Nancy Cowan.

Nancy Cowan R.I.P.

Deering icon, internationally recognized Master Falconer

Nancy Cowan, founder of the New Hampshire School of Falconry, died Saturday morning, January 9, at Concord Hospital of Covid-19 complications.

A lifelong lover of animals, Nancy and her husband cared for hawks and racoons. While Jim was stationed at the Naval Air Station in Pensacola, FL, the young couple befriended renowned zoologist Patrick Quinn and volunteered at the zoo he ran in Pensacola, Florida. Nancy, while pregnant with her first child, helped to care for monkeys, lions, and elephants. While Jim served a split tour in Vietnam, Nancy traveled with their baby daughter to Okinawa to live with her husband. There they kept a pet mongoose.

When her husband left the military in

1971, Mrs. Cowan and her family moved to Willington, Ct., where they lived from 1973-1978, maintaining a connection with animals through introductions first in volunteering as a handler and then actively participating as a racer in a sled dog racing community. In 1978 the family moved to Londonderry, New Hampshire. Taking advantage of the snowy winters, she raised and trained a full sled dog team.

In the late 1980's, she actively supported her husband Jim's desire to return to falconry. With her husband, through direct work with NH fish and game officials and lobbying of state legislators, she and Jim were able to complete a multi-year odyssey to bring the traditional art and practice

of training and flying birds of prey to New Hampshire. The ancient art was legalized in NH in 1988—28 years before falconry was inscribed on the United Nations Educational Scientific and Cultural Organization (UNESCO)'s Representative List of Intangible Cultural Heritage of Humanity in 2016.

Always fascinated with her husband's hawks, Mrs. Cowan became a Falconer herself, eventually achieving the level of Master Falconer. She and her husband were instrumental in bringing and educating much of the state in the sport of Falconry through many volunteer appearances at NH fish and game events, individual community events, as well as appearances on both NH Public Television and WMUR news magazine programs.

In 1994, with a growing number of hawks and falcons, the Cowans moved to a 1789 home on a 28-acre farm in Deering, NH. In 2001, at the request of a federal wildlife biologist

who had rescued an injured peregrine falcon, Mrs. Cowan became a licensed wildlife rehabilitator specializing in birds of prey. She worked with and released a variety of sick and injured raptors and was frequently consulted by other wildlife rehabilitators and by New Hampshire Audubon when birds needing help were rescued.

Through her introduction to providing private programs at the Timberdoodle Club, owned and operated by Randy Martin, she was inspired to establish a falconry school of her own. The New Hampshire School of Falconry, the only school of its kind in the state and one of only a handful on the Eastern seaboard was established in 2005 located at her home in Deering.

At the school she provided lessons, walks and hunts for a wide range of students which included schools, girl scout troops, international rock stars, and major CEOs. Nancy's school shot to international notoriety when one of the raptors in the couple's care, a

Lanner falcon named Banner, made international headlines in 2014 when she became the first hawk in history to undergo successful laser cataract surgery.

Additionally, Nancy held numerous other interests and hobbies as well as serving for 15 years as the Town Clerk and Tax Collector for the Town of Deering NH. Not to be lost in her tremendous work was that she was a devoted wife of 54 years and loving mother of two children whose own lives were enriched in school activities, extra-curricular sports and outside classes by her boundless energy and support.

She was a doting grandmother of two who never ceased to lavish love and affection. Throughout her life from any community, Nancy was generous of her time and patience volunteering, donating and sharing her knowledge and enthusiasm of her interests with anyone who asked or was in need.

See her obituary on page 18.

Henniker Select Board proposes separation of Town Clerk & Tax Collector

The Henniker Select Board is proposing a major change in municipal operations.

On the motion of member Peter Flynn, the Board unanimously voted to propose separation of the Town Clerk and Tax Collector's Office.

If approved by voters at Town Meeting, the Tax Collector would now be appointed by the Select Board and assume most of the functions of the Town Clerk, including:

- The preparation, printing and mailing of Property Tax bills, Yield Tax bills, Current Use Change Tax bills and Gravel Tax bills.

- Accept payments, computing interest and other penalties and entering data into system.

- Prepare all notices required by law and mailing notices.

- Prepare and execute all tax liens and deeding as required by law.

- Prepare paperwork on bankruptcies and foreclosures in order to keep an accurate record of outstanding taxes due.

- Facilitate search for mortgages at the Registry of Deeds and notify mortgages of liens and deeding as required by law.

- Answer all inquiries from banks, title companies, real estate offices, attorneys, mortgage companies, and the general public requesting tax information, pay off figures and other information.

- Meet with tax payers to discuss payment problems or any other tax related issues and help them set up a payment plan if necessary.

- Make timely deposits of all monies received and submit a copy of all deposit slips to the town treasurer.

- Prepare and submit the "End of the Year Report" that will appear in the town's Annual Report with a copy sent to DRA.

- Produce and supply the Town Auditors with all reports necessary to audit the Tax Collector's books.

- Register motor vehicles, boats and trailers.

- Dog Licenses.

The Town Clerk would still be elected but his or her authority would be severely reduced. The duties of the Town Clerk would be limited to:

- Copies of Vital Records - Birth, Death, Marriage.

- Marriage Licenses

- Accept new voter registrations

- Absentee Ballots

The matter will appear as a Warrant Article in March.

Henniker Highway Superintendent Leo Aucoin appeared before the Select Board to receive permission to cut a cluster of trees at the rear of the department's salt shed.

Hillsborough Planning Board looks to the future

The Hillsborough Planning Board took advantage of Wednesday night's lull in the flood of subdivision and site plan review hearings to further explore a pair of programs that could be beneficial to the town's future. The Board first met with Mike Tardiff of the Central NH Regional Planning Commission to discuss creating a "Gateway Zone" near the drive-thru Dunkin Donuts. In that area the Master Plan and Zoning ordinances would be

studied and perhaps modified to encourage mix-use development.

Also discussed was joining the International Dark Sky Places Program, which was founded in 2001 to encourage communities, parks and protected areas around the world to preserve and protect dark sites through responsible lighting policies and public education.

Both topics will be discussed further at the next work session.

THE ENDODONTIST

Q: What is an endodontist?

A: An endodontist is a dentist who specializes in care of the tooth's pulp, the soft tissue inside a tooth that contains nerves, blood vessels and connective tissue. It is one of the areas of specialty recognized by the American Dental Association.

All dentists go through similar training as they earn their DDS or DDM degree. Some choose to go on for more years of study to specialize in a particular area. The word endodontics, which is what the endodontist practices, comes from Greek words 'endo,' which means 'inside,' and 'odons,' which means 'tooth.' The way most people would come into contact with an endodontist would be through a referral from your regular dentist for a root canal. If tooth decay has reached the inside of a tooth, it can infect the pulp. In root canal therapy, the endodontist removes the diseased pulp, cleans out the inside of the tooth, and then seals the tooth. Endodontists also specialize in the care of cracked teeth.

Among other areas of dental specialty are the periodontist, who focuses on the support structures for the teeth, namely the gums and jaw. You might be referred to a periodontist, for instance, if your dentist detects gum disease. An orthodontist, for instance, specializes in installing braces for the straightening of teeth. Talk with your dentist about other areas of specialty.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

The overuse of antibiotics occurs due to the mistaken widespread belief that they are beneficial for a broad array of conditions and because many physicians are willing to prescribe antibiotics if patients ask for the medication, according to a new study published in the journal *BioEssays*. The global use of antibiotics between 2000 and 2015 increased 39 percent, with a 77 percent increase in low- and middle-income countries. The overuse of antibiotics can lead harmful bacteria to become drug-resistant and cause harmful effects on the microbiome, the collection of beneficial germs that live in and on our bodies. In children, improper antibiotic use can alter the microbiome while their immunological, metabolic and neural systems are developing. Epidemiological studies associate antibiotic exposure with an increased risk of allergic, metabolic and cognitive disorders that have grown more common in children during the antibiotic era. In adults, there is increasing evidence that antibiotics may enhance risk for metabolic and neoplastic diseases, including diabetes, kidney stones and growths in the colon and rectum that can lead to cancer.

The combination of a high-dose NSAID with acetaminophen does not increase the analgesic effect compared to acetaminophen alone. Researchers also found that paracetamol alone is superior to high-dose NSAID alone for posttraumatic extremity pain. These are the findings of a study published in the February 2021 issue of *Academic Emergency Medicine* (AEM), a journal of the Society for Academic Emergency Medicine (SAEM). Acetaminophen is known outside the U.S. as paracetamol. It is used to treat pain and fevers. It is the basis for more than 600 prescription and over-the-counter medications for adults and children, found in well-known brands like Tylenol, Excedrin, Sudafed, Robitussin and Theraflu.

H-D School Board proposes \$23,775,573 Operating Budget - lower than default

The Hillsboro-Deering School Board held their annual Budget Hearing for next year's budget prior to the Deliberative Session scheduled for Saturday, February 5. In Article 3 the Treasurer's stipend was increased for the first time in 17 years from \$3500 to \$5000, but was otherwise the same as last year.

Under Article 4, the largest discussion revolved around the position of School Resource Officer, which was eliminated in the current budget; however, there is still a School Resource Officer, but the position is now being paid by the Town of Hillsboro. The proposed Operating Budget (not including the SAU budget in Warrant Article 5 and increases in the teacher's contract) is and the default budget is \$23,784,145; however, the administration is recommending that the proposed budget be reduced by \$100,000 as the Special Education out-of-district placements are less than anticipated, bringing the proposed budget to a .57% increase.

Article 5, the proposed SAU Budget (which was voted on at the last SAU meeting) is \$1,209,921, with the HD portion being \$1,023,413. The default budget is \$1,200,961 and \$1,105,834 respectively.

Article 6, the CBA (teacher's contract) has a yearly increase of 2.5%, but for the first time, the Evergreen Clause was addressed. The current staff will be "grandfathered," but any staff hired after July 1, 2022 will not have the clause in their contracts. Another change in the contract includes penalties for teachers who resign after signing a contract.

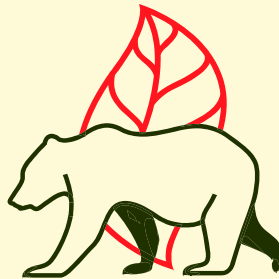

Articles 8-13 are designed to add money that is not spent from the budget to trust funds for specific purposes. Article 8 is to add \$50,000 to the Special Education Fund which has \$615,539; Article 9 to add \$150,000 to the Building Maintenance Fund which has \$185,150; Article 10 to add \$2500 to the Technology Fund, which has \$102,069; Article 11 to add \$1000 to the HVAC trust fund, which

has \$151,012; Article 12 to add \$1000 to the Roofs trust fund, which has \$103,624 and Article 13 to add \$1000 to the Paving trust fund, which has \$31,404.

At the School Board meeting after the public hearing, the board voted to eliminate Articles 11, 12 and 13 in order to transition from individual trust funds to one maintenance fund where priorities will be decided by need, not by how much money is in a specific fund.

Also, HD High School Principal O'Rourke asked the Board to restrict fans at basketball games to immediate family members only because of elevated COVID rates, and of the D-3 schools, 6 have already done so, and 2 have changed their policy to no fans. He stated that it is important that the athletes have as good an experience as possible, while still keeping them safe. The Board voted to restrict fans to immediate family members at both the Middle School and the High School through the end of the season.

Henniker's \$3.2 million Wasterwater Treatment Plant Bond on Ballot again

The Henniker Select Board has voted to again ask voters to support a \$2.3 million Bond to fund upgrades at the town's Wasterwater Treatment Plant.

A similar proposal was defeated, twice at the 2021 Town Meeting; one allocating costs 60% for wastewater users and 40% for taxpayers and another

allocating 100% of the cost to taxpayers.

Although nearly universally acknowledged that the upgrades are necessary to the 50 year old equipment which was used when installed, consensus was not reached on how to allocate the repayment costs.

Under the 2021 proposal, assuming a 60/40 split, non-server users would have paid an extra \$51/year on their tax

bills. User would pay the \$51 plus \$126 in user fees or \$177/year. This year, because of lower interest rates and an ARPA contribution, non users would pay an additional \$27/year and users would pay an extra \$99/year.

Currently the proposal calls for a 60/40 split but the Board is scheduled to revisit the issue at a Budget Hearing next Tuesday.

GIRLS BASKETBALL

Hopkinton 57, Hillsboro-Deering 23: The Hawks came out strong defensively, holding the Hillcats to two points in the first half en route to their second victory over H-D this season.

Fall Mountain 49, Hopkinton 28: Elise Miner led the Hawks with 9 points.

John Stark 62, Manchester West 23: Stark used pressure and very good transition to take a 30-13 lead at halftime, and everyone on the Generals' played.

Pembroke 43, John Stark 18: The Generals trailed from the opening whistle.

Hanover 67, ConVal 27: The undefeated No. 1 Marauders were too much to handle.

Pelham 54, ConVal 44: Morgan Bemont led a valiant effort with 16 points followed by Allie Burgess with 15.

BOYS BASKETBALL

Hopkinton 69, Hillsboro-Deering 25: Hopkinton came out to a 13-4 lead, but H-D went on a 5-0 run to make the score 13-9. The Hawks answered with a 7-0 run to close the first quarter up 20-9 and extended their lead in each of the remaining quarters with stifling defense, holding the Hillcats to single digits quarters.

Conant 68, Hillsboro-Deering 53: H-D's Zack Coombs led all scorers with 30 points.

Kearsarge 69, Raymond 25: Raymond led 13-12 after the first quarter, but from that point forward, the Kearsarge defense was the story.

Kearsarge 80, Newport 22: The Cougars led 29-6 after the first quarter and 55-15 at halftime. Kearsarge had all 11 players scoring.

Kearsarge 71, Stevens 20: The Cougars outscored the visitors, 31-0 in the first quarter.

Goffstown 74, Manchester 63: Mason Blondeau tallied 24 points; Rob Baguidy added 17, and Aiden O'Connell, 15.

Manchester West 70, John Stark 64: The Generals played well in a back-and-forth contest against the Blue Knights, but West pulled away late in the fourth quarter.

Pembroke 91, John Stark 50: The Spartans jumped out to a 33-11 lead after the first quarter and didn't look back, extending their lead to 60-20 at halftime.

Kennett 66, John Stark 34: The Generals went down, 21-6, at the end of the first quarter and couldn't recover.

Souhegan 45, ConVal 42: Austin Knight scored 19 points in a close loss.

Pelham 75, ConVal 62: Austin Knight's 18 points led the Cougars, followed by Joe Gutwein with 15.

John Stark Spanish Honor Society holds pen pal letter exchange

Spanish Honor Society students at John Stark Regional High School can now experience a pen pal letter exchange with students at the Instituto de Educación Secundaria (IES) Conde Diego Porcelos in Burgos, Spain.

JSRHS Spanish teacher and Honor Society advisor Stephanie Harpring connected with Jorge Cabañas García,

a geography teacher at the school in Spain, to make this writing experience happen.

Students at John Stark and in Spain write letters on predetermined topics in both Spanish and English that are then scanned and sent to their pals. “To personalize the project further, Jorge and I record videos about the topic of each

letter and share our videos with our students. This pen pal exchange promotes both an intercultural language exchange as well as additional cultural learning about various topics,” commented Ms. Harpring.

JSRHS Spanish Honor Society meets twice a month in the morning before the 8am start of school.

Publisher's Perspective

Less Talk - More Action

It appears that last week's story, "Long discussions but no decisions at EDC" regarding revitalizing Central Square, hit a nerve. In that article member Riche Colcombe and the Commission were quoted as more talk than action.

Strangely, one member confirmed the thrust of the story by posting "This has been on our agenda since I began with EDC months ago and has been discussed at every single meeting. We have had intentions of moving forward with certain plans though would not have been able to make a shovel ready proposal due to circumstances beyond our control."

In fact, it has been discussed for 20 years without any action. Rather than counter with facts showing what the Economic Development Commission has accomplished, one member chas-

tised me for disparaging volunteers.

As a member of the Jaycees, Lions Club, Masons, Chamber of Commerce, Hillsborough Pride, Hearts of Hillsborough and HYAA Coach, I have been celebrating and encouraging volunteers for 46 years. Colcombe, as is her style, went even further, launching a personal attack. "The intent of the article is for the publisher to disparage anyone, or any group, who does not comply with his wishes and desires for the town," she said.

Any reader of The Messenger will attest to the numerous letters published which are critical of my actions or opinions. We actively encourage vigorous debate on the issues of the day. However, those like Ms. Colcombe refuse to discuss issues, but rather practice the politics of hate by engaging in character assassination.

Letters to the Editor

Dear Residents of Washington:

Do you know your neighbors? Friends who live in your community. Greater Hillsborough Senior Services and your town officials would like your help to let us know your thoughts on who your oldest resident is.

Please call your town office or GHSS and let us know who you think this is. We are looking to honor that

person in your town for this honor... and it is an honor.

If you have an idea who the person is in Washington, please contact the following:

H-D students again test well below state averages

At the HD School Board Meeting after the Public Hearing, the Board heard an update from Dr. Jennifer Crawford about the State Assessments. With few exceptions, the scores at all grade levels were well below State averages, and further below State goals.

Because of these results the administration is planning on instituting steps to increase the educational assessments between now and the end of the school

year. The steps include instructional coaching and Data work at the H-DES with West Ed support, H-DMS will partner with West Ed to conduct needs assessment and develop an action plan, develop building and district level data teams. Also the HDHS Curriculum committee will continue to work, and the staff will begin monthly reports to the Board highlighting progress and concerns.

Henniker Community School studying trout

Students in Mrs. Richardson's 5th grade at the Henniker Community School check out the hundreds of sac fry that hatched over the Martin Luther King Jr. Weekend in their classroom.

As part of the Trout in the Classroom project, these citizen scientists are raising trout from eggs to fry and will release them into the Contoocook River in Henniker later this spring.

Trout in the Classroom is sponsored by NH Fish and Game, National Trout in the Classroom, and NH Trout Unlimited with the mission to protect watersheds and brook trout, a species of concern. Trout in the Classroom, an environmental education program, teaches students the importance of healthy watersheds. Students monitor tank quality, study stream habitat, and learn to appreciate water resources.

Kearsarge High School Student of the Month

Thomas Shepherd, a sophomore from North Sutton, was selected as Kearsarge Student of the Month. Students of the Month are nominated and selected by faculty in recognition of their positive conduct and character, both on and off campus. The honor is an acknowledgment of an individual's positive moral character and contributions to the school community.

During the summer, Shepherd assisted Engineering Teacher Christopher Spooner with STEM Camp by running a session on rocketry. Shepherd designed a project where students developed nozzles to be 3D printed and used on balloons to see how different designs affected the balloon's travel. Shepherd led eight sessions during a two-week period.

Shepherd's favorite thing about KRHS is the positive atmosphere in the school community and the support that he receives from his teachers.

Outside of the classroom, Shepherd is a member of the Varsity Tennis Team, Equestrian Team, Alpine Ski Team, Math Team, Robotics Team, Principal Advisory Committee, and Chorus. Shepherd also is a Cadet First Lieutenant in Civil Air Patrol U.S. Air Force Auxiliary where he has served in a variety of leadership positions, including Aerospace Education Officer, Cadet Executive Officer, Cadet Commander, N.H. Wing Cadet Advisory Council Vice Chairman and Chairman, and Northeast Region Cadet Advisory Council N.H. Wing Representative.

After high school, Shepherd hopes to attend the United States Air Force Academy for Aeronautical Engineering and fly for the Air Force.

Robert Howard Law Office Henniker, New Hampshire

Probate administration is much more than filing paperwork. Determinations must be made to ensure proper notice is achieved, assets are valued, creditors paid and assets are distributed timely in accordance with the decedent's will or the law. Our professionals have decades of experience working with families. We strive to take the stress out of the probate process by working collectively with heirs to ensure probate estates are administered properly, efficiently, and if necessary, to provide conflict resolution among family members. QUALIFYING FOR A LOAN — PART II

By: Joyce Bosse

Last week we discussed how mortgage lenders depend on underwriters to determine whether a potential homebuyer will be granted a mortgage loan. Some more possible guidelines lenders and underwriters may use:

Credit

- Does the borrower have a good credit score (typically, 680 or higher is considered good)?
- Does the borrower have late payments, collections, or a bankruptcy? If so, is there an explanation that can be provided for the late payments/collections/bankruptcy?
- Does the borrower have excessive monthly debts to repay?
- Is the borrower maxed out on credit cards?

Personal assets

- Current balances and recent statements for any bank accounts, including checking and savings
- Most recent account statement showing current market value of any investments you may have, such as stocks, bonds or certificates of deposit
- Documentation showing interest in retirement funds
- Face amount and cash value of life insurance policies
- Value of significant pieces of personal property, including automobiles

Debt Information

- The balances and account numbers of your current loans and debts, including car loans, credit card balances and any other loans you may have

FOR FEBRUARY 2022

Tom & Tom's Men's Discussion Group - Mondays at 9:00am. We want to hear your stories and we'll share a few of our own. This is a Zoom program until further notice.

Bingo! - Mondays at 1:00pm. Ten games for \$5. Ten bingo sheets with 6 cards on each sheet. Participants must be 55 years old and older. This is a walk-in program.

LSRVNA Foot Care Clinic at COA - Mondays from 9:00am-2:00pm. \$25. Please call the Lake Sunapee Region VNA at 603-748-1731 to schedule an appointment. The Feb. 21st clinic has been rescheduled to Feb. 22nd.

French Discussion Group - First and Third Mondays at 4:15pm. There will be no meeting on 2/21. Join this casual, friendly group to practice your language skills. Participants at all skill levels are welcome. Please call COA at 526-6368 to register.

Chair Exercises - Mondays, Wednesdays and Thursdays at 10:30am. Masks required. There will be no class on 2/21. This low impact exercise program is perfect for those looking for an easy, effective exercise routine. This is a walk-in program.

Book Discussion Group - Tuesday, February 8th at 10:00am. A piece of the world: a novel by Christina Baker Kline. To Christina Olson, the entire world was her family's remote farm in the small coastal town of Cushing, Maine. Born in the home her family had lived in for generations, and increasingly incapacitated by illness, Christina seemed destined for a small life. Instead, for more than twenty years, she was host and inspiration for the artist Andrew Wyeth, and became the subject of one the best-known paintings of the twentieth century. This is a Zoom program. Please call COA at 603-526-6368 for registration information.

Memoir Writing Group - Tuesdays at 10:00am. Writing a memoir helps you find your voice, tell your story, and reach out to others. This is a walk-in program.

Painting Group - Tuesdays at 1:00pm. Bring your current painting project to work on. This is an informal group, and we'd love to have you join us. This is a walk-in program.

Poker - Tuesdays at 1:00pm. This is a walk-in program.

Outdoor Recreation for Seniors - Tuesdays & Thursdays at 10:00am. Join this active group to walk, hike, kayak and more! Please call COA at 526-6368 to register prior to your first activity.

Line Dancing - Wednesdays at 10:00am. Kearsarge Community Presbyterian Church, New London. Line dancing includes a variety of styles of dancing, needs

no partner, and is lots of fun! An excellent form of exercise for both the mind and body. Please call COA at 526-6368 to register prior to your first class.

Parkinsons Peer-to-Peer Support Group - First Wednesday of each month at 1:00pm. A peer-focused opportunity to share practical insights and provide mutual support to those also living with or caring for someone with PD. This is a walk-in program or participate via Zoom.

Caregiver Peer-to-Peer Support Group - Second Wednesday of each month at 1:00pm. There is no instruction manual for being a caregiver! Join this peer-led group to learn tips, strategies and advice from those experiencing the same challenges and rewards. This is a walk-in program.

Needlework Craft Group - Wednesdays at 1:00-3:00pm. Love to cross stitch, do needlework, quilt, knit or crochet? We'd love to chat, laugh, and get to know the folks who enjoy the same hobbies we enjoy. This is a walk-in program.

Humanist Discussion Group - Thursday, February 17th at 1:00pm. Welcome to those who are interested in delving into a variety of humanist and non-theist topics. We share our knowledge and experiences related to the challenging questions of religion, spirituality, and how they influence our lives. Using reason, critical thinking, and honest examination, we do our best to approach personal truths. Bring your thoughts, your questions, and an open mind, and join our lively, respectful monthly discussions. This is a ▶

FEBRUARY OUTDOOR RECREATION FOR SENIORS

We meet each Tuesday at 10 a.m. Be prepared for any trail condition by dressing warmly and bringing all your winter equipment.

For lunch afterward, bring your chair and food for an outdoor picnic in the parking lot or you can eat indoors at a local restaurant. We will continue to do what feels right to keep us going strong.

February 1st - Hike, snowshoe, and ski at ESTHER CURRIER RESERVATION in ELKINS, NH. Trail leaders are Kathy and Bill Coombs, 603-309-0228 and

host is Neil Wallace, 603-526-8097 - a wide well used trail with some side features. DIRECTIONS: From New London, turn left at Flying Goose Pub onto Rt. 11 and continue to Elkins town line.

Look for a small parking lot on your right and turn down to the trailhead. Bring a bag lunch and come over to Neil Wallace's house where we can sit inside and socialize.

DIRECTIONS: Turn right from parking lot onto Rt. 11. Turn left on Elkins Rd. Follow it down to the town beach and post office. Neil lives across the street in a big white house set back from the road, #364.

February 8th - Hike, snowshoe or ski HANOVER GOLF COURSE. Leaders are Brenda and Jim Knight, 603-727-8345. Meet at the Garipay Field Nordic parking lot north of Hanover.

DIRECTIONS: I-89 to Exit 18, north on NH-120 keeping straight through several lights onto North Park St. in Hanover. At a distance of 4.9 miles from Exit 18, turn right at light on NH-10 towards Lyme. After another 0.9 miles, take the first exit at the roundabout onto Reservoir Rd., then an almost immediate right into Garipay Field parking lot.

MOST IMPORTANT: There is a porta-potty at the parking lot; and the Co-op grocery is across the street to pick up a snack.

Bring equipment appropriate for whatever activity you wish to do: skis, snowshoes, MICROspikes, boots and poles.

There are usually icy spots even though they

might not be obvious from the parking lot. Bring your lunch and chair if you want to chat with others after the outing or go to a local restaurant.

February 15th - Hike around the ROWELL HILL neighborhood in NEW LONDON from Silverberg's home. Leader is Rosemary, 603-526-7940, cell 603-748-4201. Park along the road, then join the gang as they walk around the loops.

DIRECTIONS: In New London, go on Main St. to Rt 11, take a left into Rowel Hill development. Go down the hill on asphalt road that turns to gravel. The third road on the right is Winslow Rd. Take the right onto Winslow Rd. and go ¼ mile to a "Y" in the road and keep right onto Winslow Circle. Go down the hill 1/8 a mile to the red house on the right, 101 Winslow Circle.

NOTE: Rosemary is NOT hosting inside lunch so it will be up to you. Some will be going to Flying Goose Pub at 4 Corners, Rt. 11, New London

February 22nd - Hike around KEZAR LAKE in WEST SUTTON, leader is Jane Birk, 860-716-5469. Meet at the parking lot across from the town beach and do the lake loop.

DIRECTIONS: From Flying Goose Pub on Rt. 11, in New London, take Rt. 114 South toward North Sutton. General Store on your left, then turn right and go past the gazebo on Wadleigh Rd. to park in the big lot on left. Walk as far as you like!

Bring chair and lunch for outdoor picnic in parking lot or meet at Pizza Chef in New London afterward.

NOTICE OF A PUBLIC HEARING

Notice is hereby given that the Planning Board will hold a Public Hearing on Monday, January 31, 2022 at 6:00PM in the Upper Hall of the Town Hall. A simultaneous Zoom session will be held, a link and password for it will be posted on the Town's website prior to the hearing date.

To consider the following proposed changes and additions to the Land Use Ordinance:

- Changes to Section 200.4 Business Use – reordering of paragraphs and the addition of Outdoor Commercial Shooting Ranges as an unpermitted use.
- Changes to Section 304 Building Exteriors – simplifying what is permitted for use as exterior siding.
- New heading for Section 305 – Minimum Habitable Dwelling Requirements
- Change to Section 306.0 Recreational Vehicles – specifying waste containment systems as manufacturers specified
- Change to Section 306.1.2 Recreational Vehicles reorder wording and adding substantial to progress signs.
- Change in Section 501.1 LUCC Permits Required - concerning temporary structures, removing exempt and adding permit by Selectmen.
- Change in Section 502.1 – adding wording that the new building adheres to all requirements of the Land Use Compliance Permit and specify interior plumbing;
- Section 502.3 – Seasonal buildings – adding Non-Dwelling Structures to heading and language to specify requirements for conversion of use.
- Change in definition for Dwelling and addition of definition for Seasonal Building.

Copies of the proposed language, which reflect the changes, are available in the Town office or on the Town website. The public is invited to attend in person or by Zoom or write the Planning Board prior to the hearing.

The Planning Board will hold their regular meeting after the hearing concludes.
