## Who's laughing now

Two students have been arrested and accused of making a threat against Friday night's graduation ceremony at Hillsboro-Deering High School. William Corey, 19, and John Thomas, 18, were charged with felony criminal threatening. The two told police they were joking and had no intentions of bringing guns to the graduation. Police said around noon on Friday, they started receiving multiple reports there were some threats made about the ceremony. "Individuals think that what they say isn't going to be heard by other people and that those other people aren't going to perceive that as a serious threat," said Det. Christopher McGillicuddy of the Hillsborough Police Department. "That's exactly what happened in this case." Police said there was no danger to the public. Officials said they don't believe the suspects had any way to execute the threat. Extra officers were added to security preparations for the ceremony. "Things were taken care of very well today," said Hillsboro-Deering Superintendent Bob Hassett. "I couldn't be luckier to have the police department we have and the administration we have. They did a great job today to make everybody safe and to make sure that (the) night was a big success."

Bow's Zachary Udelson (r) hasn't let a little thing like cerebral palsy hold him back. He attends Champlain College in the fall.

## Know who you are

### *Bow High School graduates urged to know how to act*

As Bow's 165 graduates marched down the center aisle, it marked the first time that the graduating class included Dunbarton students who had attended the school as freshmen.

Class President John Rolla wondered what impact he would have after graduating and urged his classmates to "Leave an impact on the world." Repeating advice his parents gave him, he charged them to "leave something better off than when you found it."

Principal Brian O'Connell warned the class to "always be prepared for what is new and unexpected," while Humanities teacher Lily Woo,

quoting from Hindu literature, advised "know who you are and know how to act." Zachary Udelson, suffering from cerebral palsy, was joined by classmate Ben Guertin repeating his words for clarity, said, "My great challenge is making you understand me, of course you can't and that's why Ben is here." Udelson gave an eloquent, passionate speech employing those in attendance not to put people in boxes. "We are quick to put a label on people who disagree with us," he said. "We ignore them rather than listen to what they have to say." He was given a prolonged, standing ovation.

## Franklin parent demands Council 'raise my taxes'

A large group of Franklin parents and students came to Franklin City Hall Monday night, demanding that recent cuts to the school budget be restored. Resident Steven Bunker said he "begged them to make me pay more taxes." The city has a tax cap which affects both municipal and school funding, and many fear there are some who could not afford an increase in their taxes.

If given the bump in tax allocation this year, it could mean another \$412,000 toward the school budget.

"I can't tell you we're going to get you the whole \$412,000," Mayor Tony Guinta said, "but based on past experience, we're going to get you close." The tax allocation will be discussed in the budget workshop on June 18th.

Babies classified as low birth weight are at risk of iron deficiency, which is linked to impaired neurological development. A long-term randomized study published in the journal *Pediatric Research* now shows that providing such babies with iron supplements can prevent behavioral problems at school age.

The U.S. Food and Drug Administration has approved Mylotarg (gemtuzumab ozogamicin) for the treatment of adults with newly diagnosed acute myeloid leukemia whose tumors express the CD33 antigen (CD33-positive AML). The FDA also approved Mylotarg for the treatment of patients aged 2 years and older with CD33-positive AML who have experienced a relapse or who have not responded to initial treatment. AML is a rapidly progressing cancer that forms in the bone marrow and results in an increased number of white blood cells in the bloodstream. The National Cancer Institute of the National Institutes of Health estimates that approximately 21,380 people will be diagnosed with AML this year and that 10,590 patients with AML will die of the disease.

Rivaroxaban plus aspirin reduces major adverse cardiovascular and limb events by nearly one-third in patients with peripheral artery disease, according to results presented at the European Society of Cardiology Congress. Peripheral artery disease (PAD) affects an estimated 200 million people worldwide and is strongly associated with concomitant coronary, cerebral, and peripheral atherosclerosis. Patients are at increased risk of heart attack, stroke and death from cardiovascular causes, as well as limb-threatening ischemia and amputation. Aspirin is the standard anti-thrombotic therapy but is only modestly effective.

## H-D Graduates told to leave, see the world and return

Despite a threat to the occasion (See story on page 1), the Hillsboro-Deering Graduation was once again a splendid affair. In keeping with tradition Principal James O'Rourke introduced members of the class who are going on to the military who then stood in front of the class during the National Anthem as sung by "Red, White and A Cappella." A welcome was given by Class President Lillian Denslow, as graduates presented flowers to family and friends in the audience.

Superintendent Hassett presented the Withington Award to para-educator Pamela Mellen who has been with the District for 19 years. One of the highlights of the evening was a special presentation to the class by advisors Heidi Welch and Phil Swasey along with Senior Cameron Moreau, who sang and played guitars to an original version of a Johnny Cash song, much to the enjoyment of the class.

Valedictorian Colby Wilkens and Salu-

torian Lydia Powell broke from tradition with a combined speech which included a lot of humor with many references to "inside jokes," showing just how close members of the class had become.

Former H-D teacher and soccer coach Joseph Donnelly gave the commencement address and started by saying how much he had enjoyed his tenure at Hillsboro-

Deering. He's currently teaching at a school where there are a large number of International students who now admire those at HD because of all that he has told them. His primary message to the graduates was for them to leave, see the world, get an education and return to start a business, raise a family and make the area better, and that he's proud to be a Hillcat.

## Hopkinton exploring a solar array on closed landfill

The Hopkinton Select Board is considering placing solar panels on a closed landfill. Jim O'Brien, Chair of the Select Board stressed that the idea is only at its preliminary stages.

"Right now the land is a capped landfill that's not really doing much for us. Hosting a solar site would be a fine use for the property."

Last month, Dominic LeBel of Granite Apollo, a new New Hampshire develop-

ment company for large-scale solar projects met with the Board.

LeBel had been given a tour of town-owned property around the landfill, which closed decades ago, and is now used for the town's wood bank and composting area.

The Board is expected to vote on whether to sign an agreement that would allow Granite Apollo to explore the site to determine what is doable.

A Hillsborough man was lucky to escape

**Falling tree ravages Hillsborough house**

Brian Blanchard and his granddaughter are lucky to be alive after a tree crashed down on his Hillsborough home late Tuesday. Blanchard and his 2-year-old granddaughter, Meadow, were in his home on Saw Mill Road when the tree fell. Meadow's mother and father were in the next room when part of the tree came down. Blanchard rolled over with the child in his arms as he tried to comprehend what was happening. He was able to pass the baby through a small hole in the debris to her dad. Blanchard said there was no storm that caused the section of the tree to give way, but he had been concerned about the tree because it was growing over a large rock so the roots couldn't get hold. Despite destruction and lack of insurance, Blanchard considers himself a lucky man. A GoFundMe page has been set up to help him with repairs.

**Several changes at both of Weare's schools**

Brett Gottheimer has been hired as Dean of Teaching and Learning for Center Woods Upper Elementary School in Weare, effective July 1, 2018. "We are keeping our three person administrative team at Weare Middle and Center Woods Upper Elementary, but parents and students will see some changes next year," said Superintendent Tacconi-Moore. Mr. Mark Willis will not return as principal, and as a result, Mrs. Shawne Hilliard has been appointed Interim Principal for both Weare Middle and Center Woods Upper Elementary School. Mr. Phil Matzke will continue as Dean of Teaching and Learning for the middle school, while Brett Gottheimer will be Dean of Teaching and Learning for Center Woods Upper Elementary School. Gottheimer is currently the Fine Arts Department Head at Pinkerton Academy in Derry. Prior to his move into school administration, he taught music in high schools and middle schools in Connecticut for 13 years. Earlier this year, the Weare School Board voted for both Center Woods Upper Elementary School and Weare Middle School to have the same start and end times for the 2018-19 school year. This change will alleviate crowding on busses and after-school use of the building will no longer interrupt learning for others.

**Epsom woman given eight years in prison**

Nicole Roskos, 30, of Epsom, was sentenced Monday in U.S. District Court in Concord to eight years in federal prison for conspiracy to possess with intent to distribute controlled substances and using and carrying a firearm during and in relation to a drug trafficking crime. Last September, police executed a search warrant at the Roskos' home that turned up four firearms, ammunition, over 511 grams of fentanyl, and approximately \$24,000 in cash.

## Hopkinton graduates urged to "Take risks - Live life to the fullest"

Following a long-standing tradition, Hopkinton High School's 63 graduates lined the center aisle of the J.D. Durgin Memorial Pulling Arena to "Clap In" the faculty that had mentored them.

Class President Simon Doneski welcomed all to the ceremony and urged his classmates to "Take risks and live life to the fullest."

Looking back on her years at HHS, Salutatorian Leah Dinter said, "Perhaps

we're all still too young and dumb to appreciate that growing up in a safe, supportive environment has led to each of us becoming who we are today. But right now I challenge each of you to take a moment and reflect on your time here."

Veteran teacher Richard Brandt gave the commencement address, hoped for a good future for the graduates, saying, "I hope you find a place, a home, a community. I hope that you choose community.

That you contribute to community. That you grow, in community."

Valedictorian Caitlin Ball charged her friends to "Be safe, be respectful, be responsible," while superintendent Steven Chamberlain admonished them to be "purposeful and deliberate" in all their doings.

In a more somber moment, the first diploma presented was given to the family of Mark Boris, a Hopkinton High student who died in 2016 after an extended illness.

**New Boston Fire Department**

Recently New Boston Central School's 6th grade teacher Danielle Wayland and New Boston Firefighter/EMT Derek Danis teamed up to plan a fire extinguisher training program for NBCS's 6th graders. The program, which has been an annual event, provides all of the students with educational training along with hands on experience putting out an actual fire. The main instructor was Deputy Chief Rod Towne, assisted by Lt. Rich Little, Fire-fighter Bob Magoon, Firefighter Cadets Parker Bell and Andrew Wawryniak, and Firefighter/EMT Derek Danis. The program's goal is to educate the students on the various types of extinguishers and to instill confidence in the use of them. There has been several small fires over the past years that were brought under control before the Fire Department arrived by past students of this program in New Boston. The Department would like to thank Danielle and Derek for their dedication to this program and to the NBFD members and NBCS students who made the program a success. A very special thanks to Tri State Fire Protection for donating all of the fire extinguishers used for the program.

# Newport graduates appreciate the support of parents, town & school

Newport officials gambled and won as the rain held off and the 2018 Graduation ceremonies were held on The Common.

Class President Olivia Rasmussen welcomed all and urged her classmates to "Appreciate the tight knit community that has supported us."

Class Essayist Molly DiPadova contrasted the progress America has made between the classes of 1918 and 2018, and ended with a quote from David Moffit, "We are all

stories in the end. Just make it a good one." Salutatorian Anna Caccavaro challenged her peers saying, "It's our turn now. Let's make the world a better place."

Valedictorian Anna Pysz reminded the class that this was not an ending. "We have

so much ahead of us," she said.

Before accepting their own diplomas, the 2018 Class Officers presented the 20th Annual Peer Pride Awards to outstanding underclassmen Sofia Caronis and Benjamin Gallagher.

Keith Noyes of Belmont Middle School is among the five finalists for the 2019 New Hampshire Teacher of the Year Award.

Class President Olivia Rasmussen welcomed all to Newport's 2018 Graduation.

**Chichester teen given two year sentence**

In only the second case of its kind in Merrimack County, a judge has sentenced David Browall, 19, of Chichester to two years in jail for uploading sexually explicit images of two ex-girlfriends to the internet without their consent. He shared private images of one of the girls "as payback" after she applied for a restraining order against him in mid-2017. Browall admitted to separately uploading nude photos of each of the two girls, whom he knew from Pembroke Academy, on at least three occasions between January and August of that year. The girls, then 16, were named in the posts.

## Weare Fire Rescue donates used equipment to the Dominican Republic

The Weare Fire Rescue Department recently donated used equipment to the Dominican Republic. The outdated breathing apparatus was replaced through the 2017 budget process. After finding it difficult to dispose of the equipment in the U.S. market due to its age, the Department

began working with the Organización Dominica De Recursos Internacionales, Inc. (ODRI). ODRI, a 501C 3 non-profit organization, coordinates the collection and transportation of donated equipment to various fire departments in the Dominican Republic. In all, twenty-six breathing

apparatus units and associated equipment were donated.

Orlando Vargas, President of ODRI, thanked both the Boards of Selectmen and Fire Wards for their generosity and kindness in helping the Dominican Republic Fire Service and communities they serve.

## Sunapee DARE Graduation

The Sunapee Central Elementary School 5th graders graduated from the 2018 DARE Program. Sgt. Timothy Puchtler of the Sunapee Police Department presided over the graduation ceremony, presenting each student with a DARE Certificate. Sunapee Middle High School senior Uzma Malik was the guest speaker at this year's graduation, chosen for her academic accomplishments and contributions to our community. Sgt. Puchtler, the program instructor, also serves on the Executive Board for DARE New Hampshire. This is the 27th year that the DARE Program has been taught in Sunapee Central Elementary School.

Henniker Community School recently held its DARE Graduation. The program has had the long-time financial support of the Masons of Harmony Lodge. Sgt Michael Martin has taught D.A.R.E. at the Henniker Community School at the 5th and 7th grade levels for several years.

These three seniors L-R: Tim McComish, Megan Newhall & Skylar Bergeron received Distinction Awards for their work on their Capstone Projects. Tim McComish restored a 1934 tractor, logging 300 hours doing the work. Megan Newhall's project highlighted the plight of the homeless in New Hampshire. Megan also wrote a book about homelessness in NH for her project. Skylar Bergeron's Capstone studied the refugee population in NH. She interviewed several refugees, photographed their portraits, and wrote their biographies.

## Publisher's Perspective *by Leigh Bosse*

### Advice to Area Graduates

***Congratulations to those who just graduated or are about to graduate from one of our fine area high schools. It is traditional, at this time of year, for just about anyone to offer you his or her sage advice on what to do with the rest of your life. Here, for what it's worth, is my contribution.***

**Get Out Of Town:** Your hometown has nurtured and supported you all these years, but it has also limited your perspective on the world around you.

**Explore New Horizons:** This great country has a lot to offer, much of which you have not experienced. Explore, discover, grow.

**Challenge Stereotypes:** Much of what you "KNOW," you actually just suspect, based on the limits of your education, upbringing and environment. Stereotypes breed prejudice which breeds bigotry. Challenge them at every opportunity.

**Cherish Diversity:** America owes its greatness, in large part, because it has been a melting pot of races, cultures and ideas. Different is not divisive. Reach out and understand what your fellow man has to offer.

**Listen:** Just like in class, too often our misunderstanding of the other person's position results from the fact that we just were not listening. I've always learned more with open ears than with an open mouth.

**Dare To Dream:** Don't be satisfied. Demand excellence. I was never much of a philosopher, but this quote has stayed with me my whole life. "What the mind of man can conceive and believe, man can achieve." Believe in your self and go for it! Don't be

afraid to risk failure in order to achieve success. Remember failure is only permanent if you give up. Admit your mistakes, learn from them and move on.

**Be Humble:** As good as you are, there is always someone better, but that should not hold you back. I was a pretty good high school catcher, having earned my varsity baseball letter in the 8th grade. I thought my success would continue at UNH until I had to compete against an-other pretty good catcher. His name was Carlton Fisk.

**Slow Down:** Today's life is lived at such a fast pace that it is easy to lose track of what is truly important. What's your hurry? Many of my generation will live into their 80's and yours may well be the first to have a life span of over 100 years. You have plenty of time for fame, fortune and success. Take time to enjoy the ride.

**Return To Your Roots:** Once you have done the above, come back and share your knowledge and experience with the town of your upbringing.

**Give Something Back:** Do more than just live out your life, participate in it. Get involved, not just with your family and job. Coach a youth sports team, work with the Boy or Girl Scouts, join the Lions, Rotary, Kiwanis, men's or women's club, or PTO. Get off your backside and make it happen!

**Love America:** Don't hesitate to point out our faults and protest failings, but always remember that this great experiment, America, remains the world's best example of personal liberty and individual responsibility. We certainly are not perfect, but by any standard of freedom, equality and justice, we set the example for the rest of the world.

The 2nd Annual LRGHealthcare Bridge to Recovery Walk was held on Sunday, June 3 at Franklin Regional Hospital. The event was very successful, with nearly 300 walkers & volunteers, raising more than \$20,000 for mental health and substance misuse programs at LRGHealthcare.

Another successful 5K Eye Run/Walk in Henniker.

## Henniker Lions Club host annual 5K Eye Run/Walk

The Henniker Lions Club held their annual Eye Run on Sunday, June 3, 2018. Over 60 runners and walkers ranging in age from 8 – 79 years of age participated in the 5k/3.1 mile race. Funds raised by the event are returned to Henniker through a variety of Lions Club charitable initiatives within the community. Additionally, the race assists in supporting The Russell Durgin Memorial Scholarship Fund, named for the Henniker native who gave his life on June 13, 2006, while serving in Korengal, Afghanistan. The scholarship is awarded to a student graduating from John Stark Regional High School who exhibits the commitment to serving his fellow man.

The Henniker Lions Club would like to thank all of the race participants and send a Special Thank You to Team Russ and race Sponsors, Donors & Volunteers for their generosity and continued support. Sponsors and volunteers include the following: Northeast Delta Dental; Davis & Towle Insurance Group; HHP, Inc.; Edmunds Hardware; Colby Hill Inn; Contocook Artesian Well Co.; Henniker Crushed Stone; Michie Corporation; Harvester Market; Henniker Book Farm; Henniker Veterinary Hospital; The Mutt Hut; Nobis Engineering; American

Legion Post 78; Henniker Fire, Henniker Rescue, and Henniker Police Departments; and members of Henniker Athletics.

US ARMY SGT. RUSSELL DURGIN

Sgt. Russell Durgin (23) a Henniker native, was a sniper leader assigned to the 1st Battalion, 32nd Infantry Regiment, 10th Mountain Division, Fort Drum, NY. He was killed in action on June 13, 2006, in Korengal, Afghanistan, when he took on and diverted the enemy's fire away from his unit.

We take a moment to honor and remember his sacrifice. Never Forgotten!

The students at Simonds Elementary School enjoyed a recent field trip.

John Stark Generals Division II Champions.

### Generals win Division II Championship

**#2 John Stark 9 #8 Coe-Brown 4:** John Stark freshman Izabella Nelson pitched the game of her life, holding Coe-Brown hitless through four innings and finished the job with a complete-game 9-4 victory over the Bears in Saturday's Division II softball championship. Nelson allowed just two hits and struck out nine to help the Generals win their first title in program history. Stark jumped out early plating six-runs in the second inning, one more in the third and two more in the fourth for a 9-0 lead. With two runners on, sophomore Elizabeth Aubin hit an RBI, and another run scored on an error. Anna Stenger then doubled to score. Sarah Ferguson and junior Kali Kolehmainen nailed a clutch two-run single down the first-base line to make it 5-0. The Bears posted a three-run fifth inning by way of Jerome's single along with two walks and two John Stark errors. Hayleigh McNeil's RBI double in the seventh inning was the only other blemish against Nelson for Coe-Brown.

Stenger and Kolehmainen led John Stark's offense with three hits and a run scored each. Stenger and Sarah Ferguson each finished the game with a pair of RBIs.

### Goffstown advances to the finals 5-1

**#2 Goffstown 5 #5 Kennett 1:** A strong outing from pitcher Taylor French and plate discipline led the Goffstown High School baseball team to a 5-1 victory over Kennett of Conway in the NHIAA Division II semifinals. The second-seeded Grizzlies (18-3) will play No. 1 seed and defending champ Portsmouth. The Grizzlies are making their first trip to the championship since 2015, when they finished as runners-up. Goffstown won their last title in 2014.

### Grizzlies drop tight championship game

**#1 Portsmouth 7 #2 Goffstown 6:** Top-seeded Portsmouth scored five runs in the first inning and went on to defeat second-seeded Goffstown, 7-6, in the Division II title game. After loading the bases with no one out in the bottom of the seventh, Portsmouth's Jacob Grant bounced into a 6-2-3 double play. Just when it looked like Goffstown might force extra innings, Cal Hewett, Portsmouth's leadoff hitter, was called safe at first on a grounder to third that pulled first baseman Justin Pinaroff off the bag and ended the game.

# Sports

Hopkinton Hawks - Back To Back Champions.

## Hawks win back to back Lacrosse titles

**#1 Hopkinton 13 # 2 Laconia 6:** The second seeded Sachems scored the opening goal, but the top-ranked Hawks answered with a five-goal run and never looked back, rolling to a 13-6 win, back-to-back undefeated seasons and back-to-back D-III titles. The Hawks dominated the division from game one, winning by an average of 9.1 goals the closest being was five goals by Gilford in the season opener. The Sachems finish their season 15-2, with both of the losses coming against Hopkinton. The Hawks graduated several players from the 2017 championship team, making this season even more remarkable. Don't count them out for next year as the Hawks will return full compliment of players next year. "The future looks bright," Blue said. "Got a strong junior class. Got a lot of freshmen coming up from JV next year, a few really good sophomores and our youth program strong is as well. I think things look bright for Hopkinton."

## Local players named to All-Star Lacrosse

Several local players have been named to the Rosters for the Lions Byrne Cup Twin-State All-Star Lacrosse Games, which will be played Saturday, June 23, at Hanover High School. The matches pit the best senior players from both states. The girls' game starts at 12:30 p.m., with the boys' game following at 3.

Boys: Matt Harkins, Bow; Gerry Donahue, Hopkinton; Cameron Tillman, Merrimack Valley; Matt Benetter, John Stark;

Girls: Leslie Angus, Kearsarge; Emma Crowley, ConVal; Grace Dell, ConVal; Jill Douzanis, John Stark; Rylee Ledoux, John Stark; Shannon Murray, Bow; Taylor Signor, Hopkinton; Lara Stokes, Kearsarge.

## Four Pats Peak Senior Alpine Patrollers

Patrollers from Pats Peak were recently awarded full Senior Alpine Patroller status at the NH Region Ski Patrol Luncheon held at Waterville Valley Resort. Congratulations to Karyn Cote, Brent Fox, Emilee Harlow, and Justin Ober who completed all the requirements for this certification including a skiing and tobogganing module, Outdoor Emergency Care module and 3 electives (such as becoming an instructor, avalanche and mountain travel and rescue courses).

## Cyanobacteria at Elm Brook Park Beach

An elevated cyanobacteria cell concentration has been measured from samples collected at Elm Brook Park Beach, Hopkinton. Samples were collected by the Army Corp of Engineers who monitored this beach and observations were made at the boat launch, beach and fishing platform. Samples revealed that the state threshold of 70,000 cells/ml or greater of cyanobacteria was exceeded.

David Tille, Regional Administrator of the U.S. Department of Housing and Urban Development, addresses the audience as Franklin Mayor Tony Giunta looks on.

## Franklin Federal Resource Agency Forum

The City of Franklin hosted a Federal Resource Agency Forum in the Council Chambers on Tuesday. Mayor Tony Giunta welcomed all to the event. Zack Williams, representing Senator Jeanne Shaheen, read a letter from the Senator offering her services to the city and Administrator Tille introduced the various agencies present. Agencies attending included: Volunteers In Service to America (VISTA), Environmental Protection Agency (EPA), Apprenticeship USA, Small Business Administration (SBA), Health & human Services (HHS), Department of Labor, and Department of Agriculture (USDA). The event was attended by several County and Town Administrators and Planners.

## Antrim Board hosts an Economic Forum

The Antrim Planning Board recently hosted representatives from the NH Department of Business and Economic Affairs who gave a presentation about Antrim's economic vitality. Discussion included the current business climate, how to retain the town's existing businesses, how to recruit new businesses, social media presence, the town website, and other creative ways to elevate the town's brand.

## Dunbarton voters to decide fate of extra \$

The Dunbarton School Board wants taxpayers to decide what to do with the extra \$1.06 million left over in Dunbarton's undesignated fund balance due to reporting errors made while the district was part of the School Administrative Unit 19, which includes New Boston and Goffstown. After a two-hour "million-dollar" informational meeting, the board voted to ask the Superior Court for permission to hold a special town meeting dedicated to deciding how the excess money should be spent.

## Major repairs due for Newport Tow Hall

Newport Town Manager Hunter Rieseberg, speaking at a meeting of the Newport Sunshine Initiative, reported that the town is preparing specifications to make major repairs to its historic Town Hall, including replacement of the roofing, the floors and renovation to the tower including the clock and bell.

## Peterborough ZBA OK's detox facility

The Peterborough Zoning Board of Adjustment approved a variance request Monday night that allows a 64-bed drug and alcohol detox and step-down center to operate in the village commercial district. The detox center is proposed to be located on a piece of property a few hundred feet off Route 202, on a piece of property located behind the Peterborough Shopping Plaza.

## NOTICE OF EXTENSION OF PUBLIC COMMENT PERIOD FOR

### PERMIT APPLICATION FOR A SOLID WASTE COLLECTION/STORAGE/TRANSFER FACILITY

#### GRANITE STATE RECYCLING 33 B&B LANE, WEARE, NH

The New Hampshire Department of Environmental Services, Waste Management Division (NHDES) has received a Standard Permit Application, pursuant to RSA 149-M:9, from Granite State Recycling, LLC., whose mailing address is PO Box 867, Milford, NH 03055. The applicant seeks to operate a collection/storage/transfer facility for single stream recyclables, municipal solid waste (MSW), and construction and demolition debris (C&D). The proposed facility would receive a maximum of 300 tons per day of all waste types, which would be processed through an existing building on the premises. No additional construction or permanent site alterations are proposed.

Pursuant to RSA 149-M:9 and Solid Waste Administrative Rule Env-Sw 304.08, a public hearing to receive testimony on this permit application was held on Wednesday June 6, 2018 at 7:30 pm at the Weare Middle School, 16 East Road, Weare, NH 03281.

The permit application is available for public review during regular business hours at the Town of Weare Land Use Office, 15 Flanders Memorial Road, Weare, NH and at the NHDES' office at 29 Hazen Drive, Concord, NH. The application is also available electronically on NHDES' OneStop website at <https://www.des.nh.gov/onestop>.

The public comment period for this application, originally scheduled to end on June 13, 2018 at 4:00 pm, **has been extended until June 22, 2018 at 4:00 pm**. Testimony may be submitted in writing to NHDES at any time before close of the public comment period. This testimony must be submitted using either the NHDES' mail address below or by email at [swpublic.comment@des.nh.gov](mailto:swpublic.comment@des.nh.gov) to be officially included as public record. Comments sent to other addresses will not be included in the public record.

For additional information, please contact Michael Nork, Environmentalist IV, at (603) 271-2936, email [michael.nork@des.nh.gov](mailto:michael.nork@des.nh.gov), or mail to the NH Department of Environmental Services, Waste Management Division, Solid Waste Management Bureau, 29 Hazen Drive, P.O. Box 95, Concord, NH 03302-0095.

# Why you should use a travel agent:

*We had a lively debate recently on the merits of whether to use a live travel agent to book your vacation or to go it alone by using the Internet. Here are some of the reasons to consider a personal travel consultant.*

- 1.** You've Googled "Mexico vacation," and come up with 17.8 million responses. Need a little help editing those choices?
- 2.** Remember when you used that obscure website to book your hotel, and when you got there you spent your beach vacation over-looking a parking lot?
- 3.** How many hours were you on hold with the airline when your flight was canceled because of a snowstorm?
- 4.** Did you really mean to spend your honeymoon at that resort whose one tiny pool was filled all day with 12 screaming children?
- 5.** Who knew that when you booked that "villa" in Tuscany, it would be a small room with a kitchenette and no air conditioning? Funny, it looked much better on your computer screen.
- 6.** No one explained to you that in July, it's winter time in Rio, and so you showed up there with nothing but five Hawaiian shirts and three pairs of swimming trunks.
- 7.** How about the time you really needed a restful vacation, and you ended up in New Orleans during Mardi Gras and someone threw up on your shoes?
- 8.** Yes, I guess that hotel must have used a telephoto lens when they took a picture of those guest rooms that you saw on their website.
- 9.** I suppose contacting the Attorney General to resolve the fact that that Internet site has billed your credit card three times instead of once is the only route to take at this point.
- 10.** It was definitely odd that there were no cab drivers at the airport at 3 o'clock in the morning when you finally landed in Costa Rica, but booking a transfer to your very remote hotel would have been a good thing to remember when you purchased your airline ticket and hotel online.

## Hiroko Markland

BELMONT — On June 8, 2018, Heaven received another angel. Hiroko Markland, Belmont, took the journey to Heaven's Gate, passing peacefully after a brief illness. Her friends knew her as "Kitty", and to us she was Mom. Mom was born March 27, 1935, in the Tochigi Prefecture, in a small town named Nikko in Japan, the daughter of Kichi and Kyuzaburo Sato. Mom is survived by her son, Bob Markland and wife, Dusi of Hialeah, Florida; son, Allen Markland of Keene; son, John Markland and his wife, Donna of Alton; grandchildren, Jeremy Markland, Rebecca Markland, and Mallory and Ralph Conant; and great-grandson, Kaleb Reagan. We ask that all who knew her take a moment to remember the good times with her and, should anyone wish to donate, memorial donations can be made in her name to the Gilford Police Relief As-

sociation, 47 Cherry Valley Road, Gilford, NH 03249, where she was always so proud of the men and women in blue who served the community.

## Jeffrey Alan Weatherbee

Jeff was born in Laconia, Feb. 27, 1973, son of Lester and Mary (Beach) Weatherbee. He was predeceased by his maternal grandparents, paternal grandparents, and uncle and nephew. He leaves two daughters, Ashley M. Cross of Gilford and Courtney Weatherbee of Danbury, and their mother Amy Cross of Danbury; his parents, Lester and Mary Weatherbee of Franklin; brothers, Lee Weatherbee and his wife, Missy of Boscawen, Eric Weatherbee and his wife, Ginny of Northfield and Michael Weatherbee and his wife, Jamie of Tilton; and numerous aunts, uncles, nieces and nephews. Those wishing may make memorial contributions in his name to the Franklin Animal Shelter, PO Box 265, Franklin, NH, 03235-0265.

## Roy F. Davis

PETERBOROUGH -- The remains of a WWII airman, Staff Sgt. Roy F. Davis, were recently identified. Roy was a gunner on an A-20 G Havoc bomber that disappeared over Papua New Guinea in 1944. In 2001 the crash site was located and the partial remains of the pilot were identified in 2012. A full excavation was completed

in 2017. Roy was born in 1918, the son of Chester and Gertrude (Hamilton) Davis of Ashby, Massachusetts. He was the oldest of five sons and grew up in several New Hampshire towns, but he called Peterborough as his home town. He is survived by his brother, Norman Davis and his wife, Pat of Peterborough; brother, Gerald Davis and his wife, Michele of Epsom, New Hampshire; brother Kenneth Davis of Hancock; their children and grandchildren, cousins, Marilyn Rivers of Fitchburg, Massachusetts, Gail Ferguson of Lunenburg, Massachusetts, and Anne Marloux of Atkinson, Maine. A burial with full military honors will be conducted at Glen Wood Cemetery in Ashby, Massachusetts on June 23. The public is invited.

## William "Bill" Earl Nowell

FRANKLIN - William "Bill" Earl Nowell, 93, resident of Franklin, died Wednesday, June 13, 2018, at Franklin Regional Hospital, after a period of failing health. Bill was born in Franklin, March 6, 1925, son of James C. Nowell Sr. and Alexina Blanche (Gravison) Nowell. He leaves his sister, Grace Ella Tibbo of Goffstown and her children. He also leaves his longtime good friend and colleague of more than 50 years, John Bantos of Franklin; and numerous nieces and nephews. To respect Bill's wishes, there are no calling hours.
