Revolutionary Grave Stones cleaned

In anticipation of the commemoration of the founding of the Daughters of the

American Revolution, ten members and associate members of the Buntin-Rumford-Webster Chapter gathered at the Old Fort Cemetery in East Concord to clean and reset gravestones. The Chapter adopted the Old Fort Cemetery and has worked there to preserve the stones since 2015.

Tucker Library's Best Friends

Outstanding Support by a "Friends of the Library"

The Friends of the Tucker Free Library has been selected as the recipient of the Sue Palmatier Award for Outstanding Support by a "Friends of the Library" group, by the New Hampshire Library Trustees Association's Board of Directors. The award was presented at a special reception at the Colby Hill Inn Wednesday afternoon

In presenting the award Marcia McLaughlin of NHLTA said, "You are justifiably proud of your achievement and your Friends group, and we are happy to recog-

nize what has been accomplished."

The Friends of Tucker Free Library (FTFL) reconstituted as an organization after many years of dormancy early in 2019. Those individuals came to the meeting knowing that they were going to be asked to do a lot of heavy lifting. Yet, they came and listened and signed on to re-form the FTFL that had been defunct for eight plus years. Those attending that meeting were asked, "Please consider serving on the board for just six months."

Hillsborough Republicans to host Lily Tang Williams

Lily Tang Williams will be the featured speaker at the Greater Hillsborough Republican Town Committee's meeting at 6pm Monday October 25th at the Hillsborough's American Legion Hall. Tang Williams, who grew up under the Chinese Communist Regime, migrated to America for her graduate degree, and stayed to become a business woman and

advocate for freedom. She is currently co-chair of New Hampshire Asian American Coalition, Chair of Weare Republican Committee, and elected Supervisor of the Checklist in the Town of Weare. Lily travels the country giving seminars and speaking on the value of freedom, and comparing the communist way of life to the American way of life. The meeting is open to anyone interested in attending. Lily has a PowerPoint presentation you will not want to miss.

Select Board approves funding for Outing Club, Recreation Commission & Library

Pete Smith of the New London Outing Club met with the Select Board to request funds from the Town. He reported that last spring, the town of New London voted to fund the Outing Club's request of \$40,000. The funds will go towards programs and the Director's salary. The Outing Club has collaborated with the New London Recreation Department and submitted a report to the Board of Selectmen. Selectman Kidder asked about other towns and whether they will participate financially. Smith responded they have made a request to three towns so far and will continue going down the list. All three towns have a different process, so they are currently navigating that. The Board unanimously approved the funding.

Sheri Cote provided the Board with an update on behalf of the Recreation Commission. Beach Director Putnam Kidder did a great job with the beaches; they didn't have swim lessons or sailing lessons but they hope to bring those activities back in 2022. Summer camp

was not offered by the Recreation Department as the Outing Club took it over. Putnam Kidder has signed on as the part-time Recreation Director.

Tracy Memorial Library Director Crystal Schimpf attended the meeting. She is requesting the use of the capital

reserve fund for roof repairs. In July, they became aware of a significant leak in the roof. An insurance claim was filed which covers the water damage but not the repair of the roof itself. They are requesting \$15,000 which the Board approved.

The Colby-Sawyer community recently gathered to celebrate the Class of 2020. This resilient group of alumni were unable to return to campus for a traditional Commencement ceremony during the height of the COVID-19 pandemic, and plans have long been in the works to welcome them back for a formal, in-person celebration. Thank you so much to all who attended! And for those in the Class of 2020 who couldn't be here, please know we're thinking of you!

The Grapevine's Grandparents Group is forerunner of NH's Kinship Navigator

In New Hampshire, more than 12,000 grandparents are raising their grandchildren, and Rosemary Nugent is one of them. She had finished rearing her three children and was on the verge of retiring in NH with her husband, when she found herself gaining temporary custody of her 2-year-old grandson, Denis. Denis and his parents had lived with the Nugents on and off since his birth, as his mother and father struggled with drugs and alcohol and could not maintain employment or a permanent residence. The Nugents decided to move for custody after a series of violent incidents, neglect, and continued substance misuse.

At first, Rosemary says she was embarrassed that her son had failed as a parent. She loved her grandson dearly, but felt like the only grandparent in their small town of Antrim who was raising a grandchild. Then, one day when Denis was in kindergarten, they were waiting at the bus stop and Rosemary started talking to some of the other adults. She quickly realized that there were several other grandparents right there who were also raising their grandchildren! As Rosemary said, "Suddenly it felt like an epidemic!"

So, it was very timely when in 2015, The Grapevine of Antrim and The River Center of Peterborough started a Grandparents Group. Grandparents were relieved to have a place where they could talk about the challenges of parenting grandkids and share resources, both financial and emotional. The organizations brought in speakers and supported the families in what-

ever manner necessary.

Soon this group of dedicated grandparents were rallying for other relative and grandparent caregivers around the state, giving interviews to newspapers, and working with government officials to have House Bill 629 put into law. This law made NH the first state in the country to give preference to grandparents in guardianship cases related to substance abuse, keeping many children out of foster care.

In 2020, the State of NH adopted the federally funded Kinship Navigator Program. Other states had been running this program since 2004 and the evidence gathered about its efficacy were very clear. Not only did the Kinship Program drastically lower the rate of these children re-entering the

welfare system, but the program costs also proved to be less than half those of foster care and residential care. Additionally, the program has been found to elicit positive results regarding child safety, well-being, and permanency (staying with family or reuniting with parents).

Rosemary Nugent was hired to fill the Kinship Navigator position at The Grapevine in Antrim. Her time is spent reaching out to new families that are suddenly found caring for a grandchild or otherwise related child. Currently the program at The Grapevine is serving a number of families and the statewide Kinship Navigation program has been established in 17 NH Family Resource Centers through NH Children's Trust.

Warner man regrets not being vaccinated

After nearly two weeks in the hospital with COVID-19, an unvaccinated Warner man regrets his decision. Saying it was part resistance, part procrastination, Scott Dow urges advocates vaccination. “Please go get vaccinated, because you don’t want to be where I’m at,” he said. Dow said his illness started with incredible fatigue, and after he was admitted, his oxygen levels plummeted. Doctors were talking about a ventilator, which terrified him. He even called his mother and children to say goodbye. During his 13 days in the hospital, his wife, Vallerie Dow, sat outside of the hospital from 7:30 a.m. to dusk, Facetimeing her husband. “I wanted him to draw every bit of strength he could from me,” she said. Doctors told the couple that Scott Dow is on track to go home last Friday.

No injuries in Weare School Bus accident

On October 18th the Weare Police Department responded to a no-injury crash involving a school bus in the area of Just Like Mom’s Pastries. The involved school bus is from out of district (SAU 19) and was turning around when it was involved in the crash. Due to the school bus just starting its route, there were minimal students on the bus at that time. There was minor damage to the other involved vehicle. The parents of the students who ride the specific bus involved will be receiving notice from their student’s respective school.

Gun Club plans to build a new range

Barred from using its existing range, the Monadnock Rod and Gun Club plans to build a new shooting range on its Jaffrey Road property. President Ken Caisse hopes the new range will increase club membership, which has fallen from 300 several years ago to fewer than 20 people. It is also designed to bring in revenue to help resolve the zoning issue and the need to pay about \$650,000 the club owes abutters from a court judgement. A Planning Board hearing, initially scheduled for last week, has been rescheduled for November 8 so town officials can notify Jaffrey and the Southwest Region Planning Commission of the proposal, as the property abuts Jaffrey. Although Peterborough’s cease-and-desist order remains in effect, it is unlikely to prevent the gun club from building its new range, but officials may condition project approval on redress for the club’s past infractions, including restoring wetlands at the site.

Henniker approves access ramp, waste water & broadband improvements

The Henniker Select Board quickly dealt with a varied agenda Tuesday evening.

Library Director Lynn M. Piotrowicz asked the board to accept a Moose Plate Grant in the amount of \$9,500 for the library. The Board gladly complied.

Matt Colby, Principal of the Henniker Community School asked the Board to allow construction of an access ramp over town land, from the parking lot down to the field behind the school. Vice Chair Tia Hooper noted that the ramp must be ADA Compliant, which was added to the Board's approval.

Town Administrator Joe Devine presented the Board with a request for \$100K of local ARPA funds to allow the wastewater department to apply for funding from the NHDES SRF loan program and the USDA Rural Development program and to advance the design of the upgrades to the 30% preliminary design phase of develop-

Weare Select Board refuses to waive its appraisal prior to purchase

Chair Andy Fulton, Vice Chair Steve Major and Past Chair Tom Carr of the Conservation Commission met with the Weare Select Board again seeking approval to purchase an 85 acre parcel on Route 114 for \$300,000.

Fulton appeared at the Board's prior meeting asking the Board to waive its requirement of an appraisal prior to any purchase. He left with requirements for both an appraisal and a survey.

Monday night Major presented the Board with a 1970 survey of the property, found in the Registry archives, which confirmed the 85 acres. The trio then asked that, in light of the survey and the town's AVITAR Tax Card showing an appraised value of \$272,000, that the appraisal be waived.

Member Sherry Burdick moved to waive the appraisal which was seconded by Chair Ricky Hippler, but the motion died on a vote of 2-2-1 with Jack Meaney abstaining. Meaney explained that he needed more time to study the

ANTIDEPRESSANTS LINKED TO TOOTH IMPLANT FAILURE

Dr. Esin Narli

New research has found that the use of antidepressants increased the odds of implant failure by four times. Each year of antidepressant use doubled the odds of failure.

While these drugs are often used to manage mood and emotions, a side effect decreases the regulation of bone metabolism, which is crucial to the healing process. For an implant to heal properly, new bone must form around it to secure it in place.

Antidepressant medication may relieve depression symptoms and help millions of patients worldwide, however, their benefits must be weighed with the side effects. Four of the many known side effects that are reported in the literature are a big concern to us as dentists in regard to oral and bone health. These side effects of the drug include osteoporosis, a condition in which bones become weak and brittle; akathisia, a disorder characterized by the need to be in constant motion, including the head and jaw; bruxism, or teeth grinding; and dryness of the mouth, all of which affect the implant healing process.

The researchers noticed that a growing number of their patients reported use of antidepressant medication. After analyzing data, the researchers found that of the few patients who experienced implant failures, 33 percent used antidepressants. For patients who did not experience failures, only 11 percent used the drug. More than one in 10 Americans over the age of 12 use antidepressants, making it the second most prescribed type of drug in the U.S., according to data from the Centers for Disease Control and Prevention (CDC) and IMS Health.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

Among patients who stopped taking their cholesterol-lowering statin medication due to side effects, researchers found the statin may not have been the culprit because patients taking a placebo reported the same side effects, according to research presented last year at the American Heart Association's Scientific Sessions 2020. Statins lower LDL (bad) cholesterol. Some people, however, experience side effects such as muscle pain and stop taking the medication. Researchers found: 90% of the symptoms that were reported when participants were taking a statin were also reported when the participants unknowingly took the placebo tablets; patients were just as likely to need to temporarily stop placebo tablets due to intolerable side effects as the statin tablets. This could point to a psychological rather than pharmacological effect of statins, the researchers noted.

Use of the diabetes drug metformin—before a diagnosis of COVID-19—is associated with a threefold decrease in mortality in COVID-19 patients with Type 2 diabetes, according to a racially diverse study published in the peer-reviewed journal *Frontiers in Endocrinology*. Diabetes is a significant comorbidity for COVID-19.

According to a report in the journal *PLoS ONE*, hospitalized COVID-19 patients who were vitamin D sufficient, with a blood level of 25-hydroxyvitamin D of at least 30 ng/mL (a measure of vitamin D status), had a significant decreased risk for adverse clinical outcomes including becoming unconscious, hypoxia (body starved for oxygen) and death. In addition, they had lower blood levels of an inflammatory marker (C-reactive protein) and higher blood levels of lymphocytes (a type of immune cell to help fight infection).

Monadnock Community Hospital exploring merger options

A recent panel of officials from Monadnock Community Hospital, GraniteOne Health, and Dartmouth-Hitchcock Health hosted a forum on the proposed transaction between GraniteOne and Dartmouth-Hitchcock, which focused on its potential impacts to the hospital.

As proposed, GraniteOne Health and Dartmouth-Hitchcock Health

would combine to “form a NH-based, integrated, and regionally distributed health care system.”

Dartmouth-Hitchcock Health and GraniteOne Health had previously signed a Letter of Intent to combine the two systems, followed by signing of a Combination Agreement.

Now, the Charitable Trusts Unit in the New Hampshire Attorney General’s Office will review the transaction and issue a report. The Charitable Trusts Unit collected comments through October 15, which were submitted by email to charitable-trusts2@doj.nh.gov.

Rules to Teach Your Son

I recently came across this piece on the internet. Although I have no idea who wrote it, it seems like good advice to me.

1. Never shake a man's hand sitting down.
2. Don't enter a pool by the stairs.
3. The man at the BBQ Grill is the closest thing to a king.
4. In a negotiation, never make the first offer.
5. Request the late check-out.
6. When entrusted with a secret, keep it.
7. Hold your heroes to a higher standard.
8. Return a borrowed car with a full tank of gas.
9. Play with passion or don't play at all.
10. When shaking hands, grip firmly and look them in the eye.
11. Don't let a wishbone grow where a backbone should be.
12. If you need music on the beach, you're missing the point.
13. Carry two handkerchiefs. The one in your back pocket is for you. The one in your breast pocket is for her.
14. You marry the girl, you marry her family.
15. Be like a duck. Remain calm on the surface and paddle like crazy

underneath.

16. Experience the serenity of traveling alone.
17. Never be afraid to ask out the best looking girl in the room.
18. Never turn down a breath mint.
19. A sport coat is worth 1000 words.
20. Try writing your own eulogy. Never stop revising.
21. Thank a veteran. Then make it up to him.
22. Eat lunch with the new kid.
23. After writing an angry email, read it carefully. Then delete it.
24. Ask your mom to play. She won't let you win.
25. Manners maketh the man.
26. Give credit. Take the blame.
27. Stand up to bullies. Protect those bullied.
28. Write down your dreams.
29. Take time to snuggle your pets, they love you so much and are always happy to see you.
30. Be confident and humble at the same time.
31. If ever in doubt, remember whose son you are and REFUSE to just be ordinary!
32. In all things lead by example not explanation.

Letters to the Editor

Dear Messenger Editor:

It is with great community pride that I send you this note of thanks to the students of the Hillsboro-Deering High School DECA Club and the students of the John Stark High School Spanish Club for assisting the volunteers from the Henniker Area Rotary Club in the twice a year "Highway Cleanup Day" last weekend, Saturday the 16th.

The cleanup team collected 44

bags of trash from the roadside of Rte. 114 South, from Ramsdell and Flanders Roads corner to the Henniker Town Recycling Center.

This roadside cleanup happens twice a year and has been an ongoing community service project for many years. Twenty volunteers worked together, this year, to make this a successful service project which illustrates the good works that still happen in our local communities ▶

Opening of Peterborough's Bridge Street Recovery delayed to 2022

Bridge Street Recovery had originally planned to start construction this fall on a Peterborough detox facility, with completion in December. However, with setbacks relating to Covid, and unexpected delays in opening their Bennington facility, the developers have decided that they needed more time for the Peterborough property. Co-founder John Christian reports that the Peterborough Select Board has approved an extension giving the facility until October 2022 to break ground on its project at 24, 25 and 30 Bridge Street.

The 64-bed detox facility is being de-

signed for people who are just coming off substances and may be going into withdrawal. Although the Bennington center is limited to New Hampshire adults, the Peterborough facility will be

available to those in other states.

The goal is to have clients start in Peterborough and then come to Bennington's transitional housing facility to continue their recovery process.

Over 100 people gathered at Mt. Kearsarge Indian Museum in Warner to recognize Indigenous Peoples Day. Chief Don Stevens of the Nulhegan Band of the Coosuck-Abenaki Nation explains how people can show more sensitivity toward Native American issues.

Moderator convinces HD Board to hold Deliberative Session on Saturday

John Segedy, H-D School District Moderator, approached the H-D School Board at their recent meeting and asked that the Deliberative Session meeting be held on a Saturday, rather than a week night as was proposed. He stated that last year's session was better attended than previous years. While some members of the board initially resisted, they ultimately voted to change the meeting to February 5, 2022.

Dr. Crawford updated the board on current COVID figures for both Hillsborough County (excluding Manchester and Nashua) and Sullivan County. While both were in the "substantial" category, it was noted that Sullivan County is currently a "hot spot." She also noted that there are many students who are coming to the school while exhibiting 'flu-like symptoms' and are having to be sent home. Unfortunately, while they are in school they could be transmitting whatever illness they may have. In addition, the schools currently have the smallest Substitute Teacher

pool that they've ever had.

The Board also discussed the IT and Facilities Service agreements with Washington. They voted to continue the agreement at the same amount as last year as everyone seemed satisfied.

Chairperson Herla Idonisi stated the protocol for public comment, which seemed similar to what has been happening, and stressed the need to keep comments to 3 minutes and not to be rude or disruptive.

The driver was not injured when his dump body rose up, catching the phone wire and pulling the truck into the pole across from the Franklin Pierce Homestead in Hillsborough.

Sports

Christin Doneski of Hopkinton was the winner of the 50-54 division (out of 880). She finished in 2:59:23, the only sub-3 hour performance in her division.

GIRLS CROSS COUNTRY

Hopkinton 3rd, John Stark 7th: The Hawks placed five runners in the top 20 to finish third out of nine scoring teams and 15 teams total.

Con Val: Division II & III JV Championship. Annika Stowell was the first CV finisher for the Women's race at 29:36. She was followed by Maeve Finn, Clara Christensen, and Bella Starr who all earned personal records for the 5k.e on the same course.

BOYS CROSS COUNTRY

Hopkinton 7th, John Stark 12th: Hopkinton – Ben Daniels (6th, 17:14), Matt Clarner (15th, 17:48), Conrad Mollano (39th, 19:16); John Stark – Eli Lemire (17th, 17:55), Seth Marquardt (42nd, 19:32), Alex Keirstead (53rd, 20:10).

ConVal: Division II & III JV Championship. The CVXC boys squad was led by Jamie Post who placed 21st overall and clocked in at 20:06. He was followed up by teammate Hunter Hall who finished at 20:29, which was 24 seconds faster than his previous race on the same course.

FIELD HOCKEY

Kearsarge 2, Stevens 2: Kearsarge took a 2-1 lead in the second half and Stevens answered quickly, tying the game within seconds.

Hopkinton 7, Conant 0: Julia Baer, Rose Finlayson and Natalie Allen scored 2 goals each.

John Stark 1, Kennett 1: Both teams scored in the second half and John Stark held the Eagles off the board in overtime, despite being a player down.

VOLLEYBALL

John Stark 3, Pelham 1: Brooke Blackburn led with 35 digs & 3 aces.

FOOTBALL

H-D/Hopkinton 41, Kingswood 8: The Redhawks led 20-0 at halftime and played well defensively to keep the Knights off the board until late in the game.

Sports

Lebanon 47, John Stark 0: Highlights: The first-place Raiders led 28-0 after the first quarter and scored all their points in the first half.

Winnacunnet 33, Goffstown 20: A fourth quarter interception killed any chance of a Grizzlies rally.

Kearsarge 50, ConVal 14: ConVal jumped out to an early lead but momentum shifted quickly.

BOYS SOCCER

Hopkinton 3, Mascoma 1: Three goals by three different Hawks.

Hopkinton 2, Bishop Brady 1: Bryce Charron scored one goal and assisted Avery Condon's.

ConVal 1, Plymouth 0 (2 OT): Jake Daniels' goal broke a scoreless tie in double overtime.

GIRLS SOCCER

Hillsboro-Deering 5, Bishop Brady 1: Eva LaValley led the way with 3 goals.

John Stark 5, Kingswood 1: The Generals dominated with a well rounded attack.

John Stark 1, Merrimack Valley 0: Division II Preliminary. The Generals advanced thanks to Gracie Bolduc's goal.

Hopkinton 7, Somersworth 0: The Hawks scored six first-half goals on Senior Day. Hopkinton also recorded its eighth shutout of the season.
