

# HOMIEfront

Your monthly guide to Homes & Home Improvement

---

**Homefront**, The Messenger's monthly supplement, for home owners in need of services or those seeking a new home, has expanded again. A copy is included in this week's Messenger.

With 18,500 copies distributed the third Friday of every month from Tilton to Claremont, from New London to Peterborough, from Manchester to Keene and all towns in between, your goods and services are marketed to a greatly expanded customer base.

No other publication gives you the market penetration, shelf life and reader loyalty that the Messenger/Homefront combination offers. Our Rate & Distribution sheets are attached. Homefront runs again the third Friday of next month. To be included, give Mary at call at 800-281-2859 or email her at [quill-sales@tds.net](mailto:quill-sales@tds.net).
