## The Day Lives In Infamy

## RIP George H. W. Bush

Former President George H.W. Bush believed that politics doesn't ever need to be "nasty," according to Former Secretary of State Gen. Colin Powell. Powell told CNN's Wolf Blitzer that Bush "lived" by his quote about his unlikely friendship with Bill Clinton. "Because you run against each other, that doesn't mean you're enemies. Politics doesn't have to be uncivil and nasty." I wish we could get some of that back in our system now," Powell said.

## Happy Hanukkah 2018

The Henniker Select Board introduced and welcomed Matt Henry as the town's new Town Administrator.

## New Henniker Town Administrator

*Matt Henry chosen from field of 28 applicants*

The Henniker Board of Selectmen has announced the appointment of Matt Henry to the position of Town Administrator. Henry, a resident of Concord, currently serves as the Facilities Planning & Programming Branch Chief at the NH Army National Guard where in his military capacity also serves as a traditional Army National Guardsman as a Captain in the logistics branch Henry will begin his new role as Henniker's Town Administrator on January 2nd. Board Chairman Kris Blomback said, "The Board is very excited to welcome Mr. Henry to Henniker."

"Mr. Henry brings with him an array of skills and experience that we have been looking for. The Board of Selectmen very much looks forward to working with him."

Prior to working for the NH National Guard he served as the Planning Director for the Town

of Rindge, and Planning and Zoning Administrator for the Town of Lincoln.

His prior experience also includes serving as an Economy Development Consultant for the Arnett Development Group LLC and NH Municipal Management Association Fellow for the Towns of Bedford and Antrim. He has a Master of Public Administration Degree from the University of New Hampshire, and a Bachelor of Arts in Social Science (Political Science and History) with a minor in Economics from Keene State College.

Mr. Henry was selected from a field of 28 applicants for the position. The Board of Selectmen wishes to thank the members of the Town Administrator Search Committee for their efforts in reviewing the applicants, conducting interviews, and recommending final candidates to the Board of Selectmen.

# Long-time Epsom Police Chief under criminal investigation

Long-time town Police Chief Wayne Preve is under criminal investigation by the Sullivan County Attorney's office for improperly accessing a police database to find damaging information about a local attorney. The town's Board of Selectmen suspended Preve for one week without pay in January, but did not disclose the reason for the discipline. A decision by the Department of Labor shows that his misconduct stemmed from a disagreement with Tony Soltani, who has been a critic of the police department.

Preve filed a complaint of professional

misconduct against Soltani, after collecting all the data on Soltani in the police department's database, "which included all reports in which he or his family was listed,

regardless of whether they were victims, witnesses, or an accused."

Preve then sent it, along with police records, to the Judicial Conduct Committee.

Levi Bonner from Claremont walks with Newport fire fighter and EMT Corey Conroy after riding in a Newport fire truck on December 2. Levi was transported from his home in Claremont by fire trucks from various towns all the way to Boston where he will undergo surgery at Boston Children's Hospital on Tuesday.

## Area First Responders give Levi the ride of his life

Several area Police and Fire Departments recently assisted with transporting a 10 year old Claremont boy to Boston for Heart Surgery. Levi, who loves Fire Service, was en route when he was surprised by Claremont Fire.

Newport Fire-EMS, Newport Police and Goshen Fire Rescue went from Claremont line to Sunapee line with Levi. It was the best day of Levi's life because the New Hampshire Fire Services and City of Boston Fire Department have come together to show him what they

are all about.

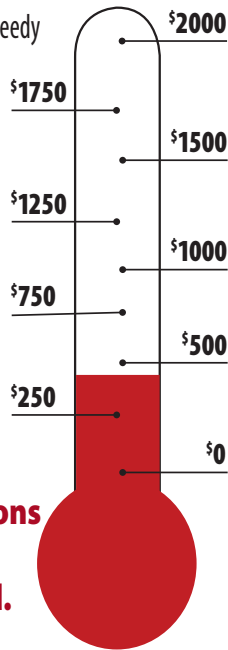

City of Claremont Fire, Newport Fire-EMS, Newport Police, Goshen Fire, Sunapee Fire, New London Fire, Sutton Fire, Sutton Police, NH State Police, Warner Fire, Hopkinton Fire, Concord Fire, Bow Fire, Hooksett Fire, Manchester Fire, Londonderry Fire, Derry Fire, Windham Fire, and Salem Fire Departments all came together to lead Levi and his family out of New Hampshire. Best Wishes Levi and a Speedy Recovery.

# DOT Commissioner to speak at Hillsborough Chamber's breakfast

The newly revived Hillsborough Chamber of Commerce has announced that Department of Transportation Commissioner Victoria Sheehan will be the keynote speaker for the Chamber's kick off breakfast at 8AM, Tuesday, January 8, 2019 at the American Legion Hall on West Main Street, Hillsborough, NH. Travel time is approximately 35 minutes from Concord. The meeting starts at 8AM with a light

continental breakfast, followed by the program at 8:15AM, wrapping up with a brief Q&A period at 9:15AM. The Commissioner will speak on infrastructure, particularly highways/bridge improvements, which are

important to any business with an update on the state's 10 year transportation plan with an emphasis on future improvements or general construction in the route 9/202 corridors.

Marianne Cullinan, a teacher in the Antrim middle school's extended learning program, has been named New Hampshire's first-ever "top inspiring teacher" by the National University System and is one of 51 teachers representing each state and Washington, D.C., selected as recipients of the 2018 Sanford Teacher Award.

Weare's Pack 24's Webelo Den 4 had a meeting to work on their First Responder badge. The den had excellent trainers from CMC and Weare EMT. Thanks to CMC Nurse Stacie Veilleux, and Weare EMT's Dave Askham, Nick Smallwood, and Wanda McClain for their time volunteering to help teach First Aid and CPR skills.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

The U.S. Food and Drug Administration has approved Dupixent (dupilumab) injection to treat adults with moderate-to-severe eczema (atopic dermatitis). Dupixent is intended for patients whose eczema is not controlled adequately by topical therapies, or those for whom topical therapies are not advisable. Dupixent can be used with or without topical corticosteroids. Atopic dermatitis, a chronic inflammatory skin disease, is often referred to as "eczema," which is a general term for several types of inflammation of the skin. Atopic dermatitis is the most common form of the many types of eczema; onset typically begins in childhood and can last through adulthood. The cause of atopic dermatitis is a combination of genetic, immune and environmental factors. In atopic dermatitis, the skin develops red, scaly and crusted bumps, which are extremely itchy. Scratching leads to swelling, cracking, "weeping" clear fluid, and finally, coarsening and thickening of the skin.

A new Universite de Montreal study in the *British Medical Journal* reveals that antidepressants prescribed to pregnant women could increase the chance of having a baby with birth defects. The risk — 6 to 10 %, versus 3 to 5 % in women who do not take the drugs — is high enough to merit caution in their use, especially since, in most cases, they are only marginally effective, the study says. For example, when Celexa (the brand name for citalopram) was taken in the first trimester, the risk of major birth defects jumped from 5 per cent to 8 per cent. Similarly, use of Paxil (paroxetine) was associated with an increased risk of heart defects; venlafaxine (Effexor), with lung defects; and tricyclic anti antidepressants (such as Elavil), with increased eye, ear, face and neck defects.

## Hometown Heroes

### William Eva - Hancock Fire Department

William Eva died November 19th after serving as a dedicated firefighter and EMT for the Hancock Fire and Rescue Department for 16 years. We will miss Bill's ready smile, his steady head, and his huge heart.

### Ray Fisher - Boscawen Fire Department

Fire Chief Ray Fisher has announced his retirement effective March 12, 2019 after 56 years of service. Chief Fisher began his career with the Boscawen Fire Department in 1963 and became Fire Chief in 1997. He has been an instrumental leader within the Town of Boscawen for over five decades and we thank him for his years of service and dedication to our community. Please join us in thanking Chief Fisher for his many years of dedication to our community. We are currently planning a much deserved retirement party in his honor. Details will be provided in the near future.

### Robert Brown - Franklin Fire Department

Chief LaChapelle and members of the Franklin Fire Department regret to announce the passing of Call Captain Robert J. Brown. The memories from your 36 years of dedicated service will never be forgotten. We've got it from here Brownie. Stay low and let it blow!

### Kirk Beattie - Laconia/Belmont Fire Depts

After 21 years with the Laconia Fire Department, Kirk Beattie was sworn in Monday as its new chief. He spent hours Wednesday night and Thanksgiving Day supervising the battle against a five-alarm fire that destroyed an old farmhouse and attached barn in Belmont. Through an inter-municipal agreement, he is also chief of the Belmont Fire Department.

### Michael DeTurris - Hillsborough Police Department

Hillsborough Police Chief David Roarick (r) welcomed Michael DeTurris of Swanzey as the newest member of the Department as Officer Mark McSweeney looked on. The Select Board approved the appointment on the Chief's recommendation.

### David Hall - Greenfield Fire Department

Greenfield Fire Chief David Hall is stepping down at the end of the year. Hall, who has over 30 years in public safety, has been chief in Greenfield for the past four years. He originally agreed to serve in the capacity for two years. Hall said that he is choosing to retire for several reasons, including being at retirement age and wanting to spend more time with family.

## Choice for smaller ConVal schools - pay extra tax or close your school

The ConVal School District tax rate is going up across the district's nine towns. The formula is calculated 50 percent by student population and 50 percent of each town's equalized valuation, so different towns will face different increases. Greenfield will see an increase of 27 cents in their school rate, while Franconia will see an increase of \$2.19. Hancock will be increasing \$1.73, with Antrim increasing \$1.30. To make matters worse, the ConVal School Board is considering a way to offer towns with low enrollment elementary schools a choice to either pay more money or close your school.

The board voted to draft one warrant article that would tax towns extra if they

### Hillsboro-Deering adds Lacrosse

During discussion of the H-D 2019-2020 budget, it was noted that the Varsity Sport of Lacrosse has been added, at a first year cost of about \$27,000, for both a boys' and a girls' team. One-time expenses are for two sets of nets, uniforms and balls. Other costs will be for referees, transportation and coaches.

have an elementary school with less than 65 kids. A warrant article that would offer towns a choice to pay the additional tax or have their elementary school closed down, if and when their student population reached that level.

The board has also decided to place a consolidation plan on the March ballot, which involves reorganizing the district and shutting down a number of schools.

Peterborough Elementary School and

Great Brook School in Antrim – currently one of the district's middle schools – would serve the district's K-3 population, while Peterborough's South Meadow School would serve 4th through 6th grade and ConVal High School would serve 7th through 12th. Four towns currently have less than 65 elementary school students in their towns based on November 2018 enrollment figures.

If the weather cooperates, soon the Town of Peterborough will have town ice skating for the first time in two years. The Recreation Department will post ice conditions on their Facebook page on weekdays.

After a review of the files those submissions were invalid and the H-D team was qualified. H-D now has 9 students qualified for the International competition in April.

**Bennington couple guilty of stealing \$90,000**

Karen and Jim Folley of Bennington have been sentenced to one year in prison after being convicted of stealing \$90,000 from Jim Folley's sister, Barbara. Prosecutors said they used ATM cards and bank transfers to steal the money. The money was supposed to be used to provide for long-term care, but the Follleys spent it on themselves. The victim's stepdaughter, Kathleen Curry, testified that her father left the money for Barbara so she wouldn't have to worry about her future. The victim died in 2017 at age 83. The Follleys are appealing the verdict.

**Newport man arrested for arson in Dover**

On December 1st, Troopers responded to the Spaulding Turnpike southbound in the City of Dover for a report of a vehicle fire. Upon arrival, Troopers observed a 2017 Subaru WRX that became fully engulfed in flames. Preliminary investigation indicates that David Virgue, age 30, from Tilton, purposely set his vehicle on fire. Virgue fled the scene, but was taken into custody without incident. He has been charged with Arson and Reckless Conduct, both at the felony level.

**New location for Peterborough Lions' trees**

The Peterborough Lions Club will be moving their traditional Christmas tree sale to Elm Street this year. For the past 15 years or so, the Lions have sold their trees at the shopping plaza on Route 202, also known as Jaffrey Road. This year, the plaza has opened a new Dollar General store, and the portion of the parking lot where the Lions usually sold and stored their trees is now used by Dollar General delivery trucks. The tree sale will go on, held now at the Valley Automotive at 36 Elm Street. The sale begins Saturday.

**Deering woman charged with animal abuse**

A Deering woman has been arrested on suspicion of animal abuse after a lengthy investigation by police. On Tuesday, Deering Police arrested Bethany Jewell, 39, after concluding an investigation into the abuse and neglect of horses and oxen in her care. During various site visits as part of this investigation, five horses and two oxen were surrendered for veterinary care after multiple attempts and opportunities were provided to assist Jewell with learning how to provide proper care and humane treatment requirements. The attempts were unsuccessful. Arrest warrants were issued for Jewell. She faces multiple animal abuse and neglect charges.

# Phase I of Franklin's Mill City Park begins in 2019

Most people know Marty Parichand as the executive director of Mill City Park, the nonprofit organization hoping to bring paddlers to a whitewater park in Franklin, along the Winnepesaukee River.

Lesser known is another key element of the project, the Park itself, which sits on an 11-acre plot south of the railroad that formerly ran through Franklin's Trestle Bridge and Sulphite Bridge, better known as the "upside down covered bridge."

The Park is being designed to include a community garden, pavilion, two public bathrooms, picnic areas, educational areas, hiking trails, a parking area, a climbing wall and a mountain bike pump track system. Parichand envisions a tent-camping area, and a path that connects the existing Winnepesaukee River Trail on the other side of the river over the historic bridges, which are now unstable.

The master plan for the park, funded in part by a \$5,000 grant from the Capital Regional Development Council, has been underway for six months, and its report should be finalized by mid-December.

In 2019, developers will begin clearing for the access road, and installing the electrical and plumbing necessary for the bathhouses. That work will be funded by a \$200,000 grant from the federal Land and Water Conservation Fund and \$200,000 in

donations, which was approved in October. In the summer of 2020, work will begin on the park's timber-frame pavilion.

Once completed, Mill City Park will be the first whitewater park and outdoor recreation area in all of the Northeast.

### The proper response to bungling bureaucrats

I just learned that this may be the last year the town of Durham decorates a tree for the holidays on public land. Apparently Durham's Human Rights Commission has recommended ceasing the longtime tradition, with members saying it is associated with the Christian faith and Christmas celebrations, which may be exclusionary to some people who follow different faiths or are atheists.

The issue flared up after Rabbi Berel Slavaticki at the UNH & Seacoast Chabad Jewish Center asked to place a 9-foot menorah in the same public park on Main Street where the tree is lit.

Slavaticki was asked to complete an application for a permit, which was denied by bungling bureaucrat Town Administrator Todd Selig who decreed that Slavaticki could host a one-time ceremony at a different public park, which took place Sunday evening, the first night of Hanukkah. Selig said that he views decorating the town's tree as a nonreligious symbol, but a menorah is a religious symbol and subject to

more scrutiny. Kitty Marple, who describes herself as a person of no religious affiliation, is the chairman of the Human Rights Commission and the town council. She said she could support a winter carnival theme. The only proper response to Selig and Marple is BULL #\*+.

We all know that the 1st Amendment says, "Congress shall make no law respecting the establishment of a religion." We often forget that it goes on to say, "or prohibiting the free exercise thereof." Non-Christian or non-believers should not be offended when we celebrate the birth of Jesus, any more than we should be offended when our Jewish friends celebrate Hanukkah.

Whether we honor a different God, or the same God by a different name, we need always remember that all the world's races and great religions share the same moral lessons and values and that on this small planet, we truly are all brothers and sisters. And, we all have the right to celebrate our beliefs freely.

Santa lighted the tree to conclude Hillsborough's day-long Old Fashioned Christmas Celebration last Saturday.

District Governor Venu Rao recently presented the 2018-19 Rotary theme banner to Bow Rotary Club President Bryant Stevener during the District Governor's visit with the Club.

## Hillsborough man turns simple traffic crash into felony arrest

Alan Clark, 18, of Hillsborough, was arrested after state police said he tried to leave a traffic accident in two different police cars after he hit a woman with a pipe. The incident happened just before 8 a.m. in Canterbury at the intersection of Route 132 and Kimball Pond Road when a trooper came across a traffic accident. Clark, ran toward a cruiser, got into the driver's seat and revved the engine. He was pulled from the cruiser, handcuffed and placed in the back of a

second vehicle. He then climbed through the open part of a partition and got into the driver's seat, put his foot on the gas and tried to escape again. Troopers removed him, re-handcuffed and shackled him. Before the troopers arrived, Clark had assaulted a woman at the crash. Clark was charged with reckless operation, conduct after an accident, resisting arrest and two counts of felony escape. As one Trooper put it, "He turned into what was a simple traffic crash into a felony arrest."

## Franklin Police seek help investigating arson

Franklin Police are looking for a man they consider a person of interest regarding the fire that destroyed a mobile home in the city Monday night.

Video cameras inside and outside the home at 11 Rose Lane near Range Road captured images of the man taken just

before the fire broke out after 10:30 p.m. The homeowner's family reportedly turned over its video to local police.

No one was inside the two-bedroom, one-bath home at the time of the fire that destroyed it. There were no injuries reported.

## Hillsboro-Deering playground nearing fundraising goal

Joanne Cobb updated the Board on the fundraising for the playground. She noted that so far the fund has increased to \$41,755.45 and they expect another \$5000 to be generated within the next few months.

Although they haven't reached their goal of \$75,000, it is a good start. Later Board Member Kathryn McGinn noted that the PTO had only \$9,000 at the beginning of

the school year, so felt that they had made a very good effort. McGinn also noted that they were working with one company and that \$150,000 was a good estimate for the new playground, although that figure did not cover demolition of the existing playground, nor additional site work that might be necessary. The Board will later discuss whether or not to include a Warrant Article in March.

## Sports

Lyndon Flanagan of Hopkinton High School Class of 2019 is shown signing her National Letter of Intent & Scholarship agreement to attend and play Lacrosse for the Division 1 Merrimack College Warriors, in North Andover MA, starting Fall 2019. Lyndon has been credited with over 270 points in 3 years of Varsity Lacrosse. She had 2, 100+ Point Seasons in a row. She was 2nd Team All-State as a Sophomore & 1st Team All-State as a Junior. She was The Concord Monitor's 2018 Hopkinton Fall Athlete of the Season.

### GIRLS' BASKETBALL

**Hopkinton 54 Newport 37:** Not only did Hopkinton slow Newport down but they held them scoreless for a 7-minute stretch while pouring in 22 second quarter points to turn a 7-6 first quarter lead into a 16-point advantage at the half.

**Newport 57 Mascoma 37:** The Tigers came out aggressive early on and built a 10-0 lead as their full court press caused issues for the visiting Royals. Mascoma didn't score their first bucket until under three minutes left in the first frame.

**Hinsdale 57 Sunapee 33:** The game went into the half with Sunapee trailing by just one point, but Hinsdale proved to be the more consistent team down the stretch, and ran away with a 57-33 road win.

**Franklin 47 Winnisquam 44:** Franklin's Fayth Kaspszak scored four of her team-high 14 points from the free-throw line in the closing moments to seal a 47-44 season-opening win for the Golden Tornadoes.

**Conant 73 Belmont 37:** The Raiders had solid outings from freshmen Donovan and Alderman, but had a tough draw, losing to the defending champion Orioles to open the season.

### ATHLETIC HONORS

Belmont keeper Jake Deware, Bow forward Max Elsasser and Belmont midfielder Griffin Embree were named to the USC All-New Hampshire team along with Devanny and Bennett.

### LETTER OF INTENT

ConVal senior cross-country star Rachel Hurley will run at Lafayette College next year after signing her national letter of intent. Hurley didn't join the cross-country team at ConVal until her junior year; she had a breakout performance in 2017 and a stellar year in 2018 that culminated in an 11th-place finish at the New England Championships. Now, she's committed to Division I competition.

The Henniker Fire Auxillary held another successful Cookie Craze on Sunday.

### Weare man wants Police Dept. disbanded

Justin Douglas met with the Weare Select Board to request convening a committee to discuss the possibility of disbanding the Weare Police Department, due to a perceived failure to protect Town citizens, including him. Douglas specifically referenced a dispute with his neighbor dating back to March 18th 2017 (trespassing and criminal destruction of property). Douglas claims the Police Department has refused to cooperate with him by refusing to meet with him, declining to prosecute his neighbor, allowing statute of limitations to expire, taking excessive time to respond to complaints, and not calling State Police to respond to complaints. In addition, Douglas addressed the small size of the culvert on Waterman Road and associated flooding, which has caused property damage. Chairman Hippler will relay both concerns to the appropriate people.

### Sunapee Police arrest Andover MA fugitive

On November 23rd, Sunapee Police were advised that an individual with an extraditable warrant out of Andover, Massachusetts is believed to be currently residing in Sunapee. Sunapee Officers Gooch and Therrien responded to the residence and subsequently, Michael Cook of Andover, MA was arrested as a Fugitive from Justice. He was transported to the Sunapee Police Department, bailed and released to the Sullivan County Sheriffs Office for transport to the Sullivan County House of Corrections awaiting arraignment.

### Newport approves new accounting software

The Newport Select Board has decided to replace their accounting software, the first such change since 1999. Paul Brown, the town's finance director, described the new product and the Board told him to go ahead with the contract, the funding for which has already been approved. Brown received 10 proposals and reduced this list to three finalists, which he then examined in depth. He selected the software administrated by Edmunds and Associates of Northfield, New Jersey, a firm which has 800 clients up and down the East Coast, but Newport would be their first customer in New Hampshire. The deciding element of their product, Brown said, was the "municipal dashboard" that they include as a standard element of their package.

# Henniker Select Board brings finality to several pending issues

The Henniker Select Board dealt with a full agenda during Monday's meeting. In addition to introducing new Town Administrator Matt Henry, the Board received briefings from Central NH Regional Planning Commission's Mike Tardiff on the 10 Year Transportation Plan and Craig Tufts on the Western Rail Trails Plan.

They also brought finality to several long-standing and often contentious issues.

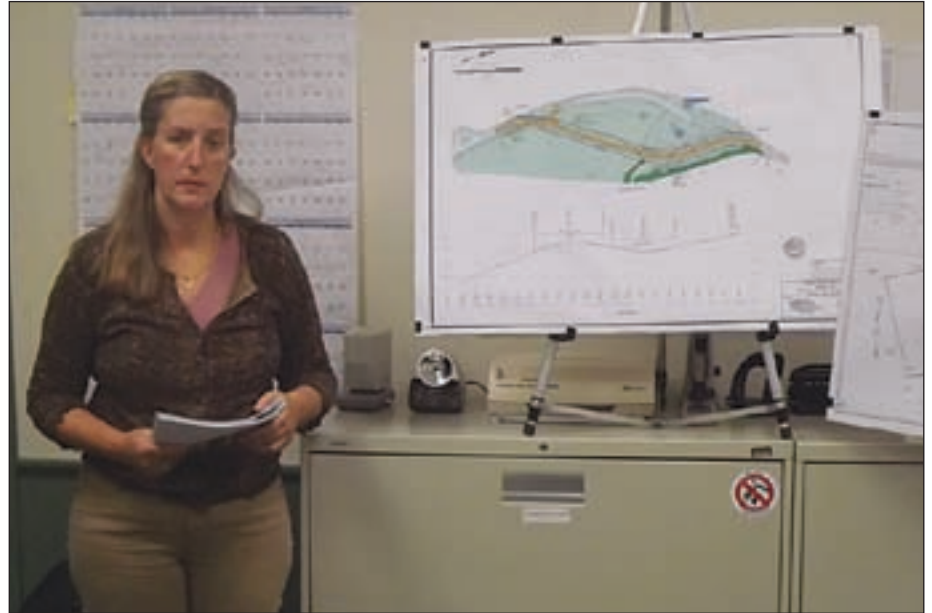

1. They approved a resolution authorizing the purchase of .94 acres of land from Walter Polard in order to relocate and reconstruct a portion of Quaker Street. That proposal has been pending for about two years and was approved by an 83-56 vote during the 2018 town meeting.

2. After hearing a report from the Energy Committee, the Board authorized them to proceed with the Eversource Turn-Key Lighting Audit, rewire one street light with a directed spotlight on a crosswalk as a test case and directed the Highway Department to install a back shield on a Water Street light to shield the Kupper residence from its brightness.

3. Finally, acting on member Leon

Parker's impassioned motion, the Board asked the Town Attorney to send a letter to Mr. Cote informing him that he has 30 days to remove the stone wall he placed on Town land or be fined daily thereafter.

The issue arose in April after Mr. Cote relocated a stone wall while installing his driveway. The vote came after several heated discussions between the Board and Mr. Cote's attorney, Darrin Brown.

Engineer Jennifer McCourt explained the proposed relocation of a portion of Quaker Street.

## NOTICE OF PUBLIC HEARING

### Planning Board Public Hearing - Zoning Changes Town of Henniker Planning Board

The Town of Henniker Planning Board will hold a public hearing on December 12, 2018 at 7 pm at Town Hall, 18 Depot Hill Rd, Henniker NH to discuss the following proposed Zoning Changes (new language underlined):

Are you in favor of amending Chapter 133, Zoning Regulations, as proposed by the Planning Board as follows? Amend Article X Lot Size Regulations, Section 133-39 Minimum lot sizes, by deleting paragraph C. Land on Class V streets with gravel surfaces that do not meet current Town road standards may be subdivided with a minimum of 10 acres. And D. Land on Class V streets that are seasonally maintained by the town may be subdivided with a minimum lot size of 10 acres, subject to the filing of a release-of-responsibility form which is available from the Selectmen's office. And replacing them with the following: Land fronting on or accessed off of Class V road with a gravel surface may be subdivided with a minimum lot area of 10 acres. Under this provision, partially paved roads shall be considered gravel if they are not continuously connected to the existing paved road network leading from the town center.

Are you in favor of amending Chapter 133, Zoning Regulations, as proposed by the Planning Board as follows? Amend Article II, Definitions, by deleting both definitions of Agritourism(2) and Agritourism(3) and replaced by the following: Agritourism: As defined by RSA 21:24a. Farm, Agriculture, Farming, as amended.

Are you in favor of amending Chapter 133, Zoning Regulations, as proposed by the Planning Board as follows? Amend Article II, Definitions as follows: HOME RENTAL – The rental of an apartment as an accessory use within a building whose primary use is a single family owner-occupied dwelling, except as provided for in Article VI and VII. This use is clearly incidental and subordinate to the primary dwelling. In addition, amend Article VI RN Residential Neighborhood District, Section 133-24 Land uses, A. RN-Permitted Uses, Home Rental of up to 1 apartment, by adding the following provision: A detached apartment (one) may be constructed provided the structure does not exceed 1,000 square feet of living area and at least one acre of land exists. And amend Article VII RR Rural Residential District, Section 133-26 Land uses, RR Permitted Uses, Home Rental of up to 1 apartment by adding the following provision: A detached apartment (one) may be constructed provided the structure does not exceed 1,000 square feet of living area and at least one acre of land exists.
