Music teacher honored

Kearsarge Regional Middle School

Chorus Teacher Susan Berlenbach, a 37 year veteran, has been named the New Hampshire Music Educators Association (NHMEA)

Distinguished Music Educator of the Year. Berlenbach teaches sixth, seventh and eighth grade chorus, general music classes and small group voice lessons at Kearsarge Regional Middle School.

Covid mask maker

Caroline Holbrook is a 4th-grade student in Mrs. Bodine's FACs class at Center Woods Upper Elementary School.

During remote learning, Caroline learned how to make a mask for herself.

Top woman athlete

H-D senior soccer captain Madison

Jones has been awarded the 2020 Under Armour Women of Will graduation award! BSN Sports has partnered with Under

Armour in honoring an outstanding female student-athlete from each participating school, with this award. Madison was chosen based on a variety of criteria: Athletics, Academics, Sportsmanship, Leadership, and Community Service. Great Job! Maddie is planning on attending NHTI to study law enforcement.

The Messenger salutes not only the brave men and women of the Henniker Police Department, but the officers of all our area Departments. Thank you for keeping us safe.

Police Appreciation Week

Our Hometown Heroes are often under appreciated

In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. Since the first known

line-of-duty death in 1786, more than 21,000 U.S. law enforcement officers have made the ultimate sacrifice.

During National Police Week, we at The Messenger were especially grateful for the bravery and dedication of the men and women who serve to keep our towns safe and strong. Especially during these difficult times. Thank you for all you do!

Plans to open Hillsborough & Washington schools in Fall

Planning for the 2020-2021 school year is an extraordinarily complex endeavor. The District Leadership Team has designed a structure for the re-entry planning process.

The District Leadership Team composed of SAU and Building Administration, the Facilities, Technology, and Food Service Directors, the District Nurse, and the Grant Managers will meet weekly from this point forward.

Three Tasks Forces are being formed to plan for the potential scenarios we will face in the fall. Using this approach will allow each Task Force to focus in depth on their scenario. The task force leaders will report out their

work each week at the District Leadership Team Meetings.

The principals and assistant principals are Task Force Leaders. The three scenarios are:

- Full Return to Campus
- Full Remote Instruction
- Hybrid

It is essential that all stakeholder voices are part of that process.

In addition to the task forces we will survey all stakeholder groups and we will also form advisory councils of stakeholder groups who are willing and available to respond to additional surveys and questionnaires as needed.

Six Hopkinton budgets offered - all six plus SB2 & Teachers contract defeated

Over 1,400 voters participated in the Hopkinton School District's drive by voting on Saturday. In a unique system, designed to preserve openness during the Governor's Stay-At-Home order, voters were given six alternative budget levels to vote on.

All six failed to receive a majority vote. The complete results are as follows:

Question 1: to approve the proposed rules of the meeting: Yes: 1,283 to 106. The moderator's proposed procedures and rules are hereby adopted and counting the vote continued.

Article 2: to adopt SB2 form of government: Yes: 744, No 660. This Article required 60% to pass. The yes votes were 53.0%. Article 2 Fails to reach 60% and therefore fails.

Article 3, Motion 1: to amend the proposed operating budget to \$19,533,045: Yes: 616, No: 789. Article 3 Motion 1 fails. Counting then continued to Article 3, Motion 2.

Article 3 Motion 2: to amend the proposed operating budget to \$20,033,045: Yes 523, No 878. Article 3 Motion 2 fails. Counting continued to Article 3, Motion 3.

Article 3, Motion 3: to amend the proposed operating budget to \$20,533,045 (the so-called "flat budget"): Yes: 640, No 762. Article 3, Motion 3 Fails. Counting continued to Article 3 Motion 4.

Article 3, Motion 4: to amend the proposed operating budget to \$21,000,000: Yes 498, No 901. Article 3, Motion 4 fails. Counting continued to Article 3, Motion 5.

Article 3, Motion 5: to amend the proposed operating budget to \$21,616,331: Yes 247, No 1,154. Article 3, Motion 5 Fails. Counting continued to Article 3 as proposed.

Article 3, as proposed: Yes 617, No 786. Article 3 Fails. Because we do not

have a default budget and no budget was approved, the meeting will be recessed for Article 3 only.

Article 4: the teachers' contract: Yes 688, No 707, Article 4 failed.

Article 5: should Article 4 fail, then can a special meeting be called to consider a new teachers' contract: Yes: 856, No 536. Article 5 passes.

Article 6: the teamsters' contract: Yes 808, No 580. Article 6 passes.

Article 7: Special meeting: Because Article 6 passed, Article 7 is moot and needs no vote.

Article 8: the general contingency fund: Yes 681, No 712. Article 8 fails.

Article 9: the School District Repair and Maintenance Fund: Yes 794, No 600. Article 9 passes.

Article 10: the Special Education Expendable Trust Fund: Yes 826, No 570. Article 10 passes.

Article 11: the Replacing School District Vehicles Capital Reserve Fund: Yes 741, No 656. Article 11 passes.

Article 12: No additional comments were received on Article 12. With this, the Moderator recessed the 2020 Hopkinton School District Meeting to Saturday, May 30, 2020, at 8:30 am, at the Hopkinton Middle High School for voting on Article 3, the Operating Budget.

Hopkinton's Drive-By Voting drew such a large turnout that the line of cars resembled those on the way to Gillette Stadium for a Patriot's game, stretching from the backside of the High School to the Mobil Station.

Henniker Community Concerts to commence June 30th

Ruth Zax, Chair of the Henniker Community Concert Committee met with the Select Board to review plans for the 2020 concerts. The number of concerts has been reduced to eight, beginning June 30th. Pats Peak is providing snow fencing to encircle the park, allowing only a single entrance. Limited seating with social dis-

tancing will be enforced. Attendees will be encouraged to wear masks and no vendors will be allowed at the concerts. The hours have been changed to 6:30-8:00 p.m. In case of rain the concert will be canceled, without moving into the Community Center as in the past. The Board unanimously approved the plan.

Unfortunately this scene may not be repeated this year, cheating 2020 graduates out of one of the most memorable occasions of their young lives. Nevertheless, we join our readers in congratulating the Class of 2020 and wishing them a bright future.

Hillsboro-Deering planning a traditional graduation on July 31st

After reviewing the data from the parent and student questionnaires around graduation we are officially setting graduation for Friday, July 31.

The last day for students that are 100% completed with all their work is May 29. In order for seniors to participate in the graduation ceremony,

they need to fulfill all their graduation requirements by Friday, June 12.

We know when making these decisions we cannot accommodate everyone's needs and wants but we are working hard to provide the best possible celebration for our students and families during this horrible unprecedented time.

For seniors only, we have scheduled chromebook and other materials drop off for Tuesday, June 16 from 9am-3pm at the high school. If any seniors have things in their lockers, we will escort them individually into the building to get their things. The rain date for drop off will be Wed., June 17 from 9am-3pm.

GUM DISEASE LINKED WITH HIGHER RISK OF HYPERTENSION

Dr. Esin Narli-Trangaris

People with gum disease (periodontitis) have a greater likelihood of high blood pressure (hypertension), according to a new study. Researchers observed a linear association—the more severe periodontitis is, the higher the probability of hypertension. The findings suggest that patients with gum disease should be informed of their risk and given advice on lifestyle changes, such as exercise and a healthy diet, to prevent high blood pressure.

High blood pressure affects 30-45% of adults and is the leading global cause of premature death, while periodontitis affects more than 50% of the world's population. Hypertension is the main preventable cause of cardiovascular disease, and periodontitis has been linked with increased risk of heart attack and stroke.

Previous research suggests a connection between periodontitis and hypertension and that dental treatment might improve blood pressure, but to date the findings are inconclusive.

This study compiled the best available evidence to examine the odds of high blood pressure in patients with moderate and severe gum disease. A total of 81 studies from 26 countries were included in the meta-analysis.

Moderate-to-severe periodontitis was associated with a 22% raised risk for hypertension, while severe periodontitis was linked with 49% higher odds of hypertension.

Regarding potential reasons for the connection between the conditions, gum disease and the associated oral bacteria lead to inflammation throughout the body, which affects blood vessel function. Common genetic susceptibility could also play a role, along with shared risk factors such as smoking and obesity.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

The use of antibiotics drives the development of antibiotic resistance, a major threat to public health worldwide. But these drugs also carry the risk of harm to individual patients, including children. According to a new analysis published in the *Journal of the Pediatric Infectious Diseases Society*, antibiotics led to nearly 70,000 estimated emergency room visits in the U.S. each year from 2011-2015 for allergic reactions and other side effects in children. Most of the visits (86 percent) were for allergic reactions, such as rash, pruritus (itching), or angioedema (severe swelling beneath the skin). The risk of a visit varied by child age and type of adverse drug event. Forty-one percent of visits involved children in this age group. Amoxicillin was the most commonly implicated antibiotic in adverse drug events among children aged 9 or younger, while sulfamethoxazole/trimethoprim was most commonly implicated among children 10-19 years old.

According to new research from the University of Illinois at Chicago, about one in five children regularly use prescription medications, and nearly one in 12 of those children are at risk for experiencing a harmful drug-drug interaction. The findings from the study, which is published in the journal *Pediatrics*, indicate that adolescent girls are at risk of potential adverse events due to drug-drug interactions, or DDIs. The researchers found that nearly 20 percent of children had used at least one prescription medication. Analysis also showed that medication use increased with age, from 14 percent in children younger than 5 years to 22 percent in adolescents 13 to 19 years. The most common medications were respiratory agents and psychotherapeutic agents. Respiratory agents, used primarily in the management of asthma, included bronchodilators and leukotriene modifiers. Psychotherapeutic agents included CNS stimulants and antidepressants.

H-D Board supports teachers & restaurants

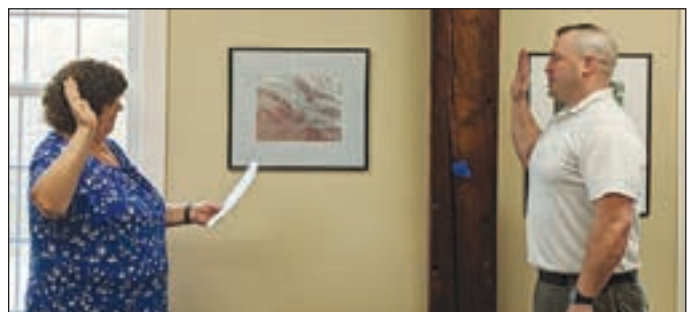

Superintendent Bob Hasset opened his recognitions portion of the meeting by telling the H-D School Board how much he appreciates the H-D Teachers and Staff. Later the School Board voted to send each person a \$15.00 gift certificate/card to one of Hillsborough's many restaurants. Not only does this show their appreciation for all the work they've done, but also supports the restaurants in a time when it is most needed.

Goffstown Rotary Club Car Show Sept. 19

The Goffstown Rotary Club has rescheduled its annual car show fundraising event to Saturday, September 19, due to current CDC guidelines on public gatherings. It will be held in Parson's Field, in Goffstown, from 9 a.m. - 2 p.m., with free admission for the general public. The Goffstown Rotary Club services Goffstown, Weare, New Boston & Dunbarton. Funds raised go back into the community in form of student scholarships, local grants, and other events for the benefit of its community. Meetings are currently being held virtually, but as always, guests are always welcome to attend.

87th Annual NH Craftsmen's Fair is virtual

The nonprofit League of N.H. Craftsmen has decided to hold its 87th annual Craftsmen's Fair in an online format this year, rather than in person at the Mount Sunapee Resort as usual, because of the COVID-19 pandemic. The virtual fair will run from Aug. 1 to 9 and include online videos, interviews, classes and demonstrations. More information will be available at the League's website, nhcrafts.org.

Weare Select Board rescinds its reprimand of Town Clerk Maureen Billodeau

Weare Town Clerk, Maureen Billodeau met with the Select Board asking that the Board rescind the letter of reprimand sent to the Governor and Secretary of State chastising her for performing a wedding at the Town Hall before a wedding party of 15 people.

She explained that a couple had made an appointment to get a marriage license. They arrived, in a downpour, with their parents, fully clothed and expecting to get married. After approving the license, she had extra time before the next appointment so she allowed the parents to enter and she married the couple in a 5 minute ceremony with only 7 people in the room.

Initially Board members countered that there were other people in other parts of the hall, thus exceeding the 10 person limit. In addition, they were adamant that they had closed the Town Hall and that, while it was OK to allow the couple in to get the license, she exceeded her authority to conduct the wedding.

Member Sherry Burdick suggested that has the letter was in error as there were not 15 people at the wedding, the Board should rescind it and send another with

the correct information.

Member Rick Hippler went even further, citing the fact that the Board was in violation of the Governor's order and its own rules, as there were 9 people at

the meeting with another 5 in the hall. He called the situation just another misunderstanding in the mist of Covid confusion, and moved to rescind the letter all together. His motion passed unanimously.

Weare Town Clerk Maureen Billodeau makes her presentation to the Select Board.

Town to confer with NEC on student return

Reacting to a story about NEC reopening on August 24th, a resident asked the Henniker Select Board if the college had contacted or consulted with the Board on the potential Covid-19 impact of the students returning to town. When Administrator Joe Devine reported that no contact had been made, Vice Chair Tia Hooper asked him to invite President Michelle Perkins to the next meeting. In other business, the Board approved receipt of three separate Covid grants, and approved a contract with Checkmate HCM to provide payroll services. Public hearings were held on sidewalk seating and the proposed Construction Fee Ordinance. Sidewalks were put off for a 3rd reading, while Construction Fees were approved.

Hillsborough Police respond to 3 accidents

May 9: responded to Melody Lane for a single car accident where a vehicle struck a utility pole. The driver was Warren Cobb, age 51 of Hillsboro. There were no injuries in the accident. The pole was damaged and had to be replaced. Cobb was arrested for DUI.

May 14: responded to the intersection of Route 9 and West Main Street for a motor vehicle accident where a single vehicle struck a guy wire for a utility pole. No injuries in the accident. The operator was Alice Gay, age 23 from Brattleboro, VT. Gay was charged with operating after suspension.

May 15: responded to a two car motor vehicle accident at the intersection of Route 9 and 31. There were no injuries in the accident. The operators of the vehicles were Steven Cote, age 60 of Hillsboro and Alison Casparro, age 20 of Hillsboro.

Select Board adopts three-phased plan to reopen Henniker

Town Administrator Joe Devine presented the Select Board with a plan for "Reopening Henniker," in which the town will implement a phased-in approach to return employees to the work environment and in its opening of town facilities to the public during May and June.

This three-phased plan will be carefully implemented to ensure the health and safety of all team members and the public.

- Beginning May 26th, the town will cease utilizing staggered shifts and telework for all employees but Town Offices will remain closed to the public. All Town public meetings will continue to be held remotely via technology.

- Beginning June 1st, Town Offices will re-open for scheduled appointments

ONLY. The public will be allowed into the building for these appointments following the enhanced safety protocols.

The Board of Selectmen will begin meeting together again but will continue to use technology to include the public at this time.

- Beginning June 15th, Henniker Town Offices will open back up to the public while continuing enhanced safety protocols.

- Beginning July 1st, The Board of Selectmen will begin holding public meetings again without technology.

Little known facts give Memorial Day a new perspective

Memorial Day is much more than just a three-day weekend and a chance to get the year's first sunburn. It's a time to remember the men and women who sacrificed their lives for their country. Here are some facts to give the holiday some perspective.

1. Memorial Day was a response to the unprecedented carnage of the Civil War, in which a total of some 620,000 soldiers died between both sides. The loss of life and its effect on communities throughout the country led to several spontaneous commemorations of the dead.

2. General John Logan, the speaker at the Carbondale gathering, was also commander of the Grand Army of the Republic, an organization of Union veterans. On May 5, 1868, he issued General Order No. 11, which set aside May 30, 1868 "for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion." The orders expressed hope that the observance would be "kept up from year to year while a survivor of the war remains to honor the memory of his departed comrades."

3. The holiday was long known as Decoration Day for the practice of decorating graves with flowers, wreaths, and flags. The name "Memorial Day" goes back to

1882, but the older name didn't disappear until after World War II. It wasn't until 1967 that federal law declared "Memorial Day" the official name.

The Boy Scouts of Troop 2, along with the Myers-Prescott-Olson American Legion Post #50, placed US flags on the graves of all the veterans in all five Antrim cemeteries Wednesday.

Publisher's Perspective

One veteran's challenge to America's youth

Twice each year we pause to honor those who served in our armed forces. On Memorial Day, we honor those who paid the ultimate price and gave their lives defending our country. Veteran's Day is dedicated to all veterans who served America at the expense of their personal safety.

Some call us heroes - We are not! Some say we were brave - We were not!

America's veterans are ordinary men and women of whom much was asked in extraordinary times; who overcame their fears to serve a nation that gave them so much; and who fought not for glory but out of a sense of duty to defend this great continuing experiment in democracy and personal liberty we call America.

I served in Vietnam and was away from my friends and family for one year. Some of my colleagues who fought WWII were gone for 3 or 4 years and recently our troops in Iraq and Afghanistan are serving extended or multiple tours of duty.

How can today's younger generation get a true sense of what War is like? Imagine for a moment you are a track athlete and you can go home after running in 100 meets. Trouble is most runners die by the 33rd meet. That's what fighter pilots faced in Vietnam. They could go home after flying 100 combat missions, but the odds were they would be shot down before the

33rd.

We have a special mission for members of the Student Council. The only problem is that for every ten of you who go on this mission, eight will be killed. That's what happened to the Rangers who took the cliff's over Normandy, or the bomber pilots who flew the raids over the German oil fields during WWII.

The Soccer team will suffer only 20-30% casualties on their next mission, the best odds yet.

But, the reward for surviving that mission is that you get to go on another with the same odds, and then another and another. Just like the Marines who fought at Guadalcanal, Korea, Viet Nam, Iraq or Afghanistan.

They knew the odds before they went but they went anyway.

Could you do the same? Would you? If you survive that experience you are a different person. Your whole outlook and philosophy of life changes in ways others will never understand.

With luck and God's grace, you will never have to experience that, but you can still honor those who have. Soon the future of America will be in your hands. When your turn comes, honor it, improve it and pass along a better life to your kids. That's all the thanks any veteran could ask.

Letters to the Editor

Miss Wrubel, while reading your letter to the editor, I have one thing to say to you. I will NOT wear a mask for you or anyone else. You are under the idea that the mask stops things. It may, but it will also cause the person who wears it grief. You do realize that when you breath in oxygen, you breath out carbon dioxide. Yet if you have a mask on your breathing that back in. It's about as bad as breathing in fumes from a muffler. Think about that. And for your information some of us can't use them because we can't breath with them. So if your that afraid of catching it instead of letting your immune system work for once, then my suggestion is to stay at home until this virus is gone. Let the rest of us LIVE!

Cecile Brown, West Deering

Attention Hillsborough area Churches Fraternal Organizations Restaurants etc. Eventually you will be allowed to meet in larger than 10 people at a time, but the virus will still be with us. Please, please go to NH.gov official website and at the top of the page click on covid-19 page and then on the right side of the page click on the free masks. Don't wait until the last minute rush when there might be a shortage or at the very least, a long wait. DO IT NOW!!!

Antrim mother needs our help

Holly Frosch of Antrim is 29 weeks pregnant with her second baby girl, and was just diagnosed with stage 4 cancer. An online raffle is being held on June 7th to raise money for the family. Raffle donations are greatly appreciated, and will be posted in this group. Then the day of we will go live showing each raffle item. If you are interested in the item you will need to comment underneath the live video and write how many tickets you would like. Then pay via Venmo, which is linked directly to the Bank of NH Holly Frosch Fund. We will then write your name on the ticket. Next we will do another live video showing the winners. People who do not have access to Facebook and still want to participate can write a check out to

Holly's mother Stephanie Frosch. If you would like to donate just monetarily the fundraiser page is <https://www.facebook.com/donate/4390303530995448/> or you can visit any Bank of NH and Donate to the Holly Fund. Please invite your friends and share. If you have any questions contact Kelsey Jean Emilee Hyland Sullivan or Kristen Marie Grendell.

Hancock selected to test new technology

The Town of Hancock has been selected as the test site for a new technology designed to supply internet to areas of town with limited or no coverage. Consolidated Communications representative Rob Koester informed the Select Board that the company is planning a rollout in late summer or early fall. The experimental technology could serve as a solution for the town's underserved homes. Telecommunications Committee member Tim Theberge said the company wanted to field test it in Hancock because of its good rapport with the committee. The COVID-19 pandemic has delayed the project as it is currently unadvisable to go door to door to install it. Consolidated hopes to resume the project in late summer or early fall.

Contoocook, Henniker Washington & Hillsborough Farmers Markets

Area Farmers Markets are opening soon. Henniker opens on the 21st, Hopkinton & Washington on the 23rd and Hillsborough's on the 30th. They will be working hard to keep everyone safe. Please do YOUR part to protect your community! Stay healthy. Be kind. Love local.

Farmers' Market Covid-19 guidelines:

- Please wear a mask.
- Hand sanitizer available, please apply when you enter and exit.
- Maintain 6 ft distance at all times.
- Only vendors will touch available products for sale.
- No demos or product sampling.
- Pre-packaged/prepared food should be taken to-go and enjoyed at home.
- Reusable bags are OKAY, but do not put bags down on table surfaces. Single-use plastic bags available as well.
- Vendors will have alternative payment options (credit card, Venmo, PayPal) to reduce cash transactions.
- We encourage one shopper per household to limit number of patrons.

No pets. If possible, keep kiddos at home so that social distancing can be properly maintained.

No live music. Please don't linger, and

no fun! -- KIDDING, we're really looking forward to seeing everyone but ask that you leave the market promptly. Thank you so much for your continued support!

ConVal School District schools planning graduation celebrations

ConVal's graduation ceremony is currently scheduled for June 13th. Originally that date was scheduled as a traditional graduation, but has also been tentatively

scheduled as an in-person event in August, with details still under discussion.

ConVal plans to celebrate graduates of the eighth grade on May 29, and

fourth grade graduates on May 28 and 29. Principals of individual middle and elementary schools are planning their own celebrations.

PUBLIC NOTICE SUPERVISORS OF THE CHECKLIST

The Hillsborough Supervisors of the Checklist will be in session on **Saturday, May 30 from 10:00-10:30am** for the purpose of registering new voters in the **Emerald Lake Village District** prior to their voting on June 7. The session is to be held at the Emerald Lake Village District office at 147 W Main St., Hillsboro, NH. Please bring a government issued photo ID, proof of birth, and proof of residence. Only residents of Emerald Lake Village District are allowed to vote at their elections.

PUBLIC NOTICE HILLSBOROUGH SUPERVISORS OF THE CHECKLIST

The Hillsborough Supervisors of the Checklist will be in session on Tuesday, June 2 from 7:00-7:30pm at the Town Office to be available for people to change their party affiliations. This will be the last day registered voters are allowed to change their party affiliation prior to the September 8, 2020 State Primary. Registered voters wishing to confirm their current party affiliation may do so via the State of New Hampshire Voter Look Up system. <https://app.sos.nh.gov/Public/PartyInfo.aspx>

In accordance with Emergency Order #43, pursuant to Executive Order 2020-04 as extended by Executive Orders 2020-05 and 2020-08, residents wishing to make changes to their party affiliation may do so by completing a State of New Hampshire Application to Change Party Affiliation form and returning it to the Town Clerk's Office on or before Tuesday, June 2, 2020.

PUBLIC NOTICE EMERALD LAKE VILLAGE DISTRICT 2020 ANNUAL MEETING SATURDAY, JUNE 6, 2020

The Emerald Lake Village District will hold its 2020 Annual Meeting on Saturday, June 6, 2020. Drive-through voting for officials will be held 10:00 a.m. until Noon at the District Office, 147 West Main Street, Hillsborough. The Deliberative Session of the Annual Meeting will begin at 12:30 p.m. the same day. Based on the Governor's Executive Order No. 12 concerning COVID-19 and District meetings, it is expected that the deliberative session of the Annual Meeting will be held virtually (online) from that location. The District Commissioners anticipate that approval of the final wording of each warrant article will occur during the virtual deliberative session beginning at 12:30 p.m., followed by actual voting on Articles on paper ballots at a date and time to be scheduled. These procedures will be subject to approval by the Annual Meeting as provided by RSA 40:4, I, and any laws or Executive Orders governing District meetings. Detailed instructions and log-in information will be posted at the kiosks within the District, at the office, and online on the website (elvdnh.com) and the Facebook page (ELVD Official - Hillsborough Group). **The last opportunity for voter registration will be during the 10:00 a.m. until Noon period on Saturday, June 6, 2020.**

PUBLIC NOTICE HILLSBORO-DEERING SCHOOL DISTRICT 2020 NOMINATIONS FOR THE RICHARD W. WITHINGTON AWARD

The Richard W. Withington Award is granted to a member of the Hillsboro-Deering School personnel; a teacher, administrator, secretary, custodian, aide, coach, activities director, or other full or part-time employee of the District.

The recipient should be recognized as an ambassador of the school into the Hillsborough community, a person who has strived for and achieved excellence, contributed significantly to the general welfare of the students in ways above and beyond the normal requirements of their job, offered students and adults a model of strong professional behavior and carried this model from the school into the community. Recognition and respect in the Hillsborough community as a representative of the Hillsboro-Deering School District is a key component.

Please submit nominations in writing to:

Mr. Robert A. Hassett, Superintendent of Schools at rhassett@hdsd.org or mail to his attention at SAU #34, P. O. Box 2190, Hillsboro, NH 03244

Deadline for nominations: Monday, June 1, 2020

The Withington Award is determined annually in an amount of at least \$1,000 by a Grant Committee consisting of a representative of the public, currently Douglas Hatfield, the Chairperson of the Hillsboro-Deering School Board, and the Superintendent of Schools.
