New Branch Manager

Tiffany Ash has been promoted to Branch Relationship Manager of the Claremont office of Lake Sunapee Bank. With more than ten years of customer service experience, Tiffany has held a variety of progressive positions since joining Lake Sunapee Bank in 2004. She began as a teller, and worked her way up to a managerial role. Most recently, Tiffany held the role of Customer Service Manager and Area Staffing Coordinator in Lake Sunapee Bank's Hillsboro office.

Franklin Bank Manager

Franklin Savings Bank announced the promotion of Nicole Rea to Branch Manager of the bank's Franklin office. In her new role, Rea will focus on supporting sales, service and operational initiatives for her staff. Rea joined FSB in January 2015 as a Personal Banker and was promoted to Assistant Branch Manager a year later. She has over 11 years of experience in retail banking, of which nine years were spent with another local community bank.

Franklin Colleagues give departing City Manager Elizabeth Dragon a farewell party.

Thank you Elizabeth

Franklin City Manager Elizabeth Dragon departs

With the departure of current City Manager Elizabeth Dragon this Friday, Franklin officials won't interview candidates to replace her until December. Dragon, who has served as City Manager for nine years, is leaving for a new position as manager in Keene. Financial Director Judie Milner will replace Dragon on an interim basis.

The Atlanta-based consulting firm, The Mercer Group, has been hired to select and narrow the list of candidates. The group will conduct a nationwide search with a special emphasis on candidates from New England. Interviews will be done in private, and finalists will be presented publicly.

Under Dragon, the city has embarked on several revitalization projects, including the renovation of one of the city's mill buildings for affordable housing, developing a white-water paddling park and completing facade improvements to buildings owned by revitalization-focused nonprofit PermaCityLife, which the new city manager will inherit.

The City Council wants a replacement for Dragon before January. With a new mayor, at least one new councilor in addition to the new manager, 2018 opens a new chapter in Franklin's history.

Goffstown grants tax incentives for mill apartments

A proposed Goffstown housing development has been approved for tax relief, but will still need other approvals before construction can begin. The Residences at Hadley Falls plan is to put up 99 units among four buildings along the Piscataquog River. Most of the apartments, 50, will be put in the former mill building while the other three buildings will have 6, 18 and 25 units respectively. The Selectmen approved a 79-E tax incentive which means that the owners will be taxed on the current assessed value of the building not more if the value increases for five years after the upgrades are made. Developers failed to receive a variance since only 64 units are allowed on that site. They also failed to gain a variance for the buildings' height, since what they are proposing is about 20 feet higher than what's allowed.

Three area towns coordinate life-saving efforts

By Dan MacDonald
New Boston Fire Chief

On May 20 while watching the truck pulls at the Youth Center in New Boston, Jeff Tarr collapsed of an apparent cardiac arrest. A bystander, who happened to be Weare firefighter/EMT-A Captain Mark Bluteau, immediately began providing lifesaving care to Jeff along with an unknown nurse and Lyndeborough firefighter. Another bystander called 911 and within minutes of the collapse, New Boston Fire was dispatched, at 1402.

The first arriving NBFD unit, C1, arrived at 1405, and found Captain Bluteau providing care along with the nurse and the firefighter, and several New Boston Police personnel, Patrolman Matt Sullivan and Patrolman Ben Tokarz. Captain Bluteau had also started an IV line for drug therapy at this point.

During this same time period, Goffstown Fire had responded to their own call near the center of town, which turned out to be a non-emergency. Dispatcher Ray Brule, aware of the situation in New Boston and the possible need for paramedic support, delayed the return of the Goffstown ambulance back to Pinardville, to ensure if needed, they would be in a much closer response position. This action by Dispatcher Ray Brule reduced the arrival time by Goffstown medical personnel by 8-12 minutes to the New Boston scene. And in these types of emergencies, seconds count!

The New Boston Ambulance and crew including Captain Mike Boyle, Lt. Rick Riendeau, and Lt. Bryan Wells arrived on scene at 1408, and the patient was immediately transferred to the ambulance for continued care and transport. At this time the rescuers had not been able to revive Jeff, though a heart rhythm was thought to have been acquired, but it would revert back to no pulse. The care the team provided during this time, solid CPR, oxygen and IV therapy, ensured Jeff was receiving the best care possible.

Jeff (orange shirt) is surrounded by the crews of four area departments in three towns that combined to save his life. New Boston's Pinning ceremony gave him the opportunity to thank each personally.

The Goffstown Fire Department ambulance staffed by firefighter/paramedic Lt. John Riley and firefighter/paramedic Mike Jubinville arrived on scene at 1415, and immediately joined the team in the New Boston Ambulance. Drug/medication therapy was administered and the patient began to respond more positively to the treatment. Enroute to the hospital the patient, after being shocked an additional time, began making purposeful movements and exhibited discomfort with the tube inserted in his airway. Lt Riendeau asked the patient to squeeze his fingers and Jeff responded. Paramedic Mike Jubinville asked Jeff if he could hear him to open his eyes, which Jeff did, and there was a feeling of exhilaration shared by everyone in the ambulance, including Jeff I am sure!

The breathing tube was removed and the patient was monitored the rest of the way to the CMC.

The patient was delivered to CMC in a revived state and was admitted for further evaluation and care. A 3 town, 4 department team effort.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

The U.S. Food and Drug Administration has approved Siliq (brodalumab) to treat adults with moderate-to-severe plague psoriasis. Siliq is administered as an injection. Psoriasis is a skin condition that causes patches of skin redness and flaking. Psoriasis is an autoimmune disorder that occurs more commonly in patients with a family history of the disease, and most often begins in people between the ages of 15 and 35. The most common form of psoriasis is plaque psoriasis, in which patients develop thick, red skin with flaky, silver-white scales.

• • •

Donepezil, a medication that is approved to treat people with Alzheimer's disease, should not be prescribed for people with mild cognitive impairment without a genetic test. UCLA School of Nursing researchers discovered that for people who carry a specific genetic variation. Mild cognitive impairment is a transitional state between normal age-related changes in cognition and dementia. Because many people with the condition display symptoms similar to those caused by Alzheimer's disease, some physicians prescribe donepezil, which is marketed under the brand name Aricept and is the most-prescribed medication for Alzheimer's. Donepezil was tested as a possible treatment for mild cognitive impairment in a large, federally funded study published in 2005, but it was not approved by the FDA. Still, doctors have often prescribed the drug "off-label" — meaning that it is not approved for that specific disorder — for their patients with mild cognitive impairment.

Granite State Communication hosted another Customer Appreciaton Day in Weare on Saturday.

Western Avenue paving begins in 2 weeks

During the discussion of the Western Avenue project Hillsboro Road Agent and Henniker resident Bill Goss spoke about the condition of the road, particularly that there are still rocks that will come up through any new pavement. He stated that he had spoken at length with Pike and they said that they had ground down to 12". However, Mike Vicnale of KB Partners, LLC said that he had inspected the road, that they had gone down at least 18," and he didn't see any rocks in the road. Caleb Dobbins brought up the issue of the guardrails as he had noticed that they had been cut, which is a hazard. Mr. McNally stated that the guardrails would be replaced and the paving was scheduled to begin in about two weeks. The Selectmen voted to continue with the schedule. After a public hearing on the 2nd reading of the parking ordinance, the Selectmen voted to limit parking on Depot St. to West side and to restrict parking on Circle Street to the interior of the street during town approved activities. OHRV committee member Kris Blombeck reported to the Selectmen that the OHRV committee had met the evening before and would be recommending that a portion of Liberty Hill Road be closed to ATVs by riders other than Henniker residents and the ATV club will post appropriate signs. As there is now a "by-pass" to the Class V portion of Liberty Hill, it should not be detrimental to out of town riders. He also mentioned that the committee was looking into bringing the trail system up to Country Spirit. Permission from the State would have to be obtained. The alternative route of crossing Rte 202 by using the sidewalks on the overpass was dismissed.

Kevin Donovan named Assoc. Trustee

The New Hampshire Hospital Association (NHHA) announced yesterday it has recently appointed Kevin W. Donovan, President & CEO of LRGHealthcare, to its Board of Trustees for 2017-2018. Donovan, along with Michael Lee, President of Weeks Medical Center in Lancaster, was elected by the members at the Association's Annual Meeting held this past weekend at the OMNI Mount Washington Hotel in Bretton Woods.

Franklin Police arrest three in drug bust

On September 14th, Franklin Officers arrested 58 year old Harry Rowley, 25 year old Kailey Rowley, and 26 year old Alyssa Blackman for possession of a controlled drug, suspected to be heroin and crystal methamphetamine. The arrests stemmed from drugs and needles located at 72 Chestnut Street in Franklin as officers executed a search warrant under the Common Nuisances statute. According to investigators there have been over 40 calls for service this year.

Antrim celebrates its 14th Annual Home & Harvest Festival

The Antrim Home and Harvest Festival featured fireworks, a parade, an apple crisp social, a baked bean contest, a Lions Club BBQ, and the Library's World War I memorabilia on display. A full slate of children's activities, live music and a craft fair began on Friday night and continued through a full day Saturday.

The Antrim Historical Society's World War I display in the Library's upstairs rooms will continue through the end of October and is open to the public during regular library hours.

The brainchild of Rick Davis, owner of Rick & Diane's Brick Oven Pizza, the Festival celebrated its 14th anniversary last weekend. Davis said he started the event because there was nothing going on in town, and he wanted something free for the kids, something to get some community spirit going. How has it worked out? In Davis' words, "It's turned into something pretty special, and I'm still having fun with it."

Saturday's parade is a favorite at Antrim's Home & Harvest Festival. Yvonne Gould photo.

Accident victims identified

Police have identified Joseph Alibrandi, 55, of Hillsborough, as the man killed in a crash on Route 202 Wednesday. Alibrandi was driving a 2003 Chrysler PT Cruiser south on Route 202 Wednesday morning when he began to gradually veer to the left, crossing the center line into the northbound lane, colliding with a 1989 Chevrolet Scottsdale dump truck driven by Stephen Platt, 64, of Antrim, police said in a news release Thursday morning. Platt suffered non-life threatening injuries and was taken to Monadnock Community Hospital. The crash remains under investigation. Alcohol does not appear to have been a factor, police said.

School Daze

Alex Story (l), Kelsi Hunt (r).

Two Student Teachers Come Full Circle

Two student teachers at Center Woods Elementary School this fall knew their way around SAU 24 schools before their first day. Alex Story and Kelsi Hunt, student teachers enrolled in the Education track at New England College, both completed their K-12 education in SAU 24 schools. Alex attended grades K-8 at the Henniker Community School and Kelsi was a student at both Center Woods Elementary and Weare Middle. Once completing 8th grade, both women headed to John Stark Regional High School, graduating in 2014.

Chichester Central School NEWS

- **Competency Education Information Night**

What is Competency Based Learning? Why is New Hampshire moving toward this new model of instruction? What are the principles of Competency Based Learning and instruction? Where is CCS in this transition and what will this look like for my child? These are all great questions we will begin to answer on Sept. 28th from 6:30 - 7:30 pm. This will be an opportunity for families to learn about this new model and ask questions as CCS makes strides in this direction. Please join us for this evening.

- **Parent Conference Sign-Ups**

On the afternoon of Thursday, Oct. 19 (early release) and Friday Oct. 20, there will be time in for K-8 grade teachers to meet with parents and guardians. Many teachers began to fill their conference schedule at the BBQ/Open house this month. Contact your child's teacher or the main office of school at 798-5651 to schedule a conference if you have not already. A link between school and home is an essential ingredient to a student's success.

- **Grandparent Luncheon**

Time to Recognize and Appreciate On Thursday, Oct. 5, CCS will host grandparents of our students for a special luncheon. Forms to sign up for lunch will be sent home with students and will also be available on our website. We are so proud of our school and community and are excited to have our grandparents come join us for lunch. Please return forms by Thursday, Sept. 28 so we can prepare for our luncheon.

One man dies in New Boston house explosion

A Nashua house painter died Tuesday morning after an explosion and fire at a newly constructed New Boston home where he was working.

According to Danielle Cole, a district chief for the state Fire Marshal's Office, Antonio De Souza, 46, was alone at the house on Foxberry Drive.

A neighbor and an off-duty firefighter were able to make contact with De Souza, who told them he was injured, but they couldn't hear him after the explosion and were pushed back by the flames.

The blast, which happened just before 10:30 a.m., could be heard as far away as Francestown and Lyndeborough. Cole said the cause of the explosion remains under investigation; authorities are examining the propane system in the home.

When fire crews arrived, they found the house fully engulfed in flames, the bottom level had collapsed, bringing the second floor down on top of it.

According to Danielle Cole, a district chief for the state Fire Marshal's Office, Fire Chief Dan MacDonald said it was a challenge getting to the heart of the fire, because the second floor and roof was sitting on top of the collapsed first floor. The blaze was under control in about 45 minutes, but firefighters were still working on putting out hot spots several hours later. "We get water where we can get it," Mac-Donald said.

Firefighters from Bedford, Manchester, Francestown, Mont Vernon, Weare, Bedford, Brookline, Dunbarton, Henniker and Milford assisted the New Boston department.

Firefighters had a tough time in the debris of the collapsed house.

Maurice "Mo" Davison, (l) current Master of Harmony Lodge of Masons, was recently presented the prestigious Major John Sullivan Award for his dedicated and faithful service to the fraternity.

New London prioritizes short-term goals

The New London Selectmen asked Town Administrator Kim Hallquist to prioritize a list of the town's short and long-term projects. Hallquist offered the following short-term issues:

1. Work on employee relations. She relayed that several employees had complained that the Board was continually balancing the budget by reducing insurance benefits. Member Nancy Rollins took offense, saying that the employees had to realize that every business in the country was dealing with this issue in light of staggering increases in insurance costs.

2. Planning for a new police station and a new Community Building. Rollins suggested that the town will need a new Public Safety complex including police, fire and ambulance facilities, rather than a stand-alone police station.

3. Maintaining the town's infrastructure, and continuing to pave dirt roads. Public Works Director Richard Lee offered that under the current program, 8 or 9 more dirt roads would be paved by 2021. Hallquist suggested that the major long-term goal was to equalizes the tax rate, and the Board agreed.

Recycled Percussion aids Dunbarton boy

Parker is a Dunbarton boy who says he's the world's biggest NASCAR fan, and he got a special experience at New Hampshire Motor Speedway thanks to New Hampshire band Recycled Percussion. Parker, who has autism, experienced a NASCAR weekend at NHMS, thanks to the track and Recycled Percussion, who partnered to make Parker's weekend amazing and to help inspire others to give back. "He's on his way here right now and has absolutely no idea what he's in store for, because this morning, one of his dreams comes true," said band front man Justin Spencer.

The Hillsborough Historical Society has transferred the records of the former Town Band to the High School Music Department.

One hundred thirty-two golfers and about a dozen volunteers participated in this year's Rick Hall Golf Classic at the Brentwood Golf Course in Keene. Over $25,000 for the second year was raised to benefit various Henniker causes, including scholarships for John Stark seniors, the Henniker Youth sports organizations, the Henniker food pantry, the Henniker Fire and Henniker Rescue Departments, and others. Many thanks went to all of those who participated by either golfing or donating money or auction items. Photo by Terri Trier.

Bow school district facing growth problems

Bow school officials are seeing an increased growth in enrollment, to the point where they are almost at capacity for some of their buildings. Bow High School's current enrollment is at about 665, compared to 2016's enrollment.

District-wide, there's been a similar trend as well. SAU 67 is expected to have 1,678 students this year, up from 1,614 last year. "We're one of the few who are actually growing." One of the reasons for Bow's enrollment growth is that Dunbarton students joined the district after ending their AREA agreement with Goffstown in 2014. The first class of Dunbarton students graduated from Bow High School in 2016 and the students have been added into the other grades over the last few years.

The other reason is the town itself, which is very community- oriented, and appealing for home buyers. Renovations to the elementary school are on the front burner, as $300,000 has been put aside that could be used for the elementary school renovation.

Letters to the Editor

Attention CNN, Fox News, NBC, CBS, ABC:

I want to see days and weeks of coverage about Dickinson, Texas, a town that is approximately 1/3 Black, 1/3 Hispanic and 1/3 White. I want to see editorials discussing how neighbor helped neighbor, regardless of race, sexual orientation or which statues they think are appropriate. I want to see nightly discussions of the human response to seeing their fellow man in need.

I want to see video of a white, good-old boy helping a black man and his family onto his boat so they can escape flood waters. I want to see video of a Hispanic man whose parents were migrant farm workers helping a white man and his family onto his boat. I don't want to hear how Trump supported or antagonized anything. I want to see these things because they are actually happening right now in Texas. This is America today. That's what I want to see.

You are purveyors of negativity and divisiveness because that's what gives you ratings and income. You intentionally deceive us. Because in all this human suffering along the Texas coast, you don't even see that love and decency abound in America. Maybe you do, but that won't make you as much money will it?

Mark Watley

****

Dear Editor:

On Friday, Sept 8, I was at work at the Hillsboro Deering High School and I began to feel strange, I left the class I was in and with the help of a fellow staff person went to the nurses' office. In a very short time she had diagnosed my problem, I was having a stroke. Fortunately, I live around the corner from the school so Officer "Bo" notified the rescue squad and the ambulance met me at home and transported me to Concord Hospital in time to get the lifesaving clot busting medication. There doesn't appear to have any long term affects and Dr. Terry Brehio, a Hillsboro-Deering Graduate took excellent care of me.

Since I have been home getting stronger so I can get back to work, there hasn't been a day that one of the staff or some of the kids haven't stopped in to visit or bring me meals. I appreciated this very much. What I really appreciate and want to share is the compassion and respect shared through out the school district in this town. I have supported the students always at the school and for the last two decades the staff and teachers have gained my respect for all the work they do to help our students grow into such wonderful adults and citizens.

Thank you to Hillsboro-Deering School, it is true Hillcats are the cool cats. THANK YOU: HILLSBORO, DEERING, WINDSOR AND WASHINGTON for supporting your school district.

Peggi Scarcello,
Proud Para at HDSD

SAU 24 Superintendent Dr. Lorraine Tacconi-Moore and Henniker School Board Chair Deb Urbaitis serve pizza to Dejah (grade 1) and Dante (grade 3) Marsh during the Henniker PTA's Pizza Social held just prior to the Henniker Community School Open House.

Commission to study public access to Lake Sunapee

Gov. Chris Sununu has established a 15-member commission to help decide the future of the controversial Wild Goose property along Lake Sunapee in Newbury. In a statement, the Governor said, "Trying to salvage a flawed and controversial idea that has not gone anywhere in over 20 years and that was left without funding by the Legislature is not a viable plan to increase public access on Lake Sunapee," the governor said in a statement. "My priority remains bringing forward a real proposal that will actually allow Granite Staters greater access to our Lake Sunapee."

The commission, including at least six members from either Newbury, Sunapee or New London, will prepare a report with recommendations by March 1st.

Bill McGirr retiring after 20 years service to Henniker

Bill McGirr, Henniker's Transfer Station/Recycling Center Supervisor, etc, etc, etc, is retiring after 20 years service to the town.

A party in his honor is being held at Pats Peak on October 11th from 5-10 pm.

HOMEfront

Big, smart ideas for renovating smaller homes

(BPT) - While newly constructed homes are bigger than ever, most Americans still live in modestly sized or even small houses - and many of these owners are choosing to remodel rather than move into a bigger home. More than half of all American houses were built before 1980, according to the National Association of Home Builders. At that time, the average new home size was slightly more than 1,700 square feet, U.S. Census Bureau data shows. Meanwhile, interest in remodeling is at an all-time high, according to Metrostudy.

Homeowners looking to renovate their average-sized homes in order to get more living space don't have to build costly additions. Many modern remodeling tactics, tricks and tools are made to work well in smaller homes. Here are ways to get the most out of your home renovation:

Space-saving plumbing options

Plumbing can be problematic in any renovation, but adding plumbing in certain smaller-house locations can be especially challenging. Traditional plumbing may require you to open walls and floors to connect to existing drainage lines, or break through concrete to add toilets, showers and sinks when finishing a basement.

Above-floor plumbing can solve a number of small-space challenges. For example, you may decide to add a powder room in the unused space beneath a stairway. However, if the space is very small, a standard toilet with water tank and traditionally plumbed sink might not fit. In such a situation, a compact, one-piece macerating toilet like the Saniflo compact from Saniflo installs quickly, easily and conveniently in tight spots.

Traditional plumbing can also be a challenge in renovations where you're adding plumbing below a main level, such as installing a bathroom with a shower or even a second kitchen in a basement setting. In ▶

HOMEfront

southern states, where most homes are built on slabs rather than with basements, adding any kind of traditional plumbing would require you to break open the concrete in order to add pipes - an expensive and risky undertaking.

However, a Sanistar one-piece, wall-mounted toilet with built-in macerator allows you to add a basement bathroom without cutting concrete. For adding sinks or showers, gray water pumps such as the Sani-swift can be as compact as a small waste-basket, and can carry water away from new bathrooms or kitchens where no traditional plumbing exists.

Right-sizing utilities

If you're adding a bathroom or kitchen in your average-sized, average-age home, it may also be a good idea to replace the water heater - especially if it's 10 or more years old. An older water heater may fail or worse, leak, causing damage to nearby floors and walls.

Modern tank water heaters are more energy efficient, but also larger as a result of the insulation needed to achieve greater efficiency. If you're replacing a water heater in an attic that's accessed through pull-down stairs or in a crawl space, or adding one in a closet or out-of-the-way corner, a traditional tank water heater might not fit.

Tankless water heaters require less room, solving space problems. Plus, they're more energy efficient because they heat the water only when you need it, rather than using fuel to maintain the temperature in a large tank.

Natural light without sacrifice

If your home is older, it may have fewer or smaller windows than newly constructed homes. However, if you crave more natural light, you don't have to sacrifice wall space to windows or incur the expense of opening a wall.

Skylights and tube skylights can bring more natural light into a home. Modern skylights are energy efficient and far less prone to leaks than older models. A standard skylight can easily be installed in rooms with direct roof access, and tube skylights can even bring natural light to ground-floor spaces. Plus, skylights allow you to preserve privacy in settings where it matters most, such as bathrooms.

Looking up

Older homes may have less floor space, but many older homes also have higher ceilings. Or, your smaller home may have a two-story family room or entryway. Using the extra height in your home to create storage space can allow you to free up floor space. For example, floor-to-ceiling shelves in a family room or entryway provide ample storage space.

Tall ceilings can also be an opportunity to add task lighting in work areas such as over kitchen islands, or to create design statements through the addition of exposed faux beams. Smart renovations can help make your home feel bigger and function better for your family, no matter how big or small its square footage.

Girls Sports

ConVal's Cross country Team continues to impress.

CROSS COUNTRY

ConVal 1st: The Con-Val boys and girls cross-country teams headed north for the Laconia Invitational this weekend. Both squads came out on top of the 11 team race, with the boys' victory hinging on a tie breaker from the 6th man, Danny Veverka.

The ladies squad asserted themselves in the front pack early in the race despite toeing the line with last year's DIII individual state champion and another top 5 finisher. By the time they had covered the challenging 3.1 miles it was ConVal taking the first three positions. Rachel Hurley enjoyed the win, and the pie that came with it, with Clare Veverka and Schuyler Michalak filling out the podium finishing 2nd and 3rd respectively. First year cross-country runner Sarah Newel was the next Cougar across the line in 9th with sophomore Marina McMahon taking the last scoring position for the Cougars finishing 13th overall. The strong pack left the second place team over 40 points behind.

While the girls team entered this meet with high expectations the boys were just looking for a strong showing, and maybe sneaking into the top three. Evan Coyne was looking to finish near the front after a 10th place finish here last year, and got his wish crossing the line 2nd overall and first for the team. Birthday boy Harrison Kim was close behind finishing 4th overall. Casey Burgess was third for the Cougars with a tight pack consisting of Max Boisvert, George Shiarella and Danny Veverka making the team title a possibility. Races are scored using the finishing places of the top 5 runners from each team, with the lowest score prevailing. With Belmont and ConVal tied after 5 runners the 6th man served as a tie breaker. With Danny Veverka nearly 50 places ahead of Belmont's 6th it was clear it would be ConVal's day in the sun.

Hillsboro-Deering 2nd: At the Hillcat Homecoming Invitational all five Hillsboro-Deering runners ran season-best times as Fall Mountain took first place. Elizabeth Labier (7th) and Alannah Johnson (10th) continue to lead the way but Ruthie Robinson (13th), Betrice Monta (14th) and Emma Curley (15th) are improving rapidly.

SOCCER

Gilford 1, Belmont 0: It only took two shots for the Golden Eagles to get on the board.

Raymond 2, Belmont 0 Raymond took a 2-0 lead into halftime and held on for the win, despite some good late bids from Belmont's Julianna Estermera.

Bow 4, St. Thomas 0: A great cross from Lauren Goyette and the finish from Kayleigh Marshall gave Bow a 1-0 lead going into halftime. The Falcons then scored twice in the first nine minutes of the second half to take control.

Merrimack Valley 2, Portsmouth 1: The Pride trailed 1-0 at halftime, but Kylie Curtin tied it up in the 55th minute and then found the game-

Girls Sports

winner with just three minutes left on the clock.

John Stark 8, Kingswood 0: It was a monster game for Cara Easter, who assisted on the first two goals to give the Generals a 2-0 lead after 24 minutes.

John Stark 7, Kennett 0: The Generals' defense locked down the field and allowed their forwards and midfielders to run free and fire multiple shots at the net.

John Stark 2, Conant 0: Lauren Zervos smacked home a rebound off a Olivia Fatcheric shot to give the Generals a 1-0 lead in the second half. Aubin added an insurance goal as Stark earned its first win of the season.

Goffstown 2, Coe-Brown 1: Goffstown led 2-0 at halftime, but Coe-Brown took control in the second half and cut the lead in half in the 60th minute.

Kearsarge 2, Plymouth 1: The Bobcats scored with seven minutes left in the match, but the Cougars scored two goals in the last five minutes to pull out the win.

Kearsarge 6, Kingswood 0: The Cougars found their scoring touch, netting four goals in the first half.

Hopkinton 6, Kearsarge 0: It was the second hat trick of the season for Katie Meserve, and the second shutout of the season for Hopkinton goalie Maddie McCluskey.

Hopkinton 11, Monadnock 0: The Hawks put on an offensive clinic, finding the back of the net eight times in the first half alone in the shutout win.

Monadnock 4 Newport 1: The Tigers fought hard against one of the best teams in the division, but lost their grip of the game in the final minutes in a 4-1 loss.

Goffstown 4, Plymouth 1: Mandi Dovas scored twice for Goffstown while Lilly Proulx and Kelly Walsh added single tallies.

Goffstown 5, St. Thomas 1: Lilly Proulx connected for two goals in the 47th and 60th minutes. Livi Brennan and Monique Sirois also scored in the win.

VOLLEYBALL

John Stark 3, Pelham 0: The Generals rebounded from Wednesday's 3-0 loss to Milford with a convincing 25-10, 25-12, 25-17 win at home.

Winnisquam 3, Moultonborough 0: Winnisquam maintained its undefeated record with a 25-19, 25-23, 25-19 win on the road.

Winnisquam 3, Newfound 0: Winnisquam won its fifth straight with the 25-12, 25-19, 25-15 decision at home.

Farmington 3, Hillsboro-Deering 0: The Hillcats played great against a really strong Farmington team.

Hillsboro-Deering 3, Raymond 2: Both teams put up a great effort and the girls really worked together to come from behind in the last set to pull off the win.

Mascoma 3, Franklin 2: A tough loss in an emotional night for the girls as we are grieving the loss of a staff member.

Sunapee 3 Franklin 0: The Lakers earned the sweep 25-23, 25-11 and 25-17.

Peterborough's Courtney Fisher shines

The Assumption College Department of Athletics has announced that Courtney Fisher, of Peterborough, has earned a coveted spot on the 2017 Assumption College Women's Cross Country team. Fisher, Class of 2018, is competing during the Greyhounds' fall season, which began with the Shacklette Invitational at Saint Anselm College on September 2.

Boys Sports

Winners of the Annual Pack 24 Cubmobile Race at Weare Middle School. Lenny Provencher (2nd Place), Evan Payeur (1st Place), Finn Osgood (3rd Place), and Gavin Arel (4th Place).

FOOTBALL

Bow 43, Gilford-Belmont 0: Matt Harkins connected with Mark Borak for a 65-yard touchdown to give Bow a commanding 37-0 lead at halftime. The Falcons have outscored their opponents 125-0.

Kennett 23, Merrimack Valley 6: Braeden Miller's improvisation on his 17-yard TD run was the offensive highlight, while the defense stood tall despite four turnovers in MV territory.

Windham 52 Hillsboro-Deering Hopkinton 0: Windham quarterback Cody Potter completed 2 of 4 passes for 24 yards and two TDs in the victory, which raised Windham's record to 3-0.

John Stark 26, Lebanon 21: Parker McQuarrie tossed two touchdown passes and Jacob Ridenour made a team-high 12 tackles for John Stark.

Newport 28, Inter-Lakes/Moultonborough 0: John scored all three of his rushing scores in the second half after Newport led just 8-0 at halftime. Thibault started his scoring with a 25-yard TD run in the third before adding the other scores in the fourth quarter.

Goffstown 28 Exeter 7: The Grizzlies combatted an early deficit against Exeter by rattling off 28 straight points en route to a 28-7 victory.

ConVal 35 Kingswood 6: Scott Stanley ran for four touchdowns and 96 yards on 11 carries as the Cougars won 35-6. ConVal is now 3-0 on the season.

SOCCER

John Stark 3, Kingswood 1: The Generals controlled play in the first half, but things were knotted 1-1 at halftime. Lawson Murphy's goal gave Stark a 2-1 lead and Evan Caswell put the game away with three minutes left.

John Stark 4, Kennett 0: The Generals struck early with a goal three minutes into the game, and ended the half with a 2-0 lead.

Kearsarge 2, Kingswood 0: A powerful run from Owen Cottrill set up Brad Underhill's first goal in the 55th minute, and a great pass from Gabe Benedict set up the second.

Plymouth 3, Kearsarge 2, OT: The Cougars built a 2-0 lead in

Boys Sports

the first half, but Plymouth found the answers in the second half and scored the game-winner five minutes into overtime.

Newfound 8, Franklin 1: The Bears used a hat trick from Justin Shokal to run away with things against the winless Golden Tornadoes.

Hopkinton 4, Mascoma 2: Scoring two goals in each half, the Hawks generated plenty of offense to handle an improved Mascenic squad and remain undefeated.

Hopkinton 5, Bishop Brady 0: Gerry Donahue continued his torrid start to the season with four of Hopkinton's five goals.

Hopkinton 2 Gilford 1: Hopkinton senior Max Rossignol unleashed a rocket shot that knuckled and then simply burned through Ethan Warren's hands to tie things at 1-1. Gerry Donahue tapped a rebound into the open net to give the Hawks a 2-1 lead.

Gilford 1 Belmont 0: Adam Donnelly lit the scoreboard with the lone tally for Gilford 15 minutes into the game.

Belmont 5 Laconia 0: Angelo Papadopolis scored the first goal of the game (and his varsity career) in the first half and was part of the late second-half scoring binge as the Raiders pulled away for a comfortable 5-0 win.

Belmont 2, Campbell 0: Campbel lost to Belmont despite getting 12 shots on net.

Hillsboro-Deering 3, Fall Mountain 1: Jacinto Caceres opened the scoring in the eighth minute on an assist from Elija Winters,and scored an unassisted goal in the 59th minute and Winters put the game away in the 70th minute

Sanborn 3, Hillsboro-Deering 2: Elijah Winters gave the Hillcats a 1-0 lead nine minutes into the game, but Sanborn snapped back with two goals in the 35th and 50th minutes. Jacinto Caceres tied the game in the 70th minute, but Sanborn knocked in the game winner with three minutes left.

Hillsboro-Deering 7, Franklin 0: Jacinto Caceres scored three goals in a 12 minute span in the first half to lift the Hillcats over the Tornadoes defeated at 7-0 behind a trio of goal scorers.

Bow 5, Oyster River 2: Oyster River scored two goals for a 2-1 lead at halftime. The Falcons answered with four goals in the second half to pull away with the win.

Merrimack Valley 3, Portsmouth 2: Dillon Arrant found the game-winner off a throw from Shedd as MV won its fourth straight game.

Merrimack Valley 2, Coe-Brown 1: Down 1-0 at halftime, the Pride rallied to tie and scored the game-winner with eight minutes to play.

Coe-Brown 4, Goffstown 1: The Bears broke away from the Grizzlies with three second-half goals.

Pittsfield 9, Farmington 0: Pittsfield built a 6-0 cushion by halftime and cruised to the win.

Pittsfield 3, Wilton-Lyndeborough 2, OT: With the score knotted 2-2 in overtime, the Panthers scored the game-winner in the 98th minute.

Pittsfield 11, Nute 0: The Panthers built a 3-0 lead in the opening 16 minutes and led 8-0 at the half.

CROSS COUNTRY

Hillsboro-Deering 1st: with Zach Camp (1st), Kyle Merrill (2nd), Adriaen Thibeault (4th), Bryce Bush (8th), Skyler Smith (10th) the H-D boys won the Hillcat Homecoming Invitational on their home course by placing five runners in the top 10.

PUBLIC NOTICE
SCHOOL ADMINISTRATIVE UNIT #34
The School Districts of Hillsboro-Deering, Windsor & Washington
NOTIFICATION OF RIGHTS UNDER "FERPA"

The Family and Educational Rights and Privacy Act (FERPA) affords parents and students 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 30 days of the day the school receives a request for access. Parents or eligible students should submit to the appropriate school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the correction of the student's education records that the parent or eligible student believes are inaccurate, misleading, or in violation of the student's rights under FERPA. Parents or eligible students who wish to ask the School to correct a record should write the appropriate school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school principal decides not to change the record as requested by the parent or eligible student, the school principal will notify the parent or eligible student of the decision and advise them of the right to appeal to the Superintendent in writing. If the Superintendent determines the records will not be changed as requested, the Superintendent will notify the parent or eligible student of the decision and their right to an appeal before the school board. The school board's decision will be final.

The right to provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school district to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Family Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

Directory information is not published by the school districts of SAU #34 except as this may occur in school formats such as yearbooks, award announcements, programs/bulletins published for athletic or other co-curricular events, and similar achievement-oriented publications. Policy JRA-*Access to Student Records-FERPA* may be reviewed on our website at www.hdsd.org. A parent or eligible student who objects to a student's directory listing in such publications should contact the appropriate school principal in writing by October 1, 2017.

Robert Hassett, M.Ed.
Superintendent of Schools, SAU #34

Events: Community Bulletin Board

SATURDAY SEPTEMBER 23

FAMILY MOVIE: Begin Again this fall shown on the big screen downstairs at Smith Memorial Congregational Church (big white church in the center of Hillsboro with the town clock in the steeple). In lieu of flowers donations may be made in his name to the Warner Fire and Rescue Department 27 East Main St Warner, NH, 03278.

Jeannie Elizabeth Crockett

BELMONT — Jeannie Elizabeth Crockett, 59, of Hurricane Road, died holding her husband's hand Wednesday, Sept. 13, 2017 at Laconia Rehabilitation Center, following a courageous battle with breast cancer. Jeannie was born Oct. 31, 1957, in Laconia, daughter to the late Clayton and Shirley (Allard) Danforth. Jeannie is survived by her loving husband of 40 years, Michael Crockett of Belmont, a brother, Gary Danforth, and a sister, Cathy Patten and her husband, Claude, all of Belmont; two brothers-in-law, Steven Crockett and his wife, Melody of Belmont, and Brian Crocket and his wife, Heidi of Gilmanton; nine nieces and nephews, Rick, Emily, Adam, Andrew, Chad, Cassandra, Chelsea, Samuel and Alexander, and her Chihuahua, Brea. For those who wish, the family suggests memorial contributions may be made to the New Hampshire Humane Society P.O. Box 572 Laconia, NH 03247.

Richard "Dick" Jacques

FRANKLIN - Richard Jacques, 82, of Belmont, died peacefully on Saturday, Sept. 9, 2017. The youngest of four boys, Dick was born on Sept. 23, 1934, in Laconia. Dick was predeceased by his parents, Alma (Miller) Jacques and Raymond Jacques; his wife, Judith Jacques; a brother, Don Jacques; and his youngest son, Joseph Jacques. He is

BOARD OF ADJUSTMENT TOWN OF DEERING, NH

Case No.: 2017-01

Notice is hereby given that on September 28, 2017 at 7:00 p.m., at the Deering Town Hall, 762 Deering Center Road, Deering, NH 03244, the Board of Adjustment will hold a public hearing regarding a request by Robert and Lilian Carter for a variance from the Deering Zoning Ordinance to permit construction of a 16 x 26 addition to an existing single family residence where the addition is not permitted per Article 4, Section 1, Paragraph 4, due to building setback restrictions, on the property located at 211 Lake Shore Road, Tax Map 228, Lot 68.

Library Director, Fuller Public Library

Hillsborough, NH

The Trustees of the Fuller Public Library in Hillsborough, New Hampshire seek an innovative, dynamic, community-minded leader with proven management skills to serve as Library Director. The position is for 34 hours per week and includes vacation, holidays and sick time, and health and retirement benefits through the Town of Hillsborough.

Qualifications: The candidate will have a Bachelor's degree from an accredited school with at least four years of progressively responsible library experience, or any equivalent combination of education and experience. The candidate must also have computer literacy. An MLS or current enrollment in an accredited library program to be successfully completed within six years of hiring is highly desirable, as are proven experience in budgetary and personnel management.

Applicant must be able to communicate well with staff and library users, being welcoming and helpful to all.

To apply: Submit a resumé, cover letter, and contact information for three references by October 10, 2017 to: director@fullerlibrary.info. No drop-ins or paper applications accepted. The review process for applications begins October 10, 2017 and the position will remain open until filled.

Obituaries: Friends & Neighbors Remembered

survived by his brother, Ronald Jacques and his wife Ellie; brother Floyd Jacques; his children, Bernie Jacques and his wife Crystal, Carole Jacques, Patty Jacques, Paul Jacques, and Mitzi Tucker and her husband Steve; step-children, Scott Poire and his wife Debra, Denyse Nowak and her husband Eric, Mark Poire, David Poire and his wife April, and Michelle Lovett and her husband Rob. He is also survived by several grandchildren, nieces and nephews, all of whom brought great joy to his life and he to theirs. A private burial will take place in the family lot in Bayside Cemetery, Laconia.

Doris A. Lauzon

GOFFSTOWN— Doris A. Lauzon, 74, of Goffstown, died September 14, 2017, at her residence after a brief illness. She was born in Melrose, MA, March 20, 1943, to Lester and Ethel (Anderson) Shaw. She was predeceased by her husband of 51 years, Robert J. Lauzon in 2015 and son Brian "Speedy" Lauzon in March. Family includes two children, Shawn R. Lauzon and his companion Sandra and Sheryl Lauzon, all of Goffstown; two grandchildren, James and his wife Christine and Sarah; five great grandchildren, Aaron, Ethan, Shawn, Christian, and Tyler; two sisters, Nancy Shaw and Linda Rotenberry of FL; brother, Bruce Shaw and wife Deborah of PA; several nieces and nephews. She was also predeceased by her brother Lester Shaw, Jr. In lieu of flowers donations may be made to St. Jude Research Hospital, PO Box 1000 Dept 142, Memphis, TN 38101-9908.

Russell J. Carson

HENNIKER - Russell J. Carson, 89, Henniker, NH, formerly of Derry, NH died September 14, 2017 in Bedford, NH. Russ was born October 4, 1927 to the late James A. and Bernice L. (Rand) Whitney. He was predeceased by two wives, Barbara (Watson) Carson and Lillian V. Carson. Survived by his friend & companion, Jacquelyn L. Putnam of Sandwich, MA, 2 sons, Stephen R. his wife, Meg Carson of Henniker, NH, Bradley and his wife, Marvis Carson, of Derry, NH, 2 daughters, Nadine and her husband, Bill Hutton, of Fort Collins, CO, Natalie and her husband Reno Nadeau of Derry, NH, 8 grandchildren, and 11 great grandchildren. Donations may be made to a charity of one's choice.

Frances Louise (Shirley) Gildea

HILLSBOROUGH - Frances Louise (Shirley) Gildea, age 65, of Hillsborough, NH passed away on Sept. 17, 2017 at 7:07pm at the CRVNA Hospice House in Concord, NH while surrounded by her loving family. She was born on July 1, 1952 to her late parents F.L. and Dolores (Gomes) Shirley in Lowell, MA. She joins her two late brothers Frank and Theodore Shirley, and her beloved late sister Kathleen Shirley. She is survived by her 5 children, Dawn Kimball, Caroline English, Erin Brown, Eric Gildea, and Samantha Gildea. She is also survived by her 12 grandchildren, Trevor, Austin, Kalie, Lucas, Chloe, Zachary, Joclyn, Natalya, Alyx, Jayden, Isaiah, and Kaylum. Fran battled with multiple myeloma for the last 10 years. She fought hard and stayed strong for so long. The end of her life was marked by courage, endurance, and dignity. The memorial service will be held at St. Mary's Church, 38 Church St., Hillsboro, NH 03244 on September 23rd at 11am followed by a reception at the Legion, 538 W. Main St., Hillsboro, NH 03244 at 12pm.

Karen Ann Morse

WARNER - Karen A. Morse of Warner passed away at CRVNA Hospice House after a long courageous battle with cancer on September 19th. She was born in Keene, New Hampshire on May 14, 1966. Karen is survived by her parents Wallace and Barbara (Patria) Morse of Warner, a brother Kevin Morse and Susan of Warner, another brother Jeffrey Morse and his wife Michelle of Henniker. She also has two nephews, Alex and Bradley Morse of Henniker. A longtime friend Ms. Cathy Spaulding of Merrimac Mass. Her family would like to thank all the people at Dartmouth Hitchcock Hospital and CRVNA Hospice House in Concord for all her wonderful care. In lieu of flowers Karen wishes your contribution to be made to the Norris Cotton Cancer Center at Dartmouth in her name. Private Services will be at a date to be arranged.

PUBLIC NOTICE
HILLSBORO-DEERING AND WASHINGTON SCHOOL DISTRICTS

In 1986 Congress passed the Asbestos Hazard Emergency Response Act (AHERA). In response to this law, the Hillsboro-Deering and Washington School buildings were inspected to identify any asbestos building materials. The law further requires the development of a Management Plan, based upon the findings of the inspection.

The school districts of Hillsboro-Deering and Washington are required to notify the public of the availability of the AHERA Management Plan which identifies areas having asbestos-containing materials and how these materials are being maintained in a safe manner. A copy of the Management Plan is on file for review at School Administrative Unit #34, 78 School Street 3rd fl., Hillsboro, NH. Copies of the individual building inspection reports are on file in the Facilities Director's office in the Hillsboro-Deering Elementary School. Hillsboro-Deering Middle School, Hillsboro-Deering High School and Washington Elementary School, being of recent construction, have been certified as containing no asbestos building materials.

PUBLIC NOTICE SAU #34
HILLSBORO-DEERING, WASHINGTON & WINDSOR SCHOOL DISTRICTS

It is the policy of School Administrative Unit #34 - serving the Hillsboro-Deering, Washington, and Windsor School Districts - not to discriminate on the basis of age, gender, race, creed, color, religion, marital status, sexual orientation, national ethnic origin, economic status or disability for employment in, participation in, admission/access to, or operation and administration of any educational program or activity. The District will not discriminate against any employee who is a victim of domestic violence, harassment, sexual assault, or stalking. This policy implements the provisions of PL 94-142; Section 504 of the Rehabilitation Act of 1973; Title II of the Americans with Disabilities Act; Title VI or VII of the Civil Rights Act of 1964; Title IX of the Educational Amendments of 1972; and the laws of New Hampshire pertaining to non-discrimination.

Where such discriminatory practices might now unintentionally exist, remedial steps will be taken to eliminate said practices. Inquiries may be directed to: Superintendent of Schools, SAU #34, PO Box 2190, Hillsboro, NH 03244-2190 (603) 464-4466; or the Director of the Office of Civil Rights, Department of Health, Education and Welfare, Washington, DC.

Title IX and Section 504 grievance procedures for employees' or students' complaints are available at each school or from the Superintendent of Schools Office, 78 School Street 3rd floor, Hillsboro, NH.

Robert A. Hassett, M.Ed.
Superintendent of Schools
