SAU Futures Coordinator

Mandy Fraser as Futures Coordinator for SAU 24 schools.

The Futures Coordinator evolved from the typical high school school-to-career coordinator position at John Stark.

While Mrs. Fraser will spend a significant amount of time working with students at the high school, her position is much broader. To deepen a connection to real-world learning, she will assist students in making career connections across disciplines and grade levels in SAU 24 school.

Kearsarge's Lily Magoon

Congratulations to Lily Magoon for her recent performance at the National Association of Teachers of Musical (NATS) Theater Competition that was held at the Concord Community Music School Recital Hall.

Lily was a finalist and placed in the top six among those who auditioned. The performing arts is a highly competitive field and Lily represented Kearsarge Regional High School and the Community with grace and pride.

Happy Thanksgiving

Hillsboro-Deering High School hosted an impressive Veterans Day Assembly.

Hillsborough Chamber revived

Revision includes new board, new strategic direction, new programming, and a complete reorganization

After several months of planning, wide ranging discussions, and a realization that the chamber was not properly focused on its members' needs and expectations, a new interim Board of Directors has taken control, promising that prompted these actions! the Greater Hillsborough Chamber of Commerce will be the leading business advocate for its members and the Greater Hillsborough business community.

The Transition Team consists of Kyle Knapton, President; Bob Nash, Vice President; Pat Nash, Secretary and Charles Denton, Treasurer. Initial plans include:

1. Establishing a Visitor's Center in the Chamber office.
2. Hold nine local breakfast meetings a year focusing on local and area needs/local political decisions that affect the business community/business opportunities/advocacy and networking.
3. Sponsor a candidates' breakfast to meet state and local candidates and discuss current issues that affect the business community.
4. Business after hours receptions will be held quarterly.

The interim Board of Directors will serve for a year to be followed by annual elections.

New London Outing Club's new indoor recreation center

The New London Outing Club has begun planning for a new indoor recreational facility, formally inviting the public to contribute to the process following a community forum last week.

The facility will serve the Kearsarge-Lake Sunapee Region, providing year-round recreational, social and educational programs.

President of the outing club Laura Pillsbury

explained that the committee envisions this facility as being an approximately 35,000-square-foot building that contains a gymnasium, turf field, multipurpose kitchen area, activity rooms and community-use rental spaces.

The committee identified Woodward Park on Parkside Road in New London as a convenient location. The organization also owns the land, making it cost-effective.

Hillsboro-Deering DECA qualifies two teams for International Conference

After two weeks of competing against other high schools in a global competition, two teams of students from Hillsboro-Deering High School have qualified for the DECA International Conference in April 2019. In the Virtual Business Sports Management Competition, three students, juniors Nathan McGillicuddy, Gunner Hagstrom, and Julian Howell finished in second place in the competitive North Atlantic region of DECA and also fifth place in the entire competition – out of over 500 teams worldwide.

In the Virtual Business Restaurant Competition, three students, seniors Zoe Galatas and Kimberly Rodier, and junior Miranda Feighery finished in second place in the North Atlantic region of DECA, and fourth overall internationally out of over 500 teams.

These first round competitors will be combined with the winners of the January qualifier into a field of 16 teams competing for top world honors next spring at the International CDC in Atlanta, Georgia.

Besides the above two teams - Hills-

boro-Deering High School DECA swept the state in being the top school in each of the matches this past round. They were: Zach Urban, Austin Gallagher, and Jacob Bachand - Virtual Business Retail Management; Joshua Marshall - Virtual Business Accounting; Kimberly Nadeau and Lilly

Neily - Virtual Business Personal Finance; Bayley Adams, Serena Havunen, and Rachel VanOlmen - Virtual Business Fashion Management; and Emma Curley and Chloe Braun - Virtual Business Hotel Management. They all look to compete again in the January qualifier.

Eight John Stark students participated in the NH DECA Fall Leadership Conference (L-R) Jackson Flanders, Lucas Guerrette, Chris Mann, George Lord, Owen Payeur, Devin Hamilton, Hannah Dupont, and Shannon Merrill. Patricia Macey photo.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

Donepezil, a medication that is approved to treat people with Alzheimer's disease, should not be prescribed for people with mild cognitive impairment without a genetic test. UCLA School of Nursing researchers discovered that for people who carry a specific genetic variation, the drug could accelerate cognitive decline. Mild cognitive impairment is a transitional state between normal age-related changes in cognition and dementia. Because many people with the condition display symptoms similar to those caused by Alzheimer's disease, some physicians prescribe donepezil, which is marketed under the brand name Aricept and is the most-prescribed medication for Alzheimer's. Donepezil was tested as a possible treatment for mild cognitive impairment in a large, federally funded study published in 2005, but it was not approved by the FDA. Still, doctors have often prescribed the drug "off-label" — meaning that it is not approved for that specific disorder — for their patients with mild cognitive impairment.

A retrospective analysis in the Journal of Parkinson's Disease has found that Parkinson's disease participants who received a monoamine oxidase type B (MAO-B) inhibitor for a longer period of time experienced slower clinical decline.

The U.S. Food and Drug Administration has approved Odactra, the first allergen extract to be administered under the tongue (sublingually) to treat house dust mite (HDM)-induced nasal inflammation (allergic rhinitis), with or without eye inflammation (conjunctivitis), in people 18 through 65 years of age. House dust mite allergies are a reaction to tiny bugs that are commonly found in house dust. Dust mites, close relatives of ticks and spiders, are too small to be seen without a microscope. They are found in bedding, upholstered furniture and carpeting. Individuals with house dust mite allergies may experience a cough, runny nose, nasal itching, nasal congestion, sneezing, and itchy and watery eyes.

The lifesaving team.

New Boston firefighters receive an award

On August 20th, New Boston Fire and Rescue personnel responded to a residence on Bedford Road for a report of a 55 year old male who was not conscious and not breathing. Within minutes of arriving on the scene, NBFD along with the assistance of NBPD and Bedford Fire, were able to get the patient breathing on his own. After a lengthy stay at the hospital, he returned home to recover and has no major disabilities. The responding crews, dispatchers and his wife, who initiated the CPR, were awarded with a life saving pin for their efforts. Within the last 2 years NBFD has a 47% save rate with victims that went into cardiac arrest. **OUTSTANDING!!**

Newbury man guilty of multiple sex charges

Richard Bruce Byrne, 59, of Newbury has pleaded guilty to felony charges for arranging to meet with what he thought was a teenage girl and her friend, whom he hoped to "educate" as dominatrixes. Lebanon Police arrested Byrne on Aug. 2, 2017, after he responded to advertisements placed on Craigslist by officers who posed as 15-year-olds named "Vanessa" and "Bridget." Before accepting Byrne's plea, the judge considered testimony from Byrne as well as five character witnesses, several of whom said the actions he was pleading guilty to were "out of character." He sentenced Byrne to serve 12 months in the Grafton County House of Corrections, deferred for three years; the human trafficking charge was dropped. The judge also placed Byrne on probation for two years, ordered him to register as a sex offender and to have no contact with minors, including online.

Bow hosts a Basic Physical Defense Program

The Bow Police Department will be co-hosting a 12-hour R.A.D. (Rape Aggression Defense) Basic Physical Defense Program. The course will be held on the following four dates: Nov 26, Nov 28, Dec 3 & Dec 5 from 5:30 PM to 8:30 PM each night at the Bow Elementary School located at 22 Bow Center Road, Bow, New Hampshire. The program is for ages 13 and older. This training is in great demand and space is limited. Enrollment will be filled on a first-come, first-serve basis and pre-registration is required. The Bow Police Department offers this class FREE to all participants. Participants must commit to attend all training dates to benefit from this intensive program. If you are interested in participating in the program, please contact Det. Sgt. Stacey Blanchette of the Bow Police Department at 603-223-3950 or sblanchette@bownh.gov.

Kearsarge High School observes anti-bullying "Unity Day"

On Oct. 24, for the fifth year in a row, Kearsarge High School students in grades nine through 12, along with teachers and staff, donned orange tops and bottoms to send the unified message that bullying is not tolerated in the district. Posters encouraging inclusion and kindness were hung up throughout the building, and students stopped by a daily slideshow to learn more about Unity Day.

"We know that bullying has negative effects on students' health and well being," said high school social worker Theresa Georges. "Every year, Kearsarge High School takes a unified stance against bullying and works to educate students on how a simple act of kindness can have a lasting, positive impact on a person."

As part of a friendly competition between students, the class that had the most participants wearing orange on Unity Day received points toward the district's winter carnival competition — a week-long, school-wide event where grades compete in activities and events for points.

This year, the sophomore class won winter carnival points for their collabora-

tion on Unity Day.

In addition, Georges and Kearsarge Middle School counselor Ashley Goggins took a small group of students to the Youth Prevention Conference in Brentwood on

Nov. 2 to learn more about substance misuse and how it can be prevented in the community. The group will take what they learned and share it with their peers throughout the district.

Kearsarge students learned the dangers of bullying.

At this time of year,

we would like to thank our loyal patients, community partners, staff, providers, and volunteers that make LRGHealthcare the quality organization it is.

Det. Sgt. Mark Philibert - Hillsboro Police

On September 29, 2017 at approximately 8:21 p.m., Detective Sergeant Mark Philibert, a 16-year veteran, was dispatched to a possible structure fire. Upon arrival, he learned that there was a male still inside the burning building attempting to extinguish the fire. Although he could not see through the smoke, Sergeant Philibert entered the building and followed a garden hose he saw laying on the ground. At the end of the hose he located the homeowner who was beginning to lose consciousness. Sergeant Philibert was able to pull the homeowner out of the building to safety. Although transported to the hospital, the homeowner recovered. If not for Sergeant Philibert's quick actions and disregard for his own personal safety to save another, the outcome could have been different.

Kristina Houde - Peterborough Fire & Rescue

Peterborough Fire & Rescue is excited to welcome Kristina Houde as our newest full-time paramedic.

Kristina got her spark for public service as an Explorer.

She is a graduate of the NEEMSI paramedic program and is currently working on a degree in EMS management.

Kristina, her husband, and two daughters are from Weare.

Peterborough's 25th Annual Holiday Stroll this Saturday

Peterborough's Holiday Stroll is planned to take place at nine sites throughout the town on Saturday from 9 a.m. to 2 p.m. Since 1993, town churches have held their craft fairs on the same day as a way to start the holiday season. Now in its 25th year, the Holiday Stroll is bigger than ever. Always held on the Saturday before Thanksgiving, the Holiday Stroll is a wonderful way to get an early taste of the holiday spirit and kick start holiday shopping.

A pancake breakfast will be held downstairs at the Unitarian Universalist Church on Main Street from 8 a.m. to 10:30 a.m. (\$5 adults; \$3 children), and starting at 9 upstairs, there will be a cookie walk, wreaths, gifts and more.

One of Santa's elves will be greeting visitors at The Serendipity Shop, where a Kid's Shop will be open from 10 a.m. to noon. The Church of Jesus Christ of Latter-Day Saints will offer refreshments and holiday music at Reynold's Hall, above The Serendipity Shop. Cider and cookies and hospitality will be available at the Christian Science Church.

From 10 a.m. to 12 p.m., All Saints

Church will be open for tours of its beautiful stained-glass windows.

Lunch will be available from 11 a.m. to 1 p.m. at the United Methodist Church, and Christmas gifts, crafts and goodies will be sold throughout the day.

The Union Congregational Church will offer children's activities, lunch and more.

Along with cookie platters, gifts and themed raffle baskets, The Divine Mercy Youth Choir will perform from 11 a.m. to noon, and lunch will be available all day at the church on Rt. 101.

Many of the sites on the stroll will be collecting food (granola bars, fruit cups and other healthy snacks).

Ausbon Trust preserves 130 acres in Warner

The Ausbon Sargent Land Preservation Trust Helps to Protect Another Working Farm in Warner. Ausbon Sargent has been working with the Brown family in Warner from late 2017 and throughout 2018 to place a conservation easement on their approximately 130-acre Brown Family's Frazier Brook Farm in Warner. We are happy to announce that this project closed on Thursday, October 25, 2018. The Brown family has owned various pieces of this property near Mason Hill and Brown Roads since the 1800's and have sold and repurchased sections of the property in the years since. As a shared family effort, they have now reacquired and plan to maintain most of their acreage.

New London's Baker Building decision soon

Bob Bowers noted on the list of priorities from Harriman for the Buker Building, he didn't see that the mold issue was addressed. He suggested checking with Chief Andersen as he had listed this as a priority related to water issues. Chair Rollins agreed and will look into it. Mr. Bowers stated the library had to deal with mold issues and may have some information. Mr. Bowers asked if there was now going to be a process to drill down on the cost to see if there are better estimates. Mr. Bowers stated the estimates seemed high. Chair Rollins replied that they will need to make some decisions and those discussions will begin on November 19, 2018 on how to proceed.

Teen trio arrested for threats at ConVal

Police have arrested the three teens behind the threats that canceled all classes at Contoocook Valley Regional School last Wednesday. Anthony Wheeler, 18, of Antrim was arrested in Hillsborough, along with two other alleged accomplices, both under the age of 18 so their names are not being released. He is being held without bail as prosecutors argued that he has mental health issues. The threat was originally reported by a parent who saw it on social media, directed at the high school staff and students. Authorities have determined there is no ongoing threat, and schools were open Thursday.

Northfield man guilty of Social Security fraud

Robert Gallagher Sr., 50, of Northfield has pleaded guilty in federal court to making false statements to obtain Social Security disability insurance benefits, and will be sentenced February 21st. Gallagher managed and worked as a mechanic while also applying for benefits, and falsely claimed that he had been unable to work since January 1st, 2011.

Hopkinton's "Contoocook to the Coast: Keep Our Rivers Plastic-Free!"

The Hopkinton Recycling Committee launched its "Contoocook to the Coast: Keep Our River Plastic-Free!" Project at the polls on Election Day. This education and outreach program, initiated by students at the Hopkinton Schools, was generously supported by the Merrimack Conservation Partnership, the Town of Hopkinton, Hopkinton Rotary, and the Hopkinton Conservation Commission. Their support allowed the creation of reusable shopping bags which were handed out free to more

than 400 town residents to encourage them to substitute reusable bags for single-use plastic bags when they shop. This keeps plastic bags from ending up in the Contoocook River, which runs through the heart of Hopkinton, into the Merrimack River and eventually enters the ocean through NH's Great Bay.

The HRC will be collaborating with conservation groups in all 16 Contoocook Riverfront towns to initiate similar plastics reduction projects.

Andover Community Association & Andover Hub to merge

Representatives of the Andover Community Association (ACA) and The Andover Hub have compared their similarities and differences, shared their goals and means to achieve them, and considered a variety of ways that a combined organization could be governed and funded to better serve the local community as a single non-profit organization, with its

headquarters based in The Andover Hub building (Andover's old town hall at 157 Main Street) and its direction shaped by a broad spectrum of local volunteers, it provides the best roadmap for the foreseeable future. Representatives agreed that the name — The Andover Hub — reflects the mission of both groups and have further agreed that it will continue to be the name.

Hopkinton Recycling Committee member Bonnie Christie explains the campaign to the Belanger family.

Publisher's Perspective *by Leigh Bosse*

Even In Tough Times -We Can Still Give Thanks

Maybe you feel you haven't got very much to be thankful for this year. What with the political infighting, the brashness of our youth, the moral decline and taxes, taxes, taxes.

But, take another look; at the sunshine dispelling the clouds. You still have the greatest gift of all to be thankful for: You still have belief.

Belief in God, who created the light, so you could see the wrong and do something about it.

Belief in America, which still holds the torch of freedom high and carries it proudly around the world.

Belief in most people everywhere, who find happiness in kindness, and reward in helping others.

Belief in your own community, the beauty surrounding you on all sides, the pride that prods progress toward better living for all.

And belief in yourself, the example you set for others, the confidence you show in tomorrow, the rich inner life you find in Faith.

Yes, the good still overpowers the bad in this wonder filled world of ours. You can give thanks...with "Thanks-Living."

Letters to the Editor

THANK YOU-- THANK YOU-- THANK YOU

First I want to thank all who braved the weather and voted. Voting is not only an important right, it is also a very important responsibility. I want to give special thanks to the people of Hillsborough, Antrim and Windsor who expressed enough confidence in me to send me back to the State House to watch after their rights and their pocket-books. I promise to work just as hard this second term as I did the first term. I also want to thank Richard McNamara for his years of service in the State House.

Representative Jim Fedolfi, Hillsborough

THANK YOU:

Thank you for electing me to represent you, the residents of Wards 1 & 2 in Franklin and Hill. Being re-elected is quite rewarding. Although the Republicans did not do well in the state-wide election, I intend to keep my focus on the issues that make a difference to you. Some people say we need to compromise our principles to get something done, but this is where I draw the line. We can argue about how much we spend and some service, but not about life and our fundamental rights like the second amendment and keeping the government out of our family's lives NH Constitution. The upcoming session will have interesting dynamics. In this past legislative session, too much nonsense passed, but I do not

expect the monumental shift some are predicting (hoping).

I am sorry that I did not campaign harder. I walked (and drove) the district but not with the same intensity as my initial run to represent you. While I talked to some of you, I did not encounter as many as I should have. I need to hear directly from you about what impacts you. It seems that the loudest voice rules in the many meetings and forums. I plan to schedule a "Coffee with Dave" on regular basis where you can come and just talk about the issues or the weather. I won't give up my regular updates in the newspaper but meeting with two or three over coffee is important. I'll keep you up to date on when and where they will be. I can't finish this letter without giving special thanks to my family. First is to my loving wife, Karen, who is the best political advisor and critic and who keeps me going. Then to my children and their spouses and grandchildren, some of whom stood in the rain at the polls with my signs and others who give sage advice. In the end, I am just an engineer and pilot, not a politician and I appreciate all the help they provide. As always, if you want to talk or just sit down for coffee, call me at (603) 320-9524 or email me at dave@sanborn-hall.net.

Dave Testerman, Representative for Franklin and Hill

Kearsarge student art is on display at Whipple Hall.

Kearsarge Middle School students' art on display

Last Friday evening was the opening of the Kearsarge Regional Middle School Exhibit at Whipple Hall in New London. This was part of The Center for the Arts First Friday Gallery Night Openings. This exhibit hosts an art show with works created by the students in 6th, 7th, and 8th grade. The Kearsarge Regional Middle School students' art work will be on display through January 31. Accompanying the show were two music students, under the direction of Ellen Palmer, playing flute, Amber Hoyle and Megan Lizotte.

Art teacher Karla Salathe has been working with Kearsarge Regional Middle School students for the past 15 years. Mrs. Salathe grew up in Sutton and is a Kearsarge graduate. She received a BA in Art Education and a MA in Art Education from Plymouth State University. All three of her children are Kearsarge High School graduates. Mrs. Salathe and her husband live in Sutton on

a small family farm. In her free time Mrs. Salathe enjoys reading, farming, gardening, painting, drawing and her family.

The 6th grade art students at Kearsarge have been studying NH landscape painting and will have watercolor landscape paintings on display. The 6th grade paintings are imaginative and playful. The 7th grade students have been studying scale, enlarging a small comic using a grid form. This exercise improves their ability to draw. The 7th grade student works are comic enlargements. These works are bold and whimsical. The 8th grade students are currently studying 20th Century Art History movements. Their art work on display is representative of Andy Warhol's work and the Pop Art movement. The 8th grade student art works are colorful and bright with popular images of the current and past American culture.

The Bow Selectmen and the Budget Committee recently met with the Town Manager and each of the Department heads to discuss their respective part of the 2019-20 Town Budget. Eric Anderson photo.

Hopkinton's Wood For Warmth day Saturday

Hopkinton's annual "Wood For Warmth" event is set for this Saturday. The project takes wood stored at the Sean Powers Wood Bank, at the Hopkinton-Webster Transfer Station, and makes it available for residents who need some emergency heat during the winter.

Volunteers also distribute some wood to homes in need. The event begins at 9 a.m. Saturday at the transfer station at 491 E. Penacook Road in Hopkinton. Last year, volunteers gave out about 20 cords of wood to homes and left about 8 cords stacked at the Wood Bank for emergency use.

Dunbarton Police alerted to suspicious man

On Saturday, November 10th an observant Dunbarton resident called us to report a suspicious person on Long Pond Road. After arriving on scene and conducting an investigation, Dunbarton Police charged an adult male with ties to the Concord area (no fixed address) with prowling. The individual was found to have an extensive criminal record which included numerous prior arrests for burglary, theft, receiving stolen property, criminal trespassing, prowling, assault, criminal mischief and drug offenses. The timely reporting of this suspicious activity most likely prevented further criminal activity.

Robyn Manley of Project Linus stopped by the Messenger office to collect the blankets made by the ladies of the Mission Group at the Washington Community Church. The quilts and blankets are then redistributed to area hospitals. It should be noted that some of the blankets were made and donated by Middle School students of teacher Becky Denslow. If you're interested in making blankets or quilts, please find Project Linus on Facebook at www.facebook.com/projectlinussouthwestnewhampshire/?ref=hovercard.

New Boston Police Chief hits Nashua Telegraph

New Boston Police Chief James Brace has blasted the Nashua Telegraph regarding a May 31st article about a February 2017 court case handled by Sergeant Stephen Case. The article accused Case of violating the rights of a defendant while concealing the truth, and references a complaint filed by the Attorney of the Defendant with the New Hampshire Attorney Generals' Office. The New Boston Police Department was never contacted by the Defendant's Attorney for a response to his complaint. The Telegraph printed the story without seeking any comment or additional information from the New Boston Police Department, which learned of the story the day after its publication. Chief Brace referred the matter to the Hillsborough County Attorney, who turned it over to the Cheshire County attorney to avoid the appearance of a conflict of interest. After investigating the matter, Attorney D. Chris McLaughlin issued the following statement: "What is clear ...is that Sgt. Case's statements to the court... were truthful and accurate." "In sum, neither Chief Brace nor Sgt. Case are attorneys and the NH Rules of Professional conduct do not apply to them. However, had they been attorneys, the facts as set forth, do not support a claim that the conduct they engaged in was a violation of the Rules, let alone a violation of any criminal statute."

Drainage work completed on County Road

John Doyle attended the New London Select Board meeting to discuss the recently completed drainage work on County Road that was designed to address water run-off that eventually makes its way into Messer Pond. He explained that about four or five years ago a watershed survey was done which started the process of best management practices to address issues that were raised. A water management plan was established in conjunction with the town and work started for a grant submittal. Chair Rollins asked Doyle about growth along Bog Road near the pond boat launch access. She feels the growth has increased substantially. Doyle doesn't know how to quantify this but doesn't see much of a difference unless the water level is down. The Board thanked him for his efforts in protecting Messer Pond.

John Stark's Tri-M Chapter.

John Stark Tri-M named Chapter of the Year

Left to right: NHMEA President Heidi Welch, 2018 JSRHS grad and former Tri-M Vice President Rachael Wrzeszcz, current JSRHS Tri-M President Colby Michaud, John Stark Tri-M members Hannah Desrosiers, Julian Henry, Victoria Drake, Kathleen Barnes, and Nathan Chasse with John Stark Music Teacher and Tri-M Chapter advisor Dan Williams and NHMEA Tri-M Coordinator Allison Shoales. The John Stark Regional High School Tri-M Music Honor Society Chapter was recently named 2018 National Association for Music Education Tri-M Chapter of the Year. Sean Meagher photo.

Rain causing delays on New London projects

The New London Public Works Department has been stymied in getting some projects done this fall, most notably the Pleasant Lake Dam repairs and paving of two gravel roads. The Pleasant Lake Dam was opened on September 13th to allow the lake to drawdown so that repairs could be made. It generally takes two weeks to lower to a level where workers can make repairs. Paving activities are also impacted by rain. While some of the town's paving has been completed, the gravel roads scheduled for paving, Wilder Lane and Wellswood Road, are yet to be completed. If work is not completed by the time the asphalt plants close for the season, the roads will be on the list to be completed in the Spring.

New Boston Library changes solar contractor

Library Trustee Chairman Bill Gould met with the New Boston Selectmen to update them on the Whipple Free Library solar project saying a lot has happened since the voters approved the easement at the library in March. The contractor Revision Energy changed classification of its company with outside investors. The outside investors wanted a greater return on their investment than the previous investors, and the Whipple Free Library project became too small for the investors. Revision Energy gave a new higher proposal which the Trustees did not consider fiscally responsible. Other companies were considered and Granite State Solar was selected who submitted a proposal charging \$300 per month/\$3,600 per year with a required equipment buyback in six years of \$25,000 and a 25 year manufacturer's warranty. After six years the town would have no responsibility to pay for power for the library.

Pedestrian killed in center of I-93 in Bow

A pedestrian walking on Interstate 93 in Bow was struck by a vehicle and killed Monday. Paramedics in Bow responded to a call for an ambulance on the northbound side of I-93 about 7 p.m. on Monday. The crew found the victim on the road when they arrived and determined the victim had died due to injuries suffered in the crash, according to Bow Fire Chief Mitchell Harrington, who said he did not know why the pedestrian was walking on the interstate.

Sports

FOOTBALL

DIVISION IV CHAMPIONSHIP

1 Winnisquam 19 # 3 Franklin 14: Riding the arm and legs of sophomore dual-threat quarterback Philip Nichols, the Bears pieced together a nine-play, 63-yard scoring drive when it needed it most midway through the fourth quarter. Franklin had just pulled ahead earlier in the frame on a 1-yard touchdown run and two-point conversion from Caleb Vigue. But on a fourth-and-14 from the Franklin 20, Nichols rolled out and found junior Gunnar Horman in the back of the end zone for his second touchdown pass of the night and a 19-14 lead for the Bears.

DIVISION III SEMIFINALS

1 Monadnock 43 #4 HD/Hopkinton 12: The Redhawks concluded a stellar season Saturday with a 42-13 loss in the Division III semifinals to the undefeated top-ranked Monadnock Huskies. The Redhawks finish the season at 7-4, with half of those losses coming to the Huskies.

CROSS COUNTRY

NE Interscholastic Cross Country Championship

Merrimack Valley's Sophia Reynolds continued her incredible freshman campaign, following her Division II and Meet of Champions titles from the past two weeks with a runner-up New England finish. Kearsarge's Mya Dube, the D-III champion, also earned All-New England honors, by finishing 14th.

ARM WRESTLING

Cathy Merrill of Sunapee brought home two gold medals from the World Arm Wrestling Federation competition held in Turkey, one for

each arm. Merrill competed last month in more than a dozen matches over four days at the competition, which saw athletes from 60 teams from all over the world square off for the week-long event in Antalya, Turkey. This is the second year in a row Merrill is coming home with two gold medals. She's the reigning world champ after victories at the 2017 world competition in Hungary. Merrill said she's honored to represent New Hampshire and the United States at the events. She is still deciding about competing in next year's event in Poland.

John Stark Peer Leaders attend Youth Empowerment Conference

There are more than 30 Peer Leaders at John Stark Regional High School and a group of them attended the Youth Empowerment Conference "Inspire Change" on Nov. 2 in Dover, NH. The Peer Leaders group first began at John Stark in 2002 and has continued to grow and expand.

Students in their junior and senior year may apply to be a Peer Leader and, if selected to serve, receive on-going training to assist their peers in a variety of ways. Sometimes, it's as an extra set of eyes to be on the lookout for other students who might need someone to talk with, and, other times, it's to share information and offer assistance with fellow students on

topics of significance to teens today.

Some of the sessions John Stark Peer Leaders attended at the conference included making an E-Cigarette lesson

plan, and presentation skills and exercises. Additional topics covered by speakers that day included "The Face of Recovery" and "Tobacco 21."

John Stark Peer Leaders at the Youth Empowerment Conference "Inspire Change." Front Row: Hannah Champagne, Christian Barr, Anna Ishak, Sara Nikias, Jared Clancy, Harrison Purdue. Back Row: Cordell (CJ) Drabble, Avery Forrestall.

Hopkinton nixes Columbus Day

Beginning in 2019, Hopkinton's October holiday will appear as Indigenous Peoples Day in the town's employee handbook and calendar. It will also appear on signage when the town offices are closed for the holiday. The board approved the change with a 5-0 vote at its Oct. 29 meeting. Selectwoman Sarah Persechino initially proposed changing the name during her previous term on the board in 2015, but the motion failed in a split 2-2 vote.

Events: Community Bulletin Board

SATURDAY NOVEMBER 17

AVENUE A: Open Mic Night, 6:30-9pm Join our fun, relaxed atmosphere & show off your musical stuff. Come alone or with a group. Come to play or just to watch. Everyone is welcome. This event is free (donations welcome). Email avenuea@grapevindh.org to sign up to perform.

TURKEY RAFFLE: Antrim's American Legion Post #50 at 7pm.

TURKEY RAFFLE: Weare American Legion Post 65, Annual Turkey Raffle. Doors open at 7pm. Purchase tickets and place on your favorite number on the board and you could be a winner. Raffle tickets also available to win \$175 or a basket of cheer. Other prizes as well.

SUNDAY NOVEMBER 18

ECUMENICAL SERVICE: Join the churches of

the Hillsborough - Deering Ministerium in our annual Ecumenical Thanksgiving service at 3pm at the Deering Community Church. Admission is free; we ask for canned goods for donation to local food pantries. A monetary collection will be taken with all proceeds to be donated to Bread for the World.

TUCKER FREE LIBRARY: at 2pm. Join us to hear author and humorist Tim Caverly. Audience members will canoe the world-famous Allagash River, discover forgotten logging history and learn about Native American archaeology. Hear first-hand about the lore, legends, and characters that Tim experienced during his 32-years while a Maine Park Ranger. Information: 31 Western Avenue, Henniker, 428-3471.

PANCAKE BREAKFAST: The Antrim Baptist Church will be offering a free pancake breakfast-

from 8:30 to 10am. Menu includes, blueberry and plain pancakes, sausage, fresh fruit, orange juice, and coffee.

MONDAY NOVEMBER 19

GRAPEVINE: Another Special November Event: The Vine Story Hour "Stuck!" – at 7pm. Based on NPR's MOTH Story Hour. Join us at Avenue A Teen Center for an evening of storytelling (and perhaps come tell your own story). Admission is by donation. This event is open to adults and older teens. Refreshments provided! Proceeds benefit Avenue A's programs for local youth.

MILITARY HISTORY: Book Group will meet at Fuller Public Library at 2pm to discuss Bunker Hill by Nathaniel Philbrick. Anyone can attend, light refreshments are served.
