## New Boston's new cop

Congratulations to New Boston Police Officer James Moran who recently graduated from the Full Time NH Police Training Academy. He is joined by Lieutenant Matthew French, Chief James Brace, Patrolman James Moran and Lieutenant Michael Masella.

## Eagle Scout Kiosk OK'ed

Grant Richardson was unable to attend Bow's Selectmen's meeting as he was working as a camp counselor, so Chairman Harry Judd described Grant's Eagle Scout project of adding another kiosk, the same design approved at the other end of the Walker Preserve thru to the Hammond Preserve. The completed project will be brought to the Town Manager who will then bring it to the selectmen for acceptance of the donation.

## New President & CEO

The LRGHealthcare Board of Trustees (Board) is proud to announce today they have selected Seth C. R. Warren as LRGHealthcare's next President and Chief Executive Officer. Seth will begin his tenure as President and CEO October 5.

Participating in the New Boston Central School technology upgrade are (left to right): Vernie Federer, New Boston media-technology specialist; Michael Engelsen, Goffstown technology support specialist; Steve Bourget, Goffstown computer instructor & technology support specialist; Nick Smith, Goffstown technology support specialist; Michael Pica, Goffstown technology support specialist; and Gary Girolimon, Goffstown School District director of technology.

# Technology Upgrade

## Technology at New Boston Central School revamped

This summer was a busy one at the New Boston School District. The technology infrastructure at the New Boston Central School was revamped, top-to-bottom, with the assistance of the Tech Team from the neighboring Goffstown School District.

An important advantage gained in the upgrade is the sharing of resources and support between the districts, and improved economies of scale. The students in New Boston will benefit by making their transition between the districts smoother, and giving them uninterrupted access to their work from

the elementary grades when they move to the Goffstown middle and high schools. The tasks completed this summer include: Unifying the authentication system and deploying new servers; revamping the IP address scheme for simplicity and uniformity; reconfiguring the firewall; optimizing the wireless network for faster performance; adding network drops to classrooms and the library; improving the backup system; and finally revamping the New Boston Central School website. The new "mobile friendly" website will be publicly available at the beginning of the school year.

## Investigation continues into Franklin bank robbery

Franklin Police Chief David Goldstein reports that the department is seriously investigating two individuals in connection to the recent armed robbery at Franklin Savings Bank. He did not identify them or speculate on when arrests might be made. Police received calls

to the crimelime after the video images were released to the public. They now believe more than one person was involved in the robbery. If anyone has information about the robbery, contact the Franklin police at 934-2535 or the Concord Regional Crime Line at 226-3100.

## Herb Frederick to receive the "2015 Community Builders Award"

The Masons of Hillsborough's Harmony Lodge have announced that Herb Frederick has been selected to receive their 2015 Community Builders Award.

The Award, presented annually, recognizes the efforts of those special individuals whose commitment to giving something back makes our towns a better place to live, work and raise a family. Past recipients include: Carl Goodman, Herm & Yvonne Weigleman, Greater Hillsborough Senior Services, Heleene Kurk and Dwight Gould.

Herb joined Hillsboro Lions Club on March 1, 1977, and has been one of its most active members since. A long-time Chair of the Club's Henry G. Martin Scholarship Fund, Herb oversaw its growth to the point where in 2015, the Club awarded \$7,000 in scholarships to H-D graduates.

Through his initiative, the Club has given free dictionaries to each third grader, and he regularly participates in the Reading Is Fundamental (RIF) program where the club gives free books to every 1st thru 5th grader, three times a year.

When the Hillsboro Food Pantry needed rebuilding, Herb chaired the Club's "Penny Power" campaign which raised over \$10,000 for the project.

Not satisfied with past accomplishments, Herb has taken up the Lions' International challenge of eradicating Measles world-wide. He hopes to raise \$10,000 locally to be matched by the Bill and Melinda Gates Foundation.

He has been recognized as a Granite State Fellow, the highest recognition given by the NH Sight & Hearing Foundation, and is a Progressive Melvin Jones Fellow, the highest recognition given by Lions International.

Hillsborough is a better place because

of his efforts.

The award will be presented at a special ceremony on October 10th at 2 p.m.

at the Lodge. The public is welcome to attend. Light refreshments will be served afterward.

Herb Frederick's latest project.

## Accident leads to the arrest of Henniker man on a warrant

Concord Police arrested two men last week after responding to a two-vehicle accident on Penacook Street. Richard E. Hewey Jr., 24, of Penacook, was charged with driving after revocation or suspension, and Nikolas R. Carr, 20, of Henniker was arrested on a bench warrant. When officers arrived, Hewey allegedly admitted to being the driver even though his license was revoked in May and suspended in July.

He was previously convicted of operating after suspension in Concord District Court in November 2012. A second officer responding to the accident noticed a man sitting on the sidewalk near Columbus

Avenue and went to ask if he had any involvement with the accident. He stated that he had not but that another subject from the accident on the sidewalk had been a passenger in Hewey's truck.

When the officer went back and asked for an ID, the man gave the officer the name "Albert Emery." The officer, however, knew from prior information that Carr had previously been hanging out with both Hewey and the female passenger. Carr had an active warrant out of Hillsboro District Court for nonpayment of a fine on a driving after revocation or suspension charge from June.

**TAKE YOUR MEDICINE**

The U.S. Food and Drug Administration has granted accelerated approval to Opdivo (nivolumab), a new treatment for patients with unresectable (cannot be removed by surgery) or metastatic (advanced) melanoma who no longer respond to other drugs. Melanoma is the fifth most common type of cancer in the United States. It forms in the body's melanocyte cells, which develop the skin's pigment.

**BY SARAH CHAPIN**  
 The National Cancer Institute estimated that 76,100 Americans will be diagnosed with melanoma and 9,710 will die from the disease this year.

A large international study, published in *The Lancet*, has shown conclusively that statin treatment reduces the risk of cardiovascular disease in women. Whether statin therapy is as effective in women as in men is debated, especially for primary prevention. This study compared the effects of statin therapy between men and women. The research confirms that statins are beneficial not only to women who have already had a cardiovascular event such as a heart attack or stroke, but also in those who — while they have not yet developed cardiovascular disease — are at an increased risk of such diseases.

Women with Alzheimer's disease showed stable cognition for a year when leuprolide acetate (Lupron Depot), used to treat cancer in men and severe endometriosis in women was added to their drug regimen, according to a new study published in the *Journal of Alzheimer's Disease*.

**Pair escapes injury in Hopkinton crash**

A teen and a juvenile were able to walk away from an accident without injuries yesterday after the SUV they were in flipped and crashed. According to New Hampshire State Police, around 6 p.m. on Aug. 22, 2015. Troopers responded to Broad Cove Road in Hopkinton for a report of a Ford Explorer that crashed. The vehicle was being driven by a 17-year-old boy in a westerly direction on the road when he lost control. "The vehicle came to a rest on its roof," according to Sgt. William Graham. "The male, along with a juvenile passenger, had both been wearing seatbelts and were able to crawl from the overturned vehicle." The trooper concluded that the driver was traveling at an unsafe speed, according to the report, and came over a rise in the dirt road that caused the loss of control. Neither passenger was injured in the crash, according to Hopkinton Fire and Rescue teams, which were at the scene to assist.

**Delays on Sunapee's Jobs Creek Road**

The Sunapee Highway Department will be replacing some existing failed drainage pipes that are located under Jobs Creek Road (between the intersections of Route 11 & Jobs Creek and the intersection of Woodland Road & Jobs Creek Road) beginning on or about the first week of September 2015. One lane of traffic will be maintained during most times throughout the duration of the project. Pavement patches of the specific drainage pipe locations will be re-paved before the end of October. Minor traffic delays may occur during the replacement of the culvert pipes in order to complete the project. Please do not hesitate to contact Scott Hazelton at (603) 763-5060 office or (603) 381-2212 cell.

**New Boston Police capture car burglar**

During the overnight hours of Saturday August 22nd into the 23rd, 13 motor vehicles were entered in the Joe English and Meadow Road area of town. On Sunday afternoon, August 23rd at 1730 hours, Officers Matthew Koziol and Ryan MacLean arrested the individual responsible. The collaborative effort of our officers and citizens led to this very quick positive result. NBPD is currently attempting to recover the stolen property and will follow up with each victim in the coming days.

**Bow man charged with sexual assault**

Foad Afshar, 55, of Bow, was arrested on July 14th, and charged with aggravated felonious sexual assault for fondling, which is a felony, and two counts of unlawful practice. Authorities say Afshar operated a mental health practice called the Cleer Institute on Tremont Street, reportedly without a license, and allegedly sexually assaulted a boy he was treating.

## Weare Police Department accredited subject to conditions

Weare Police Chief Sean Kelley informed the selectmen that he has a cruiser that is in need of approximately \$2,500 in repairs necessary to get it inspected. There is a list of repairs needed for Cruiser 5 and he was seeking approval for that before proceeding. The Board asked Chief Kelly if he had enough cars for two weeks, as they would like to discuss this issue then. Chief Kelly stated that it has been a while, but two more weeks would be fine.

Kelly stated that the Commission on Accreditation for Law Enforcement Agencies (CALEA) awarded the Department "Law Enforcement Accreditation" status. Recognizing that the Weare Police Department is in the formative months of transition, the Commission is requiring the Department to prepare separate reports to demonstrate compliance with four key time sensitive activities. The following reports must be presented to the Commission in time for consideration at their July 2016 conference:

1. A Use of Force Analysis for calendar year 2015;
2. A progress report of the Recruitment Plan;
3. Completed year-end performance evaluations for all department employees;
4. A second comprehensive audit of the evidence room, or an inquiry into discrepancies found in the July 2015 audit. Chief Kelly stated that accredita-

tion would not have been achieved this quickly without the full commitment

of every member of the Weare Police Department.

Bryan Westover addresses the Bow Selectmen.

### Marine Corps League asks relief from Bow's Fee Scale

Bryan Westover, of Bow, President of the Marine Corp League introduced the Bow Selectmen to five other Marines, four who reside outside of Bow. Westover and his companions were following up a letter to the selectmen asking for financial relief for using Old Town Hall.

He pointed out the numerous projects they have done for the Town of Bow in the last 24 years. They are the only Veterans organization that meets in Bow. He discussed the many projects that the Marine Corps League does for Bow, Concord, Boscawen and

the County, including funeral and flag details.

To continue meeting monthly at Old Town Hall they would now have to pay \$2,500-\$3,000 under the new town policy for groups that have less than 10% Bow members. Westover was requesting that they pay \$100/year, which is twice the rate for a Bow-based organization. Aware of the good works the group does but unwilling to set a precedent by amending the new policy the Board will re-address this at a future meeting, perhaps by giving a credit for the work of the League.

## Talk on NH Cemeteries & Gravestones

The Franklin Historical Society's next program occurs on Thursday, September 3, at 7 pm, when Glenn Knoblock, noted local author and NH Humanities Council lecturer, will present his talk on "New Hampshire Cemeteries and Gravestones." Please note that this lecture will take place at the Franklin Public Library, 310 Central Street, in the upstairs meeting space. Access is via the rear door (off the parking lot behind the Franklin City Hall/Opera House). Use the elevator or stairs to the 2nd floor. This presentation is the result of a collaboration between the Society and the Franklin Public Library, with thanks to the librarian, Rob Sargent, and is sponsored by the NH "Humanities To Go!" program. The event, as are all Franklin Historical Society programs, is free and open to all. The New Hampshire Humanities Council is responsible for the financial subsidies which make these presentations possible, and is acknowledged for its invaluable contributions.

## Weare searching for its oldest citizen

Weare town officials are searching for Weare's oldest resident to be the next custodian of the Boston Post Cane. The now defunct Boston Post newspaper dispersed a gold-topped ebony cane to many New England Towns in 1909. Weare Selectmen are charged with presenting the cane to the town's oldest citizen. The cane shall remain in his or her care as long as they live in the community. The Weare Boston Post cane was recently returned to the Town Clerk by the family of Margaret Colburn. Mrs. Colburn passed away recently at the age of 107. If you know of anyone who might be eligible to hold the cane, please contact Weare Town Clerk, Maureen Billodeau 529-7527 or email: mbillodeau@weare.nh.gov.

## Newbury man to spend 1-2 years in jail

Nicholas L. Fuchs, 29, of Newbury has been sentenced to serve 1-2 years in New Hampshire State Prison after pleading guilty Friday in Sullivan County Superior Court to a charge of Reckless Conduct with a Deadly Weapon/Firearm. Fuchs was charged with firing several shots at a residence located at 17 Bradford Rd. in Sunapee last september. Through investigation, it was established that Fuchs fired several rounds from a 9mm weapon into the Bradford Road residence while it was occupied. Investigation by Sunapee Police revealed the residence was singled out as an act of retaliation.

## Goffstown and New Boston hold joint Emergency Response Exercise

On Wednesday, August 19, 2015, over 50 members from the Goffstown and New Boston School Districts, Police Departments, and Fire Departments of Goffstown and New Boston participated in a Table Top Emergency Response drill conducted by the State of New Hampshire Homeland Security and Emergency Management. This drill provided school administrators, teachers, and support staff from each of the schools in Goffstown and New Boston the opportunity to continue to collaborate with the Police and Fire Departments around emergency preparedness.

Superintendent of Schools, Brian Balke stated, "School safety is our highest priority; we can't be too prepared to keep our students and faculty safe."

Today's training reinforces monthly meetings held between Goffstown and New Boston schools with first responders over the last two school years focused on emergency preparedness.

New Boston Chief of Police Jim Brace shared, "Today's training is an excellent example of the continued collaborative efforts between the SAU, Goffstown, and New

Teams from Goffstown and New Boston Schools collaborate with Police and Fire Departments in an exercise led by New Hampshire Homeland Security Emergency Management.

Boston Emergency services to keep our children safe while in our schools. While this training was directed towards school safety, it provides emergency responders opportunities to plan, update, and exercise procedures which will ultimately keep all citizens safe. New Boston PD was proud

to have partnered with the SAU and the Town of Goffstown during this training." In conjunction with the New Hampshire Homeland Security, a full scale drill is being planned for the fall where emergency management plans will be tested through a simulated emergency. Parents and community members will be provided additional information over the next several weeks.

Goffstown Chief of Police Robert Browne shared, "The Goffstown Police Department consistently endeavors to provide safety for our citizens, especially our student population."

The exercise today was yet another proven example of why police, fire and school administrators in our community need to work together to facilitate those safety measures. By having all of the stakeholders together in one training exercise, everyone is able to see the unique responsibilities that we all have to lead our community through any form of serious event at our schools. Today's training provided further evidence of the continuous strong working relationship that the police, fire and school district shares."

No injuries, but the equipment has seen better days.

## No injuries in Weare equipment fire

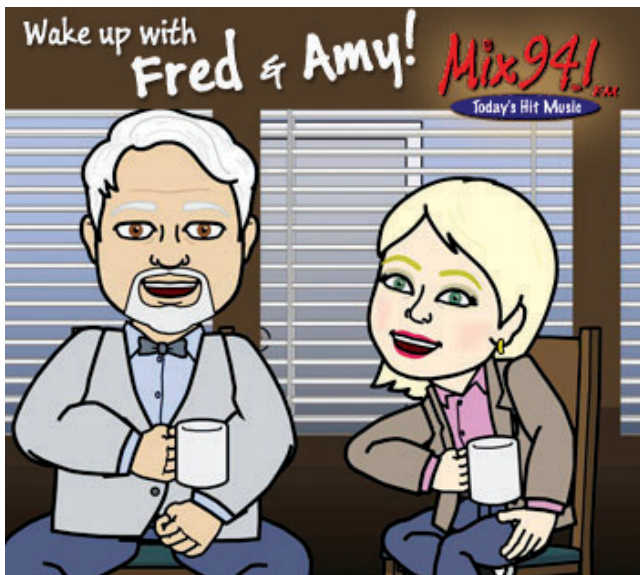

On August 20th, the Weare Fire Department responded to a report of a logging vehicle fire off Brown Hill Road. Engine 5, staffed with the on-duty crew from the Center Fire Station responded, and once on scene personnel found a piece of logging equipment on fire. Weare firefighters were provided access to the burning equipment, known as a feller-buncher, by a logging skidder as there was not a suitable vehicle access. The effort to extinguish the fire was complicated by the distance into the woods, the fuel burning in the equipment, the terrain of the area. Mutual aid was requested from Goffstown, New Boston, and Bedford. After 3 hours firefighters were able to contain the fire damage to the machine and a small area of woods. "Thankfully, the operator was not injured or trapped when the equipment overturned," said Weare Fire Chief Robert Vezina, "All hands did a great job in dealing with the special challenges involved." The machine is likely a total loss. No civilians or fire personnel were injured.

## Lightning strike ignites Newport fire

Lightning striking a tree and smoldering for several days caused a forest fire on Coit Mountain in Newport. Lt. Corey Conroy said the firefighters hiked up the mountain to investigate smoke in the woods and discovered a 300 by 400 foot area smoldering near the area of Break Burn trail. Because of darkness and distance, terrain extinguishing was impossible. The firefighters returned on Thursday morning with off road equipment and mutual aid from Newbury, Sunapee and Lempster. Even with the off road equipment it took firefighters 35 minutes to reach the fire area. A call for more manpower went out and New London and Claremont Fire Departments arrived and Ascutney VT Fire Department was called in for more manpower. Lt. Conroy said about 35 firefighters helped extinguish the fire that consumed over half an acre.

## New Boston to stick with Putnam Fuel

New Boston Town Administrator Peter Flynn reported that the town has been using Putnam for fuel oil for many years. Their bid this year is \$2.179 per gallon and they are considered a more local company. Rymes bid was \$2.139 and they are considered an out of town company. The town is expected to need 9,000 gallons. The town will spend \$700 more with Putnam but a few years ago the town used Rymes and it cost \$800 more than a competitive bidder. The Board unanimously voted to contract with Putnam Fuel for fuel oil this year.

Fred and Amy in the moOOOoorning!

# Newport's Lil' Red Baron Restaurant available for purchase

At this year's Town meeting, Newport voters authorized the selectmen to negotiate the repair or replacement of the failed septic system at the Lil' Red Baron Restaurant at Parlin Field. It was anticipated that an agreement would be reached with the owner-operators of the restaurant which would soon reopen.

Apparently unable to secure finan-

cing, the owners failed to reach an agreement with the town by the July 31st deadline.

At Monday's meeting, the selectmen

directed Town Manager Shane O'Keefe to solicit an "Expressions of Interest" to see if others might be interested in operating the restaurant.

## USS Kearsarge crew returns

American flags will line Main Street, as ten sailors from the USS Kearsarge visit Warner on August 31st and September 1st. On Monday, weather permitting, the crew members will climb Mt. Kearsarge and perform community service work on the mountain (clearing brush, etc.). In case of rain, that will happen on Tuesday. Monday evening, a community dinner will be held at the Town Hall for townsfolk to meet and dine with the sailors. A program will follow. Tuesday will offer a tour of local museums, covered bridges and a sugar house, followed by the late afternoon dedication of the new state historical marker (Mt. Kearsarge & the USS Kearsarge) in the town square.

The Lil' Red Baron.

## New Teachers at Center Woods School

Six new teachers have joined the staff at Center Woods Elementary School, which includes Preschool through Grade 3, and Center Woods Upper Elementary School, Grades 4 through 8, for the new school year. Center Woods Upper Elementary School is located within the Weare Middle School.

Julie Caterino will teach 3rd Grade. Ms. Caterino has worked as a substitute teacher at Center Woods Elementary School for the past 10 years. She received a B.S. from the University of Vermont and a Master's of Education from Grand Canyon University. She lives in Weare with her husband and their two children, one who is in high school and the other in college.

Alex Crocker will teach 5th Grade. A graduate of Vassar College, she earned a Master of Education from the Harvard Graduate School of Education. Before coming to Center Woods Upper Elementary School, Ms. Crocker worked in Hopkinton as a paraprofessional and in the Special Education Department in Sunapee. Having grown up in Peterborough, she now lives in Weare.

Brittany Gilbert will teach in the SOAR program at Center Woods Elementary School. A graduate in Elementary and Special Education from Southern New Hampshire University, Ms. Gilbert previously taught in Bedford. A New Hampshire native, she now lives in Weare with her husband and two young children.

Jessica Poland will teach 4th Grade. She holds a Bachelor of Science in Business Administration from the University of Maine at Orono and her Teacher Certification from New England College. Prior to coming to Center Woods Upper Elementary School, she was a long-term 3rd Grade substitute teacher at Kearsage Regional Elementary. Ms. Poland grew up in Weare and now lives in Hillsboro with her husband and two young sons.

Michelle Powell will teach 4th Grade. She is a graduate of Notre Dame College and taught at both Villa in Goffstown and Washington Elementary Schools before coming to Center Woods. A New Hampshire native, she now lives in Hillsborough with her husband and four children.

Carla Scott will teach 5th Grade and is a graduate of Keene State College. She was a Title I Certified Instructor at Hallsville in Manchester before coming to Center Woods Upper Elementary School. Ms. Scott grew up in and lives in Merrimack and hopes to move into the Weare area soon.

## Driver who caused Antrim crash arraigned

The driver of a UHaul van allegedly involved in a multi-car accident that closed Route 9 in Antrim Saturday was arraigned at his hospital bed in Concord last week. Peter Glidden, 39, of Stratham, was released on \$50,000 personal recognizance bail while being treated at the hospital. Glidden is charged with aggravated driving under the influence, resisting arrest, assault on a police officer, and disobeying a police officer.

(L to R back row): Brittany Philibert, Lindsay Sargent, Brian Fanning, Jennifer Levesque (front row): Caitlyn Beattie, Rachel Yakey.

## New Teachers Join Weare Middle School

Weare Middle School welcomes six new teachers for the new school year. New Weare Middle School Teaching staff includes:

Caitlyn Beattie, who will be teaching 8th Grade Science. Ms Beattie earned a Bachelor's of Earth Science from the University of Pennsylvania and a Master's in Science Teaching from Pace University. Prior to coming to Weare Middle, she taught science in New York City. She now resides in Deering.

Brian Fanning will be the new music teacher this year. He earned both a Bachelor's and Master's from the University of New Hampshire. Mr. Fanning hails from Epping and now lives in Manchester. A devoted hiker, he has completed 25 of the 4, 000 footers in elevation in the White Mountains of NH.

Jennifer Levesque joins the WMS staff as a 7/8th Grade Social Studies teacher. She holds a Bachelor's in History from the University of New Hampshire and a Master's of Education from New England College. A native of New Hampshire, Ms. Levesque now lives in Hooksett with her husband and most recently taught at the Granite YMCA and Southside Middle School.

Brittany Philibert will teach 7th Grade Social Studies and earned her Bachelor's in Secondary Social Studies and History from New England College. Ms. Philibert, who grew up in Texas, lives with her husband in Henniker. Prior to coming to the Weare Middle School, she served eight years with the US Army Military Police. She was also an Army Substance Abuse Prevention Coordinator for three years.

Lindsay Sargent has joined the Weare Middle School Special Education staff teaching 7th grade. She earned a Master's in Education from the University of New Hampshire. A New Hampshire native, Ms. Sargent grew up in Epping and now lives in Derry.

Rachel Yakey will teach 7th Grade Language Arts. A native of Illinois, she earned a Bachelor of Arts in English Education from Illinois State University and a Master's in Reading Education from Appalachian State University. She taught in Illinois for two years and in North Carolina for seven years before recently relocating to Manchester, NH, where she lives with her husband and two children.

## Hillsboro-Deering School District Substitute Teacher Information Session

Have you ever considered substitute teaching? Are you a certified teacher, non-certified teacher, college graduate or student (at least 21 years of age) or retiree? Do you have experience with children in a classroom or similar setting? If so, you are invited to attend a Substitute Teacher Information Session on Wednesday, September 2nd from 10:00 am to 11:00 am at the SAU #34 Office. Please RSVP by Monday, August 31 with Terese Rheault, 464-7700 or email [trheault@hdsd.k12.nh.us](mailto:trheault@hdsd.k12.nh.us).

## Publisher's Perspective *by Leigh Bosse*

### Isn't it ironic?

*I thought I should share this brief message, recently sent to me.*

#### **Irony # 1**

We are told NOT to judge ALL Muslims by the actions of a few lunatics. BUT, on the other hand, we are also encouraged TO judge ALL Gun Owners by the actions of a few lunatics.

#### **Irony # 2**

The Food Stamp Program, administered by the U.S. Department of Agriculture, is proud to be distributing this

year the greatest amount of free Meals and Food Stamps ever, to 47 million people as of the most recent figures available in 2013.

Meanwhile, the National Park Service, administered by the U.S. Department of the Interior, asks us "Please Do Not Feed the Animals." Their stated reason for the policy is because "The animals will grow dependent on hand-outs and will not learn to take care of themselves."

## Letters to the Editor

### Dear Editor:

Recently I started my first term as Selectman in Bow. Below are a few thoughts about increased expenditures the taxpayers may be facing.

The public safety building has been offered at a price \$5,000,000, with approximate interest of \$2,300,000, bearing in mind this does not include some site work, heating, ventilation, and air conditioning.

Other projects to consider prior to voting this Thursday:

- According to the CIP, a new community building for the sum of \$4,000,000 (interest of \$1,800,000?);

- School Building renovations of approximate \$5,200,000 (interest of \$2,400,000?);

- Also noteworthy, the school board just increased the budget beyond the budget committee's recommendations, including all day kindergarten, which is an \$85 increase on a \$250,000 assessed

value.

I find the \$20,700,000 figure to be rather daunting for a town of Bow's size, financially speaking.

In regards to time frames, these projects could be implemented in just a handful of years resulting in overlapping bonding and a significant tax burden.

Finally, we all had to take a deep breath when we read about the Bow power plant being sold, which currently pays 17% of the taxes in Bow. What will be the impact of the sale? Any predictions at this time are mere speculation at best, and therefore the financial impact over the years to come is unknown.

Considering the numbers, I'm truly concerned about the likely tax ramifications of these sizable projects. How will Bow attract new families and businesses if the tax rate increases in a significant manner?

*Ben Kiniry, Bow*

Hillsborough seniors stopped at Johnson's Dairy Bar, returning from a Senior Advisory Council cruise to the Isle of Shoals, compliments of The Messenger and Hillsboro Ford.

Dave DeRochemont, Shaw's Hillsboro Store Manager presents \$500 checks to the Hillsboro-Deering Elementary School (top photo) and the Hillsboro-Deering Middle School (bottom photo) as part of Shaw's school support program.

## Hillsborough Board supports a 'Wanderer Registry'

Dana Brien of the Senior Advisory Committee brought forward the idea of a "Wanderer Registry." She stated that having such a registry would help if someone with Alzheimer's or other dementia, an autistic person or one who's developmentally disabled were to wander away. The registry would be strictly voluntary and kept in the vault in the town office. The SAC was looking for support from the Board and would be asking the Police and Fire Departments for their help as well.

In other business, after a Public Hearing

the Hillsboro Board of Selectmen granted a Preservation Easement for Whitney Power's barn in Hillsboro Center. The Easement ordinance was adopted by the town in conjunction with State statutes by lowering property owners' taxes to encourage the maintenance and repair of historic buildings. In this case the barn is in the Historic Hillsborough Center, although not as visible to the public as other buildings that have been granted an easement. Therefore, the Board gave an easement of 25% of the current assessment of \$8000.00.

# Storm damages 25-30 campers at Cold Springs Campground

Tuesday's storms hit particularly hard in Weare, bringing down trees and damaging a camper. At Cold Springs Camp-

ground, 25 to 30 campers were smashed and the entrance to the campground was flooded.

sie and Bill Dion lost everything that was inside. Police said there were no injuries or car accidents as a result of the weather.

## Fatal accident in Goffstown

A driver was killed and a passenger seriously injured in an early-morning crash in on Tirrell Hill Road shortly before 2 a.m. on Friday. Reports indicate that the vehicle involved in the crash had been stolen.

Elsewhere in town, trees fell on power lines and on top of homes. A tree smashed a shed in one part of town. Jes-

Eversource reported 3,489 customers without power in the Manchester area.

The storms moved out overnight.

The driver was dead at the scene, and the female passenger was ejected from the vehicle. It took over 1 hour to extricate and transport her and she has critical life threatening injuries.

according to authorities. Police said the crash occurred. The driver was pronounced dead at the scene, and the passenger was taken to Catholic Medical Center with serious but non-life-threatening injuries. Police said the crash is under investigation, but speed may have been a factor. Tirrell Hill Road was closed from Center Street to Black Brook Road and the road reopened at 6am the next day. Goffstown Police say that no other information is being released at this time regarding age and gender of the vehicle occupants.

One of the 25-30 campers damaged in Tuesday's storm.

## Public Hearing on the sale of Sunapee's Harbor House Livery

Chairman Trow opened the first of two public hearings on the potential sale of Sunapee's Harbor House Livery. The purchaser will be the Sunapee Harbor Riverway Corporation. Covenants include that the historic 1927 clock and cupola be preserved

and maintained, and both the chime and the clockworks be kept in proper working order, the horse ramp is to be preserved and displayed as a piece of history, else the ramp to be removed in one piece and transmitted to the Sunapee Historical Society to be

permanently displayed.

The owner is required to provide for public access and community use of the building. The thrift shop, to have an 18 month lease from date of sale, continuing to pay for heat and electricity.

# Franklin approves committee to study withdrawal from SAU 18

The Franklin City Council has approved forming a planning committee to study the withdrawal of Franklin Schools from SAU 18. The committee will complete its plan by October and bring it to city council for approval in January.

The committee will be examining whether to have Franklin leave the SAU

that oversees both Franklin and Hill school districts, which now sends its students to Newfound High School.

The committee consists of two school board members, Tamara Feener and Scott Burns; a member of the city council's finance committee, Glen Feener; and four members of the public, Leigh Webb, David

Testerman, Janet Desrochers and City Councilor George Dzujna. LeGallo will also participate in the committee as a nonvoting member, as well as SAU administrators. The first committee meeting will be held on September 3rd at 6 p.m. in the City Council Chambers. All meetings will have notices publicly posted and be open to the public.

## Andover man injured in crash

Theodore Kendrick, 61, of Andover, received a summons for reckless operation after police investigated a rollover near Exit 17 of I-93.

Kendrick reportedly told police that he was heading to Bow when he saw all the traffic on I-93 and went to turn around. When he went to back up, the wind reportedly pushed the cover of his truck bed up, blocked his vision, and the truck hit a curb and he rolled over.

Kendrick was taken to the hospital for treatment. Witnesses alleged that the truck was traveling "at a very high rate of speed" before the crash.

More than 160 vendors of all kinds filled the Common during Newport's Annual Apple Pie & Craft Festival on Saturday.

## Hopkinton man arrested on drug charges

Albert Emery, 19, has been arrested and charged with simple assault, domestic violence-simple assault, and possession of controlled drugs. Officers were sent to the Concord Gardens apartment complex for a report of an assault by a woman who claimed Emery had pushed her to the floor. The woman stated that she had allowed him to stay at the apartment since he was homeless. She came home that day to find three strangers in the apartment. She alleged that Emery had needles, a spoon, a glass smoking piece, and cotton, and was possibly using heroin. The woman ordered him to leave and gave him some time to pack things up but he allegedly became angry, yelled, and attempted to swing at her. She put her arms up to defend herself and he allegedly grabbed her and pushed her down. While speaking to the victim, another officer arrested Emery at McDonald's and allegedly found him to be in possession of a glass pipe with marijuana residue and a digital scale.

## New Boston flag pole to be taken down

New Boston Executive Assistant Laura Bernard told the selectmen that the Town Common has three flagpoles, two for American flags and one for the state flag. The Selectmen's office and the Fire Department have been responsible for raising and lowering the flags as needed. One pole is too close to trees and the American flag gets tangled in branches and torn if half-staff is need. The Road Agent has offered to remove that flagpole, store it at the Highway Department until it is needed in the future, possibly at the new Fire Station. Alternatively the tree could be removed but it is pruned regularly and needed for shade. The Board decided to take down the flagpole and store it until it can be relocated.

## Franklin downtown business coordinator

The Franklin City Council has set a public hearing for September 8th. On acceptance of a \$50,000 grant from the USDA's rural development office, to fund a new downtown business coordinator position. The grant, which Franklin was approved for on Aug. 10, would fund a one-year position. The individual, which the Council would like to start at the end of September, would assist with marketing and providing resources to downtown businesses.

# Trio uninjured as car drops 30 feet in Peterborough accident

Peterborough Police Capt. Ernest Bellette reports that three people escaped without suffering any significant injuries when the car they were riding in dropped 30-feet off Route 202.

Douglas Dunton, 18, of Fitzwilliam was driving south on Route 202/Concord Street Tuesday. As the car entered the Main Street and Route 202/Pine Street intersection Dunton attempted to turn onto Pine Street but drove between Pine Street and the Main Street Bridge and crashed into a chain link fence, dropping 30 feet to the edge of the Contoocook River.

Luckily, Dunton and his two male passengers, a 20-year-old and a 17-year-old, both from Troy, were uninjured. Peterborough Fire and Rescue workers who arrived on scene used a ladder to bring the occupants back up to the street. Fire and Rescue said the group had minor injuries, but refused medical care.

The vehicle had extensive front-end damage. It was pulled back up the embank-

ment and towed away. While the accident remains under investigation, preliminary

indications are that alcohol does not appear to have been a factor but speed was.

Bow's Police, Fire and EMS Departments hosted a Public Safety Day on Saturday. State Police and Fish & Game also participated.

## Directors meet with Hopkinton Board

A pair of Directors of the Hopkinton State Fair met with the Select Board Monday to discuss the upcoming fair. This meeting is part of the agreement to assure that communications between the Fair and the Town is kept open. Deb Curtis informed the Board of the following:

- "Town Night" will happen on Thursday night. Vendors have the option to open and a portion of the Hopkinton Town Band is playing. The Sestercentennial Committee will have a tent. A large hay maze has been set up by the tent which will help draw people to the area.

- Things are finalized with both the Police Chief and Fire Chief for coverage during the fair. There have been discussions about safety in light of the tent collapse in Lancaster. The fair is being proactive.

Chair O'Brien thanked the Directors for attending. Curtis said that there are still open positions for jobs during the fair. The Directors will send a list of the requirements to be a Director to the Select Board and this will be discussed further at the joint meeting after the fair. The Fair Annual Meeting is in November so now is the time to discuss this issue. It was noted that Directors spend time year round working on the Fair and each Director is responsible for a specific part of the operation.

## Woman injured in Dunbarton ATV crash

A 50-year-old woman was injured in an afternoon all-terrain vehicle crash in Dunbarton at about 3:30 p.m. Sunday. Police said Lisa McFarland of Portsmouth was riding in the Hopkinton-Everett Riding Area in Dunbarton when she rolled the ATV onto herself. McFarland was making a turn at a low rate of speed on a small embankment while traveling the Hang Glider Hill Trail. McFarland was trapped under the ATV for a short amount of time until her husband, who witnessed the accident, was able to pull the ATV off of her.

## Warner man critical after bike accident

When State Police responded to an East Main Street home in Warner for a report of a domestic disturbance, they learned that a woman involved in the altercation had left the residence in a vehicle, followed by 26-year-old Ryan Plourde of Warner on a motorcycle. The woman returned to her home and told state police she needed an ambulance because Plourde lost control of the motorcycle and had been involved in a crash. Plourde remains hospitalized in critical condition, police said. He has been charged with aggravated driving under the influence. The investigation indicates speed and alcohol contributed to the crash.

## Events: Community Bulletin Board

### SATURDAY AUGUST 29

**BLOOD DRIVE:** Webster Lodge in association with the American Red Cross will be holding a blood drive from 9 am until 3 pm. In addition to any perks being offered by the Red Cross, Webster Lodge will provide all donors with a certificate for a free breakfast at the Lodge on Sunday, September 6th. ## Dorothy Sibley Thompson

WASHINGTON - Dorothy Thompson, who passed peacefully in her sleep on April 18, 2015, will have a service to celebrate her life to be held at the Washington Congregational Church, 1 Halfmoon Road, Washington, NH on Sunday, August 30, 2015 at 10 AM. Join the members of the Washington Congregational Church, and her family and friends. A time of fellowship will follow the services.

## Jean H. Tuttle

HILLSBORO - Jean (Haskard) Tuttle, 96, of Hillsboro, NH died Wednesday August 19, 2015 at Harris Hill Nursing Home in Concord. She was born July 18, 1919 in Plainfield, NJ to the late Robert J. & Gertrude A. (Slorah) Haskard. She was also predeceased by her husband, Arthur T. Tuttle who died in 1971. Survived by 1 son, Arthur T. and his wife, Lori Tuttle II of Hillsboro, NH; 1 daughter, Deborah J. and her husband, Brian Hatch of Hillsboro, NH; 6 grandchildren, 5 great grandchildren.

## Hope M. Hardy Lockrow

WEARE — Hope M. (Lambert) Hardy Lockrow, 87, of Weare, peacefully passed away on Aug. 18, 2015, after a short illness. Hope was born on July 15, 1928, the daughter of Henry and Alice (Runnells) Lambert. Hope was predeceased by her husband, Albert "Charlie" Hardy; her son, Roger Hardy; her sister, Louise Lambert; her brothers, Albert Lambert, William Lambert, Richard Lambert and Phillip Lambert; her step-daughter, Linda (Lockrow) Guimond; and her stepson, William Lockrow. She is sur-

vived by her grandchildren, Donald Hardy, John Hardy and Thomas Hardy; her brothers, Paul Lambert and David Lambert; her sister, Lorette Leclair; her stepchildren Judy (Lockrow) Gagnon and James Lockrow; her stepgrandchildren, Tammy Swansburg, Shawna Labrecque, Jason Lockrow, Gary Lockrow, Heather Cady, Becky O'Dell, and Joshua Gagnon; as well as several nieces, nephews, and great-grandchildren. In lieu of flowers, the family requests that memorial donations in Hope's name be made to the Bel-Air Nursing Home, Activity Fund, 29 Center St., Unit 1, Goffstown, NH 03045, the NHSPCA, 104 Portsmouth Ave., Stratham, NH 03885, or to your local animal shelter.

## Irma B. Gagne

ANTRIM - Irma Beryl Gagne, 85, of Concord died at Pleasant View Center on Aug 22, 2015. She was born in Antrim, NH, on Sept.

16, 1929, the daughter of Clayton Ashford and Glenna (Cleveland) Ashford. She was predeceased by a son, Richard, who died in 1973. She leaves three children, William Gagne of Omak, WA, Frederick Gagne of Hooksett, NH, and Deborah Fleming of Nashville, TN; two sisters, Clara Robinson and Mary Lou Emery, both of Concord. She was predeceased by a brother, Ronald and a sister, Audrey. She also leaves seven grandchildren, five great-grandchildren, and a dear friend of fifty-five years, Elaine (Stoneham) Bickford of Concord. In lieu of flowers, knowing of her love of

animals and having a television permanently tuned to the Animal Planet, Irma would be greatly pleased by a donation to your local SPCA.

## Terry J. Bressette
