Chili & Beer Tasting Fundraiser at Castle in the Clouds

Moultonborough – Castle in the Clouds hosts its second annual Chili and Beer Tasting fundraiser on Saturday, February 16 from 4-6 pm outdoors in the paved area in front of The Carriage House. Guests can enjoy sampling homemade chili and beer from ten local Lakes Region restaurants and breweries, plus spirits from Tamworth Distilling.

A variety of chili will be served, including brisket, pork, andouille sausage, prime rib, beef, turkey, vegetarian, and vegan chilies, and more, with classic chili toppings available. Though the event is outdoors, The Carriage House will be open to guests to warm up and relax by the large hearth fireplace. "All proceeds from this event support 2019 Castle restoration projects, which consist largely of the restoration of the mansion's north tower exterior and the sun parlor," explains Development Coordinator and fundraising lead, Jill Cromwell. "The exterior of the North Tower is the last exterior section of the Castle that requires restoration." Castle in the Clouds would like to thank the fundraiser's sponsor, Lifetime Benefits Group, and the participating businesses for contributing their time and products to this event: Annie's Catering & Café; Great Events Catering, Hart's Turkey Farm Restaurant; The Carriage House Restaurant; Yankee Smokehouse; Hobbs Tavern & Brewing Company; Kettlehead Brewing Company; Lone Wolfe Brewing Co.;

Moat Mountain Smokehouse and Brewing Company; Tamworth Distilling; and Tuckerman Brewing Company. Tickets cost \$25 per person, include a Castle in the Clouds tasting glass, and must be purchased by February 15th. To secure a ticket, please visit castleintheclouds.org or call 603-476-5900. This event is only for those

21 years of age or older. Castle Preservation Society is a 501(c)(3) nonprofit organization, whose mission is to preserve, interpret, and share the buildings and landscape of Castle in the Clouds as a cultural resource for the benefit of the public. MidWeek in Manchester One-Day Antiques Fair

Barn Star Productions is pleased to announce The 25th Annual MidWeek in Manchester Antiques Show will be introducing a new format during Antiques Week in New Hampshire, becoming the "MidWeek One-Day Antiques Fair", held Wednesday, August 7th, 2019.

With several shows during the week to shop, we hope buyers will find this new format favorable and spend the day with our exceptional exhibitors.

This new plan has a multitude of benefits for exhibitors beginning with an average 20% discount off the booth rent they are paying at other shows, spending one night less on hotel bills, food and eliminating "down time" on Thursday when the NHADA Show opens. Additionally, the one-day format will be exciting and fresh for buyers encouraging sales and decisive shopping.

Comments show manager Gaglio, "Antiques Week in New Hampshire has been a wonderful experience bringing together collectors and dealers every August from across the country with MidWeek being one of their favorite events. With rising costs of producing a quality antiques show, from advertising to facility rentals, event insurance, air conditioning, partition walls, booth paper, electrical installations, hotels and food for staff, contract printing and postage, show program and card design, etc., booth fees have risen to cover these costs making it harder for dealers to turn a profit at shows. After much consideration and research, we feel

the MidWeek One-Day Antiques Fair will offer dealers a financial option keeping them a part of Antiques Week at a reduced cost without losing one amenity plus being conveniently located in Manchester, NH and with extended show open hours."

How is this possible? Barn Star management has computed their expenses for the second day of MidWeek and realized cutting out a second day reduces production costs (facility, air conditioning, diesel fuel, etc.) with the savings being passed along to the exhibitors by way of lower booth fees. Finally, we hope dealers will consider this opportunity as there are a limited number of spaces available. At MidWeek, our goal is to continue offering realistic pricing, excellent exhibitors and important antiques MidWeek has become known for. Dealers interested in knowing more can email Frank or Lynn at barnstar1@aol.com or call office (845) 876-0616; or Frank's mobile at (914) 474-8552. All calls confidential.

Laurel & Hardy, one of the world's great comedy teams, set out on a variety hall tour of Britain in 1953. Diminished by age and with their golden era as the kings of Hollywood comedy now behind them, they face an uncertain future. As the charm and beauty of their performances shines through, they re-connect with their adoring fans. The tour becomes a hit, but Stan & Ollie can't quite shake the specter of Laurel and Hardy's past; the long-buried ghosts, coupled with Oliver's failing health, start to threaten their precious partnership. A portrait of the most tender and poignant of creative marriages, they are aware that they may be approaching their swan song, trying to rediscover just how much they mean to each other.
