## National Honor Society

Mount Royal Academy welcomed Cooper McCrillis, Naomi Nelson, Hannah Everitt, and Daniel Fitzgibbons into membership of The Saint Thomas Aquinas Chapter of the National Honor Society, in a ceremony held at the school on February 20. Members were selected by a council comprised of faculty members for meeting high standards of scholarship, service, leadership, and character.

## Presidential Politics

Former Maryland Governor and US Representative Bob Ehrlich stopped in Henniker for a Town Hall style meeting courtesy of the Center for Civic Engagement at New England College. Gov Ehrlich may pursue a run for the Presidency and spent nearly an hour questioning the audience and giving his vision of the future of the country. NEC plans to continue these Town Hall meetings through the 2016 election cycle.

The Hopkinton Rotary Club hosted a Candidates' Forum on Sunday. Attending were (L to R) Budget Committee candidates: Amy Beaugart, Debbie Norris, and Ginny Haines, Moderator James Newsom, Selectman candidates George Langewasser and Steve Lux.

# IRS Phone Scam

## Bow Police warning residents to beware

The Bow Police are warning residents about an IRS telephone scam. According to Sgt. Art Merrigan, an aggressive and sophisticated phone scam targeting taxpayers has been making the rounds throughout the country. Recently several residents have reported receiving this type of call. Callers claim to be employees of the IRS, but are not. These con artists can sound convincing when they call. They use fake names and bogus IRS identification badge numbers. They may know a lot about their targets, and they usually alter the caller ID to make it look like the IRS is calling. Victims are told they owe money to the IRS and

it must be paid promptly through a pre-loaded debit card or wire transfer. If the victim refuses to cooperate, they are then threatened with arrest, deportation or suspension of a business or driver's license. In many cases, the caller becomes hostile and insulting. Victims might also be told they have a refund due to try to trick them into sharing private information. If the phone isn't answered, the scammers often leave an "urgent" callback request. If someone calls unexpectedly claiming to be from the IRS with aggressive threats if you don't pay immediately, it's a scam artist calling. Should you receive one of these calls please contact us at 228-0511.

## New Boston Police undermanned - needs two officers

New Boston Police Chief Jim Brace recently met with the Selectmen to inform them that Patrolman Leland Hunter has resigned as he could not qualify with a firearm.

The town had a training agreement with him and he agreed to reimburse the town in equal installments beginning next month. There are now two open positions with the

Police Department. A candidate is in the hiring process but it could be August before both positions are filled. The town will be covered 24 hours as usual.

Town Administrator Peter Flynn noted that the Chief had received a letter from a constituent complimenting him on smooth traffic control at the school in the mornings.

# Weare Selectmen seek officers' thoughts on hiring a new Chief

The Weare Selectmen recently met with members of the Weare Police Department including Sergeants Frank Hebert and Kimberley McSweeney and Patrol Officers Shane Arsenault, Kenneth Cox, Austin Maguire, Brandon Montplaisir, and Sheila Savaria, to get their views on the process for selecting a new police chief and characteristics they would like to see in that chief.

The floor was opened to the department officers for comment and suggestions. Both Sergeants Hebert and McSweeney emphasized the level of professionalism and commitment to the community that they saw in the present staff.

They also emphasized the need to separate the work of this group from events in the past that brought public criticism of the department and negative media coverage. There was discussion of the Board talking about going to an outside agency or the County Sheriff's Department to police the town and the negative impact that talk had on present police officers who felt they were working hard to protect the community and gain respect. Officers talked about the strengths and weaknesses of prior chiefs and noted that if they could take only the strengths of each and combine those into one person they would have the ideal leader.

Speaking for the group, Sergeant McSweeney asked to have one or two police officers involved in the selection process for the new chief. Even if they were non-voting members of the panel she felt that their insight would be valuable.

She also talked about asking to speak to the Board last fall as the Union Steward and that it hurt the moral in the department when she was asked to put her concerns in

writing.

Selectman John Lawton brought up the issue of CALEA certification. Most of the officers present thought it was a good idea. The general opinion was that although we

could have a good police department without certification, the CALEA certification would help reestablish community confidence in the Weare Police and be a measure of pride within the department.

Henry Johnson met with the Antrim Selectmen to seek their support of his Eagle Scout Project.

## Eagle Scout project would highlight 18 Antrim Mills

Armed with maps, drawing sketches and a well designed plan, Henry Johnson, a member of Antrim Boy Scout Troop 2, met with the Selectmen to ask their support for his Eagle Scout Project, the installation of an Information Kiosk located at Goodell Park. Although there is a monument already in memory of David Goodell at this park, Johnson believes there is still a lot of information that visitors would like to know. The Information kiosk would expand on existing information on the plaque within Goodell Park. The kiosk will be two sided; one

side will focus on the 18 mills built along Great Brook, and the other will tell about some of Goodell's greatest accomplishments. The project is designed to encourage people to learn more about Goodell, and the manufacturing industry that flourished along Great Brook.

Johnson is working on a budget of just over \$4,000, which will be initiated with a letter to local businesses seeking their support

He plans to have the kiosk completed by this year's Home & Harvest Festival.

## Man clocked at 109mph on I-93 in Bow

Tommie Campbell, 38, of Manchester, was arrested Sunday for driving 109 mph on Interstate 93 in Bow. Trooper Dan Livingstone of Troop D observed a vehicle traveling along I-93 North in Bow at speeds of 108 mph in a 55 mph zone at 1:10 a.m. Sunday and operating erratically, swerving and narrowly missing other cars. The vehicle, which was later observed operating at a speed of 109 mph, was stopped on I-93 in Concord, where Campbell failed field sobriety tests and was arrested for aggravated DUI. State Police say Campbell became combative and belligerent, threatening the troopers and attempted to kick out the window of the police cruiser while being transported to Merrimack County Jail. Campbell is charged with aggravated DUI, DUI — third offense, driving while a habitual offender, disobeying an officer, criminal threatening and reckless operation.

## Help send a New London child to camp

Some New London parents are facing difficult choices in the coming months especially as they try to find a safe and affordable camp for their child(ren) during the summer months. New London Recreation Department has received requests for partial or full scholarships to help defray the cost of camp for qualified families who may otherwise have to leave their child(ren) home alone or leave their place of employment. The New London Recreation Department is asking you for your help in sending one or more children to the Summer Day Camp. Donations may be made in any amount. \$125 will send one child to Summer Day Camp for one week. Please make checks payable to "New London Recreation Department" and put in the memo "camp scholarship program." Checks can be mailed to: New London Recreation Department, 375 Main Street, New London, NH 03257.

## New London truck rollover closes I-89

NH State Police reroute traffic on I-89 southbound in New London Wednesday morning due to a tractor trailer rollover. The crash occurred shortly after 4 a.m. when an Associated Grocers Truck driven by Norman Doyon, 49, of Pembroke, NH rolled over into the center median near exit 12-A. Doyon was taken to New London Hospital for minor injuries and released. Heavy-duty tow trucks removed the vehicle from the median. Initial investigation revealed the driver was driving too fast for the existing condition and believed to have lost control of the vehicle on the slippery roadway as a result of his speed. Investigation continues with possible charges pending.

## New Boston voters asked to support proposed \$4,609,660 budget

Article #15. (\$205,000) for the purchase of land Map 8, Lot 110-2 (approx. 3.25 acres). The sum of two hundred and five thousand dollars to come from Unreserved Fund Balance with no amount to be raised from taxation.

Article 16. (\$4,609,660) Operating Budget. If defeated, the default budget is (\$4,529,774).

Article 17. (\$350,000.00) for the purpose of completing the road improvements on Old Coach Road.

Article 18. (\$40,000.00) to be placed in the Town Hall Renovation Capital Reserve Fund.

Article 19. (\$91,216) for the purpose of completing the town hall renovation.

Article 20. (\$110,000), to be placed in the existing Fire Department Vehicle Capital Reserve Fund.

Article 21. (\$70,000) to be placed in the existing Highway Truck Capital Reserve Fund.

Article 22. (\$50,000) for the purchase of one pre-owned six wheel dump truck for the New Boston Highway Department, from the Highway Truck Capital Reserve Fund.

Article 23. (\$50,000) to be placed in the existing Highway Heavy Equipment Capital Reserve Fund.

Article 24. (\$85,000) for the purpose of improvements on Bedford Road.

Article 25. (\$40,000) to be added to the existing Town Bridge Repair/Replacement Capital Reserve Fund.

Article 26. (\$20,000) to be added to the Revaluation Capital Reserve Fund.

Article 27. (\$1,037.00) to be added to the expendable trust fund established in 2014 for the purpose of offsetting the cost of police 'detail' coverage incurred by New Boston non-profits when they sponsor public events in New Boston that require security.

Article 28. (\$24,500.00) for the purpose of purchasing and installing new wall mount

heat pump air conditioning and heating units in the town hall offices.

Article 29. (\$230,000) to design and construct a footbridge over the Piscataquog River connecting Mill Pond Conservation with the Library, the entire amount to be fundraised by the New Boston Foot Traffic Safety Committee.

Veteran New Boston Selectman Rodney Towne (2nd from left) presided over his last selectmen's meeting. He was presented with a gavel in recognition of his many years of service.

## Bow man sentenced to 15 years in prison for sex trafficking

The former New Hampshire National Guard commander convicted of soliciting sex from a minor prostitute last fall has been sentenced to 15 years in federal prison. Ray Valas, 41, of Bow, was found guilty last November on one count of sex trafficking of an underage prostitute. Prosecutors said he paid for sex with a 15-year-old girl twice on

a business trip to Texas in August 2013. In court, Valas admitted to meeting with the girl, but stated he interviewed her as part of his research on the involvement of transnational gangs in sex trafficking. Valas was sentenced last Friday along with three others who ran a local prostitution ring. His attorney has said he plans to appeal Valas' conviction.

### Bow receives Emergency Management Grant

The Bow Selectmen held a Public Hearing for the acceptance of the Emergency Management Grant. Emergency Management Director Lee Kimball reviewed the purpose and application process of the grant for the purchase of communications equipment, including a scanner, mobile radio, portable radios and antenna mounting. The total cost of the equipment is \$21,433.72 of which the town's portion would be \$10,716.86. However, Kimball received approval to put \$8,162.71 of soft and in-kind match toward the grant, leaving the Town's cash contribution to be only \$2,554.15. After a short discussion, the Board unanimously approved the purchase. Selectman Harold Judd asked Kimball how many grant applications has he written and applied for to benefit the Town, to which Kimball replied that he has written and received five grants and that each one has exceeded the amount of his annual budget.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

A small daily dose of aspirin may slow the decline in intellectual capacity among elderly individuals with high cardiovascular risk, according to a study published in the British Medical Journal *Open*. In addition to preventing heart disease, acetylsalicylic acid (aspirin) has been shown to be effective against cancer, according to several scientific studies.

New research shows that women who regularly use pain relief medications, particularly aspirin, have a decreased risk of serous ovarian cancer — an aggressive carcinoma affecting the surface of the ovary. The study published in *Acta Obstetrica et Gynecologica Scandinavica*, a journal of the Nordic Federation of Societies of Obstetrics and Gynecology, reports that non-aspirin non-steroidal anti-inflammatory drugs (NSAIDs), paracetamol (acetaminophen), or other analgesics did not decrease ovarian cancer risk. Ovarian cancer is the deadliest gynecological malignancy and the fifth-leading cause of death by cancer for women in developed countries.

A drug originally developed to prevent the rejection of transplanted organs has now been shown to dramatically reduce a particular kind of brain tumor in patients with tuberous sclerosis complex (TSC) — a genetic disease that causes tumors to grow on vital organs. The study, published online in *The Lancet*, is the latest to show the effectiveness of everolimus in slowing the cell growth that is overactive in patients with TSC. Nearly 50,000 children and adults in the United States and approximately a million people around the world live with TSC.

### Newport man is the Fugitive of the Week

Myles Dyer, 20, of Newport, is wanted after violating his probation after being indicted on June 25, 2014 by the Sullivan County grand jury on a charge of conspiracy to commit a burglary. Dyer has been named this week's Sullivan County Sheriff's Department Fugitive of the Week. He is described as a white male standing 5 feet, 7 inches tall and weighing 145 pounds. Dyer has brown hair and brown eyes.

### Police report car stolen in Dunbarton

Dunbarton Police are searching for a green 2001 Honda Accord with Massachusetts license plates which was stolen from a Twist Hill Road residence Monday night or Tuesday morning. Authorities have a suspect and believe the car may be in the Manchester area. Anyone spotting the vehicle is asked to call the Dunbarton Police Department at 224-1232.

### Funnelator set for Sunday in Hopkinton

Hopkinton's Funnelator has been rescheduled for this Sunday. The field will be open for competition at the library field from 2 to 4 p.m. March 8. Horse-drawn sleigh rides, a scavenger hunt, bonfire, biathlon, a snowman building contest and self-guided snowshoeing are all part of the Winter Festival at 41 Houston Drive. The team that can launch a snowball the farthest is the winner of the Funnelator competition.

## Newport holding firm on curtailment of ambulance service to other towns

After holding a 2 hour Special Meeting, attended by most if not all of the Newport Fire/EMT Department and representatives of Newbury and Lempster Fire Departments, the Newport Selectmen held firm on their decision to curtail ambulance service to area towns. On February 9th, the board unanimously decided that Newport Fire/EMS would no longer provide non mass casualty incident service to Lempster or towns in the New London Ambulance Service catchment area other than Sunapee effective June 30th.

### Weare fire quickly extinguished

Fire damaged a two-story home at 14 Elm Drive on Tuesday afternoon. Fire Chief Robert Vezina said firefighters encountered "thick smoke" throughout the home and extinguished fires on the first floor and in the basement. Damage to the house and contents was extensive but the fire was rapidly controlled due to a quick response by the on-duty crew and an aggressive interior attack on the fire," Vezina said in a news release. Nobody was home at the time of the blaze and no firefighters were injured, he said. The cause of the fire remains under investigation, he said.

Coverage to the Mount Sunapee Resort ski area will continue through April 12, the last day of skiing for the winter.

According to Board Chair Gary Nichols, Newport Ambulance Service made 1,456 calls in 2014, compared to 325 in 1973. He listed three factors which led to the decision:

1. How are we going to address staffing effectively and still have coverage in New-

port?

2. Why aren't other towns doing something to help their own people?

3. Why do we need to continue doing backup to these towns? Newport resident Bert Spaulding Sr. summed up the situation when he said, "Other communities need to sign on and they can't get on the bus without a ticket."

State Senator Jerry Little (r) moderated a Candidates Forum for the 7 candidates running for the 2 seats on the Weare Board of Selectmen, (L to R) Gregory McDowell, David Recupero, Frederick Hippler, Janet Wilson, Jack Meaney, Tom Clow and Christine Ivenjack.

## Write-In Gary Sparks for Planning Board

I have very recently been asked by several prominent Hillsborough citizens to stand as a write-in candidate for the one year open seat on the Hillsborough Planning Board in the upcoming town election. I have agreed to do so. A number of important matters are due to come before the board in the coming year, and my ten years previous experience on the planning board will prove invaluable in helping to move these matters forward in a positive manner. My prior experience also better prepares me to begin immediately to perform the duties required. Please take a few extra moments when you vote to write in my name—Gary Sparks—and fill in the oval on the “write-in” line on the town ballot “For Planning Board—For One Year.” (Please see attached sample.)

## Goffstown water leak displaces 8 tenants

The Goffstown Fire and Police Departments and Emergency Services responded to a report of water leaking from frozen pipes at Viksters Pizza & Subs. The broken pipe was located on the third floor of the building. Up to 8 people and their pets required temporary housing. Vikster's Pizza & Subs was not showing any water anywhere in the store and planned on being open for business as usual. The 2nd floor apartment was also evacuated, and Eversource NH was requested on the scene by Fire Department to isolate electrical concerns. The power had to be terminated on the 2nd and 3rd floor of the building. The Red Cross had been contacted for assistance and the Goffstown Town Hall was opened as a temporary shelter for the displaced individuals and pets.

## Greenfield man has three felony indictments

Elias Dawley, 22, of Greenfield was indicted on three felony-level charges in connection with an alleged robbery that occurred in December. Authorities claim Dawley stole a television set from a Greenfield residence, while pointing a pellet gun at the owner of the television, putting him in fear of immediate danger. He then struck the victim in the face with the pellet gun. Dawley has a previous felony conviction of possession of a controlled drug in May 2013, and is not allowed to have a deadly weapon under the state's RSA 159:3. This felony charge carries a penalty of up to three and a half years to seven years in the State Prison.

# Antrim forum addresses potential closing of Great Brook School

A smaller than expected group of about 30 people attended a forum at the Antrim Town Hall Wednesday evening to discuss a pair of articles on the ConVal School District Warrant. Hosted by the Antrim Selectmen, the panel also featured ConVal School Board representatives from Antrim, Francestown and Hancock.

Article 8 calls for the closing of Great Brook School and consolidation of Middle School students at South Meadow School in Peterborough. Because it does not seek to amend the District Articles of Agreement, it requires only a majority vote, but has been ruled purely advisory and not binding on the School Board.

Article 9 does amend the Articles of Agreement and thus requires a super majority to pass. It changes only one word, changing the sentence that the District SHALL maintain schools in each town to the District MAY maintain those schools. The effect would give the school board the authority to close underperforming schools without voter approval.

The audience appeared to agree with

the panel which opposed article 8 and felt article 9 was premature as the District

was undertaking a study of the problem of declining enrollments.

(L to R) Antrim Selectmen John Robinson and Mike Genest, Hancock School Board Rep Pierce Rigrod, Antrim School Board Reps Rich Cahoon and Crista Salamy, Francestown School Board Rep Stephan Morrissey.

**TOWN OF HILLSBOROUGH, NH EMPLOYMENT OPPORTUNITY**

Building Inspector/ Code Enforcement Officer  
 The Town of Hillsborough is accepting applications for a part-time Building Inspector/ Code Enforcement Officer (approx. 15 hrs/week) for the purpose of inspecting construction throughout the Town for compliance with NH State Building Codes and Town Zoning Ordinances. Please refer to our website for job duties, application instructions and qualifications ([www.town.hillsborough.nh.us](http://www.town.hillsborough.nh.us)).  
 The Town of Hillsborough is an EOE.

These members of Hillsborough's American Legion Post #59 recently hosted about 180 area seniors to a free turkey dinner with all the fixins (left photo). The Goffstown Historical Society's Cat In The Hat Breakfast drew a huge crowd on Sunday (right photo).

## Unique approach to support New Boston Central School

New Boston voters are being asked to add a new section on the semi-annual tax bill to provide a convenient way for taxpayers to donate an additional dollar amount to be dedicated specifically to the New Boston Central School. The new section will allow taxpayers to allocate donations to one of the following areas:

- Technology upgrades
- Purchase of musical instruments or art supplies
- Playground facility upgrades
- Any of the above

Donations received will be held in

separate accounts administered by the School Board. Any costs to track and distribute these funds will be deducted from the total and reimbursed back to the town. As a show of appreciation, the names of those who donated will be reported twice-yearly in an advertisement placed in the local newspaper.

All names will be listed unless a donor indicates that they wish to remain anonymous. The newspaper advertisement will not show dollar amounts, but some names may be featured more prominently than others, depending on the amount given. (Submitted by Petition)

## Center Woods School holds an Invention Convention

Center Woods Elementary School students recently participated in the Invention Convention, which is part of The Young Inventors' Program that is administered by The Academy of Applied Science, a nationally recognized educational resource center based in Concord, New Hampshire.

The Academy of Applied Sciences offers and administers programs to develop, encourage and provide creative opportunities for students in science and math.

The Young Inventors' Program is designed to inspire kids to think outside the box and encourages students who may not fit the mold for traditional sciences to

use their creativity to solve a problem.

Grade Level Winners included: l-r: Hailey Brisson and Hannah Corey (3rd Grade for their U Brush horse brush), Ryann Telegen (2nd Grade for her Telgen Bub), Leah Chapman (2nd grade for her Crayon Spilling Helper), Reese Pike (1st Grade for her Bedazzled Bowling), Joshua Pasek (3rd Grade for his Chair Basement), Enrichment Teacher Deborah Lynch, Megan Rousseau (4th Grade for her Battery Powered Blanket), Adam Morrisette (4th Grade for his Hockey Shot), and Liam Burgess, Josiah Fowler, and Alexis Forresta (4th Grade for their Magnetic Helper). ## Publisher's Perspective *by Leigh Bosse*

### These men deserve your continued support

Area voters face an abundance of contested races in Municipal and School Board elections. Although my opinion is no more valid than yours, if you are still undecided, let me suggest two true public servants who deserve your support. Both possess a talent frequently missing from elected officials - they actually listen to their constituents.

#### Antrim Selectman-Mike Genest

Current Selectmen Chair Mike Genest has filed for re-election. Mike runs his meetings with dignity and respect for others and their opinions. Throughout the whole wind farm debate and conflicts with the Planning Board, he remained calm and objective, giving everyone an opportunity to express their opinions. When the issue surfaced again this year, he was the only selectman to support a public hearing before extending the agreement with Antrim Wind, and insisted that the proposed easement be left for voters to decide at Town

Meeting. Mike deserves another term.

#### Hillsboro Selectman-Dave Fullerton

In supporting Dave's election three years ago I said, "It's time to give Dave a chance." In that time, Dave has taken advantage of that chance. It is at his insistence that Selectmen's meetings now begin with the Pledge of Allegiance. He has revamped and revitalized the Park Board and dramatically expanded recreational programs for young and old alike. A true taxpayers' friend, he continues to try to reduce the Police Department's budget. Dave has no personal agenda and is committed to making Hillsborough a better place to live. As the former Chairman of Hillsborough Pride and member of the Hillsboro Lions Club, Park Board, Economic Development Committee and Balloon Fest Committee he has dedicated hundreds of hours to community service.

### A YES on Articles 7, 8 & 9 holds taxes down

No one knows why, but the Hillsboro-Deering Middle School was built without a back-up boiler, and the one boiler recently developed cracks which needs repair. In March, School District voters will be asked to support a trio of Warrant Articles drafted to remedy this situation.

ARTICLE 7 calls for \$250,000 for the purpose of purchasing and installing a replacement heating system for the Middle School.

ARTICLE 8 seeks \$100,000 to establish a new expendable Trust Fund for the purpose of maintaining and improving the operations and facilities of the School District.

ARTICLE 9 asks voters to discontinue the School Building Maintenance Expendable Trust created in March 2004, which contains about \$350,000. Currently this fund can only be used for emergency repairs. Thus, if the boiler totally fails, the money can be used to replace it, but can't be used to replace it before it fails.

Article 9 is contingent on passage of both article 7 and article 8. Should 7 & 8 pass and 9 fail, taxpayers would be required to raise an additional \$350,000, thus raising the tax rate.

If all three are approved, the boiler will be replaced, and the new trust funded without raising taxes.

## Letters to the Editor

### Dear Editor:

One of my many responsibilities as your Selectman is to ensure that all Hillsborough Boards are in compliance with the State Law, "the Right to Know Law." This law ensures that all Boards are mandated to comply with the following: published notice of meetings, published agenda, quorum present of board members, and published minutes of meetings. All the Boards complied, except the

Park Board. The Park Board was established in 1988 was simply to advise the Selectmen on Park issues.

The Park Board is chaired by Jim Bailey, presently a candidate for Selectman. In April 2014 the Park Board was not in compliance with any of the above laws. Of concern, their policy and procedures manual had not been updated since the original publication in 1988. Prior to June 2014 only two meeting ▶

minutes could be located, December 11, 2011 and January 3, 2012. The Park Board never officially approved any budget, Mr. Bailey submitted his own to the Selectmen.

There were several contentious meetings during 2014 requesting that Mr. Bailey comply with the laws and prepare a policy and procedures manual. The Selectmen requested Mr. Bailey and the Park Board to immediately prepare a policy for Vendor Solicitation. Mr. Bailey did not comply and Mr. Bailey denied Kona Ice from all Parks, a vendor that returns 25% of their profits back to youth programs. As of this writing this policy has not been written for Selectmen approval.

Mr. Bailey's statement: "We have been operating like this for eighteen years and never had a problem until now."

On July 8th friends of the Park Board disrupted the Selectmen's meeting and the police were called to remove one of the mob. In a closed session, I requested Mr. Bailey's removal from the Board for failure to be in compliance with the laws. At that same meeting I requested a Park Board audit of expenditures from the Town and Manahan Trust Funds. This meeting ended without a vote. The audit request was never voted on.

On July 18, 2014 the Messenger News Paper claimed, "Park Board Nepotism." The article listed the names of relatives and friends hired by Mr. Bailey's Park Board. Of thirty-four employees that were hired, not one position was advertised.

Without Park Board or Selectmen approval he denied the Lions Club the use of Grime's Field for a Circus. The Selectmen had to override Mr. Bailey's arbitrary decision.

The Town of Dearing pays the Town of Hillsborough \$25,000 to allow their children to use our parks. Mr. Bailey denied them the right to have a voting member represent their town.

A vote for Mr. Bailey is a vote for a person that refuses to work within the laws of the state or duly elected Selectmen.

**Alan B. Urquhart, Hillsborough**  
\*\*\*\*\*

**Dear Editor:**

How did Henniker become under insured by \$1.2 M?

That is the biggest question I would like to have answered at this year's town meeting on Saturday March 14th. Let me say under the present circumstances we must approve this warrant article and pay this bill.

However, I believe that we the people who pay the taxes are entitled to know how this occurred. If that means that we have to have invite the past town administrators for

the last 15 years Peter Flynn, Chuck Connell, Tom Yenerell then so be it. After all, we were told when these people left that they did such a great job. I am sure that they can shed some light this fiasco before us.

Or maybe we should have the town's finance director, the head road agent and the entire select board explain to us on how this under protection went unnoticed.

I moved to Henniker in 2000. In 2001 I examined the budget for this town. Back then I questioned the foolishness of those who ran for the select board by continuing the idiotic promise of holding taxes to an arbitrary amount under \$1000 assessed value. I told Marilyn in 2001 that based on my calculations this town would be underfunded by about \$6 M by 2010.

Well, in light of the past unfunded liability of the Western Ave Bridge reconstruction, now the unfunded liability of the under-insured maintenance shed, the unfunded liability of Contoocook Falls Road repair and all the other unfunded public works projects that need to be completed throughout town, I would say that my \$6 M prediction looks extremely conservative.

**Dr. Bruce J. Trivellini, Henniker**  
\*\*\*\*\*

**Letter to the Editor:  
A Win-Win**

The Hillsboro-Deering School Board recommends adoption of Articles 7, 8, and 9 when citizens vote on the School District ballot on March 10. The result of all three articles passing will be the purchase and installation of an appropriate and reliable heating system for Hillsboro-Deering Middle School, the establishment of a new expendable trust fund focused on maintenance and capital improvements, and the discontinuing of a restricted emergency fund (the School Building Maintenance Expendable Trust established in 2004). The board and the administration feel that passage of all three articles will address immediate needs and support responsible planning for the physical plant.

Currently, there is about \$350,000 in the emergency fund. The heating system is projected to cost no more than \$250,000 and is necessary because we now have only one boiler in the Middle School. By passing all three articles, \$350,000 will be transferred to the general fund, \$250,000 will be spent on the heating system, and the remaining \$100,000 will fund the new expendable trust. We will have the necessary heating system. There will be no impact on taxes, and a more flexible capital improvement fund will be established.

Article 9 (discontinuing the old fund) ►

is contingent upon the passage of both Articles 7 (new heating system) and Article 8 (establishing the new expendable trust fund), ensuring that the funding will have no tax impact. If only one of the articles (either 7 or 8) pass, there will be a tax impact. The passage of all three articles creates a "win-win" tax neutral situation for the school district and the taxpayers of Hillsboro and Deering.

Thank you for your support.

**Rich Pelletier – Hillsboro- Deering School Board Chair, Nancy Egner Denu, Steve Hahn, Virginia (Ginks) Leiby**

**To The Editor:**

I suggest we move the two modulars to the new site for the alt School. The cost would be minimal. Problem solved, taxpayer saved.

Once again our Emergency maintenance trust is in jeopardy of being hijacked. We voted last year to keep it as is and we need to vote to keep it again this year.

**Mary L. Lannon, Hillsborough**

**Dear Editor:**

As we approach town meeting day, and the Greater Hillsboro Senior Services submits their request for monies from the town, I would like to comment on what this group has provided over the last year for our ever growing senior population. Now incorporated as a non-profit, GHSS has arranged shopping trips for senior citizens to Manchester, Concord, Nashua, and Claremont, including trips to Walmart, Market Basket, Trader Joes, and thrift shops. Other trips were undertaken with groups transported to such places as the Brimfield Flea Market, Sturbridge Village, the Flower Show, and the Norman Rockwell Museum. As a participant in some of these adventures, all was affordable and fun! Lunch and Learn programs were also held, as was a performing artist show, and the holidays included a Silver Christmas Tea and Yankee swap.

Arrangements were made for seniors to join the Crotchet Mountain Silver Splashes aqua exercise program, pickle ball was started, and fifteen drivers were trained to support the Dial A Ride program. In February, a Chinese New Years Luncheon was well supported by approximately 100 seniors. All that's been mentioned is not all inclusive of what this group has accomplished in a relatively short amount of time, just some of the highlights. GHSS has also been involved in an ongoing

effort to raise money for "A- Bus- For- Us". Numerous fundraisers have been held, and others are in the works. Currently, the fund for the purchase of a bus is at \$16,000 and growing. I'm so hoping that future finances allow the GHSS group to continue to provide such wonderful services to this community, and that those services are enabled to expand.

**Laura Gould, Hillsborough**

**To The Editor:**

**Support Weare businesses**

Many of you reading this may not realize that there is a Subway franchise in south Weare, you may even drive by it daily. Current sign ordinance restrictions under article 34 of the Town of Weare Zoning Ordinance does not allow them to locate a sign near the road that would be visible to traffic passing by.

Article 24 of the Town of Weare Zoning Ordinance states that the purpose of the Commercial Zoning District is to encourage the diversification of the Town's Economic base by promoting commercial endeavors to locate in Weare and thereby increasing the local services while making a valuable contribution to the Town's tax base.

Talking with many of the business owners on the route 114-77 corridor, all have expressed frustration with dealing with the Town when it comes to article 34 " Sign Ordinance" issues. Town businesses add to the tax base, provide services, and employment opportunities and should be able to advertise their businesses. I ask that you show support for Weare Businesses by voting yes on Article 7 on March 10 at the Weare Middle School.

**John Lawton, Weare**

**Dear Editor:**

There was a clear message from last year's town meeting that the prior safety complex proposal was too expensive. The Washington Emergency Services Advisory Committee (WESAC) has been working since last spring to rethink the approach. Working with our architect, construction manager, and the board of selectmen WESAC has proposed a new fire and EMS building at a cost of \$1.67million. This proposal represents a savings of approximately \$890,000 and a reduction of over 3000 square feet as compared to the 2014 proposal.

The new building will have a 6 bay equipment barn with a 2300 square foot

## Letters to the Editor

administration wing containing decontamination facilities, men's and women's handicapped accessible bathrooms with showers, a training room, small kitchen, and office space for fire, rescue, and emergency management. The administration wing will have unfinished attic space that could be used to meet future space requirements.

This building has been designed to meet core needs including: decontamination capabilities to help protect our volunteers, adequate number and sizing of equipment bays, functional storage and office space, and a state certifiable training room.

For more information you can go to [washingtonnh.org](http://washingtonnh.org) and click on "Safety Complex Building Project" on the left bar.

The new Fire and EMS facility will be a valuable asset to our community and our first responders for many years to come. We ask that you join us in supporting this project by voting YES on Article 3 at the Town Meeting session on March 14, 2015.

**Washington Emergency Services  
Advisory Committee**

\*\*\*\*\*  
**Letter To The Editor:**

The Wilmot Community Association is a wonderful organization providing recreation, educational opportunities and other events for all the citizens of our community. It includes a popular beach and its associated programs, as well as the many uses of the Red Barn Community Center that are available free of charge to all residents of Wilmot. We are encouraging you to support the town's warrant article of \$4,500 to enable the WCA to continue these opportunities. Insurance costs for the WCA have increased dramatically in the past year, especially because of the liability for the beach area. Additionally, the operational costs for the Red Barn have increased significantly.

We are truly fortunate to have such a wonderful facility. Let's not take it for granted. Vote yes for this warrant article.

**Jan and Paul Sahler, Wilmot**

\*\*\*\*\*  
**Dear Editor:**

When Washington NH registered voters turn to their March calendar they should notice that the 14th day of that month will be a red letter day: the first time that Town Meeting will be held on a Saturday! On that day we will be called to exercise our opportunity, indeed our duty, to answer the call to vote and undertake the job to restore and confirm

the decisions made 228 years ago to build this magnificent Meeting House building.

It was then that those daring ancestors of ours erected this one building that has outlasted all other similar buildings to become for us and our children our singular pride.

To restore our 228 year old building will be one of the most challenging jobs we as a town will ever take. No other building in town has its importance. The workers we will hire will literally raise the whole building, even with its steeple intact. One will be able to look under it from front to back, side to side. And after the lower level is excavated, a full concrete foundation will be laid replacing those various boulders and wood props that now support parts of the main floor where we enter to do town business. The distinctive but unusual red bricks that have always faced the foundation will be replaced to look just like the original ones that the town fathers used. Our founding fathers will see a stronger and sturdier building but looking on the outside absolutely the same.

But on the inside, our ancestors could never imagine what awaits the town: a fully powered electrical service with modern 300 amp voltage. Plus a lighting system which will show off the interior and the "Church pillars" for any visitor who might pop in after they had been halted by the beauty of town center and taken their perfect picture of a New England scene. Even a sprinkler system!

They may even have time then to visit the upper floor which will become available after the legalities for access and egress are met. Maybe they will view the colorful 19th century hand painted stage curtain and see something most of us have rarely seen.

When you cast your vote on Saturday, March 14, you will be voting to approve funds to continue the vision of our ancestors, like all Washington residents who are unafraid to face the future and proud to preserve their present.

By the way, check out the town web page, [www.washingtonnh.org](http://www.washingtonnh.org), Meeting house project and watch your mail box for more details.

## Letters to the Editor

7. To operate jointly with other government units and facilities or property including participation in the acquisition; and

8. To hold trust or manage public property useful to the accomplishment of its objectives.

Article 31, if approved, will usurp the authority of your Selectmen, Planning Board, Pride, and the current Recreation Program. The Recreation Commission will be able purchase, control land, and enter into contracts. It will add to the already present Park Board's nepotism. At the polls on March 10, ask Mr. Bill Bailey, a candidate for Selectmen, if he supports or signed the above Article. He should be questioned at length concerning each of the above seven points. Simply, this is an attack on the sovereignty of the people of Hillsborough and mocks you, the legislators of the town meeting. This Regulatory Commission, if established, will give absolute and unconditional power over our parks, the Manahan Trust and all contracts. It is simple: Do you want a selectmen- form of government an agenda-driven minority of demigods that will attempt to abolish the Town Meeting form of government and usurp the authority of the other Boards. Thomas Jefferson remarked: "The only use of which the people ever make of their power is to either give it away, or allow it to be taken from them."

**Alan B. Urquhart, Hillsborough**

**Dear Editor:**

We need to understand that there is a Warrant Article being proposed in Hillsborough that has to do with Recreation. At the present time thanks to Selectman David Fullerton, who thought that Deering should have someone represent them on the Recreation Board, we have a representative from Deering who sits on the Board without a vote and that is Doris Beane. Those writing the Warrant Article do not want us to have any representation on the Recreation Board, not even a non-voting one, yet we are allocating yet another \$25,000 to pay our share of the program in Hillsborough (I actually think it is fair). I would ask that my friends in Hillsborough not pass this Warrant Article, and yes, you can say it is none of my business, but I believe it is, since we do contribute to the program shouldn't we at least have a voice in what you are doing? Doris Beane is a great representative for the Town of Deering and well known in

Hillsborough. Please let us keep her voice to represent Deering. We are willing to work with our neighbors on many projects, many of our residents volunteer their time in Hillsborough at the Schools, Food Bank and supporting Hillsborough Town Functions, heck even I have given my time to speak to students at the High School about the Medical industry, so we are asking for your support now. We are not asking for a vote, although that would be nice, just our voice. Thanks.

**JP Marzullo, Deering**

**To the Editor:**

I have been a member of the Hillsboro-Deering School Board for two years, and I recognize and appreciate first-hand the commitment and dedication of my colleagues. Rich Pelletier and Nancy Egner Denu are up for re-election, and I strongly urge voters to support them on March 10. Rich has provided balanced and effective leadership as board chair, and his initiative and persistence have been instrumental in developing a responsible approach to challenges ranging from the budget to our physical plant. As the only board member who is a current parent, Nancy is tuned in to issues of curriculum and student life and is a principled voice willing to advocate for what is best for students and for our community. Our board has worked together to support the notable progress that our schools are making – please ensure that the progress will continue by voting for Rich Pelletier and Nancy Egner Denu.

**Author/illustrator at Henniker School**

Students in Pre-K through fourth grade at the Henniker Community School will have the opportunity to spend the day with author/illustrator Maryann Cocca-Leffler on Monday, March 16. Cocca-Leffler is the author and illustrator of over 50 books for children, including the award winning Mr. Tanen's Ties and Bus Route to Boston. Cocca-Leffler has a Bachelor of Fine Arts in Illustration from Mass Art and lives in New Hampshire. Cocca-Leffler will share her creative process of making a book with the Henniker students and talk with them about how she gets ideas for her books. She will also show them the highlights of artistic development from sketches to finished art. Many of Cocca-Leffler's books are based on her own childhood or that of her children. Cocca-Leffler's newest book, Janine, is the story of her daughter Janine Leffler, who gave her mother permission to write about her life as a child with disabilities. Both mother and daughter hope this book will help encourage tolerance in all. For more information about the book Janine, visit the author's website at [www.JaninesParty.com](http://www.JaninesParty.com).

**H-D & John Stark joint music festival**

The John Stark Music Department will be teaming up with the Hillsboro-Deering High School Music Department at the end of March for the first ever Hill-Stark Music Festival. On Friday, March 27, John Stark will host this all-day event. Music students from both schools will rehearse throughout the day under the direction of John Stark Fine and Performing Arts Teachers Jayne Segedy and Dan Willams and Hillsboro Deering High School Music Teacher Heidi Welch. The culmination of the day's efforts will be an evening concert at 7:00 PM at John Stark Regional High School featuring 58 John Stark and Hillsboro-Deering band members and 76 students in the combined chorus. This concert in the JSRHS Café is free and open to the public.

**Henniker School budget at 5% increase**

Henniker School District voters are being asked to uproot a \$7.51 million budget, up about a 5 percent increase over last year's \$7.17 million. The proposed budget includes new contracts for the teachers and support staff, and a separate warrant article on the warrant would approve salaries for the school board members and other members of the district, while a second seeks approval of \$122,178 for contracts for the school's non union support staff.

## Henniker Community School Artist In Residency from Africa

This year's artist-in-residence program for the Henniker Community School's Sixth grade has focused on Africa. During the months leading to the final event in March, sixth grade students have been working with artists and teachers to gain a greater understanding of the culture, geography, and history of Mali, South Africa, Nigeria, Guinea, and Kenya. This integrated arts approach brings the learning alive for students by allowing students to actively participate in learning African dances, drumming, song, and art.

The public is invited to the culminating event for this year's artist-in-residence program on Friday, March 20, 2015. There will be a performance of music and dance by the sixth graders with the Bamidele Dancers and Drummers at 6:30 PM in the HCS gym. This performance is free and open to the public.

In the four days leading up to the final event on March 20, the Henniker sixth grade will be immersed in the music, dance and songs of Africa by working with Marilyn and Sekou Sylla of the Bamidele Dancers and Drummers. The Bamidele Dancers and Drummers are art educators, composers, musicians, dancers, and choreographers

from Africa, the Americas and the Caribbean who are dedicated to the preservation of African cultures through dance, music, and song.

Marilyn M. Sylla is a Five College Dance Lecturer based at Smith College in Massachusetts. In this capacity, she teaches African, Brazilian and Haitian dance forms at Smith College, Mt. Holyoke College, University of Massachusetts, and Amherst College. She has also taught at Hampshire College.

Sekou Sylla is a master dancer and musician from Guinea, West Africa. He was a principal dancer, acrobat, and musician with the National Dance Company of the Republic of Guinea prior to relocating to Massachusetts. He teaches African drumming at Mt. Holyoke College and is a Five College musician.

Nigerian Printmaker Segun Olorunfemi worked with Henniker students in December teaching them about African art and block printmaking.

"Providing our students the opportunity to work with artists from other cultures gives them an awareness of the world beyond Henniker and New Hampshire; a world that they will inherit and be caretakers for in just a few short years," said Principal Katherine

Sekou Sylla.

McBride.

The artist-in-residence program for sixth graders at the Henniker Community School began in 2001. The program continues to be made possible with funding from the Henniker PTA and the taxpayers of Henniker.

Future home of the Montessori School, left photo. Robert Kowalski presented plans for Riverside Precision Sheet Metal, right photo.

## Hillsborough Planning Board clears two new commercial ventures

The Hillsborough Planning Board approved two new site review applications Wednesday evening.

Thomas Colby of Hillsborough applied for a Change Of Use Exemption to operate a Montessori School in the current Canine Comeback building in downtown.

The school would operate 10.5 hours per day, five days per week, offering an enriched

curriculum to children ages 3 to 6 years old. The facility will offer a pre-school component for those eligible, and a playground in the back. After a short discussion the application was unanimously approved.

In the second hearing, agents for John Kowalski, President of Riverside Precision Sheet Metal, Inc. of Henniker applied for a Lot Line adjustment and Site Plan Review to

construct a large metal building on Intervale Drive behind the Car Wash to house his sheet metal fabrication facility, which currently employs 13 people with the possibility of hiring an additional 5. Board questions centered on the possibility of flooding in the area which were addressed.

Again, after a brief discussion, both requests were unanimously granted.

## Girls Sports

Sunapee's Lexie Hamilton gives Anna Richardson a hug as the Sunapee girls basketball team celebrates after coming from behind to beat Littleton 46-43 in the Division IV semi final game played in Plymouth March 2. The team will now face Colebrook in the finals on Saturday, March 7 at noon at Plymouth State University. Paul Howe photo.

### #1 Sunapee 46 #4 Littleton 43 Division IV Semifinals

Down by a 10 point deficit early in the fourth quarter, it looked like the Sunapee's perfect 18-0 regular season would end badly, until the Lakers exploded for a 17-0 run to claim the win. The Crusaders were up with a 25-12 cushion in the first half and 36-28 entering the fourth. Littleton's Emma Bogardus, who finished with 15 points and 14 rebounds hit the opening shot to make it a 10 point hole. Sydney Clark led the comeback with a pair of free throws, a steal and layup suddenly cut the deficit to 38-36. She made another layup to tie the game with under 5 minutes remaining. Then she hit again to give the Lakers the lead. Clark finished with 11 points. A Meghan Frederick 3-point dagger and Katie Frederick layup sealed the victory. Sunapee will face # 2 Colebrook on Saturday at noon, at Plymouth State University for the championship.

### #1 Sunapee 62 #9 Moultonborough 35 Division IV Quarterfinals

The Lakers started slow, but managed to advance to their fourth consecutive NHIAA Final Four. Lexie Hamilton had a game high 20 points, while Katie Frederick racked up a double-double with 11 points and 10 rebounds. Faith Larpenter netted 10 points, Anna Richardson 8 and Mary Grzanna 7 to round out the balanced scoring attack. Tied 13-13 after one, Sunapee outscored the Panthers 16-2 in the second quarter to take a 29-15 at the half before pulling away in the third quarter with an 18-5 barrage.

### #1 Conant 64 #16 Kearsarge 28 Division III Second Round

The top-ranked Orioles took control in the first half and knocked out the No. 16 Cougars on Thursday in the second round of the

Hillsboro Heat Soccer Club (HHSC) is designed to promote the game of soccer through the training of players and coaches, of all ages and skill levels. We are committed to providing a fun, safe, and competitive environment for all of our members. Hillsboro Heat Soccer Club will strive to build each player's character, on as well as off the field, by learning the virtues of respect, self-esteem, team work and the value of good sportsmanship. We intend to provide an opportunity for youth to participate and develop to their potential in a high quality soccer program that allows individual goals to be achieved.

\*\*\*This Is Not a School Sponsored Event\*\*\*

## Girls Sports

NHIAA Division III girls basketball playoffs. Devi Kraushaar led Kearsarge (8-12) with 10 points and nine rebounds, while Maicy Hansen grabbed eight boards. Lily Huntoon performed well with seven points, three steals and three assists.

### # 2 Gilford 66 #15 Newport 46 Division III Second Round

Newport's Alexis Hurd kept Newport in the game early, finishing with a team-high 16 points, and Kyrstin Kibbey also played well, adding 12 points. With Hurd scoring five of the team's first seven points, the Tigers took a two-point lead, before a 13-2 Golden Eagle's run gave the them an unsurmountable lead.

### # 4 Campbell 43 #13 Bow 37 Division III Second Round

The Falcons played a great game and almost knocked off the defending champions. Bow was within one possession of taking the lead with less than a minute to go. Abigail Horner, Amanda Murray and Andrea Fortin each blocked three shots, forcing Campbell to rely on outside shooting and giving Reidy her chance to shine. Darrell Taylor had 10 points and forced several turnovers to spark Bow's fourth-quarter rally. The Falcons trailed by 10 points with six minutes left to play and netted 17 of their 23 second-half points from the free throw line.

### # 5 Goffstown 37 # 11 Souhegan 23 Division II Preliminary

Kathryn Howe led all scorers with 11, including three from outside the three point arc, and Rene Roggenbuck added 7. Goffstown led 18-6 at the half and never looked back.

### Bishop Brady 55 Goffstown 49

The Green Giants remained undefeated at home while avenging an earlier 43-31 loss on the Grizzlies' home court. Goffstown took a narrow 17-16 lead after the first quarter but Brady held a 27-25 lead at the break and 36-34 entering the final quarter. Goffstown's Rene Roggenbuch got into foul trouble early on and was held to 16 points. Katie Howe hit four "3's" for 12 points.

In late February, John Stark Regional High School Wrestling Captains (l-r: Terry Zervos, Nick Widmann, Zack Feudner) delivered 260 lbs of non-perishable food and \$101 that the team collected this season to the Weare Food Pantry. Photo by John Widmann (JSRHS wrestling coach).

## Boys Sports

### BASKETBALL

#### # 6 Groveton 60 # 11 Sunapee 50 Division IV Preliminary

Issaiah Chappell scored 35 points and grabbed 9 boards but it wasn't enough to keep the Lakers from being eliminated in the first round of the NHIAA Division IV playoffs. Sunapee led 18-11 after the first quarter, but Groveton cut the lead to 25-23 by halftime. The Eagles outscored the Lakers 14-5 in the third to take a 37-30 advantage entering the fourth.

#### # 19 Kearsarge 50 # 14 Bow 49 Division III Preliminary

Kearsarge was led by 6-foot-7 junior Zach Mattos, who with 19 points, 11 rebounds and 3 blocks helped the Cougars build an 18-5 lead after one and although Bow outscored the visitors 44-41 for the rest of the game, the hole was too big. Tom Johnson scored seven of his 13 points in the fourth quarter. Trent Noordsij added 12 points for the Cougars. Bow was led by Adam Nelson (with 19 points), Matt Ehrenberg added 10 points and 10 rebounds and Shane Wunderli netted 14 points.

#### Kearsarge 75 Hillsboro-Deering 63

Mike Legare led the Hillcats with 28 points and Joseph Kulbacki netted 20 points but couldn't stay with Kearsarge which was led by Zach Mattos with 23 points, 13 rebounds and 3 blocks, and Trent Noordsij with 21 points, 8 assists and 7 boards.

#### Campbell 51 Bow 46

Matthew Ehrenberg, who finished with 15 points, 5 rebounds and 3 steals, forced a pair of turnovers to give the Falcons a chance to tie the game late. Unfortunately each time, Litchfield center Harrison Vedrani blocked the shot. Adam Nelson scored 11 points off three "3's."

#### Newport 84 Stevens 61

The Tigers' Spencer Coronis scored 28 points to reach exactly 1,000 for his career. Newport prevailed in its regular-season finale on senior night at Wheeler Gym in a clash of NHIAA Division III boys basketball rivals. Newport opened the game on a 7-0 run to take a 23-9 lead at the end of the first quarter. Andrew Houde scored 20 of his 27 points in the first half, leading the Tigers to a 49-24 advantage at the break.

#### Goffstown 62 Timberlane 59

The Grizzlies trailed by 14 in the second half. Marcus Haynes scored 20 to lead Goffstown, and Mike Bailey added 8.

#### Bishop Brady 80 Goffstown 73

Mike Bailey scored 16 for Goffstown, with 14 from Casey Gervais but it was not enough to overcome Jourdain Bell, who led Bishop Brady with 30.

#### ConVal 74 Milford 67

William Chambers tossed in a game-high 29 to lead the Cougars and Griffin Werth scored 12 points with a pair of

# Boys Sports

three-pointers.

## HOCKEY

### # 8 Keene 7 # 9 Goffstown 1 Division II Preliminary

Goffstown (9-9-1) had gotten on the board 11 minutes into the first and outshot the Blackbirds, 12-5, in the opening frame, but Keene used a four goal second period to take control.

### John Stark-Hopkinton 4 Kennett 4

Stark-Hopkinton took a 4-2 lead into the third period, but the Eagles scored twice in the first 42 seconds after the break to pull even for a 4-4 final in the regular-season finale. The Generals finished the regular season at 15-2-1, good for second place behind Belmont-Gilford.

The Henniker Huskies Gap Mountain Drilling Squirt 1 team won the Tier 4 State Championship in Berlin over the weekend. It was a hard fought playoff weekend with the Huskies beating Rochester 3-2 in the finals. The Champions are #7 Nicholas Osborne, #9 Evelyann Irizarry, #10 Dillon O'Sullivan, #11 Owen Jones, #12 Levi Jones, #13 Aidan King, #19 Ben Mordarski, #29 Bobby Arnold, #33 Elias Niemela, #41 Quinn Mose, #42 Aiden Miller and #43 Kiernan King. WAY TO GO HUSKIES!

## Henniker Rotary Scholarships Available

Students at Hillsboro-Deering and John Stark High Schools or students living in Hillsboro, Deering, Windsor, Washington, Henniker or Weare are eligible to apply for scholarships offered by the Henniker Rotary Club. Scholarships are available for both academic and vocational programs and each is for at least \$1000.00. Applications may be obtained through the high schools' guidance department or through the club's website and must be returned to the Rotary club by April 1.

**CONTRA DANCE:** The Monadnock Folklore Society presents the Peterborough NH First Saturday Contra Dance on March 7th, featuring Dave Eisenstadter calling with Rodney Miller and Jeremiah McLane. The dancing begins at 8:00pm, with an optional introductory workshop beforehand. Admission is \$10 or \$7 for students and seniors. The dance also hosts an open jam session for beginning and intermediate musicians from 6:45 - 7:30pm. The dance takes place in the historic Town House in Peterborough.

**X-COUNTRY/SNOWSHOE HIKE:** Time: 1-3pm This event, free and open to all, is co-sponsored by

Ausbon Sargent and The Nature Conservancy on the Courser Farm in Warner. We will meet at 374 Schoodac Road and participants can decide on either a beginning or an advanced loop to X-country ski or snowshoe "over the brook and through the woods." All are invited to return to the farmhouse for refreshments. Please be prepared when you RSVP to advise us if you will be snow-shoeing or skiing and whether you are a beginner or are more advanced so that we may plan our groups.

**SRK GREENWAY HIKE:** Newbury and Goshen: Snowshoe to Lucia's Lookout on Sunapee-Pillsbury Ridge from Andrew Brook Trail and Lake Solitude in Newbury. (D) Contact: Gerry Gold (526-2857)

## SUNDAY MARCH 8

# Obituaries: Friends & Neighbors Remembered

## Matthew Stephen Hall

ANTRIM - Matthew Stephen Hall, 32, died unexpectedly on Friday, February 20, 2015 at his home. Matt was born on April 28, 1982 at Monadnock Community Hospital in Peterborough. He was a lifelong resident of Antrim and a 2000 graduate of ConVal Regional High School. He is survived by his mother, Roberta Reilly Hall of Antrim; his father, Stephen Hall of West Stewartstown NH; his sister, Stephanie Dionne and her husband, Nick of Sunapee NH; and his beloved nephew, Noah Dionne. Memorial donations may be made to The Grapevine, PO Box 637, 4 Aiken Street,

Antrim NH 03440.

## Dorothy Young Carruthers

CONTOOCCOOK - Dorothy Young Carruthers, 96, of Contoocook, passed away on Wednesday, February 25, 2015 at Concord Hospital after a period of declining health.

Born on January 15, 1919, to the late Irl V. Young and Bernice (Bartlett) Young in Manchester. She was predeceased by her husband, R. Eldon Carruthers in 1996, and a step-son, Robert Carruthers, in 2006, and a nephew, Lyle Holmes, in 1986. She leaves her daughter, Deborah Young and her husband, Scott Raney of Contoocook; two granddaugh-

ters, Melissa Buchanan Hughes and her husband, Ryan Hughes of Contoocook, and Kaylee Raney and her fiancé, Joshua Henriksen, also of Contoocook; her sister, Irlene (Young) Holmes of Concord; a step-daughter, Kathie Carruthers of Contoocook; a step-daughter-in-law, Pamela Carruthers, also of Contoocook; and a step-son, Richard Carruthers of Maine; grandchildren; a niece, Sandra Smart; two nephews, Lloyd Holmes and Donald Holmes; several great and great-great nieces and nephews, cousins, many close friends, and her beloved cat, "Tooky." In lieu of flowers, memorial donations may be made to the Contoocook United Methodist Church or the American Cancer Society.

# Obituaries: Friends & Neighbors Remembered

of Hemlock Lane, died Thursday, Feb. 26, 2015, at the New London Hospital. He was born in East Andover on April 21, 1925, the son of Irving W. and Vivian (Fish) Shaw Jr. He was predeceased by a granddaughter, Jennifer Shaw White in 1997 and a brother, Richard Shaw.

Members of his family surviving include his wife of 69 years, Lois (Stuart) Shaw of New London; two sons and their wives, Roger and Agnes Shaw of Concord and David and Frankie Shaw of Greenville, SC; five grandchildren, Jeffrey and Jill Shaw of Concord, Anne Shaw of Greenville, SC, Kathryn and Brian Sanders of Easley, SC, Nancy and Jeremy West of Travelers Rest, SC and Emily and Jeremy Hickey of Clermont, FL; 15 great grandchildren; two sisters, Gertrude

Bellerose of Tampa, FL and Patricia St. Cyr of Manchester. Memorial contributions may be made to American Legion Post #40, 45 Greeley Road, Springfield, NH 03284.

## Patricia Johnson

ANTRIM - Patricia Ann (Cline) Johnson of Antrim NH, after a two-year long battle with cancer passed away peacefully on Saturday, February 21, 2015 at the Hospice House at Concord Hospital. She was surrounded by loved ones throughout her final days. Tricia was born on July 30, 1953 in Brookline, MA and was adopted by loving parents. Tricia is survived by her husband, Dennis Johnson; four sons, Kevin Johnson (and wife Erin Allgood), Michael Johnson, Dennis Johnson II (and wife Ginger Johnson) and Derek Johnson; as well as many grandchildren, Harry, Max, Cole, Brooke, Maddie and Noah. Memorial gifts may be made to the Concord Regional Visiting Nurse Association with the designation for the Hospice House. Tricia and

her family were touched by the loving care she received while at Hospice House and the family requests that donations be made in lieu of flowers.

## Jane N. Barry

GOFFSTOWN — Jane N. (Coates) Barry, 86, surrounded by her loving family died peacefully on Feb. 17, 2015. She was the daughter of the late Roy F. and Mary (Ford) Coates Sr., of Medford, MA. She was predeceased by her husband, Henry F. Barry Jr.; son, Christopher Barry; siblings, Roy F. Coates Jr., Peg Delaney, Irene Brown and Paul Coates. She is survived by siblings, Elinor and Jim Coates; children and their spouses, Tom and Joanne Barry, Mark and Paula Barry, Bob and Laurie Barry, Greg and Ellie Barry, Jack and Donna Barry, Carol and Dale Townsend; 12 grandchildren; and two great-grandchildren. In lieu of flowers, donations may be made in Jane's memory to the Alzheimer's Association at www.alz.org.
