## Off to West Point

Nicholas Corkery, son of John Stark High School Principal Chris Corkery actually received three separate nominations to U.S. Military Academies and then West Point offered an "Appointment" which he accepted two weeks ago. He will report to West point on July 3rd. Congratulations.

## Welcome Fr. Martel

Parishiners at Hillsborough's St. Mary's and Henniker's St. Theresa's recently welcomed their new priest, Fr. Marcel Martel. Fr. Martel was ordained in 1979 and previously serves as Associate Pastor at St. Michael's in Derry.

## Bank promotes Bruce

Ledyard National Bank is pleased to announce the promotion of Alison Bruce to Bank Operations Officer. A long-term employee of Ledyard, Ms. Bruce celebrated her 17th anniversary with the Bank this past year. She began her career in 1999 as a Customer Service Representative; working her way up to Branch Manager and moving into the areas of Compliance and Information Security.

Weare Cub Scout Pack 24 recently celebrated the Blue and Gold Banquet. The Pack would like to give special thanks to our banquet sponsors: The Puritan Backroom, Panera Bread, Just Like Mom's Pastries, Dunkin Donuts, and Hannaford's. The Pack welcomed the boys from Boy Scout Troop 24 to the banquet as part of the ceremony of crossing over the Arrow Scouts to the Troop.

## Is Loudon's Police Chief being set up for failure

At their February 14th meeting, Police Chief Kris Burgess informed the Loudon Selectmen of an article in The Messenger with a headline that said "Loudon's gain Goffstown's loss", regarding the hiring of Goffstown officer Emily Crosby. He explained that it is not going to happen because Emily has decided to decline the offer.

Burgess said he has a letter from her that he would like to read, but, Chairman Robert Krieger said they will look at it first, it probably won't be read but can be attached to the minutes. In her letter to the Chief, Crosby said, "I felt very welcomed by you and your department, however I did not feel the same way after meeting with the Selectmen while attending the Selectmen's meeting as, the final step in the

process." The Chief feels that his was another in a series of actions by former Chief, now Selectman Robert Fiske, who is setting him up for failure as he never wanted Burgess in the position in the first place. Burgess keeps a reminder in his office - his letter of appointments, signed by the other two selectmen but not Fiske.

In addition to Crosby, Fiske failed to support Burgess's nomination of Pittsfield Police Chief Jeffrey Cain, for a part-time position, objected to a raise for dispatcher and administrative assistant Janice Morin and the salary of another veteran employee of 33 years at Tuesday's select board meeting. Burgess attended a non-public session on a "personnel matter." After the meeting, he confirmed that he didn't get fired.

## Epsom man pleads guilty to Federal firearm charges

Christopher Barker, 23, of Epsom has pleaded guilty in U.S. District Court to a charge of illegally possessing two handguns. Concord Police conducted an undercover sting to purchase a 9mm silver Beretta handgun from Barker. When he arrived to make the deal, police arrested him and seized a Beretta and a Ruger 9

mm. The Ruger was stolen from the home of a woman Barker used to date. The Beretta was reported missing from another residence that Barker had also visited. Barker is a convicted felon who was prohibited from possessing any firearm. Barker is expected to be sentenced to 70 months in federal prison.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

New research published in the journal *Pain* has uncovered a more effective way of treating fibromyalgia, a medical condition characterized by chronic widespread pain typically accompanied by fatigue, as well as sleep, mood and memory problems. The results of the trial suggest that combining pregabalin, an anti-seizure drug, with duloxetine, an antidepressant, can safely improve outcomes in fibromyalgia, including not only pain relief, but also physical function and overall quality of life. Until now, these drugs have been proven, individually, to treat fibromyalgia pain. Fibromyalgia was initially thought to be a musculoskeletal disorder. Research now suggests it's a disorder of the central nervous system — the brain and spinal cord. Researchers believe that fibromyalgia amplifies painful sensations by affecting the level and activity of brain chemicals responsible for processing pain signals.

Some of the most effective treatments for autism spectrum disorder (ASD) are also well known for their risk of weight gain and subsequent health complications. For the first time, however, researchers have compared five of these second generation antipsychotics (SGAs) to determine which ones are the biggest culprits. The study, published online in the *Journal of Child and Adolescent Psychopharmacology*, found that patients treated with Zyprexa® (olanzapine) have the highest risk of weight gain, while Geodon (ziprasidone®) and Seroquel (quetiapine) were not associated with an increase in body mass index. Risperdal® (risperidone) and Abilify® (aripiprazole) also resulted in weight gain, but not as great as the weight gain associated with Zyprexa®.

## 23 Hillsboro-Deering DECA students qualify for International conference

The New Hampshire DECA 60th Annual Career Development Conference was held Wednesday, February 8-10 at the Manchester Radisson Hotel in Manchester. The Hillsboro-Deering DECA chapter has over fifty-five members this year, and fifteen attended this year's competition. They include: Jordan Berrocales, Emma Breed, Kianna Carter, Mason Connor, Max Costello, Meredith Denu, Miranda Feighery, Gunner Hagstrom, Allie Lester, Josh Marshall, Kimberly Rodier, Kaelyn Snair, Samuel Taylor, Shannon Thomes, and Colby Wilkens.

Out of the 15 students who attended, the team earned 2 chapter trophies, 14 medals and 11 plaques – including one for the 1st place in NH Quiz Bowl team. Hillsboro-Deering did so well this year that some students qualified twice in various events. Sophomore Kimberly Rodier was elected to state office. Combined with the chapter's successful Virtual Business Season, twenty-three students are eligible to move on to compete at the International Career Development Conference in Anaheim, California, from April 25 – April 30, 2017. The students attending the International Competition include: Nick Lester, Thomas Ferguson, and Ryan Gillett – Virtual Business Sports Management Gunner Hagstrom, Nathan McGillicuddy, and Max Costello – Virtual Business Sports Management.

Samantha Audette and Matt Otten – Virtual Business Restaurant Management Sam Taylor, Dustin Vanleave, and Quinn Erickson – Virtual Business Retail Management.

Kaelyn Snair and Zoe Galatas – School Based Enterprise; Emma Breed – Thrive Academy.

Meredith Denu, Shannon Thomes, and Allie Lester – Franchising Business Plan – 1st Place NH Kianna Carter and Colby Wilkens – Travel and Tourism Management Team – 2nd Place NH Josh Marshall – Human Resources Management – 1st Place NH Kimberly Rodier – State Officer Academy Miranda Feighery – Principles of Marketing – 1st Place NH Mason Connor – Accounting – 3rd Place NH

The chapter itself was recognized for reaching the Thrive level of accomplishment by DECA Inc., and for reaching the Outstanding Chapter level by New Hampshire DECA.

"We are really building on the strength

of a solid senior team, many of which have been doing DECA since their freshmen year. There will be a record six seniors who will have qualified each of their four years for the international competition. I am truly proud of the effort these students put into competing. At the same time, the future looks bright with balanced levels of underclassmen attending. It is promising to see that our young people recognize the need for solid financial and marketing skills to survive in today's economy, regardless of their occupational interests. "I am are very lucky to advise these young professionals" said Mr. Marc Payeur, H-D DECA advisor.

Hillsboro-Deering's 2017 DECA Team

## Unlucky Loudon resident backs into Police cruiser

The Loudon Selectmen recently met with Police Chief Burgess who explained that they had a minor accident with Cruiser number one. A Loudon resident backed into it. He said there was minimal damage to the cruiser. Chief Burgess also reported that he received a

quote of \$250 to have the booking room and bathroom at the station painted. He said he has the money in his budget and would like to get it done. Selectman Ives explained that there is a line in the budget for building maintenance and the cost should come out of that.

Dr. Koziol in the Henniker classroom.

### NEC biology professor teaches 5th graders

Associate Professor of Biology and Health Sciences at New England College Dr. Lori Koziol recently visited 5th grade science classes at the Henniker Community School. Dr. Koziol talked to the students about viruses and bacteria, and then students used agar plates for an activity about epidemics and on how germs spread from person to person. "I really enjoyed modeling an epidemic with the 5th grade students. They were really excited and interested in science and it was great to experience that level of enthusiasm," said Koziol who earned her PhD from the University of Rochester School of Medicine and Dentistry. She has been teaching at NEC since 2007.

### Crotched Mt. employee info released

Crotched Mountain Foundation has revealed that it had an unauthorized release of employee W-2s, which include social security numbers, on Thursday, according to center officials. "Our computer systems weren't hacked, a human error led to this," said Director of Marketing and Communications Dave Johnson. Greenfield Police Sergeant Glenn Roberge said the scam occurred as a result of a phishing email, although the case was handed off to another department due to its scope. The error affects about 1,000 people who are currently employed or have worked at the foundation within the last year.

### Franklin sex offender arrested in Bow

Bow Police arrested a registered sex offender, a convicted child rapist from Franklin, after they found him naked in a vehicle on River Road late Friday night. Daniel W. Rabbitt Sr., 60, was charged with indecent exposure/gross lewdness. A patrol officer pulled up behind a vehicle parked in front of a local business that was closed. When the officer approached, he realized the man was naked and asked what he was doing. "He responded he was pleasuring himself," the release said. Rabbitt pleaded guilty in 1993 to three counts of aggravated felonious sexual assault, for raping a young girl at his former Exeter home.

## Department of Transportation wants a roundabout at Walmart entrance

The NH Department of Transportation has strongly suggested that it will require developer Michael Black to construct a roundabout at the entrance to his Walmart project on Route 202 adding considerable cost, not to mention delay to the project.

Armed with a preliminary drawing of a minimal roundabout, he approached the Selectmen for support is convincing DOT that it is unnecessary. These plans show that even the smallest acceptable roundabout would extend several feet into the river, requiring extensive riprap and fill. After a short discussion, the Board unanimously voted to send the following letter to DOT:

"At our meeting tonight, the Board of

### PUBLISHER'S PERSPECTIVE

Hillsborough's economic vitality for the next 50 years is directly tied to the success of the Walmart project. I urge the Planning Board, ZBA, Conservation Commission, Economic Development Committee, Hillsborough Pride and Chamber of Commerce to write similar letters to DOT demanding it drop the roundabout as the expense and delay could kill this project. **LDB**

Selectmen reviewed the idea of a roundabout for traffic management at the entrance of the "Weather Stone Crossing" development on Route 202.

After a thorough discussion that included opinions from various individuals in attendance, it is our opinion that the environmental impact of constructing a

roundabout in that area would far exceed any impacts that a regular traffic signal would have.

With that in mind and on behalf of the Town, the Board of Selectmen does not support the construction of a roundabout at this location. We would however support a traffic signal to handle traffic control."

Developer Michael Black approached the Hillsborough Selectmen for support.

A large banner advertisement with a background image of a young girl in a red cape standing on a ledge, looking out over a city skyline at dusk. The text "Dream big. We got this!" is written in a large, elegant script across the top.

## Hometown Heroes

### Samuel Davis Franklin Fire Department

On January 11, 1967, Samuel Davis joined the ranks of the Franklin Fire Department on Hook and Ladder Company #1. Captain Davis was recently recognized for his 50 years of continued dedicated service at the February 6, 2017 Franklin City Council Meeting. Sam was accompanied by his wife Gloria as Chief LaChapelle presented him with a certificate. During the presentation, Chief LaChapelle described the many changes that Captain Davis has endured in his tenure with the Fire Department; 6 Fire Chiefs certainly bring a great deal of change. The Davis Family was also recognized for their 185 years of combined service within the Franklin Fire Department. Alvin Davis (7 years), Captain Richard Davis Sr. (50 years), Captain Samuel Davis (50 years), Allen Davis (14 years), Lieut. Richard Davis Jr. (36 years), Lieut. Steven Davis (28 years). The women in the Davis Family also served as members of the Ladies Auxiliary.

### Attention Police, Fire and EMT Chiefs

*The Messenger is always proud to feature the efforts of our Hometown Heroes, the First Responders who serve our towns. To honor one of your members, just send us a photo and bio for us to publish in a future issue.*

### Genest wants Antrim Wind to pay more

Having spent more than \$100,000 in administrative and legal fees for the nine-turbine wind project slated to be built on Tuttle Hill and span to the north flank of Willard Mountain, Antrim selectman Mike Genest, Antrim Wind Energy has asked Selectmen to extend the project's construction date until the end of 2019. If granted, Antrim Wind would pay the town an additional \$50,000, unless the project is constructed and operational by 2018. Antrim Wind has already agreed to pay the town \$50,000 after completion of the project. Genest, however, said he would like the offer to be enhanced due to the costs the town has had to shell out as a result of the company's proposal. He said Antrim Wind should pay \$100,000 upon completion, and \$50,000 if construction continues beyond its Dec. 31, 2018 target date. Those figures, he said, would recoup the majority of the town's costs.

### Osienski resigns as Bennington Selectman

Bennington Selectman Steve Osienski has announced his resignation, citing increased responsibilities at his full-time job, making it difficult to devote the time and energy required for the town position. Osienski is a verification manager at BAE Systems. His resignation was received with regret by fellow members.

## John Stark DECA Chapter at NH Career Development Conference

Members of DECA at John Stark Regional High School recently attended the three-day DECA New Hampshire Career Development Conference held at the Manchester Radisson.

One of the highlights of DECA members, this conference gives students a chance to showcase their talents in competitive events and presentations, all based on skills learned in their business classes, jobs, and DECA.

From written tests to case problem solving to business plans and ad campaigns, there were over 40 categories of events for students to enter.

The student work doesn't begin at the conference, most students spend many hours studying, preparing, polishing and practicing for their events prior to the event.

Categories include, but are not limited to, Marketing, Advertising, Entrepreneurship, Accounting, Travel, Hospitality, Sports Marketing, Business Management, and Market Research.

Several of our students qualified to go to the National Convention in CA. Marisa Dobbins placed 1st in Principles of Fi-

nance. Warren Quinlan placed 1st overall in the Food Marketing Series. Owen Payeur and Jackson Flanders placed 1st overall in Financial Services Team Decision

Making. Greg Labrie placed 2nd overall in Business Finance Series Alycia and Alex Silva placed 3rd overall in Marketing Management Team Decision Making.

1st row, l-r: MacKenzie Pelkey, Kayleigh Zervos, Sam Russell, Nikos Biskaduros, Caitlin Mooney, Alex Zintel, Greg Labrie, Alesha Kimball; 2nd row: Eamon Scott, Alexa Silva, Alycia Silva, Chris Mann, John Hagan, George Lord, Jackson Flanders, Brianna St. Clarir; 3rd row: Cailee Greene, Quianna Willard, Jake Silva, Marisa Dobbins, Warren Quinlan, Noah Payeur, Owen Payeur.

## New London Selectmen seeking \$875,000 multi-purpose bond

The New London Selectmen held two brief Public Hearings on a Bond Issue and Establishment of Police Details Revolving Fund. Chair Helm opened the Public Hearing on the bond issue and the establishment of a police details revolving fund. Chair Bill Helm announced that article 3 was a Bond for \$875,000 for the purpose of:

- A. Upgrades to the Pleasant Lake Dam,
- B. Sewer lagoon closure,
- C. Repairs to the Academy Building,
- D. To pay for a study of the Buker Building and other sites to determine the future location/possibilities for the Police Department and the Recreation Department, and
- E. To pave some gravel roads. When no one wanted to speak on the bond, proceeded to Article 4: the Police Special Detail Revolving Fund. The fund is being requested for the purpose of managing funds coming from and being paid to police for special details. Income will be deposited into the fund and may accumulate year to year and will be separate from the regular budget. When detail work is done, revenue that comes in goes into the revolving fund to pay the salaries that are

due to the officers who work the detail. Again no one wished to speak so the hear-

ing was closed. Both items will appear on the ballot.

Hillsboro-Deering students raised \$1,116.10 in the pennywar for the Lymphoma & Leukemia Society during their recent Winter Carnival.

## Tilton woman indicted trying to steal an ambulance

A Merrimack County Grand Jury has indicted Diane Lang, 47, of Tilton for trying to steal a Barnstead Fire Rescue ambulance as it idled at a Concord gas station. She is charged with two counts of attempted theft by unauthorized taking and one count of

receiving stolen property in connection with the incident. Lang drove from Tilton to the Cumberland Farms gas station on North Main Street in a stolen Toyota Corolla. The ambulance rolled and hit two parked cars, but no one was hurt.

## South Newbury Church and School House on Historic Register

Resources is pleased to announce that the State Historical Resources Council has added two individual properties, both located in South Newbury, to the New Hampshire State Register of Historic Places.

As was often true in New Hampshire the 19th century, South Newbury Union Church was used for both church services and for public and town meetings from the time it was built in 1831 until 1878, when a town hall was constructed. A well-preserved example of a Greek Revival meeting-house, it still has several original architectural details, including patterned moldings and four-

panel inner doors that open to the aisles between the pews.

Next door to the church, the District School House #5 was built in 1853 and served as the educational center of South Newbury Village for more than 100 years. A one-and-a-half story building with a distinctive bank of six windows and an off-set entrance on the front gable end, it embodies the evolution in educational needs experienced by Newbury across several generations. Today the school is known as the Friendship House and serves as a meeting space for the South Newbury Union Church.

## Security Cameras installed at Loudon Fire Station 2

The Loudon Selectmen met with Fire Chief Rick Wright who informed them that because of the remote location of Fire station 2, and with items going missing from the Station, he had solicited a quote for a camera security system from a local vendor. The price for 3 cameras with all the equipment and installed is over \$7,000. Chief Wright said he received a quote from Comcast for 2 cameras one inside and one outside Comcast

would own the equipment. It would cost \$50 per month and a one-time installation of \$300. This would include 24- hour video surveillance with cloud storage. It can be viewed on computers and phones; up to four people. Chief Wright said he just negotiated a new contract with Comcast for the phones and internet at the Station and the price for those dropped \$20. So by adding this, his bill will increase \$30 per month. The Board agreed.

## Letters to the Editor

**Dear Members  
of the H-D Community:**

I am asking for your support of Article #6 & #7, on March 14.

Hillsboro-Deering Support Staff is made up of approximately 65 full-time and part-time employees who all work in the H-D schools. We are made up of para-educators, cafeteria employees, secretaries, office para-professionals and cafeteria/recess monitors. We are in the schools every day working with the kids in our district and supporting the important work in our schools. We are the lowest paid employees in the district.

We have been negotiating with the

school board negotiating team for three years, trying to get a contract settled to bring before the voters. The reality is that there probably has been too much spent on legal fees by the district to get this done and health insurance savings to taxpayers could have happened much sooner had we been able to bring a contract to the voters in any of the previous three years. We are pleased now that the hard work of negotiating the contract is behind us and we have achieved a fair contract to both the taxpayers and support staff.

The two major issues addressed in the contract, are reducing health care costs for the District and addressing the pay sched-

## Letters to the Editor cont.

ule. The Hillsboro-Deering Support Staff has not had a raise in three years and there have been no adjustments to the salary schedule. There will not be any retroactive pay. For approximately 25 percent of the staff already on the top step, there will be only two steps over the next three years. This average increase is lower than the increase all other district employees received over the same period. To reduce health insurance costs, support staff agreed not only to switch plans to a less costly plan, but also to double their premium contribution.

What is also lost in translation is that over 90% of the H-D Support Staff is made up of your neighbors, friends and fellow tax payers. They are currently making between \$10 - \$16 an hour, and have been serving the school community between 1 - 36 years! These are not the high rollers of where your tax dollars are going. We ask for your support, with a "YES" vote on Article #6 & #7.

*Kelly D'Errico, President  
H-D Support Staff, Local #6219*

### Dear Hillsborough Voters:

GHSS (Greater Hillsborough Senior Services) will this year (as a warrant article) be asking for a thousand more dollars than we have asked for the past four years. We have provided monthly luncheons, social events, health and exercise programs, shopping and fun bus trips for all seniors in Hillsborough and surrounding areas. The only way we have been able to accomplish this is through your generosity

and support of the Town of Hillsborough at town meeting time as well as others who donate to our organization. The reason for the increase is that we have taken over the shopping trips for Maple Leaf residents. We supply a driver and bus and we're asking the town to reimburse us for the gas for these trips (in the past Peter Brigham's budget received this money).

The GHSS bus makes it easier for our seniors to get in and out of a vehicle and have more space for their purchases, compared to the town van. This year we will add it to our own budget and not ask the town for reimbursement.

These trips offer residents a chance to shop twice a month. They would not be able to get affordable food or have transportation to get that food. Each trip has six to eight residents. They enjoy a chance to shop and have a nice trip. If there is a need to make a side stop for them to get an item or pay a bill, the driver accommodates their needs.

*Pat Mathison, GHSS Chair*

### Dear Editor:

The legislature! Where is common sense? Can we say that cars don't kill, drivers do? For drivers in NH, a common sense prevails: prove your knowledge, prove your skill, be old enough to have some sense. Who would argue with those rules? We'd have chaos on the roads if people didn't stop at lights, or stop signs. Cars don't kill, drivers do. Guns don't kill, people do.

*Margaret Seymour, Hillsborough*

## Girls' Sports

The Sunapee girls basketball seniors (L to R) Manager Lexi Waterman, Sydney Clark, Katie Frederick, Meghan Frederick, Mary Grzanna, Faith Larpenter, Renee Brandon, Jessica Parsons, manager Dorothy Currier have just completed their third consecutive undefeated regular season and are headed to their third consecutive Division IV Championship. Paul Howe photo.

### BASKETBALL

#### DIVISION IV QUARTERFINALS

**Sunapee 83 Woodsville 18:** The Lakers punched their tickets to the NHIAA Division IV semifinals once again with a resounding 83-18 victory over Woodsville in Friday night's quarterfinals. This game didn't take long to turn lopsided in the home team's favor as Sunapee received quality efforts from the top to the bottom of its roster.

#### DIVISION III PRELIMINARY

**# 9 Kingswood 5 # 8 Merrimack Valley 43:** The Pride was ousted from the playoffs in the first round in a tough loss to the hot-shooting Knights.

**#6 Kearsarge 54 #11 Belmont 47:** Playing without freshman standout Madysin Brayshaw due to injury, Kearsarge (15-4) took a punch in the mouth in the game's opening quarter, but responded like good teams do, outscoring the Raiders 45-30 over the final three frames.

#### DIVISION III QUARTERFINALS

**#3 Monadnock 53 No. 6 Kearsarge 33:** The Cougars struggled to put the ball in the hoop in the first half and trailed 31-10 at halftime. Kearsarge outscored the Huskies, 23-21, in the second half, but the Cougars' season came to an end in the D-III quarterfinals.

#### DIVISION II PRELIMINARY

**# 2 Portsmouth 56 # 15 John Stark 25:** The Clippers used their height to their advantage, jumping out to a 32-6 lead in the first half and sending the Generals home in the first round of the playoffs.

#### REGULAR SEASON

**Lebanon 50 John Stark 46:** The Generals led by three at halftime before falling behind by six going into the fourth quarter, but they forced Lebanon into some late turnovers and the game stayed tight until the end.

**Souhegan 56 Bow 42:** Souhegan's pressure defense took the Falcons out of what we were trying to do on offense.

**Bow 41 Souhegan 24:** Taylor Darrell scored 13 points, had five steals and four rebounds for the Falcons while Lauren Goyette tossed in a game-high 15 points for the Falcons.

**Merrimack Valley 52 Pembroke 44:** Sara Osborne's four 3-pointers in the second half lifted the Pride after poor shooting in the first.

**Goffstown 63 Timberlane 23:** Goffstown (10-8) beat the Owls behind 12 points from Ali Larochelle. Kelly Walsh and Liv Brannen each netted 11 and Alexa Minnich had six.

# Girls' Sports

The Merrimack Valley Basketball League 5th/6th Grade Division 2 Champions from Henniker were 11-0 for the season. (L-R) Alexis Spalding, Juel Ferreira, Maggie McGinty, Rachel Berube, Adelaide Meehan; (back row L-R) Caleb Dobbins-coach, Helen Connor, Brooke Sterling, Hillary Towle, Emma Dobbins, Sophia McGinty, Marisa Dobbins-asst. coach, missing from picture Ryan Towle-asst coach.

## HCS student Geographic Bee semifinalist

Grace Caplan, daughter of Susan and Tony Caplan of Henniker has been notified by the National Geographic Society that she is one of the semifinalists eligible to compete in the 2017 New Hampshire National Geographic State Bee. The contest will be held at Keene State College on Friday, March 31, 2017. Ms. Caplan is in 7th grade at the Henniker Community School.

## Boys' Sports

### BASKETBALL

#### DIVISION III PRELIMINARY

**#16 Winnisquam 65 #17 Fall Mtn. 46:** The Bears took a 22-8 lead after the first quarter and held on for a first-round victory.

#### DIVISION IV PRELIMINARY

**#13 Portsmouth Christian 66 #4 Pittsfield 56:** Pittsfield led by as many as 10 points in the first half, but Portsmouth Christian closed out the second quarter on a 6-0 run and cut the Panthers' lead to 30-25. The Eagles outscored Pittsfield, 20-7, in the third quarter and shot 9-for-11 from the free-throw line in the fourth quarter.

### REGULAR SEASON

**Goffstown 68 Kennett 43:** Ryan Hall tossed in 19 points on senior night to help the Grizzlies raise their Division II record to 10-7.

**Merrimack Valley 62 Kingswood 42:** The Pride got a quick start, taking a 40-23 lead at halftime and closed out the season on a five-game winning streak.

**John Stark 70 Pembroke 67:** The Generals built a lead as large as 10 points in the third and fourth quarter and Gamache hit some key buckets to stymie Pembroke runs to close the gap.

**Lebanon 50 John Stark 46:** The Generals led by three at halftime before falling behind by six going into the fourth quarter.

**Bow 55 Plymouth 41:** Bow outscored Plymouth 13-2 in the third quarter to overcome a one-point halftime deficit and pull away for the victory in the second half.

**Souhegan 56 Bow 42:** Brendan Winch scored 8 points, Ben Guertin 7, Matt Scanlon 6 and Colin Plumb 4 in the loss.

**Hopkinton 69 Mascenic 61:** After trailing for the entire first half, Hopkinton outscored Mascenic 20-10 in the third quarter to take a lead it wouldn't relinquish.

**Berlin 50 Winnisquam 49:** The Bears held a 46-26 lead after three quarters, but the wheels fell off in the fourth.

**Merrimack Valley 56 Pembroke 47:** Merrimack Valley led 14-6 after one and 30-17 going into halftime. On the offensive end, James Shattuck led the way with 27 points.

**Belmont 60 Newfound 24:** The Raiders used a strong defensive start to hold Newfound to zero points in the first quarter and limited the Bears to 15 points after three quarters.

**Kearsarge 67 Raymond 32:** The Cougars finished the season atop Division III at 16-2.

**Franklin 71 Hillsboro-Deering 56:** After trailing by five points at halftime, the Golden Tornadoes sealed the game with a 27-13 run in the third quarter.

### HOCKEY

**Pembroke-Campbell 5 ConVal-Conant 4:** Pembroke-Campbell netted four goals in the third period.

**John Stark/Hopkinton 6 Kearsarge-Plymouth 3:** Stark-Hopkinton finished the regular season 11-6-1 with a 6-3 victory over Kearsarge-Plymouth for their fourth win in five games.

**Somersworth-Coe-Brown 5 John Stark-Hopkinton 3:** Two goals separated by 18 seconds in the first period set the General Hawks up with a 2-1 advantage, which they couldn't hold.

**Goffstown 4 Windham 3:** Goffstown forward Max Lajeunesse backhanded a shot past goaltender Max Daly to give Goffstown a 4-3 victory.

**Kennett 3 John Stark/ Hopkinton 0:** Kennett (15-3-0) wrapped up the top seed in the upcoming Division III tournament.

**Bow 4 Portsmouth-Newmarket 0:** The Falcons finished off the regular season by winning 14 of their last 16 games to secure second place in Division II.

## Boys' Sports

### HUSKIES BANNER MITES

The Henniker Huskies Mite team wrapped up their regular season on Saturday with a decisive victory over the Berlin Sabers. Goalie Lauryn Guevin allowed only two goals, while Carter Geddes led the Huskies in scoring with a hat trick. Jackson Hatfield and Liam Gagne added two tallies each for a final score of 7-2.

### SQUIRTS

Hartford, VT - The Henniker Huskies Squirts traveled to Hartford, VT on Saturday, February 25th, for the NH State Squirt Tier V Tournament. On Saturday morning the Huskies faced a tough Upper Valley Storm squirt team and, despite a well-played game by the entire team, ended up on the short end of a 5-3 score. In the first period, despite some close calls for the Huskies, the Storm got on the scoreboard first at about 5 minutes into the game. The Huskies tied it up in the second with a goal by Aiden Chicoine at 2:13. The Storm scored again at 8:00 and the second period ended at 2-1 Storm. In the third period, the play remained tough but no goals were scored until the Storm put one in at 3:49. Chicoine kept the Huskies in the game when he scored at 5:29 but shortly after a penalty put the Huskies short and the Storm took advantage at 6:00. Chicoine got his hat trick with 1:33 to go in the game with a breakaway, but when the Huskies pulled the goalie to go for the tie, the Storm scored again and the game ended at 5-3 Storm.

On Saturday afternoon, the Huskies faced the #1 Kearsage Squirts in a must-win situation. It was a defensive struggle until the Huskies' Aiden Chicoine put one past the Kearsage goalie at 7:45 in the first. But a few seconds later Kearsage came back and tied it up. In the second period Dylan Ellberg deflected a shot from Ethan Guevin for the Huskies second goal, but Kearsage had two as well. Both teams had chances in the final period, although Kearsage playing for the tie, kept the Huskies at bay. While the puck ended up inches from the Kearsage goal line and Ryan Padsadowski hit the crossbar, the puck did not bounce right for the Huskies and the game ended at 2-2 which ended the Huskies bid for a repeat as the Tier V state champions.

The Huskies squirts, sponsored in part by Blackbird Market & Deli, travel to Maine for a Seacoast Tournament this weekend, March 3rd - 5th.

The Henniker Huskies Squirts continued their winning ways in the last two weekends of their regular season from February 11th to the 18th, coming away with three straight shutouts and dominating their opponents with an explosive offense.

On Saturday, February 11th, Henniker took on Rochester and, with the help of multiple goals by Leland Gooden and Aiden Chicoine and multiple assists from Ethan Guevin, the Huskies came away with a 9-0 victory.

On Sunday the 12th, the Huskies returned home to face the Concord Capitals. Single goals by Tyler Andrews, Parker Saunders, Ethan Guevin, Dylan Ellberg and four by Aiden Chicoine with flawless goal-keeping by Paulo Vazquez and Brady Geddes overshadowed the Capitals. The Huskies came away with another dominant shutout victory. On Saturday, February 18th the squirts traveled to Biddeford, ME and in Huskies-style cut down the Pine Tree State team with double-digit scoring and a determined defense, adding to their string of shutout victories.

### Bennington Baseball Signups

Wednesday, March 8, 2017, 6 PM - 8 PM Saturday March 11, 2017, 9 AM - Noon Newhall Youth Field, Bible Hill Road, Bennington Anyone age 5 as of April 30, 2017 to age 12 as of April 30, 2017. ## Real Estate Market Trends

Presented by Joyce Bosse, Owner/Broker

### Offer "Peace of Mind"

Do you want to add to the appeal of your home when selling? Aside from basic mechanical or cosmetic repairs your home may need before you list, there's one other easy and inexpensive way to make buyers feel good about purchasing your home. It's called a "home warranty", and for years it's been a popular marketing tool, especially for older homes,

We all understand that appliances and home systems like heating and air eventually wear out and break down with age. By offering a home warranty to buyers, they are actually receiving "peace of mind", since the warranty will cover repairs to appliances and other systems for the first year of new ownership.

You also increase the likelihood, of a full price offer since buyers won't try to subtract the cost of expected repairs. They'll know they are covered by the home Warranty if anything should go wrong.

To file a claim, the buyers call a single toll-free number to arrange repairs for any item covered in the policy. Home warranties are so practical that buyers often continue their coverage past the first year.

When selling your home, ask your agent about the different home warranties available, various coverage plans, and their cost. You'll find that this minimal investment could payoff handsomely in a full price offer from confident buyers!

\* = Incumbent

## **Don Robertson \*** **ANTRIM SELECTMAN**

The Town of Antrim is going through an historic time as we make plans for our future. As the ex-officio member of our planning board I look forward to helping implement the directives discovered with the recent Antrim 2020 program. More than eighty people participated and advanced their ideas and thoughts regarding our future.

Six sub-committees were formed and are hard at work to make Antrim a better place. Much of these groups work will be incorporated into the Master Plan revision. These committees' work must go forward. My involvement will help this process become successful.

Since I was elected in 2011 we have seen many improvements. Elm Ave. has been rebuilt, the new police

station has been built, the wind farm has been approved by the SEC, and soon we will have a new solar array near the water and sewer plant. I am proud to be part of these projects.

This Spring construction will begin on the new water line and drainage system on Highland Ave. and Pleasant St. This project is a major improvement to our water and sewer district.

As we move forward we need forward thinking people elected to office who have the interests of the residents of Antrim as their focus. There are always tough decisions to be made. These decisions must be made by people who come with no hidden or personal agendas. Progress comes about because people are dedicated and have the best interests of our residents in mind. I believe I am one of those people.

Over the past eleven years I have held public office in Antrim I have spent countless hours dedicated to the residents of Antrim. Antrim is a great place to live, work, and play. Please let me help me make it better still. We need to keep our selectboard intact. I thank you in advance for your vote March 14th.

## **Charles Levesque** **ANTRIM SELECTMAN**

I am running for the Antrim Selectboard and I would appreciate your vote on March 14 if you live in Antrim. I will bring business and consensus building skills, careful decision-making and common sense to the position. I want to make Antrim a better place to live and assure that property taxes are kept in check. Please help me do that.

I moved to Antrim in 1998, and served on the Planning Board from 2011-2014, including as Vice-Chair in 2013-14. I was the Chair of the Open Space Committee from its inception in 2004 to 2006. Prior to coming to Antrim, I served as Town Moderator and Chair of the Conservation Commission in Deering. You can trust that I will listen to people, will work hard on issues and will

make informed decisions - to make sure I have the best information possible before I make a decision that affects the people of Antrim. I have always done this as a volunteer and in my work. My years of experience as a small business owner and forester, non-profit board member and staff, and as an elected official as town moderator, school board member and planning board member, will serve well in this position.

As Selectman, I will be open to all views and will make careful decisions for the benefit of the residents of Antrim. I believe I would bring a new voice and new perspective to the Town of Antrim and respectfully ask for your vote.

There are many opportunities to improve our Town and the lives of its citizens. Though limited in what can be done in the position of Selectman, if elected, that is what I will focus on. I love this Town and want to work with the other selectmen, town officials and employees to make it better.

## **William Bryk** **ANTRIM LIBRARY TRUSTEE**

I am a 61 year-old lawyer. My wife Mimi and I live on Clinton Road near North Branch. I stand for Library Trustee in place of a retiring incumbent. Some of my happiest hours have been spent in public libraries. They are as American as Ben Franklin, who founded America's first public library in 1731. They are the people's universities, where we may seek the wonders of the world and where, as Franklin said, "The doors of wisdom are never shut." Our library is a legacy, inherited from James Tuttle, whose generosity paid for the building, and the librarians who have served Antrim since its opening in 1908. I pledge to work industriously and patiently with the other trustees and the staff so that when our generation passes this library to the next, our successors will find it far greater and more beautiful than it was left to us.

## **Stephanie Payeur** **HENNIKER SELECTMAN (2)**

My primary reason for seeking this position is to get more involved in my community and to bring my extensive Operations Management experience to the table. Concern about the Henniker tax rate is a common topic of discussion, and as a citizen of Henniker for 14 years, I also share a concern about the increasing tax rate. I created a survey for Henniker citizens to share their concerns about the tax rate with me via Survey Monkey, and I will share these results back via the social media groups, as well as at a Selectmen meeting. [surveymonkey.com/r/X7HBSWD](https://www.surveymonkey.com/r/X7HBSWD)

I believe we have a lot of opportunity to streamline our budgeting. One of my key skills is using LEAN management principles to find waste in business operations

and make change. In my day job I manage a \$40M+ budget; I feel confident that my management skills can carryover effectively to the town operations. As a community leader, we need to listen to the people, and if the majority of Henniker residents want to see the rate come down, then we need to work with everyone at the table to make that happen.

## **Peter Flynn** **HENNIKER SELECTMAN (2)**

I have been involved in municipal government for forty years. I held the position of Selectman in Pelham, NH serving twelve years followed by an appointment to the position of Town Administrator in 1991. While a selectman I served as the selectmen's member designee to the Planning Board, Budget Committee, Economic Development Committee and many other municipal subcommittees. I was also the liaison to the Salem Area Chamber of Commerce and served as a State legislator from 1979 through 1982 representing Pelham.

I am presently the Town Administrator in New Boston, NH having been appointed in September of 2011. In 1999, I became the Town Administrator of Henniker

and served twelve and a half years in this position. While my duties were that as an administrator, I was responsible for the overseeing of several major capital projects, most prominently the conversion of the Masonic Temple (originally the Baptist Church on Main Street) to the Henniker Community Center and the total renovation of the office spaces at the Town Hall. I subsequently became one of the founders of the Teen Center located in the basement of the same building. I served many years on

## Candidates' Corner

the Community Center Activities Committee, Safe Routes to School Committee and coordinator of the (CIP) Capital Improvements Plan Committee. I feel that my biggest accomplishment was the coordination of phase II of the downtown renewal project which consisted of adding dozens of additional lampposts and the reconstruction of sidewalks along Bridge Street (Rt. 114).

I am a member of the Rotary Club of Henniker, serving as President twice. Also, I was a member of the Board of Directors for the Henniker Historical Society from 2002 to 2015 and served as President for five years.

Presently, I am a member of the Henniker Budget Advisory Committee and serve as Chairman.

I have served four years as a member of the Henniker School Board and my term ends in March of 2017.

Finally, I am proud to say that I am the Chairman and Founder of the John Stark Bus Terminal Committee of which we are now in our 14th year of service to the Stark students. Our mission is to cater to high school students who gather inside the Grange Building each school morning before boarding the bus to John Stark High School. We are strictly a volunteer group having no affiliation with town government.

Although I am not officially a member of the Concert Committee I am committed to assisting them in preparing for each of the concerts by providing drinking water for the entertainers, shelter for the committee's documents and providing a drop off point (at my home) for payment checks for the entertainment.

Having demonstrated my qualifications and experience in municipal government, I feel that I am most qualified to serve on the Board of Selectmen in Henniker. My goal is to maintain effective communication between the Administration, the Board of Selectmen and the general public. I would appreciate your consideration in casting a vote for me on Tuesday, March 14.

### Scott Osgood \*

#### HENNIKER SELECTMAN (2)

My goal in running for re-election to the Henniker Selectboard is to help the Town connect the dots. There are a great many resources in the State, County and regional sector that provide information and funding to assist towns in advancing their goals. I have made a strong effort to identify how these resources can be helpful to the Town of Henniker.

I am running for re-election to the Henniker Board of Selectman to continue the work I have been involved in to date and to act as a resource to the board to improve access the resources available to further the Town's goals. This includes the standard work of the board, important issues such as management of the welfare situation, the

budget, school funding and economic development. I have been part of the planning, research and implementation of these and other initiatives and hope to continue this work.

I ask the voters to consider my qualifications for this job. I served on the Planning Board for over ten years, served on three committees of the Central NH Regional Planning Commission, and on three Town committees as Selectboard representative; I also have involvement in Town organizations outside of the Town Government. I have been active on issues with the High School and Congregational Church. I enjoy being able to contribute to the work these many committees do.

I also bring experience from my professional careers to the work. I am currently the Town Planner of a Town in the Upper Valley, where my responsibilities include Economic Development, Master Plan management as well as involvement in the work of the legislature and how it affects the work of the Local Municipal Government.

My career as a Licensed Civil Engineer in the management of a variety of large scale private and public construction projects has provided me with skills pertinent to the work of the Henniker Selectboard.

I ask for your vote on Election Day. If elected you will have elected a board member who will be engaged, have a very good attendance record not only at the board meetings but those of the committees I am assigned to and will bring the knowledge gained through the study, education and research necessary to do the best work for the Town. Thank you for this opportunity.

### Tia Maria Hooper \*

#### HENNIKER SELECTMAN

I am running for re-election to the Henniker Board of Selectmen. For those who do not know me, I am a member of the fifth generation of the Knapton family and I have lived in the Town of Henniker for the majority of my life. I graduated from John Stark in 2001; earned a B.A. in Law and Government from Endicott College in 2005, and a M.A. in Diplomacy from Norwich University in 2007.

As a member of the community, I am very aware of the concerns over rising property taxes and as a lifelong resident, I know that finding the balance between trying to control the rising cost and the needs of the community continue to be a struggle. However, it is my belief that we cannot continue to cut but need to engage in long term

strategic planning, which also examines strategic community growth. I am running for re-election to continue the work I have started in this area.

Since 2008, I have had the pleasure of serving the community as the Emergency Management Director, which has provided me with the rare opportunity to work alongside various town departments, surrounding communities, the State of NH and FEMA. This role also provided me with a unique perspective and vast knowledge of our current infrastructure and departmental needs.

During my first term on the Board of Selectmen, I have served in the role of Vice-Chair and as a member of the Planning Board. I have also served as an active and engaged member of the Road Management Committee, which inventoried our current road infrastructure and estimated the cost of repair. The report and product of this first phase of work was a crucial step in establishing the foundation to plan and prioritize for our future.

If elected, it would be an honor and privilege to serve all of you once again and I respectfully ask for your vote on Tuesday, March 14th, so that I can continue to serve the Henniker Community and provide a voice for the next generation of Henniker residents.

If you would like to learn more about my experiences or would like additional information about my background you may visit <http://www.linkedin.com/in/tiahopper/>

### Marilyn Shaw Paul

#### HENNIKER SCHOOL BOARD

I have lived in Henniker since 1968, when I came here to attend NEC, earning a B.A. in secondary education. I also have a M.Ed. in curriculum and instruction (specializing in integrating the arts into the curriculum) from Lesley University.

Both of my sons attended HCS and JSR. My older son entered Henniker kindergarten in 1983, and my youngest graduated from 8th grade in 1994, so including my 19 years of teaching, I have been affiliated with the school for all those years. After 19 years, I retired from HCS in 2011. As a member of the Henniker School Board, I have no specific agenda. My strengths are in curriculum, and also communication – I was an English and Social Studies

teacher, and I hope to continue to assist in conveying to the public just what the Board stands for. My beliefs are generally favorable toward the school, but as a retiree living on a pension, I also have great appreciation for the tax impact of local budgets. I am excited about learning more about the school in this new role. Because of my roles as parent, teacher, and workshop presenter in the SAU, I believe that I can bring to the table a sense of history, and an understanding of most of the processes and systems involved with School Board decision-making and policy. Because I have no agenda, I can be fair and logical and rational.

## Candidates' Corner

### Kim Johnson \*

#### HENNIKER TOWN CLERK/TAX COLLECTOR

I am running for re-election for the Henniker Town Clerk/Tax Collector, the position I have faithfully served in since 1992. When I was elected for the first time I was proud, excited, humbled and scared all at the same time. My journey in this amazing position began in 1987 as the Deputy Town Clerk/Tax Collector for Janet Mordough. With Janet's guidance, support and training I was ready to serve in this position from day one.

Over the years I have had successful annual Town and Motor Vehicle audits. The many town, school, state and Presidential elections that I have overseen have been successful as well as legal. As Town Clerk/Tax Collector I am also bonded for Motor Vehicle transactions and financial obligations required by the Town of Henniker to fulfill my duties with integrity. I am versed in NH state laws and regulations as well as the town rules that govern the Town Clerk/Tax Collector's office. While serving in this position I have become a certified Town Clerk/Tax Collector after attending the necessary classes and have maintained my certification by attending the required additional training. I am proud to have represented the Town of Henniker on the NH City & Town Clerk's Association Executive Board as a regional co-chair, the Association's treasurer as well as a member on the Vital Records Improvement Fund Committee.

While serving in this position my family and I experienced devastating losses, during which the residents of Henniker were there to offer my children and me their support, strength and courage to face those difficult days. I am not alone when it comes to difficult times, but you don't know how much community support is there until you need it. My children and I will never be able to repay the kindness that the Henniker residents have shown us.

I have enjoyed every moment being the Town Clerk/Tax Collector in the wonderful town of Henniker and honestly can say I love living and working in Henniker and seeing everyone on a daily basis. There have been many changes in the office over the years as to how we process Motor Vehicle registrations, access Vital Records information as well as the voting information and I look forward to what changes the future will bring to the office. It has been an honor and privilege to have the Henniker residents put their faith, trust and confidence in me over the years. I remain dedicated to serving the Henniker residents with honesty, respect, fairness and kindness.

I have the experience, training and knowledge to continue to keep the office running smoothly and efficiently. From the bottom of my heart I would like to thank the Henniker residents for all their support and trust that the Town of Henniker has given me over the years. If re-elected, I will continue to serve the Henniker community with the same courtesy and friendliness that you have come to expect over the years. I hope that I will once again have your support and vote on March 14, 2017.

### Heidi Aucoin

#### HENNIKER TOWN CLERK/TAX COLLECTOR

I have been a resident in Henniker for over 35 years and share a business here with my husband Danny. We raised our family here and have a love for this place we call home. Living and working in Henniker gives one a good sense of what is important to the people in our town. With my love for people and service, I also bring a strong background in Office Administration, Customer Service and finances. Coupled with this experience, I have practical wisdom and a "can do" spirit! I believe these are all tools that would be necessary to provide the service that the public of Henniker would expect. I would strive to do this job with efficiency, honesty, courtesy and consideration.

The thought of this is exciting, challenging and humbling and I can assure you that I would consider it a privilege to work amongst our townspeople in this capacity. Service with insight & care for the community!

### Jon Daley

#### HILLSBOROUGH SELECTMAN

I am running for School Moderator and Town Selectman this year. People have asked for my "agenda" or what big plans I have, and I think that one of the reasons I'll make a good selectman is that I don't have an agenda, other than wanting to do my best for the town. This isn't to say I won't have an opinion on issues that come before the board, but that I will listen fairly and objectively to find out the facts, and then work together with the people involved to figure out the best way forward. While I am just one, I have found myself as a moderating voice in different groups I've been a part of, seeing both sides of an issue, listening and bringing people together. I believe that usually, both sides have a piece of the truth, and need

to be able to see that the other side has something to offer as well. I was born in Hillsboro, grew up delivering the Concord Monitor, participating in HYAA sports, working at Manahan, Piexx, High Tide and Diamond Acres, and generally not causing too much trouble. I went to college in Pennsylvania, met my wife, got my masters degree in engineering, started a family and my company. I have always been a small-town New England boy at heart and finally made it back here to Hillsboro five years ago. I look forward to raising my children on the same streets where I grew up.

Since coming back to Hillsboro, I've given a lot of time to the town: joined the fire department, became an EMT, worked on the Master Plan and Balloon Festival worked as the assistant moderator, and coached a basketball team. In the process, I have become more aware of various town issues and have decided to get more involved and try to do something to make Hillsboro an even better place than it already is. Please vote for me, Jon Daley, on March 14th, for School Moderator and Town Selectman.

### John Segedy

#### HILLSBOROUGH SELECTMAN

I am writing to introduce myself to those that don't know me and ask for your support of my bid for Selectperson of Hillsborough. My platform is based on fiscal responsibility. Over the years I am known to have advocated fiscal restraint from both the Town and the School Boards. You can be assured that if elected I will work to ensure the town operates in a cost effective manner. I will review all line items every year as I already do.

A second part of my platform is community involvement. For many years I have believed in and have acted upon the idea of citizen involvement. It is a key to our Democratic government both locally and across New Hampshire. It is because I have seen the current Board

attack and dismantle the towns boards and committees that I feel the need to run for the Selectboard to change that attitude.

These actions that I disagree with include:

1. The Selectboard asked for volunteers for a Historical Board and then after citizens came out to volunteer they in effect slapped them in the face and did not appoint any of them or form said committee.
2. The Selectboard disbanded the Park Board.
3. The Selectboard gutted the Conservation Commission, disrespecting an eighteen year veteran member in the process.
4. The Selectboard attempted to disband the Water and Sewer Commission.
5. The Selectboard has refused to appoint ZBA recommended member and instead installing employees as members perhaps thinking that they may be able to exert control over them (I trust the individuals involved will act honorably none the less).
6. The Planning Board, including the Selectboard representative, disbanded the Master Plan

## Candidates' Corner

Update Committee. The Town continues to operate on a Master Plan that is closing in on twenty years old.

7. The Planning Board, including the Selectboard representative, after acknowledging that the towns Capital Improvement Plan was many years out of date refused to appoint a committee to update it.

If elected, I will work to make our town government one which welcomes the views and involvement of all of its citizens. This is the peoples' government. They work for all the people, not just a select few which is why I am applying to work for you.

My experience serving the town includes being a former School Board member, served on HD – School: Policy, Capital Improvement and various curriculum and other Committees, a member of the Sidewalks to School Committee, Alternate Conservation Commission member, ZBA member and Master Plan Committee member among others. The position I am most proud of however is self appointed Gaffly, where I have worked to hold our elected officials accountable. I am asking to be able to expand that work.

A third item on my platform is transparency. Over the years I have advocated for our government being conducted in a way that citizens have easy access to seeing whats going on. I pledge that if elected I will act in accordance with this belief. Meeting recordings are public records that should be saved like any other records. Open government is a key factor to citizen involvement. One needs to know what is going on in order to participate.

Finally, I urge you all to come out to vote on March 14th. Regardless of your beliefs, it is through participation that our government will be most effective. Thank You for your consideration.

### **Peter Mellen \***

#### **HILLSBOROUGH WATER & SEWER COMMISSION**

I joined the Water & Sewer Commission in 2009 when I was asked to fill out the term of a commissioner who had resigned. I became chairman in the spring of 2015 following the resignation of long term commission chair Douglas Parker.

During the past seven years I have developed an in-depth knowledge of the system and an understanding that the commission has three main objectives:

1. Keep the system operating in accordance with constantly changing state and federal regulations. The new water treatment system at Loon Pond is an example of an improvement required by new regulations, and its installation has brought an end to users receiving notices in

the mail of possibly hazardous drinking water.

2. Maintain and improve an aging infrastructure. During my years on the commission we have increased expenditures on repair of the wastewater collection system through trenchless technology to reduce the infiltration of groundwater, as well as total replacement of water and sewer mains when their condition is beyond repair.

3. Safeguard the fiscal health of the system without bankrupting the users, whose quarterly payments fund our combined \$1.5 million budget. One way to do this is to ask new users to pay a fair, reasonable fee to join the system. This is precisely what an accessibility fee does. It requests that new users buy into a valuable system that the current users have paid for. The fees collected are used to make improvements to the system that increase capacity, allowing for more growth in the future.

I will work to implement a fair accessibility fee system to financially safeguard the users while providing increased capacity for future growth.

A commissioner must also recognize that his allegiances do not lie solely with the users; the welfare of the entire community must be considered. In response to an unsuccessful 2016 Town Meeting warrant article to dissolve the commission, I have made extensive efforts as chairman to improve communication and cooperation between the commission and other town boards and departments.

I ask for your vote so I can continue to do this work for our community. I consider it an honor to serve as commissioner and if re-elected I will do my utmost to ensure that it is run properly and prudently.

### **Paul Plater \*** **H-D SCHOOL BOARD**

I am Paul Plater, the incumbent, and a school board member for 15 years. I am seeking another term as the people's representative for our children's education and the taxpayers representative for our district school budget.

My working experience has been mostly with the federal government. I've served 4 years with the U.S. Air Force as a foreign linguist with a Top Secret clearance. Requirements for this position included expert marksmanship, computer & radio training classes, and physical fitness for flight status. I have served 5 years in the Army Reserve as a payroll specialist, and I retired from the U.S. Army Corps of Engineers (COE) after working as a payroll clerk, accountant, and supervisor of two accounting departments. I

am also a member of the American Legion.

My experience in education begins with a Bachelor's degree in general business with accounting as the main area. I have attended many seminars given by the New Hampshire School Board Association (NHSBA) and other school affiliated organizations. During the past year, I attended the NHSBA legislative seminar on pending legislation in New Hampshire, the Healthtrust seminar on state health insurance, and visited several classrooms. I have served on the following school committees: Policy, Athletic, Support Services (which reviewed maintenance and busing issues), food & health committee, and as a school representative to the Economic Development Council (EDC). I am currently a signatory for the SAU-34 and H-D manifests. I have served several years on the Duncan-Jenkins committee and the Lila Murphy grant committees. I also attended meetings with the Hillsboro emergency committee and supervised an overnight emergency sleepover at the high school during the week-long power outage one winter.

My wife retired as a teacher from Hillsboro-Deering high school after 18 years as a math teacher and math team coach, and we have sent our 5 children through the H-D school system; all 5 are college graduates as-well-as H-D graduates. I have been an assistant soccer coach and assistant track coach at H-D. I was a member of the Hillsborough Youth Athletic Association for over 20 years and represented the HYAA on the Merrimack Basketball League committee and the Merrimack Valley soccer league ..... the greatest joy was as an HYAA coach for basketball, soccer, and assistant softball coach. I have been a referee for HYAA basketball and soccer games, but would rather coach than referee any day.

You can find me cheering-on our athletes at cross-country, soccer, basketball, track, baseball & softball games ... please come-over, say "hello" and tell me what's on your mind. My tele # is in the book (464-4034), my e-mail is on the school website (paulplater@hotmail.com). I may also be found at the Hillsborough Historical Society (received HHS 2016 Volunteer-of-the-Year award) or helping out at Butler Park. Please let me hear from you!

In closing: LET ME BE CLEAR! I am first and foremost for academics. "Readin', writin', and rithmatic" was the name of the game when Franklin Pierce went to school, and it's still the name of the game. English & math enable students to understand social studies, science, business and other subjects much better. Art & physical classes (sports) may be accomplished with less english and math, but students going into these. these areas of study still need english and math for their economic well-being. The ability to read instructions; understand employment contracts; understand health, life, home, and car insurance policies; and calculate interest rates and retirement benefits will be a part of every student's life. I have heard students (and parents complain that the students don't have time for homework, sports, other school activities, and still have time to hold a job. This is true (except for a very few students); however, my view is that homework is the priority, and the student and parents must determine which other activity needs to be cut. Life is about choices, I hope all students/parents put academics as their priority!

If you believe academics to be the focus for our school, please give me your vote.

Thank you for your consideration.

## Candidates' Corner

### **Kathryn McGinn** **H-D SCHOOL BOARD**

My name is Kathryn McGinn and I am running for the open Hillsboro seat on the Hillsboro-Deering School board. I've been a resident of Hillsboro for 12 years. I'm a wife, and a working mom to two young sons both of whom attend Hillsboro-Deering Elementary School. I've been fortunate that I've been able to be active and engaged in both our sons' schooling, being able to volunteer, chaperone field trips, and support our PTO etc.

I hold a dual Bachelor's degree in Health Administration and Business Administration as well as a Master's degree in Organizational Leadership. I also have 2 advanced certifications in Health Administration and Business Analysis.

I come from a long line of educators who instilled in me at a young age the importance of education and school. My dad is a retired teacher, my aunt is a retired teacher, some of my closest friends are teachers and I even married a teacher! I'm running for school board because I want to see the growth that has occurred to continue and not get stopped. I want to encourage more parental engagement and input. I want to hopefully be a voice for the parents of our community. I would like to see the board improve its overall relationship with our community through better communication and transparency of information available. Budget season always is contentious in our town- I am a parent but I'm also a taxpayer. We have to continue to be fiscally conservative to keep our taxes from going up significantly while balancing the growing & changing needs of our schools. As a parent I want more for our children, more for our teachers and staff that are working so hard each and every day for our

kids and I want more for our community as a whole. I don't want our children to just "get by" I want to see them excel! If we don't invest in our schools and show that we are a community that values and cares about our schools our town will not grow, families will not stay and families will not come.

I believe myself to be an open, honest and transparent individual that has a strong background in developing and maintaining trusting relationships. I am willing and open to talk to our community members about issues, listen to other board members and administration to have solid productive conversations that can promote real change in our schools & ultimately our town.

My personal mantra is "if you always do what you always did you'll always get what you always got"... I for one am ready for change. Education is a one of the most precious gifts we can give our children! I hope I can count on your support on March 14th 2017.

### **Jon Clancy** **JOHN STARK SCHOOL BOARD**

My name is Jon Clancy and I am running for my second term as school board member of John Stark Regional High School. I am interested in remaining on the board because I have a strong interest in curriculum and instruction. Also, I would like to promote increased student and parent involvement at board meetings. As a board, we need to hear from all parties about how we can make John Stark an even better high school.

## Sharon Fife \* DEERING SELECTMAN

My name is Sharon Fife and I am running for re-election to the Deering Board of Selectmen. I have been a Deering resident since 1985 and have raised my four children here. I am married and live in Deering with my husband, Ricky.

In addition to currently serving on the Board of Selectmen, I have also previously served as Deputy Town Clerk / Tax Collector. I have been an active advocate for Deering throughout the past 32 years, serving on several committees, assisting with the publication of 'The Deering Connection' newsletter, and involvement in private endeavors such as cleaning our roadsides, trails and beach. I have volunteered countless hours in dedication to preserving and defending our town. I care deeply about this community and its residents.

I am a fiscal conservative, and as your selectman I have worked for efficient, cost-effective, open, transparent and truly accountable government. Deering has taken a new refreshed and energized direction. Let's keep going forward and not go backwards into cynicism. I respectfully ask for your vote on Tuesday, March 14.

The role of selectman is truly a civic service to fellow residents. I have no further political aspirations nor do I have any hidden, personal agenda. I have proven to have the time, energy and skills to successfully serve the people of Deering in this capacity. Please feel free to contact me at sharonmfife@gmail.com.

## Jim Tramontozzi DEERING SELECTMAN

My name is Jim Tramontozzi and I have decided to run for the Open Selectman's seat in Deering. I have lived in Deering for 23 years with my wife Cathy and my two children, Daina and James Jr. I was a 21 year member of your Fire Department until 2015 and had the honor of becoming your Fire Chief in 2014. I also believe in a straight forward, honest approach to get things accomplished that benefit the town and understand being a Selectman doesn't make you more important but makes you Accountable to the People. Something that seems to be lost on our present board member Sharon Fife. As many may already know, since the present members of this board were elected, there has been an epidemic of residents who were also town employees, quitting. This has been a direct result of the abuse, harassment, and underhanded type of assaults to force resident taxpayers with a voice out of department head positions. This point is proven as now your department heads reside in Sutton, Hillsboro and just recently your new Fire Chief in Weare. It does appear there is a letter circulating from one of the Selectman, Mr. Aaron Gill. This letter if you read it carefully actually shows truth to how the board works. Mr. Gill asks you to reelect Mrs. Fife as she is his peer and will change her mind if pressed. The underlying meaning is she needs to be reelected because she is controllable. Do we need a board member that can be controlled by another Board member? I think not. Mrs. Fife as a member of the board has been party to distrust, non-transparency and deception against the taxpayers and the only way to cure this is to vote for me on March 14 and her out of office. Should you allow me the privilege to become your Selectman I will strive to use the best of my abilities to serve the town, and the residents with distinction, pride and contrary to my opponent, without a personal agenda.

## SATURDAY MARCH 4

**OPEN DOOR COFFEEHOUSE:** The evening begins with Mike Bradley, moves on to DownEast Humor, and then we're happy to welcome Volkert Volkercz, Dan & Jeni, and Reggie Gerbert. After intermission, we are welcoming back, as our feature, Antrim's own Ivy & Chum, who we so enjoyed last year. If you enjoy our snack table in the back room, please help us out by contributing something delicious! The entertainment begins at 7 PM sharp. Hope you can join us!

**SCHOOL KITS:** The United Church of Warner is collecting items for Church World Service School Kits: 70-sheet notebooks of wide - or college-ruled paper, approximately 8" x 10 1/2"; no loose leaf paper, 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other, pencil sharpener, pair of blunt scissors (safety scissors with embedded steel blades work well), unsharpened #2 pencils with erasers, secure together with a rubber band, black or blue ballpoint pens (no gel ink), box of 16 or 24 crayons, 2 1/2" eraser, sturdy drawstring backpack-style cloth bag, approximately 14" x 17" with shoulder straps (no standard backpacks). All items must be new and without any logos of businesses, flags, or camouflage. Drop off tub is on the porch of the UCW Parish House or Sugar River Bank. Call Nancy 603-456-3802 with questions.

**WASHINGTON DANCE:** Washington Snow Riders Landowners and Snowmobilers appreciation DANCE at Camp Morgan Lodge. 7-10pm Live

Band. Everyone welcome. Bring your own beverages. Homemade donuts and popcorn provided. Raffles and donations at the door.

**WOMEN'S WORLD DAY OF PRAYER:** Have you been to the Phillipines or know people from there? Join people from 170 countries in the world in celebrating this annual event. This year's program is written by women from the Phillipines based on Matthew 20:1-16. Am I being unfair to you? Our local celebration, planned by seven churches in the area will be held this year at Hillsboro United (Methodist) 6pm potluck- including some Phillipino dishes 7pm service. A donation will be collected that will benefit projects around the world and locally in NH that help women and children in need.

## SUNDAY MARCH 5

**TUCKER LIBRARY:** at 2pm. Join us for an afternoon of mystery when mountaineer and climbing historian ED WEBSTER explores the latest evidence surrounding the 1924 deaths of Hillary and Mallory. To this day, the enigmatic events surrounding these two British mountaineers on Mt. Everest is considered one of the GREATEST UNSOLVED MYSTERIES in mountaineering history. Information: Tucker Free Library, 31 Western Avenue, Henniker. Plenty of free parking in back of building. 428-3471 or tuckerfree@comcast.net.

**CHURCH SERVICE:** Deering Community Church: 10 AM, come to hear about The Birth of Consciousness, Rev Bill Beardslee will hear your Joys and Concerns, too. There is time to get to know each

other at the after-church cafe. Admission free! Food items are welcome to supplement our supply basket delivered to Hillsboro and Weare Food Pantries each week. Choir practice on Thursdays, 7 to 8:30 and Sunday morning at 9AM.

**CONTRA DANCE:** The Monadnock Folklore Society presents the Peterborough, NH First Saturday Contra Dance featuring the next generation of performers with Ron Blechner calling and musicians Kathleen Fownes and Conor Hearn. The dancing begins at 8:00 PM. The dance also hosts a free jam session for beginning and intermediate musicians at 6:30 PM and a workshop for new dancers at 7:30 PM. Admission is \$10 or \$7 for students and seniors. The dance takes place in the historic Town House in Peterborough,

## TUESDAY MARCH 7
