My Sincere Apology - But

It appears that last week's lead headline, "Covid-19 Outbreak at HDHS" has stirred up a hornets nest. Although Facebook received as many "likes" as critical comments, in hind sight, I regret my choice of words. Perhaps "Covid-19 confirmed at HDHS" would have been more appropriate. I never intended to sensationalize the subject, but it apparently offended many of you and for that I apologize. I did intend to raise the level of awareness and concern, and now with a 2nd confirmed case, (See page 4), 31 students and staff quarantined and the High School and Alternative High School shifted to Remote Learning, I believe that was justified. I hope to serve you better in the future

In years past, Center Woods Elementary students would travel to the fire department for a tour during Fire Prevention Week. This year, due to COVID restrictions, a firehouse visit couldn't happen. That's when the Weare Fire Department came to the rescue. Weare Fire Lieutenant Wayne Meattety and Firefighter and AEMT Amanda Charest arrived in a Weare fire truck so individual classes could come outside for a tour of the truck and fire equipment as well as an explanation of various fire safety tips.

Lions Senior Dinner survives

Covid-19 precautions force change to Take Out Only

A Hillsboro tradition continues for the 44th year, as the Hillsboro Lions Club hosts its Annual Senior Citizens Dinner.

Begun in 1976 by the Hillsboro Area Jaycees, the local Lions took over the project when the Jaycees disbanded. This year's event is scheduled for Saturday, November 14th at the American Legion Hall on West Main Street.

A FREE full turkey dinner will be served from 1-3 pm. Unfortunately, Covid-19 precaution will not allow the normal sit-down service. The club has adapted to provide take-

out service as well as delivery in Hillsboro and Deering, for those who can not attend.

Last year's attendees consumed ten 20 lb. turkeys, 36 lbs. of green beans, 75 lbs. of squash, 30 lbs. of onions and 16 dozen dinner rolls, not to mention the stuffing, gravy, pickles, olives, cranberry sauce, along with 17 pumpkin pies, cider and coffee. The event is not limited to Hillsboro residents as seniors from adjoining towns are welcome to attend. The Lions have never turned anyone away, there will be plenty of food. Any questions? Call Lions President Leigh Bosse at 464-3388.

New London Recreation Commission briefs the Select Board

The New London Recreation Commission held a joint meeting with the Select Board Monday evening to discuss going forward in light of the Director's resignation. Commission Chair Justin Garzia outlined the various programs and activities, classifying those the Commission wants to retain and those which might be shared or surrendered to other organizations.

He stressed that the care, upkeep and management of the beaches, dock and boats are essential functions to be retained by the commission and a new director. Annual events such as the Strawberry Festival and Winter Carnival could be supervised by other organizations. He urged retaining management of the skating rink and trails but felt many after school programs and the Summer Day Camp could best be run by others.

Commissioner Carol Kinzler stressed the importance of the Summer Day Camp and urged that it not be given up without a smooth transfer to another group.

Member Lindsey Harkins said that while the town should maintain its funding level, a reallocation of funds and

project sharing would be worthwhile.

Selectwoman Nancy Rollins encouraged further discussion about a new location for the Recreation Department,

increased partnership with other groups like the Outing Club and SAU and the possibility of a shared Director for the department and the Outing Club.

The New Boston Police Department is seeking information or witnesses who may have observed a group of 3 individuals that are responsible for trespassing and criminal mischief (vandalism) at a residence on McCurdy Road.

FOOTBALL

H-D/Hopkinton 22 ,Pembroke 13: Jack Morrall had 115 total yards and two touchdowns for Hillsboro-Deering/Hopkinton (59 yards rushing, TD; 56 yards receiving, TD). Morrall added an interception on defense for the Redhawks. Mike Oberheim had 126 yards passing and two touchdowns. Dylan Barrett had 75 yards rushing and John Jacobsen had a 54-yard touchdown reception. Both teams are now 3-1 in Division II.

BOYS SOCCER

Hopkinton 5, Hillsboro-Deering 0: Garrett Fitzgerald scored twice and Quinn Whitehead, Ethan Molnar and Rory Campbell added goals as Hopkinton rolled.

GIRLS SOCCER

Pembroke 4, Hopkinton 2: Ashley Brehio gave Hopkinton a quick lead with two goals in the first five minutes, but the Spartans got one back before halftime and then scored off two Dorr corner kicks in the 43rd and 44th minute to take control on the way to the win.

Hopkinton 3, Hillsboro-Deering 0: Hopkinton built a 2-0 lead in the first half and finished the scoring in the final minute of the game. Keegan St. Cyr and Emily Fleegle combined for the shutout.

John Stark 2, Hillsboro-Deering 1: The Generals took a 1-0 lead in the eighth minute before Eva LaValley tied it up in the 23rd minute. The Generals found the game winner a few minutes later when they pounced on a loose ball in the box.

Merrimack Valley 4, John Stark 1: Colby Mefford and Diana Stafford combined to give Stark a 1-0 lead with just two minutes left in the first half. MV's Boucher tied things up 15 minutes into the second half.

FIELD HOCKEY

Bishop Brady 4, John Stark 0: Brady came alive in the fourth quarter with two goals from Libbey Hicks and another from Margaret Sheehan

Division III Preliminary

Hopkinton 5, Mascenic 0: Five different players scored for the Hawks – Natalie Allen, Meggie Haley, Isabella Upton, Rose Finlayson and Madeline Maughan.

2nd Covid-19 case confirmed at HDHS

H-D officials have confirmed a 2nd case of Covid-19 by a high school student, resulting in the quarantine of several more students and staff, including the entire girl's soccer team, and forcing the high school to remote learning until close contacts can be identified and notified. In addition, the elementary school has been shifted to remote learning because of a lack of staff.

Henniker Report dedicated to Doug Paul

The Henniker Select Board agreed with the suggestion of Vice Chair Tia Hooper who would like to dedicate this year's Annual Town Report in Memory of Sgt. Doug Paul, a Henniker resident who lost his battle with cancer on October 3, 2020. Sgt. Paul served in the U.S. Navy and later came to the Henniker Police Department. He was hired in 1980.

Henniker Select Board considering enforcement of state building code

The Henniker Select Board is considering adoption of the enforcement mechanism behind the State Building Code. At Tuesday's meeting Town Administrator Joe Devine outlined four potential options:

1. Continue issuing zoning permits and do not issue building permits (residential or commercial).
2. Continue with not enforcing the building code, but utilize the NH Fire Marshal's Office to conduct inspections on commercial properties and residential properties (excluding 1 and 2 family residences).
3. Adopt RSA 647:51. After the adoption the Town will not be able to use the Fire Marshal's Office, but could use 3rd party inspections. The applicant signs an agreement to pay for the inspection services for which they charge \$105.00 - \$135.00/hr.
4. Go all in, which includes adopting the enforcement mechanism for the building code, hiring staff to manage the department and establishing a budget with revenues. By choosing this method the town would have a building inspector on staff to deal with permits, plan review, and inspections. An ordinance would be required to move forward to the planning board for public hearing and then Town Meeting.

After further discussion, the Board voted to authorize the Town Administrator to facilitate a collaboration between the NH Fire Marshal's Office and the Town of Henniker to conduct inspections on commercial

and multi family properties, and directed the formation of a committee to draft an ordinance for a Henniker Building Code so the town can take the first steps in the adoption of RSA 674:51.

Newbury Fire Rescue trained this month on auto extraction, the cutting open of severely damaged cars to rescue the trapped occupants. Firefighters trained with hydraulic rescue tools, also known as the "Jaws of Life" to open damaged doors and even remove the roof of a damaged car. A Newbury resident donated a junk car.

Jack's wife Linda stands by the Little Library.

"Jack's Little Library" dedicated in Weare

The Friends of the Weare Public Library honored Jack Davis, its former chairman, who passed away a year ago. As the Chairman of the Friends, he put his heart and soul into helping others to see the benefit of volunteering for the library. He was a tireless worker in helping make the Friends' annual book sale a success. With his dry wit and humor, he met and greeted folks who brought and bought books to and at the sale. Jack is greatly missed. To honor him, the Friends have erected "Jack's Little Library" on East Road in the front of the old part of the library. "Jack's Little Library" is a depository of books available to the public and free for the taking. It's a small way to remember the contributions Jack Davis made to the community and the Friends of the Weare Public Library.

SAU #24 to pass along \$1,603,986.13 savings to Henniker, Weare, and Stoddard

Two factors played a role in the school districts of Henniker, Weare, John Stark, and Stoddard to have the ability to return a combined total of \$1,603,986.13 to their respective towns in unreserved fund balances. First, the health insurance rate

came in lower than the Guaranteed Maximum Rate (GMR) the budget was based on. Secondly, school closures in March due to Covid-19 resulted in savings in utilities and transportation. The post-March savings continued to increase with the decision to keep any spending to a minimum for fear the pandemic could worsen and there would be unforeseen purchases needed.

The breakdown by school district:

- Henniker School District \$301,495.68*
- Weare School District \$689,306.56*
- John Stark District \$418,174.94*
- Stoddard School District \$195,008.95*

“Reducing this year’s school tax rate is the good news,” said SAU 24 Superintendent Jacqueline Coe. “The reality, though, is that now even if we bring forward totally flat budgets for all districts in the 2021-2022 school year, the school rate will go up in comparison to the newly reduced tax rate for 2020.” “We want community members to understand the choices we are making right now and the needs that we will have in the future.” “We are hopeful that we will receive additional funding from the State. The Governor announced last week that more COVID money will soon be released to the districts,” concluded Coe.

Weare Police are asking for the public's help to find Manuel Soares, 37, missing since late last month. Anyone with information about the disappearance is asked to contact Weare Police Lt. Frank Hebert at 603-529-7755.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

The general public largely views the use of cognitive enhancers such as Adderall as an acceptable practice when used by adults in the workplace, suggests a new study published in *AJOB Neuroscience*. The researchers, however, found that acceptability of that use depends on several factors, including framing and who is taking them. Researchers found that people are more likely to accept the practice when it's positively framed - such as referring to cognitive enhancement as "fuel" versus "steroids" - and when the users are neither students nor athletes. While there is limited evidence to support the claims that cognitive enhancers improve a healthy person's cognition and mental performance, there are known side effects and risks associated with abuse, such as dependence and in some cases, cardiovascular issues. Still, misuse continues to rise among adolescents and adults, with millions of Americans misusing them with the intent to boost productivity or alertness, recent studies have shown.

New research published in *Lipids* showed that people who have peripheral artery disease (PAD) have a lower Omega-3 Index compared to those who don't have the disease. PAD is a disease that affects the blood vessels outside the heart and brain. Evidence from other studies suggests that omega-3s affect many steps of the atherosclerotic process. More specifically, they improve endothelial function; promote vasodilatation through relaxation of smooth muscle cells; exert antioxidant, anti-inflammatory, and antithrombotic actions; delay development of plaques and increase their stability; and decrease wall stiffening. Because PAD is essentially atherosclerosis of the leg arteries, researchers in this study believe that patients with PAD may have an omega-3 fatty acid deficiency.

HABITS THAT WRECK YOUR TEETH—PART III

Dr. Esin Narli-Trangaris

Drinking Coffee

Coffee's dark color and acidity can cause yellowing of the teeth over time. Fortunately, it's one of the easiest stains to treat with various whitening methods. Talk to your dentist if you're concerned about discoloration of your teeth.

Opening Stuff With Your Teeth

Opening bottle caps or plastic packaging with your teeth may be convenient, but this is one habit that makes dentists cringe. Using your teeth as tools can cause them to crack or chip. Instead, keep scissors and bottle openers handy. Bottom line, your teeth should only be used for eating.

Playing Sports Without a Mouth Guard

Whether you play football, hockey, or any other contact sport, don't get in the game without a mouth guard. This is a piece of molded plastic that protects the upper row of teeth. Without it, your teeth could get chipped or even knocked out when the action gets rough. Self-fitting mouth guards may be purchased at a store, or you can have one custom made by your dentist.

Chewing on Pencils

Do you ever chew on your pencil when concentrating on work or studies? Like crunching on ice, this habit can cause teeth to chip or crack. Sugarless gum is a better option when you feel the need to chew. It will trigger the flow of saliva, which can make teeth stronger and protect against enamel-eating acids.

Quick response quells Bradford chimney fire

On Saturday October 17th at about 8:00 p.m. Bradford Fire and Rescue was dispatched along with automatic mutual aid to a residence on West Road in Bradford for a reported building fire. First arriving engine found nothing showing but kept all units responding. After an inspection of the residence it was determined that there was a working chimney fire, with a heavy amount of smoke in the building. All fire was contained to the chimney. The Henniker, Warner, Washington, Sutton, Newbury and New London fire departments along with Bradford Police, CAPAREA 1 and Concord Dispatch provided assistance.

Peterborough First Responders quarantined

The Peterborough Fire & Rescue Department has announced that four (4) members of the department have tested positive for COVID-19. This past week one firefighter developed symptoms consistent with COVID-19 and was tested. Upon receiving a positive test result, he notified the department, which began the process of identifying those members with whom he has had close contact. Subsequently three (3) additional members have tested positive, two of whom are asymptomatic. Beginning with the initial confirmed case, and following the State of New Hampshire's First Responder Unprotected Exposure Guidelines there are 12 members who are currently in quarantine or isolation. In a press release Chief Ed Walker said, "Despite the providers we have out, with over 60 members on our roster we remain confident that we can continue to deliver the same level of high service that our customers have come to expect from Peterborough."

New London Police seek public's help in identifying this hateful sign's perpetrator

On Monday, October 19, 2020, the New London Police Department received several complaints regarding a vehicle that was parked over the weekend at a local shopping center in New London. The vehicle had materials and a sign affixed to the front of the truck, which was the genesis of the complaint. This matter is currently being investigated by the New London Police Department. The New London Police Department has also been in communication with the Merrimack County Attorney's Office and the Civil Rights Unit at the New Hampshire Attorney General's

Office. The police reassured the public that they do know about the complaint and are investigating it.

The New London Police Department takes all matters of this nature very

seriously, and will conduct a thorough investigation.

Anyone who has information on this matter is encouraged to call the New London Police Department at (603) 526-2626.

Former Peterborough Rec Director sues town

Jeff King, Peterborough's former recreation director, is suing the town for wrongful termination and lack of due process. King's suit was initially dismissed, but the Judge gave him time to file an amended complaint. It now alleges that Deputy Town Administrator Nicole MacStay argued with King, who was a leader in the local Scout program and had integrated his Scouting activities within the recreation programs, over his Scouting activities. In his suit, King claims that "In 2018, MacStay adamantly demanded that such Scouting activities be severed from the Recreations Department." In its answer, the town claims that while there was a discussion about not mixing his volunteering with his professional duties, there was no heated argument.

ConVal's tents removed from district schools

The ConVal School District's tent controversy won't go away, but several of the tents have. Earlier this month, it became apparent that the larger 400 square foot tents lacked the required permitting documents. In a press release, ConVal Superintendent Kimberly Rizzo Saunders said that she asked Greenfield's Monadnock Tent and Event to remove all of the un-permitted tents. The smaller 20-by-20, being used daily, were to remain. However, over the weekend of Oct. 10 and 11, the company removed six 20-by-20 tents from four different ConVal schools without permission. "We are deeply disappointed in the actions of Monadnock Tent and Event. The district has engaged counsel regarding the seizure of the tents the district had been able to utilize, and will update the community regularly," she wrote. ConVal's suit seeks to recover \$220,236.99 in total damages.

Concord Hospital to acquire LRGHealthcare

LRGHealthcare announced that the organization is beginning the legal and regulatory process of filing for Chapter 11 bankruptcy. LRGHealthcare also announced that it has received an offer from Concord Hospital regarding a potential acquisition of the assets of Lakes Region General Hospital, Franklin Regional Hospital and the Hospitals' ambulatory sites. These announcements come at the end of a more than year-long process by LRGHealthcare to find a solution to maintain access to local health care services and stabilize the system's financial position.

Main Street Warner buys Masonic Lodge

Through a generous community effort, on September 25th, 2020, MainStreet Warner, Inc. purchased the former Harris Masonic Lodge at 17 Church Street (near Simonds School). This will provide the community with a fabulous indoor venue for future concerts and performances, a meeting place for workshops, a commercial kitchen, and partnering with the Warner Area Food Pantry to better meet the needs of Warner families all year round.

Nothing is Scariier than Spreading COVID-19 this Halloween

- Stay home if you are not feeling well.
- Consider wearing a mask over your nose and mouth when trick-or-treating and handing out treats.
- Avoid large gatherings or parties and find ways to trick-or-treat while staying at least 6 feet away from others, including when handing out and accepting treats
- Practice frequent hand cleaning - bring a bottle of alcohol-based hand sanitizer with you while trick-or-treating, and use it often.

For Motorists

- Drive slowly and stay alert.
- Watch for children walking across the street or at intersections.
- Enter and exit driveways slowly, keep eyes out for children.
- After dark, keep eyes out for trick-or-treaters in dark clothing.
- New or inexperienced drivers should avoid driving after dark on Halloween.

Trick-or-Treating

- Adults should accompany young children while they are out.
- Walk on sidewalks, not the street. Use crosswalks when crossing the street.
- Always travel in familiar, well-lit areas and stay in groups.
- After dark, carry a flashlight or glow stick to increase visibility.

Publisher's Perspective

Loudon Republicans and Democrats gathered together on October 10th to celebrate civility in politics. On the same date, we hosted a Unite America Rally to denounce the Politics of Hate. Local Republicans showed up in force, but Hillsborough Democrats couldn't be bothered.

Two Worth Voting For

Are you sick of politics as usual? Be honest — of course you are. You, like me, have been disillusioned by the duplicity of career politicians who say anything to get elected and then ignore us for the remainder of the two-year election cycle.

Take heart, change is coming. Voters in Antrim, Bennington, Frankestown, Greenfield, Greenville, Hancock, Hillsborough, Lyndeborough, Wilton and Windsor have the opportunity to support a pair of new, non politicians who are seeking seats in the NH House of Representatives.

I only met Riché Colcombe and Jim Creighton about a year ago, but, in that short time, have come to know them as remarkably talented individuals, who after retiring with impressive resumes, have dedicated themselves to giving something back.

Riché Colcombe grew up as one of eleven children, in a single income home. She learned, at a young age, to have a strong work ethic, and always be open to learning. In her 25-year career in the HVAC industry, she advanced from being a secretary to Vice President and General Manager before retiring in May 2018. Since retiring, she volunteers as an Alternate Trustee with Fuller Public Library in Hillsborough, an active Board Member with

the Greater Hillsborough Area Chamber of Commerce, Treasurer/Secretary for the Greater Hillsborough Republican Town Committee, Treasurer for Back In The Saddle Equine Therapy Center and with NH's Granite State Ambassadors.

Retired Army Colonel Jim Creighton is the Chief Executive Officer for Eagle Point Global Solutions, LLC, an organization dedicated to developing leadership skills and helping to resolve some of the world's most difficult challenges. He has coordinated and executed high level discussions in Northern Iraq, Russia, China, Pakistan, India, Afghanistan, Turkey, Berlin, and many other locations. He aims to develop locally derived practical solutions to difficult problems. He also co-founded Ursa Major Northeast Guides to bring wilderness adventures and leadership experiences to veterans, youth, and others. Jim was elected as a Supervisor of the Checklist in Antrim. Jim and his wife Lieutenant Colonel (Retired) Tamasine Wood-Creighton chose to settle in Antrim, New Hampshire in 2015 after 30 years in the Army. New Hampshire's independent and self-reliant people, healthy business environment, natural beauty, and Live Free or Die attitude were some of the attributes that led to a tremendous decision to settle in New Hampshire.

We are fortunate that these two talented but humble people have dedicated themselves to restoring the NH Advantage and making NH the best place to live, work and raise a family. Please give them your vote on November 3rd.

Letters to the Editor

Dear Editor:

This year I'm really pleased to have candidates that I can vote for enthusiastically. Susanne F. White is one of them. She's running for State Representative for the District 1 towns of Hillsborough, Antrim and Windsor. She has obviously given some thought to what our towns need and is suggesting positive action to make all our lives better. She is for economic development in the area, for affordable housing, for a technical school, for a community center, and that's just the start. She hopes to use her expertise as a mediator, Planning Board member and local volunteer to bring D1 towns together with state and federal funding sources to solve problems.

Based on the Republican mailings I've been getting this year, they are only about preventing new taxes. I've seen very little evidence of any fresh thinking or any recognition that New Hampshire has to compete in the 21st century.

I'm thrilled to have a chance to vote for a candidate who is positive and forward thinking. Please join me in November and vote for Susanne F. White.

Norma Webster, Hillsborough

Dear Editor:

Marjorie Porter has been a member of our Hillsborough community for 35 years. She raised her children here, taught many of our children, and serves in the State Legislature on our behalf. Recently some of her political signs were defaced with swastikas. There has been little said publicly by political or civic leadership about this attempt to spread hate and further sow political discord.

I would expect community leaders to speak up when any member of our town is targeted with hateful symbols. Even though there are differences in political views, I urge our leaders, including newspaper editors, to call for respect for everyone in our community. Acceptance of such extremist behavior can exacerbate political tensions, which would not benefit our community.

Mellen Duffy Tanamly

Apparently you missed the fact that Joyce and I were the ones sponsoring the Unite America Rally for the express purpose of condemning the Politics of Hate and it was Ms. Porter who refused to attend. LDB

SENATOR RUTH WARD (R) NH SENATE DISTRICT 8

"It has been an absolute honor representing the people of District 8 in the NH State Senate for the past four years. I believe that over that time, we have done so much great work including stopping the Democrats' job-killing income tax, creating the first statewide full day kindergarten program, protecting our Constitutional rights including our Second Amendment, and working to provide property tax relief through fiscal restraint

and returning money to the towns. I have worked hard to be responsive to my constituents and make sure that your concerns are heard and addressed in Concord. If re-elected I promise to continue to be a strong voice for our community. I hope that I have earned your vote in November."

DENISE ROCARDI (R) NH SENATE DISTRICT 9

"I am running for the NH Senate because I want to be a voice for everyone in District 9. I know that Granite Staters can do better than the divisive rhetoric and the lack of leadership we have seen from our current Senator, Jeanne Dietsch. I have the skill, the knowledge and the work ethic to get real results for our community. When the Covid-19 pandemic struck our state, I created a volunteer network called Bedford Cares to help those stuck indoors. As

Vice-Chair of Bedford Town Council, we proved that by passing a responsible budget and keeping spending low, we can keep property taxes in check. I want to bring this community-focused, fiscally conservative mindset to the Senate and help do the same at the state level. I am 100% pro-life, 100% Second Amendment and I will never, ever support an income or a sales tax. Please check out denisefornh.com for more information. Thank you, and I hope to earn your vote!"

JIM FEDOLFI (R) NH HOUSE DISTRICT 1

I am running for reelection to the N.H. House of Representatives in Hillsborough District 1, the towns of Hillsborough, Antrim, and Windsor, and I ask for your vote. This has been a very hard year for all of us because of the pandemic, hard for families, businesses, students, and teachers. We are all struggling and many people have lost loved ones. Nothing I can do will heal that hurt, and my heart goes out to all who are struggling

emotionally and economically. I want to work to help rebuild our economy, help my constituents cope with government programs in our State, protect individual rights and provide assistance to those who need it. Let's maintain the "New Hampshire Advantage," because New Hampshire is a wonderful place to live, work, and raise a family. Jim Fedolfi, State Representative Hillsborough.

RICHÉ COLCOMBE (R) NH HOUSE OF DISTRICT 38

My name is Riché Colcombe, and I am running for State Representative for Hillsborough District 38 to prevent our legislature from becoming a big government body that oversteps our constitutional rights. I am running to hold the legislature accountable for their spending, to keep costs down, and to keep their hands out of our pockets. I will defend our freedom and liberty. The vast number of bills submitted by the Democrat controlled legislature

have included everything from banning wood stoves built before 1986, to increased taxes and fees, to restrictive gun laws. A partial list of their rush to tax includes bills to establish a 4.3% sales tax on electronic devices, a 9% sales tax on ski area tickets, a \$10 annual registration for canoes and kayaks, a mandatory 0.5% on payroll wages, increase business taxes by 15%, and a bill to extend the interest and dividends tax to include capital gains. As a Board Member with the Greater Hillsborough Area Chamber of Commerce, I have been advocating for the development and success of businesses and our community overall. I believe we need to create and maintain a business-friendly environment to be able to create quality, well-paying jobs. Moreover, we need to provide an exceptional education that cultivates a successful learning environment for students of all abilities and learning styles to best prepare them for a meaningful career within our state, which I will work to improve. I will be your advocate for improved healthcare and mental health services, more affordable insurance and prescription drugs, and expanded broadband internet services. I will represent all constituents within the ten towns of District 38 regardless of their political views. I will hold this position and represent you with dignity and integrity. I ask for your vote on November 3.

JIM CREIGHTON (R) NH HOUSE DISTRICT 38

Colonel (Retired) Jim Creighton is running for the New Hampshire State Legislature in Hillsborough County District 38. Jim is excited to continue his life of service as a representative working for the people of District 38. He has a passion for bringing people together to solve difficult problems and looks forward to using those skills in Concord. Jim is the Chief Executive Officer for Eagle Point Global Solutions, LLC which is an organization dedicated to developing leadership skills and helping ▶

to resolve some of the world's most difficult challenges. He also co-founded Ursa Major Northeast Guides to bring wilderness adventures and leadership experiences to veterans, youth, and others. Jim was elected as the Supervisor of the Checklist in Antrim, NH and is a member of the Antrim/Bennington Lions Club, American Legion, Veterans of Foreign Wars and the Crotched Mountain Ski Patrol. Jim and his wife, Lieutenant Colonel (Retired)

Tamasine Wood-Creighton, chose to settle in Antrim New Hampshire in 2015 after 30 years in the Army. New Hampshire's independent and self-reliant people, healthy business environment, natural beauty, and Live Free or Die attitude were some of the attributes that led to the Granite State. Jim and Tamasine have two daughters, Dr. Brianna Creighton (32) a veterinarian practicing in Ashburn, Virginia, and Chelsea Creighton (28) a travel specialist in Berlin, Germany. Jim is a dedicated Republican who believes in the New Hampshire Advantage of minimizing the size and reach of government, limiting taxes, and sustaining a positive business environment in New Hampshire. Jim is a leadership coach at the Tuck School of Business at Dartmouth College and former visiting professor at Bard College, NY, as such, he looks forward to improving education for all children in District 38. Jim is a licensed hunting and fishing guide; he supports both the Second Amendment of the U.S. Constitution and the need to protect our environment. Coming from family

of medical professionals, he is interested in improving healthcare cost, access, and quality for all citizens in District 38. Jim has been on the road every day knocking on over 1300 doors in District 38. Jim asks for YOUR Vote so he can seek practical solutions to difficult problems as your representative. With Governor Sununu's support, Jim is excited for the opportunity to serve in the New Hampshire State Legislature. Please Vote For Jim Creighton on November 3.

NATALIE WELLS (R) NH HOUSE DISTRICT 25

My name is Natalie Wells and I'm running for State Representative for Merrimack 25 (Andover, Danbury, Salisbury, Warner & Webster). I'm a proud mother, grandmother, 3rd generation family business owner. I served as Merrimack 25's State Representative from 2016-2018. Since 2018-present, I serve as Secretary to the Merrimack County Republican Committee. The NH Advantage of being a no-state sales or income tax has been threatened

these past two years. As a former business owner and Conservative Republican, I will not vote for any income, sales or capital gains tax which will hurt all citizens of NH. Now more than ever from the mayhem of COVID-19, School Choice for families, needs to continue. I would be a vote to protect our NH Constitution and the 2nd Amendment. Having served on the Election Law Committee, it is important to ▶

JAMES PARKER NH HOUSE DISTRICT 6

I'm James B. Parker, Engineer, Activist, and third generation Granite Stater. I'm running as a Republican for NH State Representative for Merrimack 6th District (Bradford, Henniker). In my Engineering career I have solved the most difficult problems, and led technical teams to reach challenging goals. I want to use the same skills in getting to the bottom of problems in Concord. I have been a property rights, gun rights and medical rights activist, running for the office of County Commissioner as a Libertarian to force a change to a corrupt County Board in Michigan, and again here in Hillsborough County NH to raise awareness about County finances and oversight of the private jail. This year, I don't have the luxury of running Libertarian due to the severity of the threats to our Constitutional Republic at the national and state level. The fight for our rights is at a tipping point. You can count on me to uphold ALL of your rights under the Constitution.

JOHN COUGHLIN (R) HILLSBOROUGH COUNTY ATTORNEY

"My name is John Coughlin from Amherst, NH. I am a Republican candidate for

Hillsborough County Attorney. The prior Republican Hillsborough County Attorney, Dennis Hogan, is not running and has endorsed me. I retired as a Senior Judge in the NH Circuit Court in January, 2020 so that I could run for this office. I grew up in Nashua, attended local public schools and graduated from UNH in Durham. I joined the US Marine Corps and served as a judge advocate. After my active duty in the Marines, I returned to the Nashua area and practiced law for about 20 years. I served as a NH Human Rights Commissioner for 13 years which included the position of Chairman for 8 years. I was elected Hillsborough County Attorney in 2002 and served in that position until my NH Army National Guard unit, the 197th FA Brigade, was deployed to Iraq where I served as Brigade Judge Advocate. I was nominated and confirmed as a Judge in the NH District Court and later Circuit Court from 2004 until my retirement in 2020. I volunteered to return to Iraq in 2007 and again in 2010-2011. I retired from the National Guard as a Lieutenant Colonel in July, 2015. I am running for Hillsborough County Attorney to restore public trust and confidence in that Office. I will work tirelessly with local law enforcement through effective and professional communication and cooperation. I will provide leadership and competence to the assistant county attorneys and staff. I will strive to ensure that all parties who have contact with the Office will be treated with respect and dignity. I may be reached at my cell: (603) 769-7499. PAUL HALVORSEN (R) MERRIMACK COUNTY ATTORNEY

I am running for Merrimack County Attorney to restore trust in the leadership within the office of the County Attorney. I believe in retaining and hiring the best people, ensuring that victims of crime are heard and in encouraging open communication with our police departments. I have practiced only criminal law for 20 years and have been a prosecutor in Concord for over 17 years. In addition to my Juris Doctor I earned graduate degrees in Forensic Science and Public Administration. I am a published author in the field of Forensic Science, attended training at the FBI Academy, taught graduate and undergraduate classes in criminal justice, personnel management, and financial management and was a research assistant at the US Secret Service forensic science laboratory. Before becoming an attorney, I completed an Air Force career that spanned over two decades. After my retirement from the Air Force and while attending law school I was twice elected to the Concord City Council. I am endorsed by Governor Sununu, multiple police organizations, police chiefs and a retired judge. Please visit my web site at www.attorneyhalvorsen.com for more information.

SCOTT MALTZIE (R) MERRIMACK REGISTER OF PROBATE

My name is Scott Maltzie and I am the Republican Candidate for Merrimack County Register of Probate. The Probate Office is responsible for estates, trusts, guardian-

ships, adoptions, and name changes. These things affect some of our most vulnerable of citizens: the elderly, children, and disabled. Unfortunately, the Register of Probate does nothing other than maintain documents of "historical significance." The legislature stripped the duties in 2011. I'm the only candidate running to help pass legislation that would restore this position. I would also use it as a platform to help raise awareness of the issues foster, adoptive, and kinship parents, and promote better financial and estate planning for our citizens. I have an MBA and PhD in Business. I had 10 years' experience working in the Governor's Office. As Chairman of the Merrimack County GOP, I have relationships with our legislative delegation. I'm a long-time foster parent. As a business professor, I teach on personal finance, helping students understand retirement and estate planning. I'm running to make the system better, provide customer service and advocacy for our citizens, and make a difference for the citizens of Merrimack County.

ELIZABETH ROPP (D) HILLSBOROUGH REGISTER OF PROBATE

I am running for re-election for the Register of Probate (ROP) of Hillsborough County, and I am asking for your support. In my first term I have gone above and beyond what is required of the Register of Probate position. I have made a point to educate the public that the office of the Register of Probate is merely symbolic. The responsibilities of that position were reallocated to clerks of the court system in 2011. It would take an amendment to New Hampshire's constitution to re- ▶

REAL ESTATE INCOME TAX Q & A—PART II

By: Joyce Bosse

Q: I took out a home equity loan secured by my main home to pay off personal debts. Is this interest deductible, and if so, where do I enter this amount on my tax return?

A: No. A loan secured by your personal residence and meeting certain other requirements is considered home equity indebtedness. Interest paid on home equity indebtedness is only deductible if the proceeds of the loan are used to buy, build, or substantially improve the home securing the loan.

Q: If I must deduct points over the life of my mortgage, and I have a 30-year mortgage, should I divide the points paid by 30 and enter that amount on Schedule A?

A: No. While you must deduct the points over the life of the loan ratably (equally), you don't divide the points by 30 years. Instead, you divide the points by the number of payments scheduled over the term of the loan (360 monthly payments in the case of a 30-year mortgage) and deduct points each year according to the number of payments you made in that year (less than twelve payments in some cases).

If the loan ends prematurely, for example, because you paid it off or refinanced with a different lender, then the remaining points are deductible in that year.

Any deductible points not included on Form 1098 (usually not included on the Form when refinancing) should be entered on Schedule A (Form 1040 or 1040-SR), Itemized Deductions, line 8c "Points not reported to you on Form 1098."

move the position from our ballots. During my first campaign, I conducted a survey of residents to get feedback on whether or not the legislature should restore the powers to the position. Many people told me why they feel the position should be restored. I represented my constituents by taking their feedback to a hearing of the Statehouse Judiciary Committee as they considered a bill to restore the powers of the office. I also use the office

as a platform to talk about issues that affect Granite Staters and to promote solutions. For the last three of years, I have done my part to fight the opioid and mental health crisis. A law I championed, in 2017, allows lay practitioners to practice ear acupuncture. This makes it possible for the people to take charge of their health and for cities and towns to bring affordable non-pharmacological stress reduction and behavioral health techniques into their communities. In 2018, the Governor's Recovery Task Force endorsed the expansion of ear acupuncture services. In 2019, I met with a Magistrate Judge, Chuck Pyle, who advocates for the inclusion of ear acupuncture in our criminal justice system and doctor who ran a successful ear acupuncture drug court program in Broward County, Florida. Psychiatrist and addictions specialist, Dr. Mike Smith, pioneered the use of ear acupuncture for substance use disorder treatment. He also designed model drug courts programs that include ear acupuncture.

**WILLIAM BRYK (D)
HILLSBOROUGH COUNTY TREASURER**

William Bryk is the Democratic candidate for Hillsborough County Treasurer at the November 2020 general election. Bill is a retired lawyer, serving on the Antrim

Town Planning Board. He has also served Antrim as a library trustee and cemetery trustee. As a guardian of incapacitated persons, entrusted with his wards' funds, he has been a bonded fiduciary for the last 14 years. As a court examiner, Bill has reviewed the annual accounts of other guardians to ensure their wards' income is properly managed. He worked his way through Manhattan College (B.Sc., Economics) and Fordham University

Law School (J.D.). He retired from New York City government after 26 years' public service, concluding his career at the Department of Correction as a disciplinary prosecutor. He conducted numerous cases against uniformed and civilian employees in bench trials before independent administrative law judges. He also argued over 30 appeals to the City's Civil Service Commission. What does a County Treasurer do? The Treasurer collects the county's share of the property tax from municipalities, oversees financial accounts, and invests county funds. The Treasurer is the signatory on the county's financial accounts and works with the Business Office to maintain the integrity and security of county funds. All income from the county's investments is returned to the Treasury and used to offset the property tax rate. In addition to the duties set forth by statute, Bill believes that the County Treasurer should examine the operations of county agencies to seek efficiency and productivity as well as honesty in the use of the people's money. He'll oppose all attempts by the General Court to further download expenses to the cities and towns, which only leads to increased property taxes.
