The first session, "Sports Related Concussion," begins at 9:15 a.m. with Susanna Gadsby, B.S.N., and explores the signs, symptoms and testing methods of concussion and identifies ways to lower the risk to youth. After a short break, Brooke de Lench '72 will present "The Making of the Documentary: The Smartest Team" at 9:55 a.m. At 11:05 a.m., Jennifer Sacheck, Ph.D., will present "Youth Exercise and Sport: Relevance of 'Sports' Nutrition?" Dr. Sacheck's research ranges from studies on the effects of nutrition and exercise on muscle physiology in young and older adults to the effects of physical fitness, nutrition and obesity on stress and cardiometabolic risk factors in youth. After lunch, Dr. David Barlow and Aimee Burnett will present "Life Event: Emergency Management Plan – ACL Injury." They will focus on the basics of ACL prevention training and the general concepts associated with biomechanical aspects related to ACL injury and prevention training. In addition, there will be a 40-minute lab session designed to instruct participants in practical warm-up routines and exercises designed to protect individuals against ACL injury.

Reservations for the symposium are required. A buffet luncheon will be served at 12:10 p.m. and will cost $15 for professionals and $10 for students and senior citizens. For reservations or more information, contact Administrative Assistant Terri Hermann at (603) 526-3616

Weare voters purchase land - reject two bonds

Weare voters approved spending up to $600,000 to buy 137 acres on East Road reserving a 20 acre conservation easement for recreation and to gain access to a town gravel pit. Other big ticket items did not fare as well. Both a $675,000 Bond for a public works facility (784-566) and a $1.7 million Bond to replace the Peaslee Road Bridge (766-563) received clear majorities but failed to achieve the necessary 3/5th required for passage.

Also approved by clear majorities were a one-year contract for police officers, a one-year contract for public works employees, and raises to non-unionized town employees. School support staff were disappointed as voters rejected their one-year contract by a vote of 763- 596, and refused permission to hold a special meeting if the contract was rejected. The town also voted to return to an appointed Police Chief rather than an elected one.

Moderator Nancy Marashio opened the Newbury Town meeting after a delicious pot luck supper.

Newbury approves budget, rejects dock

Well fed from a pre-meeting pot luck dinner, Newbury voters unanimously approved the $3,542,305 operating budget, and increase of $95,691, or about 2.8% over the 2012 budget Also approved were capital reserve funds of $60,000 for fire equipment, $82,000 for highway equipment, $3,000 for the ambulance and $11,000 for recreation facilities. $126,908 was approved for a new six-wheel dump truck, replacing the 1996 dump truck. The only controversy of the evening centered on an issue tabled at last year's meeting, a request for $85,250 for the renovation of the Newbury Harbor dock, with $50,000 coming from the Docks Expendable Trust fund. After a lengthly debate, the measure was defeated by a ballot vote of 31-168.

Stoddard man arrested for sexual assault

David Young, 47, of Stoddard was arrested Wednesday and charged with one count of aggravated felonious sexual assault on a child. Authorities received a report of minor children in Stoddard being sexually abused. The investigation is continuing with further charges expected.

ConVal approves $45.4 million budget

After surviving attempts to reduce it at the Deliberative session, ConVal School District voters, by a margin of 2,278-1,940 approved a $45.4 million operating budget at Tuesday's voting. The budget includes a number of new programs.

Bennington rejects new Police Cruiser

Bennington voters approved all the articles on the town warrant except the one asking for an additional $15,000 for the Police Cruiser Capital Reserve fund. With $25,890 now in that fund, a new cruiser could have been secured and equipped for $38,000 to $40,000. The $1,523,579 operating budget was approved 225-165.

Sunapee OK's Library & both budgets

After several years of planning, Sunapee voters approved a $975,000 bond to design construct and equip a new library 601-380. Also approved were budgets for the town at $6,017,71, and the school at $10,696,896. Voters did reject $270,000 to enlarge and renovate the Art Room at the Sunapee Middle High School.

Henniker School District voters required a pair of ballot votes to pass the budget.

Henniker approves all school articles

A pair of ballot votes delayed the results, but eventually Henniker School District voters approved all the articles on the warrant Tuesday night. Most of the discussion centered on the District's proposed $6,901,423 operating budget, which reflected a slight increase after five years of flat budgets. A motion to amend the amount to $6,695,425 failed by a vote of 48 yes to 105 no. A second ballot vote to pass the budget as presented then passed by a similar margin. Also approved was new one-year teacher's contract with salary and benefit increases of $75,214.

Sunapee Superintendent goes to ConVal

ConVal School Board Chair Quentin "Butch" Estey has announced that current Sunapee Superintendent Brendan Minnihan of Greenfield has been selected to be the next ConVal school superintendent, effective July. Minnihan, 46, has been superintendent in Sunapee for the last five years. He has a daughter who attended Greenfield Elementary School and is now at South Meadow School. He holds a Ph.D in education from Indiana University in Bloomington, Ind., and worked in the Hampstead and Fall Mountain school districts before going to Sunapee, a one-town district that has 470 students and two schools.

Safe Routes to School construction begins

Members of the Hillsboro-Deering Safe Routes to School Task Force met on March 11. The project, mainly focused on sidewalk reconstruction, is tentatively beginning on March 25. Though the construction company anticipates completing the bulk of the work within 3 weeks, by April 8, they have an 8 week window in which to work. That would bring the date to May 20. The work will begin each morning around 7am. During this time, pedestrians are asked to avoid Brown, Church and Walnut Streets within the vicinity of the elementary school. There will be some work on School Street in the area also. Buses will be able to enter, but there will be a single lane on Brown Street during construction time. It would be advisable for drivers to seek an alternate route during this time.

Brown's Way back on Henniker warrant

A group of the 30 residents who live on Brown's way have again petitioned the town to maintain the .45 miles in an AS IS status as a town road.
