

Antrim's MaineLine Graphics named a top women-led business

In Business NH's survey, MaineLine Graphics was recognized as the 5th fastest growing Women-Led businesses and 7th fastest growing Family Businesses in New Hampshire. This marks the second year in a row that MaineLine Graphics has been named one of the state's fastest growing companies. The Antrim, New Hampshire-

based signage company creates sign systems for residential housing facilities.

"We are honored to be recognized by Business New Hampshire for the second straight year," said Kerri Mobile, CEO at MaineLine Graphics. "New Hampshire is a terrific place to start and grow a business. MaineLine Graphics is a great example

of the opportunities that exist for entrepreneurial-minded companies. We look forward to many more years of continued growth." While experiencing several years of sustained growth, MaineLine Graphics relocated in 2014 from Deering, New Hampshire to a 47,000 square foot manufacturing facility in Antrim, New Hampshire.

Edmunds Ace Hardware's Henniker Huskies Squirts defeated the Concord Squirt 3 team on 1/2/16 at Everett Arena. Henniker fans were on the edge of their bleacher seats for this exciting game. Huskies Captain, Henry Powell with the first goal assisted by Avery Condon. Bobby Arnold with an amazing pass to Aiden Chicoine for the goal, and Arnold also scored himself at the end of the first period, where Huskies were only up by two. The second period the Huskies brought strong defensive lines with Gabriel Ouellette and Colton Murphy. The Concord Squirts played hard and even with a 2 Man-Advantage in the third period was still no match for the Huskies offense with Ethan Guevin, Zachary Hopper and Kiernan King. Avery Condon scored the final goal with 23 seconds left on the clock. Goalie Brady Geddes extremely strong between the pipes. His exceptional skills got him Player of the Game! Final score 4:2 Huskies.

ConVal Nordic Ski Team shows promise

On Monday the ConVal Nordic team traveled to Granite Gorge in Keene for its first competition of the season. After only two on-snow days of training, the skiers acquitted themselves quite well on the icy course with machine produced snow. Skiing for ConVal boys in the A race was Eddie Pope, who completed the 4 laps in a time of 15:26. Sawyer Cawthern led the ConVal girls in the girls A race with a time of 15:14, followed by Bronwyn Tyler-Wall clocking in at 17:06. Leading her heat through the challenging course was Fenia Benet-Higgins, who unfortunately had her winning bid cut short with a fall that necessitated withdrawing from the race. ConVal girls swept to first place overall in the school results for the B race. Schuyler Michalak and Clare Rupp came in first and second in this race, respectively. Veronica Parker and Sage Cawthern also scored for the Cougars, coming in 6th and 10th places respectively. Congratulations to all the skiers.

Trio of Sullivan County employees honored

Three Sullivan County employees received recognition awards at the 2015 NH Association of Counties conference held earlier this month.

County Attorney Marc Hathaway nominated Cindy Vezina who received the County Attorney Employee of the Year award. Vezina is the Victim/Witness Coordinator for Sullivan County Attorney Office and is retiring later this year after a 22-year career.

Lori Keefe was awarded Department of Corrections Employee of the Year. Keefe has worked for the Sullivan County Department of Corrections for 28 years. She was nominated by her coworkers.

Jessie Levine, Sullivan County Manager received the County Administrator of the Year award. Commissioner Bennie Nelson made the nomination for the County said that Levine "hit the ground running" with union contract negotiations when she started in January 2014.

He also commended Levine for her success at changing behaviors and attitudes and pulling people together to work toward common missions.

SWIMMING

The January 3, 2016 Swim Meet at UNH, hosted by Oyster River, was great for John Stark swimmers to get a sense as what States will feel like in February. The team placed 9th overall with 46 points out of 17 scoring teams.

Below are some highlights from the meet:

Senior Maddy Ishak came in 4th place in her 200 Individual Medley out of 32 swimmers, and 6th place in her 100 Fly out of 25 Swimmers. Freshman Sarah Ferguson came in 12th in her 50 Free out of 133 swimmers as well as making it to States in this event. She also got 11th in her 100 Free out of 41 swimmers. Freshman Anna Ishak came in 10th in her 50 Free out of 133 swimmers and came in 9th in her 100 Breaststroke out of 48 swimmers. Ishak qualified in both her events for

Sports

States. The 200 Free Relay which consisted of Seniors Hazel Johnstone and Maddy Ishak along with Freshman Anna Ishak and Sarah Ferguson came in 7th.

WINTER TRACK

The Con-Val winter track team headed to Dartmouth's Leverone Field house today facing off against a mix of Division I & II schools from NH and a handful from Vermont. The girls got off to a great start in the shot put with Ree Bell, Kylie Procita and Hannah Johnson all throwing their best so far this season. Ree (11th) was the top placer in a field of sixty throwers. Junior Lucy Freeman placed 8th in a competitive 1000 meter run. For the Boys Daniel Kashulines had a very strong day placing 8th in the 55 meter dash and 3rd in the 300 meter dash picking up an automatic state qualifying time and a personal best along the way. Dalton Coyne placed 4th in the 600 meter run with his best time of the season. Fellow senior Steele Tamok ran a personal best in the 1500 meter run which will earn him a spot in post regular season competition. Those three teamed up with freshman Evan Coyne to place 5th overall in the 4x400 meter relay despite running in the slower of the three heats. The boys finished 11th as a team behind only 3 Division II teams.

Hillsborough's Zach Rioux Eagle Scout

This fall, Tractor Supply granted our troop a \$250 check to help the boys with much needed equipment and expenses for camp. The boys were also welcomed on Tractor Supply's grand opening in mid-October where they raised money selling popcorn. It's funny that there was a passing blizzard that weekend and much warmer weather following that. With money raised from that effort, the boys obtained supplies to build a chuck (kitchen) box for camping. Again, that was much needed equipment for camping activities. The boys were doing a car wash at Express Tire Center in Hillsboro to raise money for Zach Rioux's Eagle Project, an information kiosk at Franklin Pierce Lake, when they met the store manager, William Hall. Mr. Hall extended a kind invitation to help the boys with their fundraising needs and explained that he is the proud father of an Eagle Scout.

Mount Royal Academy Grant to improve student access to technology

Mount Royal Academy is pleased to announce the Westerman Foundation recently awarded a \$4,200 grant to upgrade the computer lab. The mission of the Westerman Foundation is "to provide financial support to educational institutions with emphasis on Catholic education; Christian based organizations, which promote family unity and values."

The high school is currently equipped

with a computer lab, primarily used for the junior high and high school engineering classes. This grant will be used to create a mobile computer lab, featuring a charging cart, 12 Chromebooks, and 2 new digital projectors. "On behalf of the students, I would like to express how grateful we are to the Westerman Foundation," remarked Headmaster Derek Tremblay. Our goal is to

show students that technology is only good to the extent that the full dignity of the human person is honored and enriched."

The Chromebooks can also be used to help students connect to online learning platforms, including VLACS and the Running Start Program. The college preparatory high school is eager to celebrate the largest graduating class in its history.
