Kearsarge Principal remembered

Robert Bennett, former teacher, coach & administrator

The Kearsarge Regional School District was saddened to learn of the recent passing of former teacher, coach, and administrator, Robert Bennett, on Tuesday, October 26, 2021 after a battle with cancer. Bennett started in the Kearsarge Regional School District in 1994 as a paraprofessional at Kearsarge Regional Elementary School in New London and Kearsarge Regional Middle School. He later became a beloved social studies teacher at Kearsarge Regional High School (KRHS) before taking on an administrator role as the first Student Assistance Coordinator at KRHS in 2006.

In 2012, he became assistant principal at the high school, then interim principal for the 2014-2015 school year, before being named principal in 2015. In 2020, Bennett left Kearsarge after more than 25 years and

took on a position as principal at Laconia High School.

Though he possessed a strong passion for education and helping students, he had an equal love of sports. Bennett coached a variety of sports for KRHS as well as Keene State College. Most notably, for many seasons he coached field hockey, baseball, girls' basketball, and was assistant coach for boys' basketball and football. In 2012, he led the Kearsarge Cougars girls' basketball team to the NHIAA Division II championship game as well as many other tournament appearances in both field hockey and baseball.

"Rob Bennett was the consummate Kearsarge person and he championed students, families, and this school district," KRHS counselor Peter Angus said. "[He] led by example and was willing to tackle any job that needed to be done as evidenced by his many roles in our school district."

Antrim teen sentenced to 50 years in prison for killing his father

The Antrim teenager who stabbed and beat his father to death with a hammer on Halloween night two years ago was sentenced to 50 years in state prison, after pleading guilty to the crime. Joseph Beam, who is now 19, pleaded guilty to the first-degree murder of Jason Beam, and admitted that he also planned to kill his mother and brother.

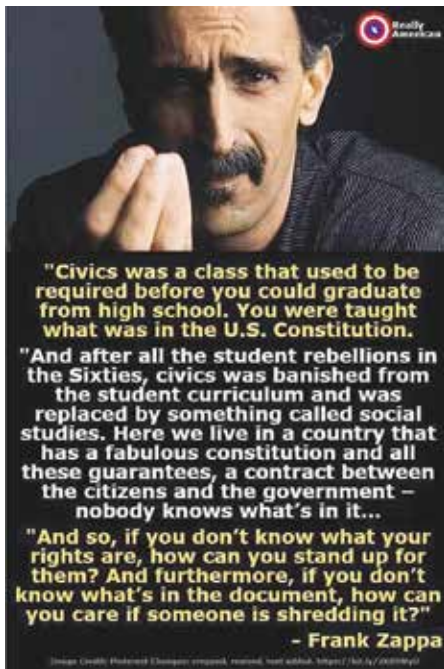

His mother, Julie Patten, a nurse at the state psychiatric hospital at the time of the murder, said that she faults herself for not seeing her son's mental health issues earlier.

On that night, Joseph went trick-or-treating with his family and 7-year-old brother, and they returned to the family home for a night of movies.

At 9:30 p.m., Patten kissed her husband and went to bed while he and Joseph watched movies. She woke at 2:30 a.m. to the house filling with smoke, and found her husband's body in the living room. He had suffered 15 blows to the head, and 64 stab wounds. Police arrested Beam walking down the highway wearing a mask. He was laughing uncontrollably and eventually confessed to the killing. Beam said

he just didn't like his family and had planned to kill his mother and younger brother, too, but lost motivation.

In court, Joseph Beam read a statement before being sentenced. "Two years ago today, I don't know who I was, what I was thinking. One thing I do know, my dad was a great man," he said. "Every time I'm in a quiet place, I talk to my dad," he said. "I really hope he can hear me. I miss him so much."

Planning Board establishing "Gateway Zoning District"

As a followup to Hillsborough's 2018 Master Plan, the Planning Board has agreed to partner with the Central New Hampshire Regional Planning Commission to establish a Gateway Mixed Use District along Route 9. This large area would be designed to emphasize high quality, attractive and relatively dense

development to be determined by the town's ability to extend municipal water and sewer service to the area. The project is scheduled to begin in April of 2022 for submission to the 2023 Town Meeting.

At Wednesday's meeting the Planning Board approved the project and its \$5,000 cost to the town.

New London Select Board divided over next steps for a Police Station

Town Administrator Kim Hallquist briefed the Board on the results of the recent Community Forums. 155 New London residents participated in one of the two October Forums and were appreciative of the opportunity to express their views.

In setting priorities for the future, citizens chose: 1. A new Police Station, 2. Work Force Housing, 3. Housing Opportunities. As far as the Police

Station, 27% favored relocating the Recreation Department and renovating the existing facility, while 56% preferred a new facility.

Selectwoman Nancy Rollins moved to charge the Building & Facilities Committee to work with the Planning Board to locate a new site, which was seconded by Chair John Cannon. Member Janet Kidder disagreed, saying the Building Committee had not

properly considered a new facility, instead concentrating on renovating the Buker Building.

She suggested a new citizens committee would be better. Rollins shot back that she was appalled that anyone would criticize the volunteer work of the Building Committee.

Public comment was divided on both sides of the issue, but the motion passed 2-1.

Flags across the Granite State were lowered to half-staff through Sunday in honor of NH State Police Sergeant Jesse Sherrill, 44, who died in a crash with a tractor-trailer on Interstate 95.

Cpl. Ebin Samson (l) and Officer Joe Walz (r) of the New London Police Benevolent Association briefed the Select Board on their donation of \$14,000 to provide new ballistic vests with pockets for each officer.

New Boston house hit with gunshots

Police are investigating reports of a house being shot on Popple Road in New Boston on Friday night. Investigators said the call came in around 9:45 p.m. on Friday. Upon closer inspection, police found the house was struck multiple times. People were inside at the time but no one was hurt. Police are asking people in that area to check their surveillance cameras for any suspicious activity during the day Friday from 9 p.m. to 9:45 p.m. They are also asking people to be aware of any suspicious activity. The investigation is ongoing.

Farmsteads of New England's fundraiser

Farmsteads of New England, a nonprofit organization dedicated to empowering adults with autism and other developmental disabilities, will hold its 19th annual fundraiser Bidding For Growth, November 7 – 14, 2021. Farmsteads of New England provides a residential farming community and day services for adults with autism and other developmental disabilities at their locations in Hillsborough and Epping, N.H. All funds raised during Bidding For Growth will go directly towards the care and support of the "farmers" – the adults whom they serve. This online event consists of a week-long Silent Auction and a 45-minute Live Auction (November 13). The Silent Auction will open at 12 p.m. on Saturday, November 7 and close at 5 p.m. on Sunday, November 14. The Live Auction will take place at 5 p.m. on Saturday, November 13.

Improved cell and broadband coming?

Improved cell and broadband service may be on the horizon. With Henniker's approval in hand, Vertex Towers, LLC has applied in Hillsborough for permission to construct a 115' telecommunication tower off Dascomb Street, near the town's highway garage. The company conducted a Visibility Demonstration to illustrate the location and height of the tower on Tuesday. Observers report that the test balloon was difficult to see through the dense tree cover. The next step is a hearing before the ZBA on November 8th and before the Planning Board on November 17th.

Munholand String Quartet

The Lowe Profiles

The Center for the Arts presents a special holiday concert Dec. 3rd

The Center for the Arts is pleased to announce a special holiday concert this year featuring the Munholand String Quartet and The Lowe Profiles. Come and enjoy the sounds of the season at the Black Box Theatre (located adjacent to Ivy Hall) on the campus of Colby-Sawyer College. The evening starts with an opening reception at 6:30 p.m. followed by the concert.

The Munholand String Quartet, consisting of siblings Ezra, Noah, Anya, and Petra Munholand have been playing together since Petra was

five years old. All four began their study of music very young, with Ezra and Noah playing the violin, Anya playing the cello and Petra playing the viola. The group, now in high school and college, has received praise from many regional groups and are excited to perform this Holiday Concert for the community.

The Lowe Profiles, made up of sisters Susie Lowe-Stockwell, Kathy Lowe-Bloch, and Kim Lowe-Beaton, have been singing together since childhood. Growing up in a family

of Vaudeville and circus performers, they have fine-tuned their craft to the delight of all. Kathy pursued a career as a singer-songwriter giving the sisters several original Christmas songs to perform along with many traditional holiday classics. Their ability to draw the audience into their music is a treat for all!

Please note the seating at the Black Box Theater is limited so please come early. Covid protocols will be in place. Donations at the door will be gratefully accepted.

GUM DISEASE

Dr. Esin Narli

Here's an important reason why regular visits to the dentist are so important: Without a periodic dental exam, you probably won't know if you have gum disease because the early signs of the disease are not detectable to the untrained eye.

When the disease, technically called periodontal disease, is caught early, it is easily treated. And early treatment is what you want because gum disease is the leading cause of tooth loss.

The beginning, early stage of gum disease is called gingivitis. The main cause of gum disease is a buildup of plaque on and between your teeth. Brushing and flossing will eliminate most plaque. When plaque hardens it's called tartar. The bacteria in tartar produce toxins that attack gum tissue and the bones that support the teeth. This is the gingivitis phase of the disease.

When the bacterial infection spreads well below the gum line, the condition is called periodontitis. In this advanced phase of gum disease, the gum starts to pull away from the teeth, creating pockets. The condition is characterized by bleeding and swollen gums and causes bone loss in the jaw. Eventually, it leads to tooth loss. It also can aggravate problems faced by diabetics and the infection can lead to other health problems. So it's important to visit your dentist, who can inform you about ways to minimize your chance of developing gum disease.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

A comprehensive study involving more than 250,000 women shows that oral contraceptive use protects against ovarian and endometrial cancer. The protective effect remains for several decades after discontinuing the use. The study is published in the journal *Cancer Research*. Ovarian and endometrial cancer are among the most common gynecological cancers, with a lifetime risk of just over 2 per cent. Endometrial cancer is slightly more common but as it has clearer symptoms and is therefore often detected at an early stage, the mortality rate is low. However, ovarian cancer is among the deadliest cancers, since it is often not detected until it has already spread to other parts of the body.

Repeated intravenous (IV) ketamine infusions significantly reduce symptom severity in individuals with chronic post-traumatic stress disorder (PTSD) and the improvement is rapid and maintained for several weeks afterwards, according to a study conducted by researchers from the Icahn School of Medicine at Mount Sinai. The study, published in the *American Journal of Psychiatry*, is the first randomized, controlled trial of repeated ketamine administration for chronic PTSD and suggests this may be a promising treatment for PTSD patients.

Due to its anti-clotting properties, aspirin is widely prescribed as a preventive measure to patients who have already had cardiovascular events, such as a heart attack or ischemic stroke. However, aspirin's role in primary prevention — averting first heart attacks and strokes — has been unclear. After decades of commonly prescribing aspirin for primary prevention, recent guidelines from the American Heart Association (AHA) and American College of Cardiology (ACC) now recommend more select use for those with the highest risk of cardiac events due to the increased risk of bleeding.

Hillsborough Select Board budget planning

The Hillsboro Select Board has begun meeting with department heads to prepare the 2022 town budget. First up was new Highway Department Supervisor Ernie Butler, who has requested \$1,356,751.06 which is down 2% from last year's \$1,382,924.11. Part of the reduction is a result of about \$50,000 being removed from the operating budget and added to the Capital Improvement budget, making it \$300,000 this year instead of the prior \$250,000 request. Butler is also asking voters to approve a new \$66,000 fully equipped plow truck which will be paid from Capital Reserves with our a tax impact.

Hopkinton tax rate increase \$1.62 or 5.54%

The 2021 Hopkinton tax rate has been set by the NH Department of Revenue Administration. The new rate for properties not in one of the precincts is \$30.87 per thousand of assessed value. This is a \$1.62 or 5.54% increase overall. The Town rate of \$6.54 is exactly what was presented at Town Meeting in the spring. Bills will be sent out shortly and due at the beginning of December.

One veteran's challenge to America's youth

Twice each year we pause to honor those who served in our armed forces. On Memorial Day, we honor those who paid the ultimate price and gave their lives defending our country. Veteran's Day is dedicated to all veterans who served America at the expense of their personal safety.

Some call us heroes - We are not! Some say we were brave - We were not!

America's veterans are ordinary men and women of which much was asked in extraordinary times; who overcame their fears to serve a nation that gave them so much; and who fought not for glory but out of a sense of duty to defend this great continuing experiment in democracy and personal liberty we call America.

I served in Vietnam and was away from my friends and family for one year. Some of my colleagues who fought WWII were gone for 3 or 4 years and recently our troops in Iraq and Afghanistan are serving extended or multiple tours of duty.

How can today's younger generation get a true a sense of what War is like? Imagine for a moment you are a track athlete and you can go home after running in 100 meets. Trouble is most runners die by the 33rd meet. That's what fighter pilots faced in Vietnam. They could go home after flying 100 combat

missions, but the odds were they would be shot down before the 33rd.

We have a special mission for members of the Student Council. The only problem is that for every ten of you who go on this mission, eight will be killed. That's what happened to the Rangers who took the cliff's over Normandy, or the bomber pilots who flew the raids over the German oil fields during WWII.

The Soccer team will suffer only 20-30% casualties on their next mission, the best odds yet. But, the reward for surviving that mission is that you get to go on another with the same odds, and then another and another. Just like the Marines who fought at Guadalcanal, Korea, Viet Nam, Iraq or Afghanistan.

They knew the odds before they went but they went anyway.

Could you do the same? Would you? If you survive that experience you are a different person. Your whole outlook and philosophy of life changes in ways others will never understand.

With luck and God's grace, you will never have to experience that, but you can still honor those who have. Soon the future of America will be in your hands. When your turn comes, honor it, improve it and pass along a better life to your kids. That's all the thanks any veteran could ask.

Letters to the Editor

Dear Editor:

Flags over Henniker and Hillsborough. As the 2021 Henniker Area Rotary Flag season comes to an end, we would like to say an enormous Thank You to all our subscribers. You have certainly made our towns brighter in these challenging times.

Please enjoy this last of five annual flag events as more than 300 American Flags will fly to commemorate and say

thank you to our Veterans.

If you are interested in learning about our flag program, please contact the Rotary Club flag committee at HRCFlags@gmail.com. Watch for the more than 300 American Flags next week in Henniker and Hillsborough as the Henniker Area Rotary and our flag subscribers celebrate our Veterans. Contact HRCFlags@gmail for more information.

Hopkinton Rotary Club President James Newsom presented Mike Metcalf with a Paul Harris Fellowship (left photo). The Goffstown Rotary Club recently welcomed back, and inducted as its newest member, Al Baines of Goffstown! Al joined the Club originally in 1988, but due to his involvement in so many community service organizations, he made the hard decision to leave us. Now he's back.

Weare Conservation Commission Chair challenged for conflict of interest

At Monday's Select Board meeting Conservation Commission Chairman Andy Fulton was challenged for not disclosing that he is an abutter to property he promoted for sale to the Commission.

Fulton stated that he recused himself, did not pursue this project, abstained from the P & S done at the Conservation Commission to avoid

the conflict of interest.

Selectman Van stated he wished Andy would have mentioned this to the Board of Selectmen earlier. He should have disclosed that he was an abutter and was asked why he was involved at the presentation to the Board of Selectmen. Fulton stated it was the will of the Commission. Selectman Van responded he is disap-

pointed in Andy and shame on the Board of Selectmen for not researching it. Chairman Vice Chairman Meaney said it was slightly unethical being a property abutter and not disclosing that to the Board. At the Conservation meeting, though Fulton voted no, he should not have voted at all. After further discussion the Board voted 3-2 to approve the purchase.

Robert Howard Law Office Henniker, New Hampshire

Probate administration is much more than filing paperwork. Determinations must be made to ensure proper notice is achieved, assets are valued, creditors paid and assets are distributed timely in accordance with the decedent's will or the law. Our professionals have decades of experience working with families.

We strive to take the stress out of the probate process by working collectively with heirs to ensure probate estates are administered properly, efficiently, and if necessary, to provide conflict resolution among family members. If you need assistance with an estate or trust, give our office a call. We are happy to speak with you.

Hopkinton Girls Cross Country Champions.

GIRLS CROSS COUNTRY

Hopkinton Girls repeat as Division III Champions

The Hopkinton Girls continued their dynasty, placing five runners in the top 15 for the most decisive team performance of the day. The Hawks tallied the lowest score of the day with 40 points – 61 better than runner-up Monadnock – to defend their D-III title and win their third in the last four years.

FOOTBALL

Lebanon 38, H-D/Hopkinton 0: The Redhawks ended their season against the Raiders on Friday night. Lebanon ends the regular season as the top team in the D-II West division and hasn't allowed a point in the month of October.

Souhegan 44, John Stark 8: The Generals lost to the playoff-bound Sabres to end the season.

ConVal 43, Winnisquam 16: ConVal recorded its first win since 2019 on this year's senior night.

Goffstown 6, Portsmouth/Oyster River 0: Goffstown took possession on the Portsmouth/Oyster River 31-yard line following the blocked punt and needed six plays to find the end zone.

Kearsarge 8, Trinity 3: The Cougars scored the game's only touchdown on a 45-yard drive that ended with Alex Clark's 1-yard TD run.

GIRLS SOCCER

No. 6 Hillsboro-Deering 4, No. 11 Raymond 0: Abbie Johnson and Eva LaValley each scored 2 goals.

No. 3 St. Thomas 5, No. 6 Hillsboro-Deering 2: H-D fell behind early. Eva LaValley got H-D on the board with an assist from Abby VonDette in the 24th minute to cut the Saints' lead to 3-1, and Abbie Johnson scored off an Emily Howell assist for the only goal of the second half.

No. 5 John Stark 5, No. 12 Kennett 2: The Generals had a 2-0 lead at halftime en route to a preliminary-round victory.

No. 5 John Stark 3, No. 4 Milford 1: The Generals defeated the defending champion No. 4 Milford Spartans, 3-1, avenging a 4-0 loss on Oct. 15.

Sports

No. 8 Kearsarge 7, No. 9 Fall Mtn. 2: Fall Mountain came out with a lot of pressure and scored early, but Kearsarge responded quickly with goals from Thea Spanos and Caroline Camp and it was all Cougars from there, holding a 5-1 lead at halftime.

No. 1 Hopkinton 6, No. 8 Kearsarge 2: The Hawks jumped out to a 2-0 lead and dominated play to advance to the semifinals.

BOYS SOCCER

No. 2 Hopkinton 5, No. 15 Hillsboro-Deering 0: The Hawks scored in the 31st minute off a free kick and piled on four goals in the second half.

No. 10 Bishop Brady 3, No. 2 Hopkinton 2 OT: Brady was down 2-1 when the Hawks were called for a hand ball and a free kick which tied the game in regulation.

No. 1 Gilford 2, No. 8 Kearsarge 1: The Cougars' season came to an end against the top-seeded Golden Eagles on Friday evening.

GIRLS VOLLEYBALL

No. 8 John Stark 3, No. 9 Kingswood 0: The Generals defeated the Knights, 25-23, 25-11, 25-10 in the preliminary round to set up quarterfinal against No. 1 Gilford, a rematch of last year's D-II title game.

FIELD HOCKEY

No. 9 Goffstown 2, No. 5 Lebanon 1: Ashlee Blashock turned in an amazing effort to keep Grizzlies off the board until Kendall Dubois broke through with a goal late in the third quarter to tie the game at 1-1. Bethany Dubreuil scored the game winner.

No. 1 Portsmouth 6, No. 9 Goffstown 0: Samantha Ruel scored twice in the third quarter to help the Portsmouth High School field hockey team break open a close game.

Hopkinton is undefeated Division III Champ

No. 1 Hopkinton 3, #6 Bishop Brady 2 OT: The Hawks defeated Bishop Brady 3-2 in overtime to win the Division III state championship. Julia Baer's overtime goal was her second of the night. Hopkinton (17-0), after a runner-up finish in 2018, has won its first state title in 29 years.
