**Goffstown Eagle Scouts**  
 Congratulations to Joshua Wright (l) and Paul Kissell (r) Goffstown Troop 99's newest Eagle Scouts who were recognized at a recent Eagle Court of Honor.

**Burke served 16 years**  
 SAU 24 Superintendent Dr. Lorraine Tacconi-Moore (l) recently hosted a reception at the Weare Middle School to honor Marge Burke (r) for her 16 years of service on the Weare School Board.

**Antrim woman recognized**  
 Antrim resident Madelyn Curtis Klose, has been named a 2019 recipient of the Joseph D. Vaughan Award, presented each year to individuals or couples, over the age of 60, who have shown outstanding leadership or demonstrated meritorious achievement as a volunteer, on behalf of older citizens in NH.

The students from Hillsborough's Project Genesis, the only group from NH, recently attended a Social Justice Art Festival in Boston, with their entry, a poster detailing factors leading to suicide and its prevention.

## New London volunteers needed

### Select Board seeks community support for committees

There are now two more committees for citizens of New London to consider joining: the Buildings and Facilities Committee and the Citizens Advisory Committee. While both committees have existed in the past, these newly established committees will see differences in focus and goals.

The Buildings and Facilities Committee will be charged with completing a status assessment of all town owned buildings and facilities to help identify areas in need of immediate repairs, long range repairs and long-term efficacy and

efficiency based on growth; to assess and make recommendations for future space needs for existing departments.

The former Citizens Advisory Committee was composed of about 30 citizens who met monthly, on a Saturday, from 7:30 AM-9:00 AM. Committee members would hear updates from the Selectmen, and sometimes department heads or "guest speakers" (like representatives from New London Hospital, Colby-Sawyer College, COA, etc) and then ask questions and give their thoughts to the Selectmen.

### Police searching for missing 53-year-old Hillsboro woman

Police are looking for Linda Minery, a 53 year old female from Hillsboro, who left her elderly mother suddenly at 2:30am Sunday without saying where she was going or what she was doing. She was last seen wearing a black jacket, black pants and carrying a blue bag. Her vehicle was left in the driveway and she may have left on a maroon bicycle as it is missing. She may be endangered as family has

indicated she likely has undiagnosed mental health issues and has been displaying extreme paranoid behavior. Linda has decided to stop speaking at all lately and has only been communicating by writing things down.

Minery is 5'4", 170 lbs, with brown hair and blue eyes. If seen please contact Hillsboro PD immediately at

603-464-5512.

## Newport, "The Sunshine Town" featured in Business NH Magazine

Newport, "The Sunshine Town," is featured in the latest edition of Business NH Magazine for using both traditional and unique ideas, like infrastructure improvements, industry diversification, and a New York-based internship for Newport students to brighten its economic future.

Town Manager Hunter F. Rieseberg and former resident Jay Lucas are credited with efforts to capitalize on the town's manufacturing base.

In addition to a new \$15 million mixed-use development in a former mill, the town's Deliberative Session voters voted for bonds for a proposed \$6.6 million Community Center downtown, and a new \$4.5 million Wastewater Treatment Plant.

Select Board Chair Jeff Kessler credits Rieseberg's leadership; Kessler cites switching streetlights to high-efficiency LEDs, demolishing three or four vacant buildings to put properties back on the tax rolls, and investing \$400,000 in improvements for the town's streets and sidewalks.

Lucas is excited about the Newport Mills mixed-use development proposed for the former Ruger Mill on Sunapee Street. Envisioned are more than 40 units of senior independent living apartments, a medical office, and a restaurant overlooking the river. The project could also include a riverwalk connecting Newport Mills with Main Street.

The Sunshine Initiative is a grassroots coalition launched by Lucas just over a year ago to stimulate revitalization.

One of the first programs was RISE, or Reimagining Student Education, an online training program in which three entrepreneurial firms in New York City train 20 students in Newport in web design and code. After the 12-week program, "they're eligible

to work with these same firms, but they don't have to leave Newport," and, as Lucas

says. "It helps people in Newport participate in the global digital economy."

Things are looking up in Newport.

## Annual Choose Franklin Community Day May 11th

Plans are underway for the 15th Annual Choose Franklin Community Day, co-sponsored by Clear Choice MD, Franklin Savings Bank, Hannaford, Service Credit Union, and media sponsor Mix 94.1 FM. The event will take place Saturday, May 11.

The event begins with a parade at 10 a.m. from Franklin High School, proceeding easterly to downtown, turning on Smith Street, and ending at Odell Park. This year's theme is Everyone is VITAL for Revitalization.

A fair will be held at Odell Park from 10 a.m.-3 p.m. with vendors, crafts, food, games, amusement and entertainment.

Crafters, local businesses and organizations interested in participating in the fair or the parade should contact Jan Andrus at 603-672-1255, option 1, or Krystal Alpers at 603-934-2118. Visit [www.sau18.org](http://www.sau18.org) for the participation form.

After April 22, a \$10 late fee will be assessed if space is available.

## April is One-of-a-Kind Sofa Month

Don't settle for a sofa some other store has in stock. You get the style you want, in the fabric or leather you want, delivered promptly to your home at special order sale prices. Choose from many styles of sofas, loveseats, recliners, sectionals, chairs and sleep sofas. Select from 1,000 fabrics. Rest assured with America's best warranty!

## Hillsborough sidewalks to be built on South side of West Main Street

Scott Bourcier, an engineer with Dubois & King, updated the Hillsborough Select Board on the results of the West Main Street sidewalk feasibility study. His firm considered three possible scenarios:

1. Do Nothing; 2. Build sidewalks on the South side and 3. Build sidewalks on the North side of the highway.

A trio of factors influenced the final decision, including: West Main Street traffic totals 9,500 vehicles per day; an average of 240 pedestrians use the road daily; there are still 47 commercial lots along the road available for future development.

The 'do nothing' option obviously has no cost. Building on the South side is estimated to cost \$733,000, with North side construction estimated at \$715,000. Each option carries a 25% contingency. Because of grants, the town's portion of the project is only \$146,000, with \$132,000 already budgeted.

With most businesses located on the south side of the highway and fewer road crossings needed Bourcier recommended Option #2, the south side. After several

questions and discussion the Board unanimously agreed and authorized

Dubois & King to proceed to the design phase of the project.

Project Manager Scott Bourcier of Dubois & King briefs the Hillsborough Select Board on the West Main Street Sidewalk Project.

## HOW TO CARE FOR YOUR BABY'S TEETH

### When Should I Start Taking My Child to the Dentist?

You should make an appointment and visit your dentist soon after the first tooth comes in and no later than the first birthday. A dental visit at an early age is a "well-baby checkup" for the teeth. Besides checking for cavities and other problems, the dentist can show you how to clean the child's teeth properly and how to handle habits like thumb sucking.

### How to Care for Your Child's Teeth

It's important to care for your baby's teeth from the start. Here's what to do:

Begin cleaning your baby's mouth during the first few days after birth by wiping the gums with a clean, moist gauze pad or washcloth. As soon as teeth appear, decay can occur. A baby's front four teeth usually push through the gums at about 6 months of age, although some children don't have their first tooth until 12 or 14 months.

For children younger than 3 years, start brushing their teeth as soon as they begin to come into the mouth by using non-fluoride toothpaste in an amount no more than a smear or the size of a grain of rice. Brush teeth thoroughly twice per day (morning and night) or as directed by a dentist or physician. Supervise children's brushing to ensure that they use the appropriate amount of toothpaste.

## TAKE YOUR MEDICINE

Azathioprine, a drug used to treat inflammatory bowel disease, arthritis and vasculitis as well as to prevent organ rejection in transplant patients, has been identified as an important contributor to skin cancer development in a new research study published in *Nature Communications*. The research identified a 'strong case for an association' between the drug and the mutational signature found in cases of cutaneous squamous cell carcinoma, a common form of skin cancer.

For women aged 14-20 years, catch-up HPV vaccination—offered if American women miss the recommended vaccination series at 11-12 years — is effective against the risk of important cervical precancers if women receive all three doses, according to a population case-control study of over 25,000 people published in *The Lancet Child & Adolescent Health* journal.

For the first time in the world, researchers have demonstrated that probiotics, dietary supplements with health-promoting bacteria, can be used to affect the human skeleton. Among older women who received probiotics, bone loss was halved compared to women who received only a placebo. The research was published by the *Journal of Internal Medicine* opens the door to a new way to prevent fractures among the elderly. Brittleness of the bones, or osteoporosis, is characterized by porous and weak bones, which can cause them to break, even when subjected to low loads such as a fall from standing height. The proportion of the population with osteoporosis increases with age, and a majority of women over 80 years of age have the disease.

Kaden Parker (l) and Alexandra (Alex) Stout (r).

## New Boston Fire Dept. adds two members

At the April business meeting of the New Boston Fire Association 2 new members were voted onto the Department. Kaden Parker (l), who has been a member of the New Boston Fire Cadet program, transitioned to being a member of the Department as a regular member. Alexandra (Alex) (r) Stout was also voted on as a member. Alex's grandfather, Greg Peirce, was also a member of the NBFD, so the tradition continues on. New Boston is extremely fortunate to be able to continue to attract volunteers who are committed to the residents of New Boston and ensuring the highest emergency services continue to be available to our neighbors at a minimal cost. The ringing of the antique fire bell is a tradition that all new members experience.

## NH's 2019 Teacher of the Year Nominees

The Department of Education announced 39 candidates for New Hampshire Teacher of the Year, including seven teachers from the capital area. Matt Davis (Bow Memorial School), John Groves (Bow High School), Jan Dwinells (Weare Middle School), Melissa Gross (Paul A. Smith Elementary, Franklin), Mark Holt (Beech Hill School, Hopkinton), Tina Philibotte (Goffstown High School) and Sarah Wright (Hancock Elementary) were among the field of nominees released Wednesday. Teachers are nominated at the recommendation of school principals and administrators. The teachers then submit applications, including an essay and resume.

The New Hampshire teacher selected will be the state's candidate for a national teacher of the year award. The National Teacher of the Year program began in 1952 and is the oldest national honors program focused on excellence in teaching. Finalists will be named later this month.

## Hawthorne Academy - CHRISTIAN HIGH SCHOOL

100 Old North Branch Road, Antrim, NH 03440

**Christian do you have a heart to witness to China?**

Hawthorne has everything needed to prepare you and more. We offer College Preparatory Education for day and boarding students. Check us out at [hawthorneacademy.org](http://hawthorneacademy.org) or call (603) 588-6800 for more information.

Hawthorne Academy admits students of any race, color and national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admission policies, scholarships, athletics and other school administered programs.

# Judge denies ConVal School District's request for injunction

Cheshire County Superior Court Judge David Ruoff last week denied the Con-toocook Valley Regional School District's request for an injunction against the state, which would have provided increased millions of dollars for the school district.

ConVal claims that the state is not meeting its obligation to pay for an adequate education, as ConVal pays around \$18,000

per pupil per year, while the state only contributes about \$3,600 per pupil per year.

ConVal, joined by the Winchester School District, wanted Judge Ruoff to order payments of more than \$20 million to the two districts to make up the difference between what the state pays, and what the

districts think it should pay.

The judge's order does state that the \$3,636 grant amount is likely too low and leaves open the possibility of more money for the districts.

He will make a final determination on the merits of the case in June.

## 2 Deering vehicles broken into

Deering Police have received a report that a resident of a side road off from Old County Road reported that last evening someone rummaged through both his truck and his wife's car.

Although both cars appeared to have been thoroughly ransacked, nothing of real value was kept in the vehicles. Anyone who notices ANY suspicious person(s) skulking about and seeming to hang around places they might not have reason to, or any other type of suspicious activities, please call our dispatch center at 464-3600 so an officer can be sent to check it out.

Renovations at Hopkinton's Cracker Barrel continue at a feverish pace to meet the April 15th soft reopening.

**Armed home invasion while out on bail**

Although Goffstown Police Chief Rob Browne says he doesn't consider himself a psychic, Thursday's arrest of 36-year-old Matthew Gedney for an armed home invasion in Alexandria was predictable. "You don't have to be a brilliant mind at all to figure out that guy is just gonna get himself back into trouble and you just hope that somebody doesn't get hurt along the way," said Browne of Gedney. On March 12, Gedney, who had multiple outstanding misdemeanor and felony warrants in several towns, was released on no cash bail after being placed in custody in Goffstown for prowling and resisting arrest. "What's next for him?" asked Browne at that time. "Does he use other means of escape or resisting at a later time where other officers from our jurisdiction or another jurisdiction have to deal with him? Where is the level of potential interaction becomes escalated to a point where somebody does get hurt?" As Browne predicted, on Thursday, Gedney and 23-year-old Jessica Evans were arrested by State Police on charges that they had broken into a Lyn Avenue home wearing ski masks and stole an undetermined amount of cash at gunpoint. The pair fled the scene and attempted to hide in an empty barn where State Police Troopers, SWAT and a K-9 unit eventually located them. Following the arrest, Browne says he was contacted by Capt. Chris Vetter, head of the State Police SWAT team and an associate of Browne's, who was on scene at Gedney's Alexandria arrest.

# Goffstown Select Board approves new ambulance & increased fees

Goffstown Fire Chief Steve Tower, Deputy Chief Brian Allard, and Deputy Chief Stephen Laroche met with the Select Board to discuss the long planned Ambulance Remount. Rather than purchase an entirely new ambulance, the Board has been planning to remount the existing patient compartment on a new chassis, saving about \$100,000.

Unfortunately Deputy Allard, who has been investigating the matter, informed the Board that the current ambulance manufacturer is no longer in business, and retrofitting the current compartment to

a different manufacturer's chassis is not recommended.

The Chiefs were unanimous that, in addition to purchasing a new chassis at \$172,000, a new ambulance, with a life expectancy of 8-10 years, can be purchased for an additional \$56,000 or a total of

\$228,000.

The Board agreed but asked the Chiefs to brief the Budget Committee before giving final approval at the next Select Board meeting.

The Board also approved an increase in ambulance billing fees, effective June 1st.

Goffstown Fire officials met with the Select Board to discuss the ambulance remount.

## Around Our Towns

Joey Clark was well received at Saturday's Open Door Coffehouse in Hillsborough.

Kearsarge schools celebrated Culture Day. This year's featured country was Scotland. They sang Scottish songs and got to see the staff members get dressed like Scotsmen.

Henniker first grade readers Dena Greene, Stella Birdsey, Jordan Moores, Hattie Smith, Kiara Ouellette, Olivia Reph and the Cat in the Hat participated in New England College's "Tea for Tuesday" at the Simon Center.

Hillsborough's Boy Scout Troop 73 recently conducted a Court Of Honor.

The annual student/staff basketball game was held at Goffstown's Mountain Valley Middle School. With a final score of 57-45 the staff was on top for the second year in a row.

Henniker Fire & Rescue recently received another great donation from the Rick Hall Golf Classic.

The City of Franklin welcomed its newest Patrol Officer, Kristin Tracy. Officer Tracy is a certified officer who previously worked at Plymouth Police Department.

Goffstown's Troop 99 nearly doubled in size overnight as 11 new Scouts bridged over from Pack 99.

### Simple Holiday Hams

(Family Features) Whether you're new to hosting or simply looking for ideas to make Easter entertaining easier than ever, there are plenty of ways to save time and stress in the kitchen. Go with what you know. Trying out new recipes is fun, but it can also add stress when they don't turn out like you expected.

Take shortcuts. At the center of many Easter feasts is a ham that has been expertly cured and cooked to perfection. Even so, starting with a full-cooked ham is a shortcut that no one is likely to notice, especially if you heat it properly. Work ahead. Plan your menu to incorporate items you can make ahead of time so you're under less pressure the day of your dinner. Find more ideas to make hosting this year's Easter meal easy at OmahaSteaks.com/buy/meals/easter.

Another option for adding extra juicy flavor is a glaze, which can be as simple as dissolving three parts brown sugar into one part honey in a small saucepan. Or for a more elegant affair, consider a fruit-infused glaze to complement the savory pork.

#### A Host of Hams

If you always thought a ham is a ham is a ham, it's time to think again. From the type of meat to the smoking preparation to specialized slicing that makes serving easy, there are plenty of options to consider from a supplier like Omaha Steaks when choosing the right ham.

#### Savory

For an elegant gathering that demands premium ingredients, an all-natural Duroc Boneless Country Ham may be the answer. These hams tend to feature more marbling for an exceptionally rich flavor and texture, making for a tender, savory and juicy main course

with no basting or injection needed.

#### Smoky

Put a little flair in your Easter meal with a uniquely flavored ham like the Pecanwood Smoked Flank Ham, smoked with real pecan wood for 8 hours to add a rich yet mellow smoky flavor. This tender, juicy uncured whole-muscle ham earns its place of distinction on your holiday table. Complementary sides with subtle nutty notes, such as a sweet potato casserole, can enhance the menu even more.

#### Sweet

Each Spiral-Sliced Ham is slowly smoked with real wood up to 24 hours to infuse flavor and maximize juiciness then generously brushed with a sweet and sticky brown-sugar crust that is torch-glazed to create a flavorful, crunchy crust. It's spiral-sliced before delivery, so once it's thawed and heated, it's ready for quick service to your guests.

#### Easy Fruit-Infused Glazes: Apricot Glaze

- 1/2 cup brown sugar
- 1 teaspoon cornstarch
- 1/2 teaspoon ground ginger
- 1 cup apricot nectar, canned

In saucepan, mix brown sugar, cornstarch and ginger. Stir in apricot nectar. Cook over medium heat, stirring constantly, until mixture thickens and boils.

#### Cranberry Orange Glaze

- 1 can (16 ounces) cranberry sauce
- 1 cup brown sugar
- 1/2 cup orange juice
- 1/2 teaspoon cloves, ground
- 1/4 teaspoon cinnamon, ground
- 1/4 teaspoon allspice

In small saucepan over low heat, combine cranberry sauce, brown sugar, orange juice, cloves, cinnamon and allspice; simmer 5 minutes, before serving.

District 7870 held the Semi-Finals of the 4 way test speech contest last week, with 13 contestants participating. The finalists will go to the Annual District Conference in Danvers, MA at the end of the month to compete for scholarship awards. Pictured are: Front Row, left to right: Sarah Scott, Hollis/Brookline; Lily Gibson, Henniker; Grace Conard, Nashua; Maria Anton, West Jaffrey/Rindge; Shelby Maston, Merrimack; Hannah McFadden, Newport. Back row: Elise Lowne, Bow; Ahmad Faraz, Springfield, VT; Jeffrey Lam, Nashua; Patrick Quinn, Hopkinton, Jenna Tshida, Goffstown; Hannah Desmarais, Derry; Peter Bittman, Concord.

## Gaines recipient of MacDowell Medal in Peterborough

California artist Charles Gaines is the recipient of the 60th MacDowell Medal, an annual honor awarded by the MacDowell Colony. Gaines will be on hand for the medal ceremony, slated for Aug. 11 in Peterborough.

"When I received the phone call telling me I was selected, I really couldn't believe it," Gaines said. "I think I still don't."

Born in 1944 in Charleston, S.C., he attended an Arts High School in Newark, N.J., and did undergraduate work at Jersey City State College. He then earned an M.F.A. from the School of Art and Design at the Rochester Institute of Technology in 1967. In the 1970s, Gaines' work shifted in response to what he would later call "the awakening."

This epiphany materialized in a series called "Regression (1973-1974)," in which he explored the use of mathematical and numeric systems to create soft, numbered

marks in ink on a grid, with each drawing built upon the calculations of the last, according to a statement from MacDowell.

Gaines quickly became a pivotal figure in the field of conceptual art, with a body of work engaging formulas and systems that interrogate relationships between the objective and subjective realms,

MacDowell said in a statement.

Gaines is a member of the CalArts School of Art faculty. He has been the subject of numerous exhibitions in the United States and internationally, and his work is in prominent public collections.

"Charles Gaines is many things: an influential teacher, a provocative and powerful writer and curator, a talented drummer, and, of course, a highly renowned and celebrated visual artist," said Ann Philbin, Medalist Selection Panel chair and director of The Hammer Museum at UCLA.

# Sports

## BASEBALL

**Campbell 7, Hillsboro/Deering 2:** The Hillcats were off to a good start in the first inning with Jordan Berrocales and Edwin Figueroa crossing home plate but were unable to continue the momentum. Gunner Hagstrom pitched 4 innings striking out 7, Edwin Figueroa finished the game with 4 strikeouts in 2 innings. Sophomore Owen Coombs gave the team its first RBI followed quickly by Kevin McCaffrey's. The Hillcats look to rebound against Bishop Brady on Friday.

**Derryfield 9, Goffstown 6:** In Manchester, Derryfield led, 7-1, at halftime. The Cougars (1-0) received two goals and an assist from Jon MacLean while teammates John Anderson and Chas Dean each added a goal and two helpers. Derryfield goalie Ryan Caparelli made five saves. Nick Mason had a hat trick, Griffin Cook logged two goals and an assist and Grady Chretien made 10 saves for Goffstown (0-1).

**Bow 13, Pembroke 3:** In Pembroke, Nate Cassidy and Hayden Drew each had two hits for the Spartans, who made five errors in Bow's six-run second inning.

## SOFTBALL

**Bow 12, Pembroke 7:** In Pembroke, Bow pitcher Lauren Colby struck out 10 in the complete-game win. For Pembroke, Olivia McCarty had three hits, and Kayla Paquin and Brooke Davison notched two hits.

**Campbell 15, Hillsboro/Deering 0:** In Litchfield, Marissa Carignan pitched a complete game, giving up two hits and a walk with five strikeouts. Alexa Robert hit a two-run homer, Riley Gamache had a triple and Chloe Steiniger notched a double.

**Merrimack Valley 14, Hollis Brookline 0:** The Pride took a 3-0 lead in the top of the first of its season opener, and when Hollis Brookline tried to answer with runners on first and third in the bottom of the first, Merrow threw out the runner trying to steal second and the runner from third did not score. MV then opened things up with four runs in the second and four more in the fourth.

**Hopkinton ahead with 3, Laconia 0 runs bottom of third, game suspended:** Although Blanchette was in control on the mound, the game was scoreless in the 3rd. Back-to-back singles by Megan Kimball-Rhines and Blanchette and a walk loaded the bases for Meserve. She singled, scoring a run, an overthrow scored another run, and Meserve scored on a wild pitch to make it 3-0. Carlson lofted a fly ball to the right-center gap and there was a massive collision between the outfielders. After a lengthy delay to treat the players, the game was suspended.

## LACROSSE

**St. Thomas 8, Merrimack Valley 7:** The Pride went down by three goals early before battling back, but the lead was a little too much to overcome.

### Stark students learn about Biofabrication

Students at John Stark Regional High School had the opportunity to learn about the various careers in Biofabrication with representatives from Advanced Regenerative Manufacturing Institute (ARMI) headquartered in Manchester this week. Students packed the room to learn more about the decell-recell technologies that are being developed in the hopes of being able to create human tissue and organs for transplantation in the future. They also learned about the companies, non-profits, and academic and training institutions that are studying this technique. As part of the presentation, John Stark students performed a hands-on experiment using decell-recell technology. Utilizing "hearts" made of agar-agar, students observed as they first decelled the hearts and then recelled them (making the "hearts" go from red to a pale-whitish and back to red). The process is being developed to create a heart that is a perfect cellular match for transplantation for the more than 2,500 people who receive a heart transplant each year.

### 4th & 5th graders design mom's jewelry

For more than 25 years, M.J. Harrington Jewelers has hosted their popular "Mother's Day Contest" and this year is no exception. The family-run, 71-year-old business extends an invitation to selected area schools for all of their Grade 4 and Grade 5 students asking that they participate in the contest which is supervised by their teachers. The students are encouraged to design and draw a pin or pendant to honor their mother or another special lady in their lives. To add color to their creations, Harrington's provides a list of semi-precious gemstones from which the artists may choose. The goldsmiths at M.J. Harrington Jewelers hand-make exact replicas of the winning designs in sterling silver and the selected gemstones.

## Henniker Rotary announces the 2019 Janice H. McElroy Scholarship applications

Rotary District 7870 is pleased to announce the availability of a scholarship in memory of Janice H. McElroy, who served as District 7870 Governor during Rotary Year 2011-2012. Governor McElroy, of Henniker, was instrumental in securing, after the devastation of Hurricane Irene, a Rotary International grant of \$412,000 to help southern Vermont to rebuild.

The Janice H. McElroy Memorial Scholarship is made possible due to donations from friends, colleagues, and Rotary Clubs throughout District 7870, covering southern Vermont and southern New Hampshire.

Prior to her death in 2014, Jan McElroy requested that any donations received in her memory be dedicated to establishing a scholarship fund for non-traditional students.

The recipient must be a person who is 21 years of age or older and has completed high school or earned a GED. There must be at least a three-year gap between graduating from high school and full-time college attendance, or a record of part-time college for three years after graduating from high school.

The scholarship funds may be used for expenses at a four-year or a two-year college, or at another type of accredited institution, such as a technical or vocational program. The amount of the scholarship award varies but will be a minimum of \$1,000. For more information contact Sandra McGonagle, mcgonagle@metrocast.net. Deadline for sending in applications is April 15, 2019.

# HENNIKER FARM & COUNTRY STORE

110 BRADFORD ROAD • HENNIKER • 428-3255 • Mon.-Fri. 8-6 Sat. 8-5 Sun. 9-1

A check in the amount of \$20,017 for the Subaru Share the Love program, was presented by Mark Johnstone, President of Belknap Subaru to Lisa and Chuck Drew from ECIO.

## Belknap Subaru Shares the Love with Every Child is Ours

Mark Johnstone, President of Belknap Subaru, with his staff, and John Hayes, and Bill Bergeon, representing Subaru of New England, presented a check to Lisa and Chuck Drew of Every Child is Ours. The organization was presented a check for \$20,017.

The money was raised by Belknap Subaru's Staff, and customers, selecting the local charity to receive donations under Subaru's National Share the Love Program.

Mark Johnstone thanked their customers for participating. "I'd also like to recognize our sales staff at the dealership

for creating the awareness of the critical work done by Every Child is Ours in the Lakes Region." Said Johnstone, "This is an amazing partnership, customers, local business, and Subaru, coming together to do the right thing for this amazing group." Bill Bergeon, District Sales Manager, for Subaru of New England, expressed his excitement for the annual program, and acknowledged the company's delight in being able to help fund local organizations, and be a part of the community.

Belknap Subaru selected Every Child is Ours as its local partner, and customers

could also select from their choice of the following charities: ASPCA®, Make-A-Wish®, Meals on Wheels Association of America®, and the National Park Foundation. From November 15, 2018 to January 3, 2019, Subaru donated \$250 for every new Subaru vehicle sold, or leased, to the customer's choice. Belknap Subaru contributes additionally to ECIO!

Said Lisa Drew of ECIO, "We are extremely grateful for the support provided by Belknap Subaru, their efforts will help us continue our mission, serving children and families in the communities we serve!"

## Retired mechanic needs a refresher

### CarTalk Ray Magliozzi

For two years, my husband (a retired mechanic) had been driving my old 2003 Blazer two days a week. It has 135,000-ish miles on it. It has a coolant leak, so he only drove it around town — no more than a 20-mile round trip. He says he smells antifreeze when he drives it, but he doesn't see any puddles or leaks, and he doesn't think it's the heater core.

Cut to a month ago. My son (almost 40, so not a dumb kid) was visiting from out of state and drove the car about 5 miles to a friend's house. Hubby warned him to keep an eye on the gauges and explained the situation. Needless to say, a loud banging started in the engine while my son was driving. He immediately pulled over and called home. Hubby told him to cautiously drive home so he could look at it. Hubby then announced that it's my kid's fault that the engine threw a rod. Then a week ago, Hubby tries to start the truck and ... no banging, no puddles, oil level is good. Your best guess as to a diagnosis? Thank you.

— Angie

### My diagnosis is that Hubby's mechanical skills need refreshing.

In retirement, they've clearly fallen behind his Mahjong skills. If the truck started up and ran quietly last week, it never threw a rod. More likely, it severely overheated. If Hubby didn't keep the coolant topped up, or if the leak got suddenly worse while your son was driving (perhaps at 85 miles an hour), there may have been so little coolant in there that the engine overheated violently. And the steam that's created when the coolant boils is what makes that hammering sound. It's like the

knocking sound that steam radiators make when there's air in your home heating system. The question now is: How much damage was done to the engine when it overheated? To find out, the first thing to do is to top up the cooling system. It's probably empty or near empty. Once the cooling system is full, run the engine until it gets up to operating temperature.

Then do an oil pressure test. Hubby probably still has an oil pressure gauge somewhere. Often, when an engine overheats severely, it damages the engine bearings. And an engine with damaged bearings won't be able to hold oil pressure. That's the kiss of death. Or, as they call it in the junkyard business, "new inventory." So if the engine flunks its oil pressure test, then throw a jug of coolant onto the passenger seat, and hope the Blazer can make it to the nearest junkyard. If the oil pressure is OK, then you dodged a bullet, and you can probably salvage this heap, Angie.

And the next step would be to figure out where the coolant is leaking and fix it. It could be the water pump, a hose or even the heater core, despite Hubby's earlier dismissal. But whatever it is, he should fix it now. There's a good reason you're not supposed to drive around with a serious coolant leak. And you guys have just had a front row seat to it.

If it's something expensive, like a head gasket, a cracked head or a cracked block, Hubby might decide it's not worth fixing. And we'd probably agree with him. But if it's something relatively simple, he should fix it instead of risking the engine and jeopardizing the family peace at Christmas dinner.

## Henniker Chamber of Commerce sponsors Annual Clean-Up Day

The Henniker Chamber of Commerce is sponsoring a Henniker Community Spring Clean Up Day on Saturday, May 4 from 10am-1pm.

The chamber is looking for businesses, organizations and residents to help with the clean up. If this is something that you can help with, please send an email to [RSVP@hennikerchamber.org](mailto:RSVP@hennikerchamber.org) with your company/group name/family name and number of people attending. The Henniker Chamber of Commerce will donate \$100 to the team/group with the largest number of people to check-in and check-out as a team/group.

Volunteer Check-In starts at 10 am at the Henniker Community Center for as-

signments, trash bags and gloves. Volunteers are encouraged to wear a t-shirt with their organization's name on it and to bring their own gloves, hat, sunscreen and safety vest, if possible.

Following the clean-up efforts will be a FREE barbeque for all participants on the lawn at the Henniker Community Center with food provided by the Henniker Chamber of Commerce.

The Newport American Legion Auxiliary, American Legion Post 25, and Sons of the American Legion have pledged a combined total of \$6250 for the new community center. Accepting the pledges is Recreation Director P.J. Lovely.

Hillsboro-Deering Support Staff Local # 6219 spent their Saturday morning cleaning up the on /off ramps off of Henniker Street! 34 bags of garbage were collected.

### Elderly man injured in Peterborough crash

Arthur Brasley, 91, of Rindge was taken to the hospital last Wednesday after crashing his vehicle in Peterborough. Brasley was traveling south on Route 202 near the Jaffrey town line when his 1994 Mercury drifted off the road, Peterborough Police Chief Scott Guinard said Wednesday afternoon. The Mercury struck a dirt mound on the side of the road, causing extensive damage. Brasley was taken to Monadnock Community Hospital in Peterborough to be checked for injuries. Guinard said the crash may have been caused by a medical issue, but he wasn't sure.

### Goffstown Police investigate untimely death

The Goffstown Police are investigating the untimely death of an adult male found adjacent to the power lines near Louis Street. Like all untimely deaths that occur in our town (15-20 annually), the Police Department, along with the assistance of the State Medical Examiner's Office investigates to determine if there is anything of a suspicious nature. It was quickly determined that there was nothing suspicious in this matter. We are actively trying to contact the next of kin for this victim.

### Police investigating six Northfield break-ins

Northfield Police are looking for a burglar they believe is responsible for at least six break-ins overnight. Two of the break-ins were in locked homes while residents were sleeping inside, and one was caught on video by a home security system. Kim Robichaud said she and her husband are unnerved after video from their home security system showed someone getting inside their Northfield home twice overnight. Police said they are investigating at least two home and four vehicle break-ins. They said money was taken, but no one came into contact with the burglar.

## Weare Board of Fire Wards recognizes Steve Roberts for his service

On April 8, 2019, Steve Roberts was recognized for his service to the Board of Fire Wards. Mr. Roberts' previous career firefighter experience combined with his acuity as an engaged citizen proved invaluable in the evolution of the Fire Rescue Department to meet the service demands of the community.

During his nine years on the Board, the Department has changed from the traditional volunteer response model to one that combines both part-time and on-call employees to answer fire and medical calls.

Mr. Roberts stepped down as Chair in March 2019.

The Weare Board of Fire Wards presented Former Chairman Steve Roberts with a commemorative plaque at their April meeting.

## Deering man's criminal complaint backfires on him, past catches up

Deering Captain Thomas Cavanaugh took a report from a subject complaining about a fraudulent tax return issue. While investigating that, Capt. Cavanaugh uncovered information that the complainant had been messaging and calling a female who was the victim in a Criminal Bail Protective Order issued against the complainant following a Domestic Violence Assault arrest that occurred in March.

Further investigation showed that the complainant of the tax fraud had actually instructed the female party to complete the family taxes for him, so the complaint reporting a fraudulent tax return was patently false in nature. Following the investigation, warrants and complaints were issued, and on April 3, 2019, Captain Cavanaugh did

arrest Michael Chouinard, age 31, of Reservoir Road in Deering, NH.

### TOWN OF ANTRIM ROAD CLOSINGS

Due to the replacement of West Street Bridge, West Street at the intersection of Jameson Avenue to the intersection of Main Street (Route 31) will be closed from April 22, 2019 through November 1, 2019. Please seek an alternate route. We apologize for any inconvenience this may cause.

## MONDAY APRIL 15

**ART SCHOLARSHIPS:** Do you have a talented student or know of one? Center for the Arts is looking for qualified applicants for their 2019 Scholarship Program. These scholarships are awarded to students who are pursuing any area of the arts (literature, drama, dance, music or the visual arts). Funded by the generosity of CFA members and the community, scholarships are available in three different categories: Students in grades 7-12, Adult Artists and Lang Memorial Scholarship for seniors attending college who are pursuing the arts. Interested students can find more information and applications on line at centerfortheartsnh.org. The deadline for applying for Grades 7-12 is May 1 and April 15th for Seniors entering College in 2019.

**HILLSBOROUGH SENIORS:** Tying the Quilts GHSS assists two quilters who donate their pieces to the Concord

Hospital. Tying is a labor intensive task and we like to support these contributions. Members are all welcome to tie, chat and visit with friends. Meet us at 10 a.m. at St. Mary's Church.

## TUESDAY APRIL 16

**DEMOCRATS MEET:** The Goffstown Democrats Committee will hold its monthly meeting at 6:30 p.m. at the Goffstown High School. Tyler Sweeney, NH Director of the Concord Coalition, will address the attendees. The Concord Coalition is a nationwide, non-partisan organization which advocates for generationally responsible federal fiscal policy. The Concord Coalition was founded in 1992 by the late former Senators Warren Rudman (R-NH), Paul Tsongas (D-Mass), and former U.S. Secretary of Commerce Paul Peterson. Any questions can be sent to Marie Morgan, Chair, Goffstown Democratic Committee, goffstowndemocrats4nh@gmail.com.

**PROJECT GROW:** Hopkinton Town Library - Project GROW - Hopkinton School District - Family Support Team sponsored showing of Resilience and Panel Discussion, 6:30pm-8:30pm. The movie and discussion will provide insight into the work of the District in becoming a Trauma Sensitive School. Please consider attending.

**STATE BUDGET:** Antrim's State Representatives and the State Budget. The Antrim-Bennington Lions Club will be hosting Antrim's state representatives for a discussion of the New Hampshire state budget. The program will begin at 7pm at the Antrim Presbyterian Church, 71 Main Street with comments from our representatives. Then we will move into a question and answer session.

**NEW UNIFORMS:** Baseball, T-Ball, & Softball uniform hand out at the Henniker Grange. If your child's last name begins with the letters A-M, stop by between 5pm - 6pm; N-Z, stop by between 6pm - 7pm. Please note: This is the only uniform pick time. If you can't make your time slot please ask a friend to pick up for your child.

**ADVANCED DIRECTIVES:** Free Advanced Directives information session, from 2-4pm at Franklin VNA & Hospice, for people of all ages. Learn about what Advance Directives are, why people of all ages should develop their advance directive and how to have a conversation with your loved ones. Advance Directive packets will be available to complete there or take with you. Call 934-3454 for more information.

## Brian Patch

NEWBURY — Brian Patch, 61, living in Newbury, passed away unexpectedly Sunday evening, leaving behind his family much too early. Brian is predeceased by his mother, Claire in 1999 and father, Arnold in 2010, as well as his father-in-law, William Crowder in 2014. He is survived by his wife, Lisa after 33 years and his two sons, Stephen (Amanda) and Andrew (Rory); his brother, Keith (Cindy); sister, Leann (James); his Aunt Jane (Frank), Uncle Kenneth (Aunt Maggie); his four nieces, Claire, Meaghan, Payson, Jessica; and four nephews, Alex, Ben, Tyler and Gavin. He also leaves behind his mother-in-law, Patricia Crowder and two brothers-in-law, Brent (Anita) and Billy. In lieu of sending flowers, people may make donations to the Headstrong Project @ [getheadstrong.org](http://getheadstrong.org) or Granite State Dog Recovery @ [granitestatedogrecovery.com](http://granitestatedogrecovery.com).

## Pauline M. Allen

BOW - Pauline Mary (Marteka) Allen, 83, passed away Sunday March 31, 2019 with her loving family by her side at her home in Bow, New Hampshire. Pauline was born in Whitinsville, Massachusetts to her loving parents, the late Anthony and Mary (Novak) Marteka. In addition to her parents, and sister, Patricia and brother, Anthony, Pauline was predeceased by her husband, Virgil Grant Allen. In lieu of flowers the family would like donations to be sent to Concord Regional Visiting Nurses Association Hospice Program in Concord, New Hampshire.

ceased by her beloved husband, Ted; her father, Robert Pearson Jr; her brother, William Pearson and her sister-in-law, Susan (Allen) Pearson. She is survived by her mother, Elizabeth Pearson; her siblings, Robert Pearson III, Marjorie Blanchette, Paul Pearson, Jon Pearson and their spouses as well as her 12 nieces and nephews and 23 great nieces and nephews. In lieu of flowers, donations may be made to the Webster Historical Society, 1215 Battle Street, Webster, NH 03303.

## Cathy (Gagne) Wyrenbeck

The Town of Henniker NH is inviting bid pricing for crack sealing miscellaneous roads in Henniker with hot rubberized crack sealer. Bid proposals must be on company letterhead clearing stating price and specifications. Bids must be sealed and marked, "Crack Sealing 2019" and be delivered to Town of Henniker Town Hall, 18 Depot Hill Road, Henniker, NH 03242 by April 29, 2019 at 12:00 PM, when they will be opened publicly and read aloud. Contact person: Leo Aucoin, Highway Superintendent 603-428-7200.

Locations: with approximate miles:

1. Flanders Road - 1.9 miles
2. Snowshoe Road - .2 miles
3. Gulf Road to Butter Road - .7 miles
4. Quaker Street - .9 miles
5. Ridgetop Lane - .25 miles
6. Craney Hill Road - .9 miles
7. Diamond Drive - .25 miles

Certified traffic control personnel and signage to be provided by contractor, with the understanding that emergency vehicles and school buses will not be delayed.

The Town of Henniker requests that the work be performed by the successful bidder's own personnel. Any subcontractors must be pre-approved by the Road Agent.

Bid price proposals must be on company letterhead clearly stating the price per mile, per day. The bid price shall include all increases for the duration of the contract with a completion date of June 30, 2019. No request for increase in contract price shall be entertained by the Town of Henniker.

All work to be done under the direction of the Highway Superintendent. The Town of Henniker reserves the right to modify road lengths. Additional work may be added by the Town.

The contractor will be required to provide an insurance certificate confirming the following insurance coverage; worker's compensation insurance as required by the State of NH; broad-form comprehensive general liability insurance in the amount no less than \$1,000,000 combined single limit per occurrence; and motor vehicle insurance to include bodily injury, property damage, uninsured motorist and employer's non-ownership coverage in the amount no less than \$1,000,000 combined single limit per occurrence. The Town of Henniker shall be named as an additional insured on all policies.

The Board of Selectmen reserves the right to reject all bids and issue a new Request for Bids if less than three bids are received. The Board of Selectmen also reserve the right at their sole discretion to reject any and all bids, wholly or in part, to waive any informalities or any irregularities therein, to accept any bid even though it may not be the lowest bid, to call for rebids, to negotiate with any bidder, and to make an award which in its sole and absolute judgment will best serve the Town's interest.

Bidders shall bid to specifications. However, deviation from specifications may be made but any exceptions must be noted. A bidder submitting a bid thereby certifies that the bid is made in good faith without fraud, collusion, or connection of any kind with any other bidder for the same work; and that the bidder is competing solely on his/her behalf without connection with or obligation to any undisclosed person or firm.

The minutes of the meeting at which the selection is made shall indicate the bid selected and the factors upon which the selection was made. All major bids submitted must specify time frame of bid quote amount and must guarantee bid amount for a minimum of thirty (30) days from bid opening date. This requirement must be included in all advertisements and written specifications issued by the Town of Henniker. Any increase in cost estimates following bid award or signing of a contract shall be absorbed by the bidder.

## TOWN OF HENNIKER REQUEST FOR PROPOSAL

### WHEELED (Rubber Tire) EXCAVATOR

The Town of Henniker NH is inviting bid proposals for the purchase of either a new or used Wheeled (Rubber Tire) Excavator. Bid proposals must be on company letterhead clearing stating price and specifications. Bids must be sealed and marked, "Rubber Tire Excavator" and be delivered to Town of Henniker Town Hall, 18 Depot Hill Road, Henniker NH 03242 by April 15, 2019 at 12:00 PM, when they will be opened publicly and read aloud. Contact person: Leo Aucoin, Highway Superintendent 603-428-7200.

Minimum bid specification

- All bids to be accompanied with manufacture spec sheet
- Front mounted dozer blade and rear outriggers, operating weight of 38000 lbs., single piece boom of 14'9" and 8' dipper arm, hydraulic bucket pin grabber coupler.
- 24" Heavy duty trenching bucket, 36" Heavy duty digging bucket, 63" Hydraulic tilt bucket, 3 tine hydraulic main pin thumb
- Engine must meet all EPA tier 4 final emissions standards and made by the manufacture of the excavator
- Auxiliary factory hydraulic lines (hammer line and flow control)
- Auxiliary factor hydraulic lines (able to run thumb and tilt bucket simultaneously)
- Rotating LED beacon
- Lifetime frame warranty
- Dimension: Overall width 8'4", Overall length 24'7", Overall height of boom 10'11"
- Tail swing radius of 5'8"
- Each wheel to have dual 10.00-16PR tires with stone protection ring between tires
- Excavator shall have rearview and side view cameras fully visible through the machine's color monitor
- Fuel tank shall hold a minimum of 50 gallons and DEF tank shall not hold less than 6 gallons
- Inside Ladder
- Central lubrication system
- Operator and Maintenance Manual to be included

The Board of Selectmen reserves the right to reject all bids and issue a new Request for Bids if less than three bids are received. The Board of Selectmen also reserve the right at their sole discretion to reject any and all bids, wholly or in part, to waive any informalities or any irregularities therein, to accept any bid even though it may not be the lowest bid, to call for rebids, to negotiate with any bidder, and to make an award which in its sole and absolute judgement will best serve the Town's interest.

Bidders shall bid to specifications. However, deviation from specifications may be made but any exceptions must be noted. A bidder submitting a bid thereby certifies that the bid is made in good faith without fraud, collusion, or connection of any kind with any other bidder for the same work; and that the bidder is competing solely on his/her behalf without connection with or obligation to any undisclosed person or firm.

The minutes of the meeting at which the selection is made shall indicate the bid selected and the factors upon which the selection was made. All major bids submitted must specify time frame of bid quote amount and must guarantee bid amount for a minimum of thirty (30) days from bid opening date. This requirement must be included in all advertisements and written specifications issued by the Town of Henniker. Any increase in cost estimates following bid award or signing of a contract shall be absorbed by the bidder.
