### Stearns joins Board

Longtime resident and descendant of well loved builder of many of Wilmot's historic homes Josiah Stearns, Catherine Stearns was voted onto the Board of Directors of the Wilmot Historical Society during the board's July meeting. Catherine brings a wealth of knowledge about the life and times of early Wilmot residents and a keen interest in preserving Wilmot's history.

### Rebecca Rule Program

The Newport Historical Society presents Rebecca Rule, with her delightful "That Reminds Me of a Story" program on Tuesday, August 14, 6:30-8 PM. This program will be held at the Richards Free Library, in the elevator-accessible ballroom. The time is 6:30 - 8PM, and light refreshments will be served.

Peterborough's GAR Hall is now Post & Beam Brewing.

## New Peterborough Brewery

### Couple transforms historic GAR Hall into a brewery

Erika Rosenfeld and her fiancé, Jeff Odland, the co-owners of Post & Beam Brewing, in Peterborough, had a soft opening last Friday night for invited guests followed by a Grand Opening on Saturday.

The brewery, located in the former GAR building on 40 Grove Street, offers a small menu of food items in addition to its beer selection. The couple bought the historic building last May for \$100,000 from the town of Peterborough, and have since invested nearly a million dollars for equipment. Post & Beam was scheduled to open in December, funding delays

and renovations progressed through the spring and into the summer. To assist them with "the final push" for the grand opening, they launched an online crowdfunding campaign on Indiegogo which raised more than \$18,000 to put the finishing touches on the taproom and patio. The Post & Beam is open from noon to 10 p.m. on Fridays and Saturdays, and noon to 8 p.m. on Sundays, Mondays and Thursday. Originally built as a high school in 1837, the GAR Building became a meeting hall for Civil War veterans in 1889, called the A. F. Stevens Post of the Grand Army of the Republic (GAR).

## Franklin Mayoral Committee to study Education for the 21st Century

Franklin Mayor Tony Giunta has established the "Mayoral Committee on Designing Franklin's Education for the 21st Century." Its vision is to offer the opportunity to every student to develop their innate talents and desires through a structured, supported school curriculum that addresses individual differences and promotes the development of caring adults able to function successfully in the work environment of today and in the future.

The Committee has been charged to study and provide suggestions on ways to restructure Franklin's primary (K-12) education system recognizing that its current system is based on an 18th Century model that has not fully incorporated the societal and technical changes resulting from our progression into the 21st Century. It will take into consideration that the delivery of a primary education is facing continuing revenue restraints, unfunded mandates, and other financial concerns that local property taxpayers are unable to sustain. The committee will provide suggestions on how major advancements in technology, consolidation, regional partnering, and other innovative solutions can be combined to reduce the cost of primary education while improving the educational experience of the city's students.

The end goal of the committee is to find ways to provide the greatest opportunity for every school student throughout the district/region to be successful while significantly reducing the cost to the district for delivering these opportunities.

The committee recognizes that the end result of a 21st Century education program isn't just about restructuring. More programs may be needed to create a 21st Century Education; others may need to

be deleted. However, there are technical skills and graduation requirements that still must be met. The present school day and school year are based on a farming, not an informational economy, and the committee will review the options with input from the community. Options for rebuilding and/or expanding the tax base will be considered as appropriate. The committee

was established on June 4, 2018 and will remain active for one year. It will issue a monthly report to the Franklin City Council to be included in its regularly scheduled meeting as part of the "committee report updates" agenda item. An interim report on committee progress and findings will be delivered semi-annually or when available, per discretion of the chairperson.

Work is progressing on the Uncanoonuc Dam Project.

### Goffstown's Uncanoonuc Dam Project on schedule

Crews have completed placing the stone along the shoreline and removed the Port-a-dam and frames last week. The lake is slowly returning to its natural elevation with each passing rain event.

The crew will be adjusting the embankment and downhill side slopes

to final grade and then loaming and hydro-seeding this week. Excess materials will be removed from the stockyard area. The safety fencing along the road will remain until vegetation is established. It is very important that residents remain out of the project area for their own safety.

## Weare Police Department receives Certificate of Accreditation

Weare Board of Selectmen Chair Ricky Hippler and Police Chief Sean Kelly received a Certificate of Accreditation from the Commission on Accreditation for Law Enforcement Agencies on behalf of the Weare Police Department at Grand Rapids, MI this weekend.

The Certificate of Accreditation was

### Cyanobacteria at Keyser Pond

A cyanobacteria bloom has been observed on Keyser Pond in Henniker. New Samples were collected from the middle of the lake and cells were identified as Oscillatoria, Spirulina and Lyngbya at over 230,000 cells/ml. Blooms were also observed along shorelines. It is possible that cyanobacteria concentrations are elevated throughout the lake.

As a result, the New Hampshire Department of Environmental Services (NHDES) has issued a cyanobacteria lake warning for those who use the waterbody for recreation. It is also advised to look out for accumulations in other areas of the lake or shorelines. Please continue to monitor your individual shoreline for changing conditions.

awarded to the Weare Police Department for the second time; the first award was made in 2015.

This award was the culmination of three years of intensive work by officers and staff in pursuit of continuous improvement and law enforcement excellence. The work entailed broad review, revision and development of Weare Police Department policies

and procedures, demonstrated compliance with industry standards and best practices, comprehensive peer review, a three-day onsite inspection by CALEA Assessors in April 2018 and two public hearings.

The Weare Police Department is one of only fifteen law enforcement agencies Accredited by CALEA in the State of New Hampshire.

Select Board Chair Ricky Hippler and Police Chief Sean Kelly (c) received the award.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

Approximately 10 percent of the general population take a proton pump inhibitor (PPI) drug to block stomach acid secretions and relieve symptoms of frequent heartburn, acid reflux and gastroesophageal reflux disease. That percentage can be as much as seven times higher for people with chronic liver disease. However, stomach (gastric) acid suppression alters specific gut bacteria in a way that promotes liver injury and progression of three types of chronic liver disease, according to a new study published in *Nature Communications*. PPIs, which include brand names such as Prilosec, Nexium and Prevacid, are among the most commonly prescribed medications in the world. One study estimates Americans spend \$11 billion on PPIs each year.

Widely available ibuprofen is a better choice for pain relief in children who have undergone minor orthopedic outpatient surgery, as it has fewer adverse effects compared with oral morphine, according to results from a clinical trial published in *CMAJ* (Canadian Medical Association Journal). The study included 154 children aged 5 to 17 years who underwent minor orthopedic surgery, such as keyhole surgery on joints, ligament and tendon repair, suture or hardware removal at London Health Sciences Centre in London, Ontario. In the first 24 hours, more than 80% of the children in the study needed pain relief at home. Pain scores for children in both the oral morphine and ibuprofen groups were similar, but the children receiving oral morphine reported more adverse effects, such as nausea, vomiting, drowsiness, dizziness and constipation.

### Belmont woman arrested on two charges

On Thursday July 26th a Bow Police Officer was patrolling the parking lot of the Hampton Inn, when he observed a female crouching down next to a vehicle, who abruptly stood up and began to walk away. The officer was able to make contact with the female, who was identified as Timiah Wilkins, 21, of Belmont. It was discovered that the vehicle Wilkins was crouched down next to was recently stolen out of Concord. Wilkins was then charged with two counts of receiving stolen property, and two counts of possession of controlled drugs.

### Not Guilty of attempted murder, but ...

A jury acquitted Jason Alleyne, 29, of attempted murder, but convicted him of first-degree assault for purposely running over his wife with a car at a Bow gas station in August of 2017. Alleyne was also found guilty of second-degree assault and seven misdemeanor charges: four counts of simple assault, two counts of criminal mischief and one count of criminal threatening. He was found not guilty of three additional simple assault charges. Alleyne faces 7½ to 15 years in prison on the first-degree assault charge alone.

### Spaulding critical of SAU 43 Superintendent

Frequent School Board critic, Bert Spaulding Sr., has leveled a personal attack on Superintendent of Schools Cindy Gallagher. Spaulding was critical of the job being done by Gallagher as the leader of SAU 43. "The time is now for a no-confidence vote and rid the SAU of its current superintendent," he said during a 20-minute critique of Gallagher's work. Spaulding also questioned the recent proposal of putting pre-K students in the White Building without notifying the community. "You work for the citizens. She works for you," he continued. After speaking his mind, he left the meeting.

### Loudon woman denies assault charges

Kathleen Arrigo, 20, of Loudon has been accused of threatening and assaulting a juvenile at the Cawley Middle School eighth-grade graduation in June. Arrigo turned herself in to police Wednesday, after being wanted on a warrant for simple assault and criminal threatening in the June 18 incident. Arrigo claims she only spoke with the child, asking him to leave her little sister alone and has disputed the charges.

# Sunapee to study proposed Boat Launch & Town Dock Ordinance

It was a full house at the Sunapee Select Board meeting Monday night. The large crowd of lake dwellers and boaters were drawn to learn about Highway Superintendent Scott Hazelton's proposed "Boat Launch & Town Dock Ordinance." With concerns over maintenance of the docks and boat ramp, Hazelton and Town Manager Donna Nashawaty drafted a comprehensive ordinance for review and adoption by the Board.

The three page draft includes sections on permitted and prohibited uses, fees, permitting and enforcement provisions. Board Chair Joshua Trow stressed that the draft was only "Step One" in a long review

process.

He emphasized that any ordinance would not be adopted until next year, at the earliest and not without full public participation and at least two public hearings. He urged those present to e-mail any com-

ments or suggestions to Nashawaty who would forward them to the Board.

After taking several comments from both residential and commercial lake users, the crowd left content that their opinions would be taken into consideration.

Sunapee Highway Superintendent Scott Hazelton presents his proposed ordinance to the Select Board.

## Benefit softball tournament

Franklin Savings Bank will host its Annual Softball Tournament for Charity Wednesday, September 19 through Friday, September 28 at Odell Park in Franklin. Teams are co-ed and participants must be 13 years of age or older to play. The deadline to register is Aug 24. The team fee is \$250 to expenses for the concession, umpires and field maintenance.

The New Hampshire Department of Education is hosting its 3rd annual backpack drive, which began on Aug. 1, 2018. The drive will run through the end of the month. In Hillsborough, for the 6th year in a row, Jessica Audette has been collecting backpacks/school supplies for students that need assistance obtaining these items: New/gently used backpacks & lunchboxes, new reusable water bottles, pencils, markers, crayons, colored pencils, glue, glue sticks, rulers, spiral notebooks, pens (blue or black), scissors, pencil boxes/cases, erasers, pocket folders, binders, index cards, highlighters, paper clips, pencil sharpeners, scotch tape, post-it-notes, sticky notes, small calculators & USB drives. This year she is also looking for a few items other than school supplies: See Jess's complimentary ad on page 17

**Annual NHARNG Retiree Luncheon**

The New Hampshire Army National Guard (NHARNG) Annual Retiree Luncheon date has been set for Thursday, September 20, 2018 by the luncheon planning committee. In recognition of the luncheon's tenth anniversary, the committee will present an embroidered golf-style polo shirt to attending NHARNG retirees. Retirees will be asked for their shirt size when they RSVP to the luncheon invitation. Retirees who have not attended prior luncheons or have relocated are urged to contact Command Sergeant Major (Ret) David Follansbee via e-mail: dave\_follansbee@comcast.net or phone (603) 623-7757.

**Franklin Police Officer arrested for stalking**

Christopher Ahern, 41, of Epsom, a part-time police officer in Franklin who serves as the police department's prosecutor, has been placed on unpaid administrative leave following his arraignment Friday on domestic violence charges in Concord. Ahern, who is charged with two counts of stalking and a misdemeanor offense of receiving stolen property, waived his arraignment Friday morning. According to Concord Police, Ahern tried to enter a woman's home on June 2 and then tried to get inside the home again on Thursday. Franklin Police officials are reaching out to Tilton and the Merrimack County Attorney's office for help in filling the department's immediate need for a prosecutor.

## Weare Gazebo demolition delayed pending restoration plan

Former Selectman Tom Clough began the public session of the Weare Select Board asking that the Board rescind their previous motion to have the gazebo next to the Middle School demolished.

He stated that although the structure has some problems, he felt that they were not so bad that it needed to be removed. Also, it's over 30 years old and has become a landmark in a town that really doesn't have a town center. While the Board took no action at that time, later in the meeting they did discuss the suggestion.

Board Chair Ricky Hippler brought a letter to the Board from the Historical Society which echoed what Clough had said. They also asked that the Board rescind their previous motion and to give the Society until October 1 to come up with an acceptable plan to be able to keep the gazebo.

After discussion about the safety of the gazebo, and specifically about children who play on it while not supervised, the Board decided to send a letter to the school asking them to help keep

the children off it. Rather than rescinding their vote, they directed Town

Administrator Naomi Bolton to delay action on the gazebo until October 1.

The Historical Society has until October 1st to devise a restoration plan.

### Senior Lifestyles

## Publisher's Perspective *by Leigh Bosse*

### Now Is The Time

On the heels of the resignation of four of the newest members of the Greater Hillsborough Chamber of Commerce, The Messenger has learned that two of the remaining four members of the Chamber's Executive Committee have placed their homes on the market.

Charles Denton is attempting to sell his house in Hillsborough Center and has told people he will move out of Hillsborough. Trim Hahn has listed her house on Windsor Road, presumably to move full time into the Peterborough home she and

husband Steve have owned for some time.

With both the Board and Executive Committee so badly depleted, now is the perfect time to revamp and restructure the Chamber by holding actual elections for the Board of Directors.

The remaining members should immediately resign, with the understanding that they are free to stand for election. Hillsborough needs an active vital Chamber, one dedicated to serving its member businesses and the town itself. It can happen, but not under the current leadership.

## Letters to the Editor

### An Open Letter to: Members of the Franklin School Board:

Once again the taxpayers of Franklin are confronted with a request for an increase in funds. Oddly with a declining population of students there is still a need for an increase in cost.

What concerns me is that the discussion regarding budgets center around teacher pay or the number of personnel required or facility needs. There is no discussion about job performance. The results demonstrate to the taxpayer the return on their invested tax dollar. When one examines the statistics at the Department of Education <https://my.doe.nh.gov/profiles/profile.aspx?d=185&year=2018> they will see that the literacy of Franklin students at all levels of "assessment" are unacceptable. Obviously more money for teacher pay, personnel or facilities do not produce literate students. And this is not just a Franklin problem, the results for the state are equally depressing.

Franklin reading proficiency at 11th grade is 55% and math at 25% while the state average is reading at 66% and 44% respectively. Additionally examining similar results at all grade levels raises the question: why is this inadequacy not being

addressed at the lower levels instead of passing along the deficiencies?

Class size is not the problem. More funding is not the answer. Continuing to maintain and increase the SAU and teacher population is not improving the results. Contrast graduates of the current system with that of 1831 when Alexis de Toqueville speaking with the man on the street who could thoroughly discuss the Constitution of the United States. Could our current graduates do likewise?

Schools are tasked with teaching the students and the proof is in the performance of the students in an acceptable level of achievement. In other jobs were the employees to produce these results they would be looking for another position.

When I talk with employers about finding qualified workers their first concern is that 50-60% of the applicants cannot read, write or compute.

This means that roughly half the students who graduate are unemployable. This is a factor driving our drug crisis and our welfare dependency. Our children deserve better. Please tell me why the taxpayers of Franklin should continue to pay for such poor results.

*Name withheld by request, Franklin*

## ... DID YOU KNOW ...

Everyone has a photographic memory. Some just don't have film.

Join us for a fabulous dinner on the train.

## Enjoy Dinner On The Train at the Contoocook Depot

The Contoocook Railroad Museum is hosting its Fourth Annual Dinner On The Train, August 12th on the Pullman Coach and in the Contoocook Depot. Seatings begin at 5:30pm & 7:00pm with continuous seatings every 15 minutes. Ticket Info: \$25 per person, children under 12 are only \$12.50. Catered by: The Everyday Cafe.

Two entree choices: herbed NH caught Cod baked in parchment herbed and smoked Warner NH bison tenderloin -or- vegetarian alternative with local vegetables from the Contoocook Farmer's Market. All entrees served with cool cucumber melon gazpacho, topped with fresh basil (made with tomatoes, cucumbers, and melon, from Warner and Concord Co-ops, wild strawberry salad with balsamic vinaigrette (locally grown greens from Lef Farms in

Loudon and NH grown strawberries, dessert, baked apple pie from Gould Hill Orchard, Hopkinton, NH, with fresh whipped cream, served with White Mountain iced coffee and iced tea.

Enjoy Live Music at the Gazebo! Badger's Drift is a collaboration of Concord NH area songwriters and pickers who deliver a rootsy Americana sound enveloping "songs with a story;" some with a twist, some a trifle twisted, and some just plain "down home." Beyond their homegrown pieces, the repertoire includes carefully crafted gems from the likes of Richard Shindell, Robert Earl Keen, Hayes Carll, James McMurtry, Steve Earle, Slaid Cleaves, and more. Kick back, get your ears on, ride the melodies, and tap your feet.

We'll be seeing you.

## Henniker Community School seeks used instruments

Henniker Community School's new music teacher Taylor Carroll is hoping to grow the HCS band program, and the best way to do that is to get instruments in the hands of students.

If you have an instrument at home that you or your children are no longer playing, the Henniker Community School is accepting donations of instruments to be loaned out to students who have the desire to participate in band, but may not be able to

afford to rent an instrument.

The school is especially looking for flutes, clarinets, saxophones, trumpets, trombones, baritones, french horns, and xylophones.

Other instruments they would like to have are guitars, ukuleles, violins, and drums.

Instruments can be dropped off at the main office of the school. Summer office hours are Mon-Thurs from 8AM-3PM.

**NEW IDEAS ALWAYS WELCOME  
*What's yours?***

The GPS New Hampshire 01 NPL team won the US Club Soccer (U-17 Boys Premier Group), National Cup XVII Championship, which took place in Aurora, CO.

### NATIONAL CUP XVII CHAMPIONSHIP

**New Hampshire 3 California 2:** Based in Bedford, GPS New Hampshire 01 defeated Apple Valley SC Storm Elite (Apple Valley, CA) 3-2. One of the most prestigious soccer championships in the country, the National Cup XVII Championship featured more than 5,000 players from 250 teams across 30 states. The National Cup XVII Championship is the culminating event of a club-based competition among nationwide qualifiers.

### LITTLE LEAGUE CHAMPIONSHIP

**GAME 1 Goffstown 12 Concord 1:** Goffstown scored the game's first three en route to a 12-1 triumph over Concord to take control of Game 1 of the 11-12-year-old Little League state championship series. Goffstown finished with nine hits and drew eight walks. Starting pitcher Logan Simmons limited Concord to one run on two hits and four walks alongside six strikeouts over 3 innings.

**GAME 2 Concord 4 Goffstown 2:** After hitting everything Concord threw at them in game 1, Goffstown's bats quieted down in a tight game loss.

**GAME 3 Goffstown 14 Concord 4:** Goffstown scored 10 runs on eight hits over the first three innings en route to a 14-4 mercy-rule victory over Concord at Donati Field. For the second straight summer, Goffstown will represent New Hampshire in the Little League New England Regional in Bristol, CT. Goffstown will play Massachusetts champ Pittsfield in its opener next Sunday at 7 p.m. Goffstown won last Thursday's series opener 12-1, and Concord rebounded with a 4-2 victory on Saturday. On Sunday, Goffstown scored three runs in the first, four in the second and three more in the third to build a 10-0 advantage.

### AMERICAN LEGION BASEBALL

**Derry 8 Weare 7:** Weare Post 65 came close to knocking off Derry Post 9 during the first day of the American Legion Baseball State Tournament. Trailing 8-7 in the top of the seventh, with the bases loaded, Pinch hitter Brady Philibote's grounder nearly made it through the infield for at least 2 RBI, but it was not to be. Derry's second baseman grabbed the ball, spun and threw Philibotte out at first to end the game. Weare led 5-2 entering the bottom of the fifth, but Derry scored three runs in that inning and three more in the sixth. Weare scored twice in the top of the seventh before leaving the bases loaded.

## School Supply

# "Stockpile"

For the 6th year in a row we're collecting backpacks/school supplies for students that need assistance obtaining these items:

New/gently used backpacks & lunchboxes, new reusable water bottles, pencils, markers/crayons/colored pencils, glue/glue sticks, rulers, spiral notebooks, pens (blue or black), scissors, pencil boxes/cases, erasers, pocket folders, binders, index cards, highlighters, paper clips, pencil sharpeners, scotch tape, post-it-notes/sticky notes, small calculators & USB drives.

We're also seeking these other important items for students:

New — in package — Socks (Children's, ladies & men's sizes) New (Sample Size If Possible) Toiletries (i.e. — deodorant, shampoo/conditioner, body wash, soap, etc

Many of these items are of nominal value but will go a long way to help. All donations, small or large, would be greatly appreciated.

DONATION BOX LOCATIONS:

- Smith Memorial Congregational Church
- Taco Beyondo
- Hillsboro Police Dept
- Bar Harbor Bank & Trust (Hillsboro branch only)
- Hillsboro Graphics

(Across street from Tractor Supply)

## Mildred "Millie" A. Goss

Mildred "Millie" A. Goss, 63, of Bond Street died Friday, July 20, 2018, at home. Millie was born Sept. 19, 1954, in Laconia, the daughter of the late George and Pheobe (Cochran) Wyatt. Millie is survived by her husband, Gregory Goodwin; two sons, Leslie Weeks and Shane Goss; two daughters, Heidi Weeks and Rebecca Donohue; many grand-children, including Diamond Weeks who she raised as her own daughter; many great-grandchildren; two brothers, George Wyatt and Jeff Wyatt; five sisters, Aleta Tinker, Georgia Goss, Terry Thompson and her husband, Gary, Kathy Wyatt, and Kassandra Wyatt; and many nieces and nephews. In addition to her parents, she was predeceased by two brothers, Benjamin Wyatt and Timothy Wyatt. A celebration of life will be held at a later date.

and her husband, Mark. A devoted "yaya," her passing will leave a void in the lives of her grandchildren, Julia and Alex. She will be joining her predeceased son, Michael, and brother, Christos Lillios. In lieu of flowers please donate to the wonderful caregivers of the Concord VNA Hospice, 30 Pillsbury St., Concord, NH, 03301.

## Helen Louise

### Gilbert Wilson Schink

PETERBOROUGH -- Helen Louise Gilbert Wilson Schink, 94, passed away on July 24 at RiverMead in Peterborough after battling Alzheimer's disease for twelve years. Helen was the daughter of Charles Breed Gilbert and Helen Lee Gilbert and was born in New London, Connecticut on August 8, 1923. Helen was predeceased by her parents, her husbands, Dr. Clifford E. Wilson, Jr. and Howard C. Schink, as well as her two beloved brothers, Charles B. Gilbert, III and Schuyler L. Gilbert. Helen leaves her four children: Stephanie Wilson Ablondi (Robert) of East Sandwich, Massachusetts, Gwendolyn Wilson Gundlach (Thomas) of Jaffrey, Dr. Clifford E. Wilson, III (Debra) of Erie, Colorado, Christopher G. Wilson (Wendy) of Sandwich, Massachusetts. Her six grandchildren: Bryan Signer (Simone), Vanessa Signer Young (Ryan), Andrew C. Gundlach (Molly), Clifford E. Wilson, IV (Ashley), Christopher L. Wilson, Alexander M. Wilson; and four great-granddaughters: Julia C. Young, Isobel R. Young, Addison

P. Gundlach, and Anneli E. Gundlach. Donations in Helen's name may be made to The First Church in Jaffrey, P.O. Box 673, Jaffrey, NH 03452 or to the Jaffrey Civic Center, Main Street, Jaffrey, NH 03452.

## Corey J. "Roc" Vachon

FRANKLIN — Corey J. "Roc" Vachon climbed his mountain to the arms of Our Lord on July 25, 2018, after a positive, courageous 20-month battle with lung cancer. He was predeceased by his sister, Brenda Emond; maternal grandparents, Lillian and Ed Hamp; paternal grandparents, Joe and Evadine Sanville; James Blake; Robert Morrill Sr.; and Felix Vachon, who was killed in World War II; his uncles, Robert "Hap" Blake, and Ernest Morrill; and pets Boomer, Casey, Patches and Noelle. Corey is survived by his father and his wife, Felix and Winona Vachon of Concord; his mother, Lilly and Leo Cote of Franklin; his brothers, Bobby and Ally and Jeff Vachon of Franklin; sister, Tammy of Tennessee; brother, Felix of Massachusetts; nieces, nephews, aunts, uncles and cousins galore; and favorite Butt Head Ryan. A gathering will be held in his memory in September, at his home in West Franklin.

## Pauline Stavro

FRANKLIN — Pauline Stavro, 84, a longtime resident of Franklin, NH, passed away peacefully Thursday, July 26, 2018, at the Concord VNA Hospice House. # Henniker's 250th Celebration

## August 3rd, 4th & 5th 2018

### Friday August 3rd • 6pm to 10pm • *"Kick Off Party at Pats Peak"*

Music, kids activities, and plenty of fun for all. Bring a picnic dinner or purchase food and drinks there.

**9:30 pm Atlas Fireworks Show**

### Saturday August 4th • *"An Action Packed Day For Everyone"*

A parade that will make its way from the Village Green subdivision to the Town Hall starts the day at 10am. Homemade floats and period dress is encouraged. **Lineup for the parade will begin at 9am and you must be registered to join.** Once the parade ends at the Town Hall, we will have music, vendors, and plenty of games and activities.

**12pm - Awards** will be given out for best period clothes and best floats for the parade

**Noon to 4pm** - Horseshoe contest

**1pm** - Judging for the beard and mustache contest will begin

**1:30-2:15** - Sack races and 3-legged races

**2:30-3:15pm** - Wife Carry Contest (Yep, you got that right, so start practicing.)

**3:15-4pm** - Good Ole Fashioned "Tug of War"

**6-10pm** - If you're still up for fun, come to Daniel's Restaurant where there will be a reunion for all former Cogswell Memorial H.S. students and teachers

### Sunday August 5th • *"Closing Out the Weekend In Style"*

**8am-11:30am • "Breakfast On the Bridge"**

Come join us for good food and light music as we gather under the grand beams that span the NEC covered bridge. Tickets for breakfast must be purchased in advance.

**Noon-3pm • Colby Hill Inn • "Barn Dance and Pickling" Contest**

Put on your dancing shoes and bring your best homemade goodies as a professional dance group guides us through the afternoon.

- **To register for the parade, purchase breakfast tickets, reserve vendor space, ask general questions:** Terri Trier at r2redheads@tds.net or 428-6554
- **Beard & Mustache contest:** Jerry at moonlightelectric30@gmail.com
- **Wife Carry contest:** Amanda at hennikerfamilydental.com
- **Tug of War:** Shelbie Connor at intervaleicecream@gmail.com
- **Barn Dance and Pickle contest:** Jeff at innkeeper@colbyhillinn.com

In addition to the big event weekend, various groups in town are planning on celebrating the anniversary by hosting their own gatherings. These are NOT run by our 250th committee but are sure to be a great time.

Come to Quilted Threads in between activities to see the unique quilt they have on display. It was made in Henniker in 1861.

# Why you shouldn't use a travel agent:

*In the interest of fairness here are 10 reasons why you should NOT be going to your friendly neighborhood Travel Consultant.*

- 1.** It is more fun to go searching for lodging, ground transportation, activities, tours from multiple sources than with 1 call to your agency.
- 2.** When problems occur during your trip you enjoy being confrontational and thrive on dealing directly with the source.
- 3.** You'll rob yourself of the experience of flying into the other Charleston airport CHS not CRW/Charleston W.Va.
- 4.** You enjoy all the time consuming detailed work of planning a complex itinerary.
- 5.** You want to work anonymously on numerous websites
- 6.** Documents? What documents? You'll just sort required travel documents like visas and passports as you go. Besides when you sailed 20 years ago you just needed a birth certificate.
- 7.** You don't care that you don't have access to travel suppliers who exercise their clout with hotels, resorts to provide such amenities as early check-in, late checkout, room upgrade; dollar resort credits complimentary meals.
- 8.** Your time and expertise will get you the best bang for your travel dollar!
- 9.** You will thoroughly enjoying blaming yourself when something on your trip goes wrong!
- 10.** There are two trips out there—a great one and the one from hell. You can easily guess which is the great one!

PS: Trip adviser is your best friend and you don't care if one hotelier just posted over 100 glowing reports about his property!  
 PSS: Of course you know best what to do with your time and money! So why seek expert advice and opinions?  
 But just in case I haven't convinced you, stop by or contact your local travel agent! They get paid to tell you where to go!

## Annual Penny Sale & Summah Suppah

Antrim Grange will hold its Annual Penny Sale at the Antrim Town Hall. This year we are adding some new categories including several theme baskets, providing our patrons with expanded opportunities to win great prizes! Penny Sale hours are August 10 – 4-6 p.m. and Saturday, August 11 – 9am – 6 pm. Drawing begins at 6:30 pm on Saturday, August 11th. Ticket holders need not be present to win and will be notified following the drawing for prize pick-up details. In partnership with this event is the annual Grange Summah Suppah on Saturday evening, August 11th from 5-7 pm. Baked ham, a variety of salads, baked beans, and homemade desserts will be served. Price is \$10 for adults, \$5 for children age 4-12, and free for kids 3 and under. Proceeds from these fundraisers will go toward the renovation project. Donations of items for the Penny Sale are much appreciated and should be dropped off by August 8th. Call or text Beth Merrill at 547-7211 to make drop-off arrangements, or to get more information about the events, the hall renovation, or details on how you can help your local Grange support the community.
