Boston /Staffordshire Terrier Mix-1.5 year-Neutered Male. The day after surgery he had no problem walking, running, climbing stairs and jumping into a car for a ride. If you are looking for a young, playful cuddle bug who loves car rides, consider Rocky.

**Future NFL stars at Center Woods School**

Adam Morrissette can't believe he missed catching the ball during this game of touch football during recess at Center Woods Upper Elementary School. Because of interest from the 5th graders and support from the teachers, a mini "football field" was created adjacent to the playground. The ball in play is a foam football.

**New London facing repair cost overruns**

New London Town Administrator Kim Hallquist said they are up over \$300,000 at this point for the work at the Academy Building as additional areas needing repairs have been discovered. They have set aside \$25,000 for the cupola at Whipple Hall. Members of the Bandstand Committee met with the contractors, Richard Lee and Ms. Hallquist to discuss the work to be done; the construction fencing will likely be put up within the next week. Additionally, the group discussed that it appears that a ramp will need to be added to comply with the ADA.

**Dunbarton ponders all-day kindergarten**

The Dunbarton School Board is taking a closer look at an all-day kindergarten option in the town's elementary school.

With full-day kindergarten, school and district officials say teachers won't have to cram so much reading and math into a 2½-hour school day, leaving more time to focus on other important parts of early childhood education. A final decision is still a long way off. The board held a public forum last Thursday to hear from community members and will create a subcommittee to further study the issue and make a recommendation at its Oct. 7 meeting.

**Quilt raffle supports 8th grade DC trip**

A beautiful quilt is being raffled off by Weare Middle School 8th grade students to help offset the cost of their trip to Washington, DC in the spring. This queen-size quilt was handmade by 8th grade para educator Nancy Croteau (it's hanging in the Weare Middle School office if you'd like to see it up close). Tickets are 1 for \$1.00, or a package of 6 tickets for \$5.00. You can purchase tickets from any WMS 8th grade student who has signed up to sell them, or at the front desk at the Weare Middle School. Tickets on sale until December 9. The winner will be announced on December 16.
