Smokey to Hopkinton

Sean Weldon, Captain, Fire Warden and President of the Hopkinton Firefighters Association, is looking for help to bring Smokey the Bear to the Hopkinton Fire Station. The plan is to raise \$1,000 to purchase a nine foot tall painted, weather-proofed, wooden Smokey statue for the Hopkinton Station. Local businesses have already helped out with site work and establishing a foundation for the statue. Any help would be greatly appreciated. For information on making a donation, please email Captain Weldon at weldon606@gmail.com

The recent Ninja Challenge at Hillsboro-Deering Elementary School raised over \$35,000 towards a new playground.

Warner Town Clerk resigns

Cites deflection, delay, denial, disrespect, dismissals, discrimination and blatant division of personnel

Long-time Warner Town Clerk Judy Newman-Rogers has resigned. In a letter read into the record of the October 2nd meeting, she said, "I am submitting this letter to officially tender my resignation as the Town Clerk of Warner, effective October 13, 2018. It has been an honor and privilege to have served the residents of Warner as Deputy Town Clerk and then as Town Clerk for the past 24 years.

I am truly grateful for the trust, support and confidence they have had in me. Unfortunately, requests for resolution to situations made known to the Town Administrator and the Board of Selectmen have gone unaddressed which in turn has created a hostile, unpleasant and dysfunctional environment that I can no longer be a part of. Previous administrative traits of transparency, trust, honesty, lawful-

ness, communication, integrity, accountability and equal application of policy and procedure have been supplanted with deflection, delay, denial, disrespect, dismissals, discrimination and blatant division of personnel. It is also unfortunate that the Town has lost two employees since June, whose reasons for leaving were made known to the Administration and similar to mine. Sadly, I see no indication of a return to the standards that Warner once had and, took great pride in. In light of that reality, I have made the difficult decision to resign my position rather than continuing to work under stressful conditions that conflict with my work values and ethics."

When Selectman John Dabuliewicz asked if there is anything they can do to change her mind, all she would say is, "I tried."

Hillsborough man sentenced to 7.5-15 years in prison

Jerry Newton, 54, of Hillsborough will serve two concurrent 7½- to 15-year sentences in state prison, with a third sentence suspended, after being found guilty of taking hundreds of thousands of dollars from accounts designed to care for his elderly mother.

Newton was found guilty of taking \$227,460.94 from an individual retirement account, \$19,172.36 from a family trust, and \$81,300.68 from his mother's personal checking account. Newton was also ordered to pay \$327,933.98 in restitution.

A new monument honoring Gold Star Families was recently dedicated at the NH Veterans' Cemetery in Boscawen.

Goffstown Board divided over replacing Fire Department's UTV

Goffstown Fire Chief Richard O'Brien and Deputy Chief Allard updated the selectmen on the Assistance to Firefighters Grant. Chief O'Brien said they have used this grant in the past, and he requested approval from the Board to apply to the program to replace the stretchers of all three ambulances, which he had planned to replace in the CIP program. In his previous program, Deputy Chief Allard applied for these and it was granted. Chief O'Brien said for all three ambulances, the price is \$160,000. The town's share is 5%, equal to about \$8000. The period is only open until the end of the month. The Board unanimously approved.

Chief O'Brien reported that the UTV was damaged beyond repair in a training accident last May. Since the accident they investigated and submitted an insurance claim. The insurance submitted a check to the Town for over \$16,000. The need for the UTV program still exists, and he would like to be able to proceed with replacement of that UTV. Chairman

Georgantas said he wasn't in favor of this from the beginning. These aren't toys and they can be dangerous in the wrong spot. He's not inclined to continue with the program. Selectman Lemay asked Chief O'Brien to do a survey to see who is using them and what they are using. Chief O'Brien said they've learned a lot and he expects the Board will be happy when

they come back. Chairman Georgantas and Selectman Brown said they were not in favor of continuing with the program. Vice-Chairman Pierce made a motion for the Fire Department to continue to investigate a replacement UTV and bring options back to the Board of Selectmen. Selectman Lemay seconded and it passed by a 3-2 vote.

Eric Anderson of Antrim, the driver of the Jeep that collided with a semitrailer near the Hillsboro Diner last Thursday, survived but has been charged with DUI.

Weare man, missing since being subpoenaed, found dead

Donald Guillemette, of Weare, CEO of CareGivers Inc. hanged himself last month at the town of Merrimack's Horse Hill Nature Preserve, after the New Hampshire Attorney General's Charitable Trusts Division subpoenaed CareGivers' financial records going back to 2015. The organization he headed failed to file three years of annual financial reports with the IRS and the New Hampshire Attorney General's office, the state agency that oversees charities. Weare police had been searching for Guillemette since Sept. 11 when he was reported missing and suicidal.

Authorities have not said that Guillemette had committed any crimes. But six days before his disappearance the New Hampshire Attorney General's Charitable Trusts Division subpoenaed financial records going back to 2015.

The police report of the suicide said he is a suspect, but redacts further information about what he is suspected of. Last week, CareGivers Inc.'s interim president announced that it had reached an agreement for Catholic Charities New Hampshire to assume oversight of the organization.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

In a population-based study published in the *British Journal of Clinical Pharmacology*, use of commonly-prescribed acid suppression medications such as proton pump inhibitors (PPIs) was linked with an increased risk of intestinal infections with *C. difficile* and *Campylobacter* bacteria, which can cause considerable illness. Users of these medications should be particularly vigilant about food hygiene, as the removal of stomach acid makes them more easily infected with agents such as *Campylobacter*, which is commonly found on poultry.

The U.S. Food and Drug Administration has approved Emflaza (deflazacort) tablets and oral suspension to treat patients age 5 years and older with Duchenne muscular dystrophy (DMD), a rare genetic disorder that causes progressive muscle deterioration and weakness. Emflaza is a corticosteroid that works by decreasing inflammation and reducing the activity of the immune system. Corticosteroids are commonly used to treat DMD across the world. This is the first FDA approval of any corticosteroid to treat DMD. DMD is the most common type of muscular dystrophy. DMD is caused by an absence of dystrophin, a protein that helps keep muscle cells intact. The first symptoms are usually seen between 3 and 5 years of age and worsen over time. The disease often occurs in people without a known family history of the condition and primarily affects boys, but in rare cases it can affect girls. DMD occurs in about one of every 3,600 male infants worldwide. People with DMD progressively lose the ability to perform activities independently and often require use of a wheelchair by their early teens. As the disease progresses, life-threatening heart and respiratory conditions can occur. Patients typically succumb to the disease in their 20s or 30s; however, disease severity and life expectancy vary.

Peterborough Rotary Club's gourmet banquet supports ConVal Quest

The Peterborough Rotary Club will be hosting a fundraiser for ConVal Quest, a middle school summer camp program, on Saturday, October 20, 2018, at 6 pm, at the Sargent Center in Hancock. The night of Dinner and Dancing will be celebrating and supporting ConVal Quest and will feature signature dishes from local eateries and a live jazz ensemble featuring the Mike Wakefield Quartet.

Bowling Acres Grill, Brady's American Grill, Cooper's Hill Public House, Del Rossi's Trattoria, Farm House Table Bakery, Hancock Inn & Fox Tavern, Harlow's Pub, Post and Beam Brewing, Roy's Market Catering, Sargent Center, Sunflowers, and Waterhouse will provide gourmet dishes for the buffet banquet.

ConVal Quest is also sponsored by NH Charitable Foundation, NH Ball Bearings, Monadnock Paper Mills, Bar Harbor Bank, Vose Farm, LLC., Bellows Nichols Insurance, and Life Safety Fire Prevention.

ConVal Quest is a free summer camp/school for 85 middle school students who would gain from it but otherwise be unlikely to attend such a camp. ConVal Quest is run by Nature's Classroom at Sargent

Center in Hancock, NH.

ConVal Quest blends hands-on educational programs using nature's outdoor classrooms with challenges of their adventure camp programs in a supportive social culture devoid of electronic devices. Students from both South Meadow and Great Brook middle schools get an opportunity to maintain their academic skills and learn in a non-traditional school setting that emphasizes cooperative learning. A recently retired local psychotherapist says she supports ConVal Quest because she "treated many middle school students

who grew in self-esteem and confidence because of this program."

Tickets are \$50 per person and can be obtained at the website, peterbororotary.org or by check to PO Box 354, Peterborough, NH.

The Peterborough Rotary Club is looking forward to a great dinner and dancing event. We extend our thanks to all community members who have supported and helped sustain this program, now entering its sixth season, which has meant so much to middle school students from across the ConVal District.

Hometown Heroes

Sgt. Brian Lord - Antrim Police

Sergeant Brian Lord consistently goes above and beyond in the community, both on and off duty. Year in and year out, Sergeant Lord has unselfishly logged countless hours dedicated to Antrim's community service programs. He has maintained and expanded the Antrim Police Association as the President, and secured generous donations through his efforts. He organized and conducted several community suppers, Father/Daughter dances and bicycle rodeos to keep the community connected with their officers. Sergeant Lord's dedication has greatly contributed to the positive reputation of the town of Antrim and throughout the surrounding communities.

Officer Mike Carpenter - Bow Police

The only School Resource Officer for the three schools in Bow was on patrol during the summer of 2018 when he was called to a welfare check, as family members read on social media the resident may harm himself. Officer Mike Carpenter responded with Master Patrol Officer Pratte (another 2018 "Community Policing Award" recipient). Officer Carpenter received no response at the front door so he went around to the back. They could see a second story door was open so the officers went to a neighbor's apartment, jumped over the balcony to the welfare check's apartment and made entry. If not for the persistent dedication of Officer Carpenter, a life would have been lost that day. Officer Carpenter applied a tourniquet and quick clot bandages to a profusely bleeding arm of an unconscious person and saved the resident's life.

Officer Elizabeth Murray - Tilton Police

Officer Elizabeth Murray has been with the Tilton Police Department since August of 2015. During that time, she has been involved in every community event or charity fundraiser in which her police department has participated. From helping put together teams for Special Olympics, to fundraising for Make-A-Wish or organizing the Movies in the Park events for local youth, Liz is always trying to help others and make a difference. In her first year getting involved with the Law Enforcement Torch Run for Special Olympics, she quickly became one of the top fundraisers in the state. She also volunteered to take the oldest senior citizen in town to an award event called the Boston Post Cane Award at the local Senior Center. Liz also donates time to stop by the youth center and teach drug prevention to the middle school kids with the LEAD program.

Pats Peak's Oktoberfest, Ski & Snowboard Sale set for Nov. 4th

Pats Peak announces its 16th annual Oktoberfest celebration in conjunction with the 48th annual Pats Peak Ski Team Ski and Snowboard Sale on Sunday, November 4, 2018. The Oktoberfest event is from 11am to 5pm and admission is free. This event is one of the biggest Oktoberfest celebrations in New Hampshire. It includes live music from King Ludwig's Bavarian Band, sing-a-longs, beer stein holding contest, authentic German food, beer garden, chairlift rides, kids' activities, bounce houses, woodsmen show, chainsaw carving show, and more, along with festive Oktoberfest decorations. Kids' Activities will take place in "Bear-Varia" with spin art, caramel apple making, "doughnut dangle," keg bowling, White Park Dental smiling faces face painting, face painting clown, temporary tattoos, VI Rentals Inflatables (jungle bounce house, 16ft slide, boulder dash obstacle course) and more, 11am-3pm along with appearances from Boris and Snowball. The Woodsmen Show includes ax throwing, wood chopping, 2-man saw cutting and more from 11am to 3pm. In the Chainsaw carving area a log will be transformed into a piece of art

using a chainsaw from 11am to 3pm. The Finish Line Ski & Board Shop will have an outside tent sale with deals up to 50% off. There will be special pricing available on service work in the Repair Shop where equipment can be dropped off to get them ready before the season begins.

The annual Ski and Snowboard Sale hours are 11am to 3pm. This is an opportunity to buy and sell new and used ski and snowboard equipment and accessories with a portion of the benefits going to the Pats Peak Ski Team, a non-profit organization benefiting junior alpine racers.

The Henniker Rotary Club, with help from Shaw's Supermarket and students from H-D DECA and John Stark Spanish Honor Society, filled a large van with items which were delivered to the Hillsborough and Henniker Food Pantries.

DISCOVER THE SECRETS OF FREE MASONRY

Freemasonry is a charitable, benevolent, educational and religious society.

Its only secrets are in its method of recognition and of symbolic instruction.

- It is charitable in that it is not organized for profit, and none of its income benefits any individual.
- It is benevolent in that it teaches and exemplifies altruism as a duty.
- It is educational in that it teaches by ceremonials a system of morality and brotherhood.
- It is religious in that it teaches Monotheism, the Volume of the Sacred Law is open upon its altars whenever a Lodge is in session, addressed lessons of morality; yet it is not sectarian or theological.
- It is a social organization only so far as men may gather in numbers, providing for its work of education, worship, and charity.

Through the improvement and strengthening of the character of the individual man, Freemasonry seeks to improve the community.

NEC students supporting service projects

NEC Serves is the week of October 20-26th where students are engaging with classes and as individuals in service projects in the Greater Henniker community. Classes and individuals sign up to do a project and we match them to the best of our ability with a project. We are hoping you will be able to help us identify a few projects that could be done during the week of NEC Serves. People who register a project can be as specific as they would like. Yard work for fall is a common project!

Loudon man indicted for assaulting officer

Sean Blanchard, 39, of Loudon was recently indicted for attempting to take an officer's firearm and of biting another officer on the forearm. He has been charged with taking a firearm from a law enforcement officer, simple assault against a law enforcement officer and reckless conduct in connection with the incident on July 6 on Route 106 in Loudon. Police responded to a report of a man who was lying in the middle of the road wearing only his underwear. Loudon officers had requested Concord's assistance as Blanchard was resisting arrest and had refused to move out of the road telling police that he would only listen to his "point of contact," which he identified as the "United States Marines Air Force Flight Division."

Unregistered vehicle leads to marijuana bust

On October 5th the Hancock Police conducted a motor vehicle stop for an unregistered vehicle on Bonds Corner Road in Hancock. The driver of vehicle was identified as Nicholas Adams, age 30, Dublin, New Hampshire. During the investigative stop, the officer detected a strong odor of marijuana coming from inside of the vehicle. Adams admitted to possessing marijuana. Adams gave consent for his vehicle to be searched. The officer located approximately 3 pounds of marijuana, in multiple bags, inside of the vehicle. The marijuana was seized. The vehicle was impounded and towed. Adams was arrested and charged with a felony level charge, possession of a controlled drug with intent to distribute. He was released on \$1000 Personal Recognizance bail, with a court date in the Hillsborough County Superior Court in Manchester, of October 25, 2018 at 1:00pm.

Weare Middle and Upper Elementary Students Attend Leadership Summit

Twelve Weare Middle and Center Woods Upper Elementary School students attended the Annual Bonstingl Leaders for the Future Northeast Delta Dental Youth Leadership Summit at the Northeast Delta Dental Corporate Conference Center in Concord. Two teams of six students from each school were selected by teacher recommendation to attend this interactive two-day event. The summit was designed to help young people develop their innate leadership abilities as they create an original, low-cost or no-cost project to help make their school even better. The criteria for designing the projects were:

- help all students succeed
- help the school be safer
- make the school feel more welcoming
- make the school more socially responsible

"This conference gave our students an opportunity to develop leadership skills focused on serving others," commented Center Woods Upper Elementary Dean of Teaching and Learning Brett Gottheimer.

Representing Center Woods Upper Elementary School from grade 5 were: Jaylynn Coker, Crystal Phipps, and Amelia Warecki; and grade 4 was represented by Olivia

Gauthier, Shane Brunini, and Casimer Ferenc. Representing Weare Middle School from the 8th grade were: Kassidy Downing and Cam Lapointe; grade 7 was represented by Hailey Brisson and Issac Coker. Kira Linstad and Chase Philibotte were the 6th grade reps. The teams worked alongside

their school's Deans of Teaching and Learning, Phil Matzke and Brett Gottheimer.

Both Weare Middle School and Center Woods Upper Elementary teams designed two projects at the conference and are now in the process of choosing the project they will take on at their school.

Kira Linstad, Isaac Coker, Chase Philibotte, John Jay Bonstingl, who ran the Leadership Conference, Hailey Brisson, Cam Lapointe, Kassidy Downing

Letters to the Editor

Dear Editor:

I would like to thank everyone involved with the Henniker Rotary Club's "Fill the Van" event for the Hillsboro and Henniker Food Pantries at Shaw's in Hillsboro. Store Manager Derrick Louderand his staff were more than helpful by making up \$5 and \$10 bags to be purchased at the counter, the Hillsboro-Deering DECA and John Stark Spanish Honor Society students volunteered, members of the Rotary packed and unloaded the van. Most of all I need to thank the people who donated, making this first time project a success!

Joyce Bosse, Project Chairman

Dear Citizens of Franklin, Ward 2:

Thank you for entrusting me to represent you on the City Council. It is not easy to keep up with the odd voting schedule, yet you waded through the rains and cast your vote. You understand that the battles are won by the troops, i.e. you the voters. Thank you for taking the time to be involved.

While there is a recount in the future, I am confident that all will go well. I look forward to serving you.

If you have comments or concerns, you may send me an e-mail at karen@sanborn-hall.net.

Sincerely, Karen Testerman

Dear Editor:

October 2nd has come and gone in the small city of Franklin. And once again the Sun rose on wednesday morning. Kids still went to school and learned to read. There were no earth shattering tax cap explosions. No hole opened up and swallowed our small city.

Fact is no matter who sits behind that council table, Life goes on, we the residents choose. How we "feel" about issues. Let's choose to move forward. The loss or gain of one councilor will not make or break this city. It is already broken as evidenced by the abismal voter turnout. You can not have change with no action! Why is no one willing to put themselves out there?

We knew weeks ago that there really was no choices this year. One contested seat. The candidate for that seat managed to frame the race as pro-tax cap (her) Vs. Tax & spender (incumbent) and won by the narrowest of margins. But with 14% voter turnout in that ward. It can never be

considered a mandate.

The apathy, and reputation of Franklin won out once again. If 86% of the residents couldn't be bothered to go vote. Then that is the MANDATE that the Mayor & Council have been given! Carte Blanche to do as they wish.

Why even hold council meetings. Or elections for that matter? This model of city government will not and can not work properly without participation! Where are the "new" leaders of tomorrow going to come from? They run from the city as fast as they can graduate. Where is the tipping point? What will get voters to care?

That's not rhetorical! I would like some answers....

Slowly turning indifferent Franklin resident,

Daniel L Allen, Franklin

Vote for Tim Lord

Tim Lord is a close friend who is running for the House of Representatives in District #3. Who is this friend of mine and why should you vote for him on November 6th?

First, Tim has deep family roots in Bennington, Greenfield and Hancock going back nearly 200 years, and he knows the area well. One relative started paper making in Bennington at a mill that later became the Monadnock Paper Mills.

Second, he is dedicated to the area and has proven so with hundreds of hours of volunteer work on local boards. He has also given financially, supporting projects and organizations throughout the area.

Third, his principals are solid, and he is smart, thoughtful and reliable. Recently, Tim told me the story of an elderly person he met while campaigning. This individual called him after Tim had visited his house while going door to door. The constituent needed help solving a problem with a deed. Tim could have hung up the phone and done nothing, but he visited the town clerk, the registry of deeds, made phone calls and finally acquired the information the person needed to resolve his problem. This is the type of person Tim is and why I call him my friend.

Voting for Tim Lord for the NH House of Representatives guarantees you someone that will listen to your concerns and find solutions to your issues. He wants to make District #3 a better place for you and

your family.

Ken Chester (former Greenfield and Hancock resident). Lancaster, NH

To The Editor:

I would like to share my thoughts regarding Kathy Rago, who is running for state rep for Northfield and Franklin, Ward 3. I have known Kathy for 22 years and have watched her in many situations such as raising her children, balancing work and family life, representing our state, involvement in local organizations and as a friend. She is one of the most level-headed, dependable and stable people I know. She has always been there to support me at various times in my life and even encouraged me to take a gun class, even though I was afraid to, and she took it alongside me!

I have found her not only easy to talk to, but always willing to listen to both sides of an issue even if she doesn't agree with you. She cares and will be a great representative for our state. Because of her integrity to do what she says she will do and to stand up for what she believes, I highly recommend Kathy Rago for state representative and ask you to vote for her on November 6th.

Karen Turner, Franklin

A Democrat for Tim Lord:

On the day that I proudly became a US citizen, I also registered to vote as a Democrat. In 2016, I was saddened and concerned by Donald Trump's victory. Since then, I have been far more deeply saddened, however, by the viciously negative response to Trump's victory among so many on the left. I was beyond disgusted by the treatment of Brett Kavanaugh at the hands of Democratic Senators who, until then, had my full support. This has brought me to realize that, for me, this is not about Democrats and Republicans but about ideas and leadership. And when I search within myself for the picture of our collective future I would most like to see, I realize that I am happy to place my trust in the vision of Tim Lord. Rural economic growth,

strong schools, and fiscal well-being are ideas that transcend party and present a vision that is decent, realistic and inclusive.

Rebecca MacNeely, Hancock

Dear Editor:

Chris Balch, a resident of Wilton, is an excellent candidate for NH State Representative, Hillsborough District 38. He's been endorsed by the NH Sierra Club and Mom's Demand Action and recommended by the NEA. During the campaign to stop the Dakota Access Pipeline, Chris Balch went to Standing Rock. Why? Because he was called to stand with our brothers and sisters in need. He knew first hand from the NED pipeline, how a pipeline can turn lives upside down, and the Dakota Access Pipeline was an incredible threat.

Here in NH, he opposes the Granite Bridge Pipeline, the giant Epping LNG tank and a pipeline under the Ashuelot River in Keene. He's still fighting.

Chris is a teacher, a mentor and a leader. He is a man of integrity, ethics and principles. He listens, collaborates, is respectful and he won't sell out.

When Chris says he's going to do something, whatever it is, he follows through. When he is your State Representative, he will be there, in Concord. He will listen to his constituents and advocate for the community. He will put you and your children first when he makes decisions about health care, education, clean air and water, renewable energy and common sense gun laws.

Chris has hiked with a team to Everest Base Camp twice and to the Rocky Mountains, to raise funds for Hope For Gus. He is a leader and he can be your State Representative, but you have to vote. We are all hungry for some peace, kindness and support in our lives. We want our needs to be met and for corporations to not rob us of our hard-earned money. Chris wants that too. Please vote for him on November 6th. Your vote does count.

Franklin Savings Bank breaks ground on Goffstown branch

Franklin Savings Bank has announced that construction is underway on a new location in the Pinarville area of Goffstown.

This will be the bank's eighth full-service location and third office in the southern region.

In April 2012, the bank set up a loan production office in Bedford and later opened a full-service office in Merrimack in September 2017.

Located along Mast Road, the new 2,161 square foot office will feature two

drive-up lanes, a smart ATM, a technology bar along with digital displays to enable staff to demonstrate the bank's diverse line of electronic services to customers. The office is scheduled to open in February 2019.

"We are pleased to continue our

expansion south with a new location in this vibrant and thriving community," said Ron Magoon, President & CEO. "We look forward to bringing community banking to the residents and businesses in the Pinarville area."

Boscawen man in Andover crash

Troopers from Troop D, along with Andover Police Department and Andover Fire and Rescue responded to Morrill Hill Road for a reported vehicle crash involving one motorcycle that had struck a tree. The driver, 58-year-old William St. Laurent of Boscawen NH was treated and was transported to the Franklin Hospital with serious injuries. All aspects of the collision are still under investigation. Anyone with information regarding this crash is urged to contact Trooper Matthew Field at 603-223-4381 or via email at Matthew.Field@dos.nh.gov

Bow Select Board approves hiring 7th full-time firefighter

Bow Fire Chief Mitchell Harrington recently met with the Select Board seeking approval to hire a seventh full-time firefighter at an additional \$12,000 to \$18,000 in order to lessen the department's dependence on per diem firefighters. The Board voted 4-0 to approve the request, which will cover retirement and benefits for the eight months remaining in the fiscal year.

The department has had difficulty recruiting part-time firefighters, losing potential hires to offers of full-time employment in other towns across NH. The shortage of part-time availability resulted in increasing overtime hours to cover those shifts, as well as excessively long shifts.

Warner 250th organization meet

Organizational meeting on Thursday, October 18th at 7:00 pm in the Town Hall. This will be an opportunity to exchange ideas and join in the planning events, projects and other forms of recognition over the course of the year. If you would like to be part of the planning, please join us.

"The staffing shortage has caused employees to work 48 hours consecutively on 24 occasions in Bow alone. This does not take into account coming from or going

to other employment," Harrington wrote in an email. "This change will stop people from overworking, slow down the revolving door, and reduce overtime."

Kearsarge's Caroline Camp and John Stark's Hannah Manquis fight for the ball during a game at Kearsarge October 4. The score ended in a 2 - 2 tie after two overtimes. Paul Howe photo.

SOCCER

Hillsboro-Deering 2, Laconia 1, OT: Izabella Warren scored a goal from a rebound about 30 minutes into first half for her 84th career goal, Laconia scored about 25 minutes into the second half, but Racine scored off a corner kick rebound six minutes into overtime.

Derryfield 3, Hillsboro-Deering 2, OT: The Hillcats took a 2-0 lead into halftime, but Derryfield scored off a free kick from just outside the penalty box about 10 minutes into second half and then converted a penalty kick seconds before the end of regulation to force the extra sessions. The Cougars finished the comeback when they scored with less than two minutes left in the second overtime.

Belmont 5, Berlin 0: Julianna Estremera and Kaitlyn Gagnon provided the offensive spark and the Belmont defense did the rest to preserve the shutout.

Oyster River 4, Kearsarge 3: Jordan Busch had 2 goals and Caroline Camp 1 for the Cougars.

Kearsarge 2, John Stark 2: With 4 minutes remaining, John Stark was awarded a free kick and scored from 30 yards out sending the game into overtime.

Merrimack Valley 1, John Stark 0, OT: Emily Knouse scored the game-winner in the first overtime after she corralled a deflected ball just outside the box and then finished under a charging keeper.

Merrimack Valley 2, ConVal 0: Behind an early goal from sophomore Emily Koufos, and a late one off the foot of freshman Alyssa Woodman, Merrimack Valley blanked ConVal, 2-0.

Bow 7, Plymouth 0: The Falcons did a great job passing and creating good scoring opportunities in the first half to take a 2-0 halftime lead. Emma Wilke and Maddy McSweeney split the shut-out in net.

Bow 1, Souhegan 0: Amanda Marshall scored the game's lone goal an assist from Kristina Pizzi.

Hopkinton 3, Stevens 1: In the opening minutes of the second half, Stevens was awarded a penalty kick and converted to tie the game at 1-all. Hopkinton was able to dig deep and move the ball

around the field even quicker to score two more in the game.

Hopkinton 5, Somersworth 0: The Hawks had five different goal scorers and used two goalkeepers to combine for Hopkinton's fifth shutout of the season.

Hinsdale 1, Newport 0: Lexi LeClaire had the lone-goal for Hinsdale, with one minute remaining in the first half.

Goffstown 2, Dover 0: The Grizzlies improved to 5-7-1 on the strength of goals by Lilly Trinkka and Kelly Walsh.

FIELD HOCKEY

Goffstown 4, Portsmouth 2: Shannon Gifford scored twice for the Grizzlies while Jess Vo and Makayla Strickulis rounded out the scoring.

Derryfield 9, John Stark 0: Lindsey Stagg scored seven goals to help the Cougars finish their regular season.

Pelham 3, John Stark 0: The Generals played the talented Pythons to a scoreless halftime draw.

John Stark 3, Bow 0: DeLaney Forrestall netted her first goal on the day less than two minutes into the game to ignite the Generals. She added her second just after the halfway point in the first half to give Stark a 2-0 lead at the break.

Winnisquam 3, Berlin 1: The Bears played their best game yet. Karissa Haskins had a phenomenal game, as did Kaitlyn Carey and Evelyn Auger.

Souhegan 2, Bow 1: Sarah Guerrette saved the ball from going over the end line and tucked the ball behind the goalie to even the score with nine minutes left in the first half.

Kennett 4, Bow 0: Natalie Shaw, Olivia Stewart, Ashton Coleman and Kathryn Hawkes each scored for the Eagles.

Mascoma 10, Kearsarge 0: Kearsarge Keeper Ayla Frenekewiech made 21 saves against a powerful attack.

Newport 2, Kearsarge 1: Cougar Izzy Wulff tied the game four minutes into the second half and sparked an effort to tie the game again late in the second half.

Newport 5, Stevens 2: Stevens was making a run but Newport finished strong for a 5-2 victory.

Newport 2, ConVal 1: In a game that was mostly dominated by the Tigers, it was the visiting ConVal Cougars that were able to make the most of their offensive possessions with the game-winning goal coming with just 14 seconds left.

Winnisquam 2, St. Thomas 1, OT: During the 7-on-7 overtime period, Winnisquam played six girls up to dominate St. Thomas's defensive end.

Winnisquam 2, Bishop Brady 1: The Bears held a 1-0 halftime lead. Laramie tied the game with 4:15 left in the game, but Meghan Cote scored the game-winner with 2:12 remaining.

Hopkinton 6, ConVal 0: Katie Meserve had a hat trick as the Hawks bounced back from their second loss of the season with their fifth shutout.

Hopkinton 4, Conant 1: Tora Thornley, Kate Meserve, Chloe Wood and Julia Baer scored for the Hawks.

Gilford 8, Franklin 0: Ryleigh Seufert played a strong two-way game for the Tornadoes, but they couldn't overcome Salanitro's five goals in a loss on Tuesday.

GOLF

HOPKINTON CHAMPIONS: Hopkinton edged heavy favorite Mascenic, 333-343, to claim the program's first state title and secure its victory parade back into town with a win in the Division IV golf championship. The Hawks also had the medalist on the afternoon in Dan Miner, who paced the team – and the entire field – at 6-over-par 76 in the team tournament, which uses stroke play.

FOOTBALL

Goffstown 21, Manchester Central 18: The Grizzlies (3-3) trailed 18-13, and faced a fourth and goal play from the Central 2-yard line with 49 seconds remaining. Charlie Keith read the Little Green defense before dashing up the middle for the game-winning score.

Monadnock 46, HD-Hopkinton 6: Monadnock jumped out to a commanding first half lead against Hillsborough-Deering/Hopkinton and never looked back, finishing the Redhawks off 46-6 at Houston Field.

Bow 35, Merrimack Valley 0: Steven Guerrette ran for 5- and 15-yard touchdowns and coach Paul Cohen earned his 100th career win with the Falcons.

John Stark 44, Pembroke 6: Jake Cole ran for three touchdowns and Bo Lyons scored two more on the ground.

Campbell 29, Kearsarge 15: Kearsarge took a 15-7 lead in the 3rd quarter on a TD pass to Brodie Mulligan from Jallah and hit a fake extra point to Brendan Akpan. Campbell answered with the next 3 scores to win 29-15.

St. Thomas 41, ConVal 13: Tristan Hutchinson threw a 63-yard touchdown to Liam Denehy and rushed for another, but that was all the ConVal offense had Friday night as St. Thomas blew out the Cougars in Peterborough.

SOCCER

Hillsboro-Deering 4, Monadnock 3: Ben Ketterer's hat trick helped the Hillcats snap a three-game losing streak with this one-

Boys' Sports

goal win on the road.

Hillsboro-Deering 4, Mascoma 3: Ben Ketterer scored a hat trick and Kadin Garvin drove a shot into the net from 20 yards out to lift the Hillcats to their second consecutive win.

Newport 6, Mount Royal 3: The Tigers boys soccer team picked up their second win of the year with an impressive offensive display, picking up three goals each half.

Newport 3, Hinsdale 2: Newport was able to put a lot of pressure from the beginning to keep the ball on Hinsdale's side, with 11 total shots on goal in just the first half.

Merrimack Valley 6, Milford 2: Merrimack Valley came out on the attack and went up 3-0.

Merrimack Valley 1, Souhegan 0: Coby Mercier gave his team a lead in the fifth minute.

Belmont 5, Hillsboro-Deering 1: Elijah Winters scored a nice goal on a free kick from 20 yards out, just the third goal allowed by Belmont all season.

Belmont 5, Monadnock 0: Tough conditions on a small field, but Belmont was able to get control of the game early and settled in for the win.

Belmont 0, Hopkinton 0: These two teams went into overtime for a remarkable fifth straight year, but unlike the previous four OT thrillers, this one ended in a tie.

Hopkinton 1, St. Thomas 1: St. Thomas' Jackson Maness and Hopkinton's Paul Molnar scored two minutes apart late in the first half. Sam Crawford made five saves for Hopkinton.

John Stark 1, Stevens 0: Tony Leary's goal separated the teams and Jaimason Lacasse made six saves for the shutout.

John Stark 2, Bow 2: Jared Peterson and Jonathan Rizzitano scored a goal apiece, with Josh Reynolds and Emmet Rinehimer adding assists for the Generals (9-31). Jaimason Lacasse made four saves. Bow is 7-3-2.

Bow 2, Plymouth 2 (2OT): Plymouth took a 2-1 lead in the 66th minute on a goal from Devlin Costa, but Bow knotted the score one minute later when Max Elasser tallied his second goal of the game.

Coe-Brown 3, Kearsarge 0: The Bears' Ray Lapiejko had a pair of assists, back-up goalie Hayden Knight made six saves.

Kearsarge 2, Lebanon 0: Joe Baldesaro scored in the 30th minute off a ball that rebounded off the post on a shot from Cottrill. St. Pierre scored off a long ball that sent him in alone on the keeper.

Franklin 6, Mount Royal 1: The Tornados were up 2-1 at half-time, but Jacob Weaver struck the back of the net four times in the second half.

Newmarket 4, Sunapee 0: The Mules scored three goals in the first half and added a fourth in the second frame.

Pittsfield 6, Newport 1: The game was tied 1-1 at the half but the Panthers exploded in the second half, scoring five times to secure the win.

Mascenic 6, Winnisquam 1: After a week full of rainouts, the Vikings finally took the field Friday and handled Winnisquam with ease, winning 6-1.

St. Thomas Aquinas 7, Winnisquam 1: Aaron Broom scored twice to lead a barrage of shots from the Saints.

Pittsfield 4, Portsmouth Christian 3 OT: Ben Stopyro's overtime goal lifted Pittsfield to a 4-3 overtime victory over Portsmouth Christian.

* Enroll in eStatements to waive \$6 monthly service charge. Each month, E-Choice Checking accounts qualify to earn a premium interest rate of 1.75% Annual Percentage Yield (APY) on the first \$10,000 and up to \$25 in ATM fee refunds when all of these monthly qualifiers are met: Use your debit card for at least 12 purchases (excludes pending and ATM transactions); have at least one electronic (ACH) credit or debit on the account; access online banking at least once during the statement cycle; and sign up and remain enrolled in eStatements. Fees may reduce earnings on the account. Interest rate is effective as of 9/1/18 and interest is compounded monthly. Interest rates are subject to change without notice. E-Choice Checking requires a \$25 minimum deposit to open. See the Consumer Debit Card Agreement for full terms and conditions of CashBack Rewards.
