"Your Local Weekly Since 1869 ♦ A Tradition Worth Keeping"

Free ♦ Our 152nd Year ♦ Issue 18 ♦ May 6, 2022

International Firefighters' Day is observed each year on 4th May. On this date you are invited to remember the past firefighters who have died while serving our community or dedicated their lives to protecting the safety of us all. At the same time, we can show our support and appreciation to the firefighters world wide who continue to protect us so well throughout the year.

Ken Darsney, Chair of the NH Excellence in Education Awards (EDies) and a contingent from the Department of Education presented the staff of Henniker Community School with a banner signifying the school's selection as the NH Elementary School of the Year.

## #1 NH K-8 School of Excellence

### EDies Board honors Henniker Community School

The NH Excellence in Education (EDies) Board has announced that the Henniker Community School has been selected as the 2022 NH K-8 School of Excellence.

EDies Chairman Ken Darsney and a large contingent from the Department of Education presented the award to a surprised assembly at the school on Tuesday morning. The NH Excellence in Education Awards Program recognized NH schools and individuals who meet high standards of excellence. The award for outstanding elementary, middle and secondary schools

is determined by criteria developed by the Board and applied by selection committees composed of experienced educators and community leaders.

Henniker Community School was selected in part because of its deeply-rooted community spirit and curriculum-based events such as the Third Grade History Walk and Ambassadors of Kindness Program. It was also honored for individual student goal setting and programming to support each student. The 2022 Awards Ceremony takes place June 4th in Manchester.

## New Fees & other changes at Weare's Transfer Station

Weare Public Works Director Benji Knapp presented the Select Board with a revised Fee schedule for the Transfer Station. The largest increases would be for furniture \$10, and mattresses \$15. Currently the facility has 127 pieces of furniture, of which 30-40 are mattresses which are the most expensive to dispose of. The Board unanimously adopted the new schedule to be effective on May 14th.

Knapp also suggested that the Board

consider charging for transfer station stickers when vehicles are registered and to require clear, rather than black disposal bags to encourage increased recycling of cans, generating additional funds for the town. The Board took it under advisement for adoption in 4-6 weeks after a public hearing. In other business, the Board agreed to reopen the tennis courts as of May 21st with new signage advising to play at your own risk.

## H-D Board announced two new principals and a new teachers' contract

The Hillsboro-Deering School Board met on Tuesday, May 3rd and appointed Robin Whitney Hillsboro-Deering Lower Elementary School Principal and Craig Roach Hillsboro-Deering Upper Elementary School Principal, both effective July 1, 2022.

Ms. Whitney and Mr. Roach are both experienced school administrators who are excited to begin working with the students, families, and staff at H-DES.

Ms. Whitney and Mr. Roach bring tremendous, complementary assets to Hillsboro-Deering Elementary School that will support the growth and development of students and continued implementation of the SAU 34 Strategic Plan.

The Hillsboro-Deering School Board and the Hillsboro-Deering Federation of Teachers have reached a contract agreement to put before the voters in a special ballot voting session on July 12, 2022.

This new agreement provides a

strong framework for the continued advancement of the district, while acknowledging the current financial constraints of the community. The new agreement maintains the increased employee contribution to health insurance, reduces the proposed cost of living increases, and does not include any evergreen provisions.

# New London Inn nominated for Business for the Arts Awards

Over the years, the New London Inn has supported many local non-profits and has hosted the Center for the Arts Microgallery exhibits and opening receptions. This past year, Scott and Jennifer Reed, the owners of the Inn, expanded that support in several ways, by offering greater exhibit space to local artists throughout their dining areas and guest rooms, creating informational artists flyers for each room and guest, publicizing these artists in their common areas and encouraging guests to learn more about them.

In addition, they were able to convert a private dining room into a small works gallery and office on their first floor, and hang the CFA sign out front, creating a visible space for the Center for the Arts in New London once again.

Scott and Jen knew the importance of the arts, and how essential the CFA is to bringing the arts to our community, how many people they reach with their programs and events, how many students are impacted, and how, as a volunteer organization with limited resources, it can be difficult to continue serving the community. Scott and Jen, along with their manager Mary Carol Fowler, stepped up to help.

In addition to creating a much needed home for the CFA, continuing to be a gallery for local artists, and hosting Opening Receptions to the public, they now host a series of new events on the third Tuesday of

Scott & Jennifer Reed

each month called Tapestry Tuesdays. This series brings free programs of Humanities Speakers, Poets, and Artists to the community in one of their prime dining spaces each month.

Supporting the CFA is just one example of how The New London Inn supports the arts in our region.

This commitment to the community and to the arts is incredibly valuable to nonprofit arts organizations and artists. During the past two years, The New London Inn, like other hospitality businesses in our region, struggled. But they still reached out to the CFA with open arms. They understood the value of the arts to the overall health of our community and did everything they could do to help and support.

This is an inspirational story of people who think beyond themselves. They think of their community first, they value the arts and what the arts can do to make that community a better place to live. They have been there for the CFA, for other non profits, for our community, and for local artists every step of the way, and they continue to work with all on future events.

Sometimes its not how much money a business gives, but how much heart they have! Scott and Jen Reed have heart! They deserve to be recognized as a champion of the arts and a leading partner in our community. Congratulations on being nominated for this prestigious award.

The Fenton family finally launched and Christened the Lake Queen! It was conducted in the traditional fashion, complete with greenery from the places on the lake where the previous Sunapee and Kearsarge boats were built (also some from the Appleseed), a blessing, the naming of Peter & Mary Beth as Godparents, and the breaking of a bottle on the bow.

## Sunapee Cruises adds The Lake Queen Dinner/Tour Boat to the fleet

A new boat is ready to cruise Lake Sunapee in style after getting land-locked in Pennsylvania. The Sunapee Lake Queen took to New Hampshire waters.

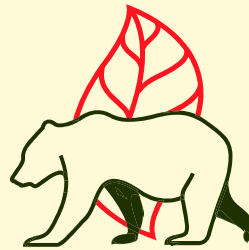

The owners, Bradford's Fenton family, said it's been almost two years since they first saw the vessel. It was a challenge getting it home.

"We were hopeful the project would move quicker, but over the past two years, every business has seen issues with delays and finding products and just making it all work so we weren't surprised when it was delayed, but we did think it would be sooner than this," co-owners Tim and his father Peter Fenton said.

Sunday's launch was delayed for some time because of a broken axel and the need to install the rudders. It all ended well, though, and cruises will be departing all summer long.

Tickets to ride the new boat can be found on their website: sunapeecruises.com. Don't delay as 100 charter sailings have been booked already.

# Newbury's iconic Town Administrator Dennis Pavlicek to retire

Dennis Pavlicek, Newbury's long serving Town Administrator expects to retire in 2023, three decades after a tragedy shook this small town to its core.

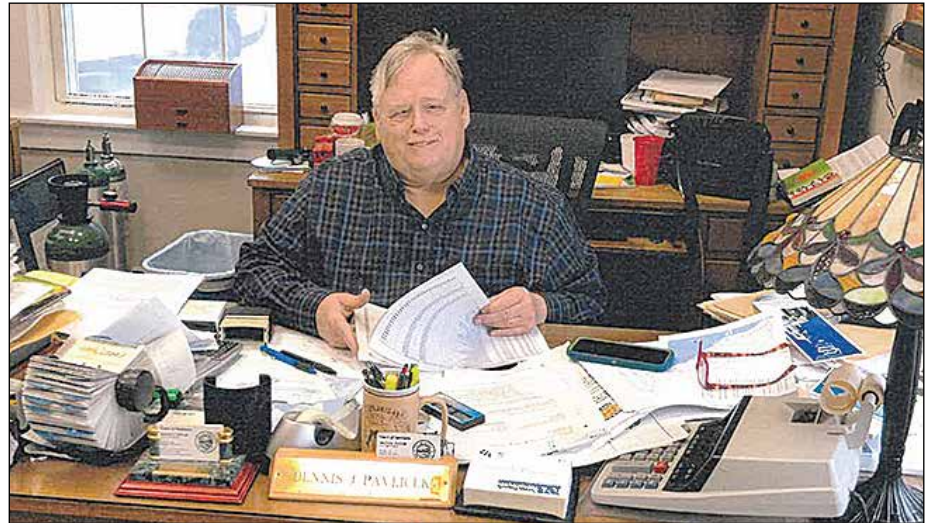

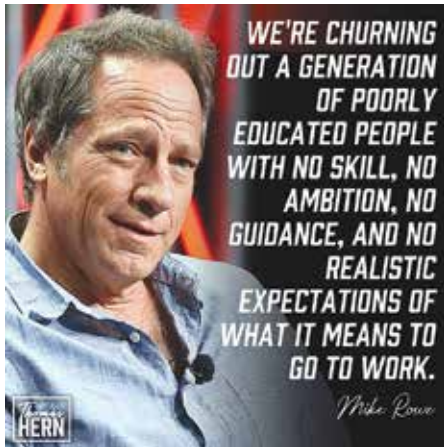

In 1993, Pavlicek was working at the New Hampshire Department of Revenue Administration in Concord, when a frustrated taxpayer opened fire in the Newbury Town Hall, killing two female town employees, and

injuring the then Town Administrator Carol Hockmeyer before dying from a self-inflicted gunshot wound.

Pavlicek and multiple other DRA employees began working at the town offices who were trying to get back on their feet. Once accomplished, Pavlicek returned

to the DRA. Upon learning that the Administrator position would be opening up, he immediately applied and was hired.

Although he has decided that he will retire next winter, he expects to help with the search for his replacement.

Dennis Pavlicek has served Newbury as Town Administrator since 1995.

The driver who caused this accident was out on bail after being arrested for a prior DWI in Weare.

**Awaiting trial for DWI, 2nd causes accident**

Erica Murphy, 39, of Manchester, was charged with driving under the influence following the incident in Merrimack. A State Trooper was sitting inside his cruiser, which was positioned in the right breakdown lane on the northbound side of the highway, when Murphy proceeded to drive her Ford Edge into the breakdown lane and strike the rear of the trooper's cruiser. Murphy was out on bail from two prior felony arrests. Murphy was arrested in January in Weare on a charge of driving while impaired. Prosecutors said a search warrant uncovered seven bags of suspected heroin, more than \$1,000 in cash and a used syringe. Murphy was released on bail the same day. Murphy was arrested again in March, and the affidavit in that case says she was impaired. Prosecutors said a search warrant revealed suspected heroin, a scale and cash. The prosecutor requested she be held in jail in March, but the judge denied it. Murphy was out on bail the next day. She is currently being held in preventative detention on charges related to the crash.

**Franklin man arrested as habitual offender**

Daniel T. Bain, 36, of West High Street in Franklin has been indicted on a felony operating as a habitual offender charge. He was accused by police of driving on East Bow Street in Franklin on February 5 after being certified as a habitual offender by the NH DMV.

**Contoocook man for felony drug possession**

Samuel Chase, 23, of Pinewood Drive in Contoocook was arrested on a felony possession of a narcotic drug charge, cocaine and fentanyl mix, on Route 106 in Loudon on November 8, 2021. According to the indictment, Chase has been previously convicted of drug possession in Merrimack County Superior Court.

# Hopkinton's Houston Barn added to the NH Register of Historic Places

The New Hampshire Division of Historical Resources is pleased to announce that the State Historical Resources Council has added five properties, including Hopkinton's Houston Barn to the New Hampshire State Register of Historic Places, six weeks after town voters spent \$875,000 to repair it.

Located in the outskirts of Hopkinton's Contoocook Village, the gambrel-roofed Houston Barn (circa 1912) was once part of a 115-acre farm that originally had chickens, sheep and Angus beef but focused on dairy

production starting in the mid-twentieth century; T.C. Houston milk was the first in town to be delivered door-to-door. Today, the farm's former hay and corn fields have been converted to sports playing fields, hiking trails, a playground and a dog park. Being named to the state Register of

Historic Places carries no financial or regulatory reward but has at least one major benefit: It makes sites eligible for grants from the New Hampshire Land and Community Heritage Investment Program and funding from some other sources. It imposes no restrictions on usage by the owner.

The Houston Barn.

## EXECUTIVE SOUS CHEF

Pats Peak is unique in that it operates year round with an F&B department. In the winter we are a fast paced 2 - outlet "grab & go" set up and pub oriented plated menu operation. During the non-ski season we operate two full time banquet halls that has weddings, private parties, company outings and various business meetings and limited run of the Sun Pub: our outdoor summer pub destination. Manage 50 to 70 banquets per season with many events occurring on same day.

The Executive Chef of the last 20 plus years is desirous of reducing hours and eventual retirement and wants to make sure the operation is handed off to a caring individual that will continue the quality that we offer, nourish the growth of the overall operation, and bring a fresh set of ideas to our culinary operation. A prospective candidate should have a willingness to share this position and appreciate the opportunity for overlap to ensure a smooth transition. Once the transition is complete you have a blank canvas to create your quality - first class - vision.

Position is year-round fulltime, 401K, Generous Profit Sharing, Health Insurance, Family Season Passes and Much More.

## Life's Lessons from Your Mother

**By Bryan Golden**

Your mother tried to teach you some valuable lessons. Moms have a unique ability to impart essential wisdom. Unfortunately, most of us were too young to really appreciate their value.

Mother's Day is a great time to review the following advice you got when you were a kid.

♥ You can be whatever you want to be. You have no limitations.

The whole world is open to you. Your future is ahead of you. You can accomplish whatever you set your mind to. It's ok to dream.

♥ Be nice to your friends and they will be nice to you.

People respond to the way you treat them. If you are mean and selfish, no one will want to play with you. Share your toys and don't be a bully. Be considerate of the feelings of others.

♥ Do your homework and you will get good grades.

Success takes work. If you don't put in the effort, you won't reap the rewards. Those who work hard will succeed.

♥ Clean your room now.  
Get things done today and you

won't have to worry about them. If you let things pile up, it will be difficult to catch up.

♥ You can play once your chores are done.

Get your work done before you take a break. Then you can relax and have a good time.

♥ Stay in school.

If you don't get an education, your opportunities will be limited. Don't drop out of school. The more you learn, the more you benefit.

♥ Sticks and stones will break your bones but names will never hurt you.

It doesn't matter what other people say. Don't allow others to upset you. There will always be mean people. Don't pay attention to them.

♥ Don't waste your time.

Time goes by very fast. Don't wait to pursue your dreams.

♥ Be thankful for what you have.

There are many who are not as fortunate as you. Be grateful for your home and family. It doesn't matter what someone else has.

♥ Don't complain.

Whining is annoying. If you have something to say, say it. If you complain all the time, no one will want to listen to you.

A very successful "First Responder Celebration" was held at the Hillsboro Moose Lodge #1091 on April 25, 2022. Area police and fire departments attended the event which honored our local first responders and provided the departments with Tommy Moose dolls. The Tommy Moose program provides Tommy Moose dolls to first responder departments so they have a tool to use when a situation arises and a child is involved. The dolls are designed to comfort the child during a traumatic situation. The program has distributed hundreds of thousands of dolls nationwide.

# Henniker Chamber of Commerce to host document shredding event

The Henniker Select Board awarded the Roadside Mowing bid to Field Works of NH not to exceed \$24,575.00; the Chip Seal of Flanders Road bid to All States Construction not to exceed \$73,150.95; the Paving and Reclaiming bid to Busby Construction not to exceed unit pricing;

and the Liberty Hill Road Culvert Construction bid to Hall's Excavation not to exceed \$242,015.

Bill Sullivan, President of the Henniker Chamber of Commerce asked the Board to authorize the Chamber to host a mobile document shredding event at the Highway Department on Saturday June 18th or 25th, much in the same way that they do the Hazardous Waste drop off. The Board

approved.

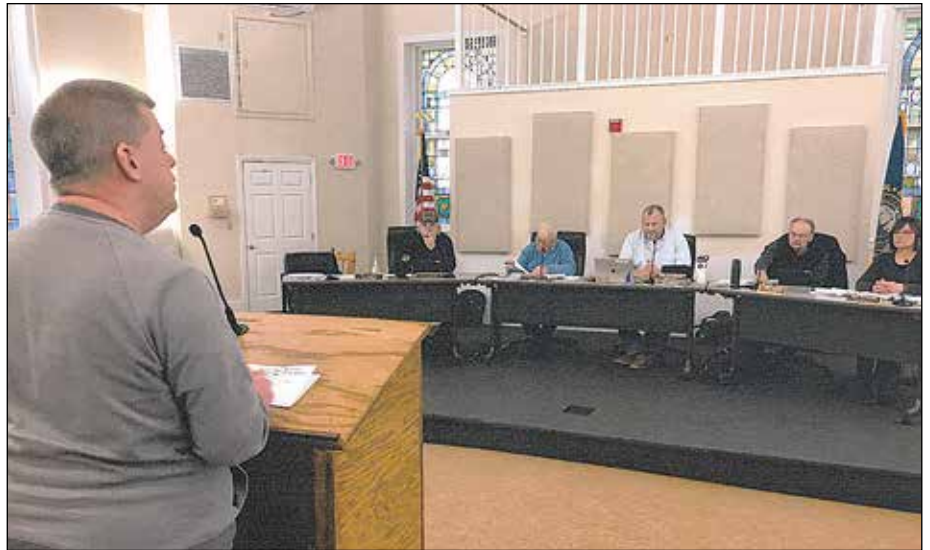

Tim McComish received permission to donate time and materials to revitalize the WWII Veteran's memorial in Woodman Park in time for Memorial Day May 30th. He plans to restore landscaping; have stone cleaned and plaque repaired; bushes to be trimmed in appropriate season; approximately \$3,800 of in-kind donation. The Board also approved.

## An Apology

On behalf of the Henniker Cemetery Association, we extend our sincerest apologies to those affected by the recent Spring Assessment of the Henniker Cemetery.

This was not done to cause harm or disrespect and we know we cannot replace the sentimental value of the items removed. And we are truly sorry for the pain this has caused.

**With deepest apologies,  
The Henniker Cemetery  
Association**

Bill Sullivan, President of the Henniker Chamber of Commerce, asked his Select Board for permission to hold a document shredding event at the highway garage.

## WHAT WILL HAPPEN DURING MY DENTAL CHECKUP?

Dr. Esin Narli

It can be intimidating to go to the dentist, and this fear is what keeps a lot of people from visiting regularly. Knowing what will happen during your dental checkup might make it a little easier to make an appointment and get into that reclining chair.

At your checkup, your dentist will:

- Perform a thorough examination of your mouth, teeth, and gums
- Ask questions about your overall health and any dental issues you've had since your last appointment
- Ask questions about what you eat and your tobacco or alcohol use
- Advise you on ways to improve your oral hygiene and general teeth-cleaning habits
- Recommend treatment or other measures for dental problems, if necessary

At the end of the appointment, your dentist should suggest a date for your next visit. It might be sooner than six months, and it might be further out. Your dentist will take into account your current oral health and risk of developing problems when scheduling your next checkup.

### How Often Should I Go to the Dentist?

There's no one-size-fits-all answer to this question. When deciding on a dental checkup routine, there are many things to keep in mind. Factors that affect how often you need to see the dentist include:

Lifestyle. If you drink or smoke often, you may need to see the dentist more frequently. Studies show that people who drink alcohol have a three times higher rate of permanent tooth loss than the national average in the United States, and tobacco usage is linked to common oral diseases.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

More patients than previously reported may experience hearing symptoms such as hearing loss or muffled hearing from a new treatment for thyroid eye disease, teprotumumab (Tepezza), according to a small study presented virtually at ENDO 2021, the Endocrine Society's annual meeting. Teprotumumab, approved by the U.S. Food and Drug Administration in January 2020, is the first and only drug to be approved for thyroid eye disease. The treatment has shown significant improvement in abnormal protrusion of the eyes (proptosis), double vision, soft tissue inflammation and quality of life. In two clinical trials conducted prior to FDA approval of the drug, otologic symptoms were reported in 10 percent of patients. The new study found the rate could be as high as 65 percent. Thyroid eye disease is an autoimmune disease in which the eye muscles and fatty tissue behind the eye become inflamed. Symptoms can include dry, watery, red or bulging eyes, a "stare," double vision, difficulty closing the eyes, and problems with vision. It is primarily associated with an overactive thyroid gland due to Graves' disease.

An analysis published in the *Journal of the American Geriatrics Society* indicates that while adults aged 75 years and older do not benefit from taking aspirin to prevent cardiovascular disease, many do so on a regular basis. Also, although statins are known to help prevent heart problems in older adults who have experienced a cardiovascular event, many of these individuals do not take a statin. The analysis included data on 11,392 U.S. adults aged 50 years and older who were surveyed from 2011 to 2018. Investigators found that more than half of participants took aspirin or a statin.

## Sports

### BOYS LACROSSE

**ConVal 14, Manchester Memorial 3:** The Cougars got back on the winning track with a dominating victory.

**Coe-Brown 6, ConVal 5:** The Bears withstood a lot of pressure from ConVal in the final minutes of the game, but Coe-Brown held on.

### GIRLS LACROSSE

**Lebanon 16, Kearsarge 9:** The Cougars trailed by just a goal at halftime, but Lebanon caused several turnovers and pulled away in the second half.

**Derryfield 19, Kearsarge 5:** Kearsarge kept it close in the first half, trailing 7-4 at halftime, but the defending champs pulled away in the second half.

**Kearsarge 17, Laconia 6:** The Cougars showed up to play and controlled the first half of the game, despite giving up the bulk of Laconia's goals in the last 13 minutes of the opening half.

**Hopkinton 14, Gilford 1:** The Hawks took a 9-1 halftime lead thanks to strong passing.

### SOFTBALL

**ConVal 8, Pembroke 5:** Taylor Renna broke open Pembroke's scoring with a triple to spark the Spartan bats, but it wasn't enough to top the Cougars.

**Hopkinton 8, Bishop Brady 3:** The Hawks broke open a 2-1 game with four runs in the fifth inning and two more in the sixth.

### BASEBALL

**Pembroke 5, ConVal 4:** ConVal took an early lead with a two-run homer in the first inning and led, 4-2, in the seventh, but the Spartans took a 5-4 lead. ConVal threatened in the final half-inning, leaving the tying run on third.

**Hopkinton 7, Mascenic 6:** The Hawks and Vikings got rained out in Cooperstown, so they drove back to New Ipswich and Mascenic jumped out to a 6-1 lead on their home field. The Hawks scored four runs in the sixth and two in the seventh to earn a tough come-from-behind win.

**Bishop Brady 10, Hopkinton 8:** The Giants scored five runs in the bottom of the third to jump out to a 6-1 lead, but Hopkinton answered with five runs of its own in the top of the fifth to tie the game, 6-6. Brady scored three runs in the bottom half of the frame to take a 9-6 lead and held off a Hawk rally in the seventh.

## Hopkinton & Henniker respond to accident

Hopkinton and Henniker firefighters and EMTs, as well as New Hampshire State Police, were sent to a roll-over crash on Interstate 89 on Sunday. Near Mile Marker 9.8, around 11 p.m., witnesses called 911 about a rollover crash with a person entrapped as well as a person ejected from the vehicle just south of Exit 6 on the southbound side. The first arriving firefighters found the vehicle, on its roof, in the median. Firefighters began removing the driver from the vehicle while state police confirmed the passenger was thrown and began searching for them, according to dispatch. Around 11:15 p.m., the battalion commander requested a trauma alert at Concord Hospital for a man in his 40s with multiple injuries who was removed from the vehicle. Henniker EMTs took the man to the hospital while the others continued to search for the passenger. At just past 11:30 p.m., dispatch said Henniker units were clearing the crash while Hopkinton firefighters stayed to work on the recovery.

## Antrim man & Greenfield woman injured

An Antrim man was taken to the hospital after the crash near the Bennington town line around 1:45 p.m. The two vehicles involved were a Chevy Equinox and Nissan SUV. The Chevy — driven by an Antrim man, whose name was not disclosed by police because the investigation is still open — was driving northbound and crossed over the center line. The Nissan — driven by a Greenfield woman, whose name was also not disclosed — was traveling in the southbound lane when her SUV flipped on its side, trapping her in. She remained conscious, but had to be rescued from the vehicle, according to Patrolman Hunter. He said rescue personnel called a helicopter from Dartmouth-Hitchcock Medical Center, but canceled it when the driver opted to be taken for medical treatment by ambulance. The Antrim man has “severe chest trauma,” Sgt. Blake said, and his condition is considered life-threatening. The Greenfield woman had minor, non life-threatening injuries.

and countless friends that he considered family.

In addition to his parents, he was predeceased by his brother David Guyette. A celebration of Stacey's life will be held

on Saturday, June 18th beginning at 2pm at the American Legion, 20 Webster Street, Jaffrey, NH. A private burial will take place in the family plot at Pine Hill Cemetery, Peterborough.

Henniker turned out in force last Saturday to say a final good-bye to a favorite son, Jim Knaptan.

The family of Michael Stellato would like to sincerely thank all of you for your thoughts, prayers and help during this difficult time. We will be having a graveside service on May 15 at 12 noon at the St. Charles Cemetery on Shedd Road and a celebration of life from 1 pm - 3 pm at the American Legion Post #59.

We look forward to seeing Mike's many friends there.

## Town of Hillsborough NH LEGAL/PUBLIC NOTICE

Case No 2022-09

### LEGAL/PUBLIC NOTICE

Notice is hereby given in accordance with RSA 676:4 & 675:7 that the Hillsborough Planning Board will hold a public hearing for a Minor Subdivision application at 741 West Main Street (Map 10 Lot 46) submitted by Andrew G. Edwards and Mark Edwards Wednesday, May 18, 2022, at 7:00 p.m. at the Hillsborough Town Offices, 27 School Street, Hillsborough, New Hampshire.

The purpose of this application is to subdivide Map 10 Lot 46 (13.363 +/- acres with 1,022.23 feet of frontage) into two tracts. The subdivision will result in the remaining Map 10 Lot 46 being 6.961 +/- acres with 746.49 feet of frontage, and the new Map 10 Lot 46-1 being 6.403 +/- acres with 275.74 feet of frontage. The two lots to be served by on site sewer and private wells.

Upon a finding by the Board that the application meets the submission requirements, the Board will vote to accept the application as complete and the Public Hearing on the merits of the proposal may follow immediately. Copies of the application may be viewed at the Office of Community Planning, 27 School Street, Hillsborough, New Hampshire.

Copies of the application may be viewed at the Office of Community Planning, 27 School Street, Hillsborough, New Hampshire and via e-mail. Anyone with questions about this application should contact Robyn Payson, Planning Director at 603-464-7971 or by e-mail at robyn@hillsboroughnh.net
