### Rest In Peace Officer Bo

The Hillsborough community was shocked and saddened to learn of the sudden death of H-D School Resource Officer Rory Bohanan. See story on page 9.

Hillsboro-Deering's 2022 DECA Team.

## H-D excels at Internationals

*Hillsboro-Deering shines among 18,000 competitors*

Mercedes-Benz Stadium, home to the Atlanta Falcons, and the Georgia World Congress Center were the backdrop for DECA's International Career Development Conference recently held from April 23 – April 26, 2022. Thirteen Hillsboro-Deering High School DECA members joined approximately 18,000 other DECA members from all 50 states, several provinces of Canada, and other nations, including Spain, Italy, Japan, the Dominican Republic, and Brazil. The smiles that were visible on members' faces were big and evident as the live competition returned in-person for the first time since 2019.

H-D's DECA team returned from the competition with several top-10 finalists. Earning a spot in the top-10 represents an extreme level of eliteness as less than 10% of all DECA members in attendance at the conference earn a medal on stage.

This year H-D had one Virtual Business Retail Management team qualify for the finals. The team was a solo competitor – Jack Harrington, who finished in 10th place internationally. H-D sent two Virtual

Business Restaurant Management teams to the finals. The team of Emily Wilkens, Emma Davison, and Manny Velazquez finished in 9th place internationally in the event. Another solo competitor – Madison Paquette finished just outside of the top ten in 11th place. H-D had one Virtual Business Sports Management team qualify for the finals. The team of Mason Ferwerda and Ben Perrin finished in 4th place internationally in the event.

During the School Based Enterprise Academy, sophomore Isabel Swirko accepted the award for the Gold Certified School Based Enterprise Award on behalf of the Hillcat Corner, the chapter's school based enterprise. This is the fifteenth consecutive year that the chapter has received this award. Rounding out the team of the thirteen qualified students from Hillsboro-Deering was senior Serenedy Kelley, and juniors Alexis Ledvina and Madison Ledvina (Business Operations Research), sophomore Kyle Nickalus (Financial Consulting), and freshman David Prentiss (Principles of Hospitality).

# New London Select Board to discuss governance initiative

The New London Board of Selectmen will use part of their May 12th meeting to discuss governance initiatives that Selectman Helm submitted at the April 14th meeting of the board.

Items to be discussed include: Selectmen not being appointed to any other committees other than the statutorily required Budget Committee and Planning Board, Budget Committee members not appointed to other town committees, Establishing time limited, small “advisory panels” (like the 2021 Fiscal Policy Panel) to advise on topics like the Whipple Town Hall upgrade project, trash and solid waste issues and the future uses of Buker, Dissolving the Building & Facilities and Solid Waste Management committees as currently constituted, and Revisit with the Planning Board the formation of a separate Capital Improvement Program (CIP) committee.

The Selectmen have the ability to appoint themselves, as well as members of the community, to the various

Cara Leone (left photo) joined the Selectmen’s Office staff as the Land Use & Assessing Coordinator in April. In her new position she will assist the Assessing Department and the Planning & Zoning Department as well as citizens who need assistance. Eben Lamson (right photo) began his law enforcement career with the New London Police Department in 2013 as a Patrol Officer. He has received two lifesaving awards in recognition of his courageous and life saving actions on the job. He was promoted to the rank of Corporal on January 28, 2019, and to Sergeant on April 5, 2022.

boards, commissions, and committees and they may also establish new committees to assist them in their work on behalf of the town.

Board and committee members, as well as members of the public, are encouraged to attend to discuss the pros and cons of these initiatives, along

with others that may come up during the discussions.

Other issues at the May 12th meeting, 6:00pm: Public Hearing to discuss the town’s parking ordinance for parking in the area of the Barn Playhouse: Everette Park, Williams Street, Pressy Court & Sawyer Lane.

## Town of Nelson hosts awards ceremony for heroic Heck brothers

Vincent, 19, and Jake Heck, 16, the Hillsborough brothers who rescued Jeffrey Voss, 50, of Alstead, from his burning vehicle were recently honored at Nelson Town Hall.

Nelson Fire Chief Joseph Sarcione led off the ceremonies saying, "It takes a certain individual, individuals, who act without hesitation to save another and not give any thought to their own safety, and these two young men did just that."

Lt. Aaron Cooper of the Keene Fire Department marveled that the brothers were able to save a life without any specialized equipment or the training professionals have. "The world needs more Vincents and Jakes," he said.

Nelson Select Board member Al Guida remarked that the Hecks' story of heroism needs to be repeated over and over again.

During the course of the festivities, the boys were honored with certificates from the town of Nelson,

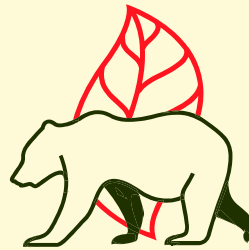

Vincent (l) and Jake (r) Heck of Hillsborough.

plaques from the Nelson Fire Department and pins from the Nelson Rescue Squad. One interested bystander was Jared Beard, a full-time

Concord firefighter and an on-call Hillsboro firefighter who was Jake's CPR instructor just two weeks before the incident.

# Renovated Hillsborough diner seeking new owners

Hanna's Diner in Hillsborough is for sale. When Hanne Hansen and Jay Schechter bought the diner in 2020 they saw it as a turn-around project. Saving the vintage 1953 Kullman diner would be their contribution to the community. They see the diner as part of the social fabric of the town: a great place for food, friends and meeting your neighbors, as their coffee mugs say.

They went to work, invested in the physical plant: new granite flower beds, new windows, new heating, new floor and new food service equipment. They hired new staff, upgraded the food, installed a POS system and created a clean and cozy environment.

As the diner's 5th owners, Hanne and Jay have enjoyed the people they have met over the years from the "locals" to the "from-aways", bikers, Bostonians, campers, contractors, doctors, fishermen, hunters, morticians, police, politicians and snowmobilers. Customers have become friends.

It is now time to turn their beloved

business over to its next steward. They are looking forward to handing the reins to the 6th generation and being able to sit on the other side of the counter ordering one of the diner's famous Bloody Mary's and relaxing

over brunch with family and friends. Until the right buyer comes along, they are dedicated to ensuring the business stays as bustling as ever during this summer season, complete with new weekly menu specials!

The Henniker Chamber of Commerce hosted another successful Clean-Up Day on Saturday. The Crew from the Henniker Congregational Church had the greatest participation.

During the morning commute on May 5, 2022, Troopers from Troop D out of Concord attempted to stop a stolen vehicle on Interstate 89 in Warner, NH. The suspect's vehicle failed to stop for Troopers, causing an enhanced danger on the road. Thanks to Troop D Troopers and surrounding agencies, the suspect was apprehended fleeing the scene.

Interstate 89 southbound in Hopkinton was temporarily closed Sunday morning because of a crash. The car rolled over southbound on I-89 at mile marker 8.6. It was reported just after 10 a.m. on Sunday. The driver of a Toyota Rav 4 hit a guard rail then rolled over and it caught on fire. The driver was able to get out and treated for minor injuries. The cause of the crash was because of driver fatigue.

Both lanes of I-89 were closed due to an overturned SUV towing a trailer.

# Beloved H-D School Resource Officer Rory Bohanan dies suddenly

While on duty as the School Resource Officer for the Hillsboro-Deering School District on May 10th, 2022, Officer Rory Bohanan suffered a medical emergency and died.

Officer Bohanan began his lifetime of service in the Navy in 1981, serving on the USS Emory S. Land. In 1987 he joined the NH Department of Corrections and then moved into law enforcement in 1998 part-time. Officer Bohanan attended the 123rd NH Police Academy finishing 1st academically in his class.

Officer Bohanan worked for both the Henniker and Hopkinton Police Departments before becoming the School Resource Officer at Hillsboro-Deering Schools. It was in this role that Officer Bohanan exhibited his excellence and merit. Guiding

students, he not only ensured their safety, but he was also a respected mentor to so many. Officer Bohanan frequently worked with the Special Olympics participating in the Torch Run year after year. Officer Bohanan was set to retire from law

enforcement on June 30th. The men and women of the Hillsboro Police Department extend heartfelt condolences to his wife, children, family, and friends during what is a difficult and painful time. We will all miss "Officer Bo" very dearly.

Three generations turned out for an impromptu Celebration of Life for Hillsboro-Deering's beloved school resource officer.

## GUM DISEASE LINKED TO NEW ONSET HEART DISEASE

Dr. Esin Narli

Gum disease is associated with an increased risk of cardiovascular disease: the more severe the periodontitis, the higher the risk. The findings were presented at ESC Congress 2021. The association was particularly evident among patients who had experienced a heart attack in the past.

Study author Dr. Giulia Ferrannini of the Karolinska Institute, Stockholm, Sweden said: "Our study suggests that regular dental check-ups and education on proper dental hygiene may help to prevent first and subsequent heart events."

The study previously showed that periodontitis (gum disease) was significantly more common in first-time heart attack patients compared to their healthy peers of the same age and sex and living in the same area. Participants with periodontitis at baseline had 49% higher odds of the primary endpoint compared to those with healthy gums. The probability of the primary endpoint rose with increasing severity of gum disease.

When heart attack patients and healthy controls were assessed separately, the graded relationship between gum disease severity and the primary endpoint was significant only for patients.

The researchers postulate that the damage of periodontal tissues in people with gum disease may facilitate the transfer of germs into the bloodstream. This could accelerate harmful changes to the blood vessels and/or enhance systemic inflammation that is harmful to the vessels.

## TAKE YOUR MEDICINE

BY SARAH CHAPIN

Major depressive disorder is highly prevalent, with one in five people experiencing an episode at some point in their life, and is almost twice as common in women as in men. Antidepressants are usually given as a first-line treatment, including during pregnancy, either to prevent the recurrence of depression, or as acute treatment in newly depressed patients. Antidepressant use during pregnancy is widespread and since antidepressants cross the placenta and the blood-brain

barrier, concern exists about potential long-term effects of intrauterine antidepressant exposure in the unborn child. In a study published in *Neuropsychopharmacology*, scientists found that children whose mothers continued antidepressants during pregnancy had a higher risk of affective disorders than children whose mothers stopped taking antidepressants before pregnancy. However, to understand whether the underlying disorder for which the antidepressant was given or the medication itself was linked to the child's risk of developing an affective disorder, they also studied the effect of paternal antidepressant use during pregnancy and similarly, found that children of fathers who took antidepressants throughout pregnancy had a higher risk for affective disorders. Thus, the research team speculates that rather than being an intrauterine effect, the observed link is most likely due to the parental mental illness underlying the antidepressant use.

A recent study published in *Nutrition Reviews* shows that bleeding of the gums on gentle probing, or gingival bleeding tendency, and also bleeding in the eye, or retinal hemorrhaging, were associated with low vitamin C levels in the bloodstream. And, the researchers found that increasing daily intake of vitamin C in those people with low vitamin C plasma levels helped to reverse these bleeding issues.

## Publisher's Perspective

### The Politics of Hate Goes Local

Messenger readers know that I have often used this column to criticize town or school board's policies and procedures. We have also published many of your letters in the same vein.

This is one of the great rights and privileges we enjoy in a democracy.

However, every once in a while, some self appointed champion of all that is right and good crosses the line and attacks the character and integrity of our public officials.

People who have the decency and yes, the courage to run for Select Board or School Board or serve on appointed boards and committees are our neighbors and friends. They stood up and are sacrificing their time and reputation to make life better for us all. Disagreeing with a particular vote or position does not give us the right to berate them with personal attacks.

A few years ago, Antrim went through this. Last year two Hillsborough Selectmen resigned after being barraged with claims of bias, lack of integrity and conflict of interest, only because they supported a proposed noise ordinance.

This year, it appears to be Henniker's turn. Not a week goes by with-

out the Select Board and particularly Chair Kris Blomback being accused of impropriety, illegality or depravity. These attacks are both insulting and inappropriate, and must stop immediately.

In the 33 years that Joyce and I have owned The Messenger I can't tell you how many Select Board, School Board, Planning, Zoning or other Boards or committee meetings I have covered from the 20+ towns we cover. In all that time the Henniker Select Board has been a shining example of openness and transparency. Its agendas and minutes are the most complete and accurately reflect what will be or has been discussed.

Kris Blomback is a fantastic leader and dedicates himself to allowing full public input on any and all issues. Not a stickler, as some are, to limiting public comment to 3 or 5 minutes without any board response or dialogue, Kris routinely allows the public to speak and will often respond to comments or suggestions.

Attention you disgruntled purveyors of hate, if you are so upset with how things are being run, get off Facebook, put your name on the ballot, and your reputation on the line.

## EXECUTIVE SOUS CHEF

Pats Peak is unique in that it operates year round with an F&B department. In the winter we are a fast paced 2 - outlet "grab & go" set up and pub oriented plated menu operation. During the non-ski season we operate two full time banquet halls that has weddings, private parties, company outings and various business meetings and limited run of the Sun Pub: our outdoor summer pub destination. Manage 50 to 70 banquets per season with many events occurring on same day.

The Executive Chef of the last 20 plus years is desirous of reducing hours and eventual retirement and wants to make sure the operation is handed off to a caring individual that will continue the quality that we offer, nourish the growth of the overall operation, and bring a fresh set of ideas to our culinary operation. A prospective candidate should have a willingness to share this position and appreciate the opportunity for overlap to ensure a smooth transition. Once the transition is complete you have a blank canvas to create your quality - first class - vision.

Position is year-round fulltime, 401K, Generous Profit Sharing, Health Insurance, Family Season Passes and Much More.

## The Grapevine Center launches “Stronger Together” support group

The Grapevine Family and Community Resource Center in Antrim is beginning a community support group about grief and loss called Stronger Together. This program is open to everyone and is not just for those who have lost a loved one. Grief can take many forms and a loss that triggers feelings of grief isn't always a physical loss.

Some examples include:

- Divorce or changes in a relationship, including friendships
- Changes in your health or the health of a loved one
- Losing a job or changes in financial security
- Life changes that you weren't prepared for (including pandemic-related upheavals)

At the Grapevine, we recognize and validate all types of grief and loss and are pleased to provide a safe, supportive space for our community members to gather. Please note, this is not a bereavement or therapeutic

group. It will be peer-led and facilitated by Grapevine staff.

Stronger Together will be facilitated by Nancy Macalester and Erica Snyder and will meet at The Grapevine in Antrim from 3pm to 5pm on

Sundays May 15 and June 12.

For more information or to register call The Grapevine 603.588.2620 or email [info@grapevინeh.org](mailto:info@grapevინeh.org). Drop ins are welcome and childcare can be made available.

Friends and coworkers gathered to say farewell to Cathy Strausbaugh after twelve years in Newbury's Clerk's office. Thank you for service to the community.

## Sports

Their shirts may say Bennington, but 8 of these boys live and/or go to school in Greenfield and they played an amazing game! The bases were loaded and they were down by 3 runs in the last inning. There were 2 outs when the next batter hit an in-the-park home run! Due to a league 4 run max rule per inning they ended up losing the game, but they were definitely still winners at heart and deserve to be recognized today.

### BASEBALL

**Kearsarge 5, Hillsboro-Deering 1:** Ben Biagiatti pitched a no-hitter and Camden Dezotell had the game-winning RBI in the sixth inning.

**Berlin 7, Kearsarge 6:** After being down 5-1 after the first two innings, Kearsarge made a game of it, taking a 6-5 lead in the fifth.

**Bow 18, ConVal 4:** ConVal tied the game, 3-3, but Bow broke the game open with five runs in the third inning, and a seven-run seventh.

**Hopkinton 12, Mascoma 0:** Colby Boissy got the Hawks rolling at the plate with a two-run double in the top of the second inning.

**Hopkinton 10, Conant 0:** Joe Yanzo laced a two-run single in the bottom of the first to get the Hawks rolling. A few more hits had the Hawks up 9-0.

**Goffstown 15, Bedford 9:** Ryan Strand hit a grand slam, and 2 singles; while Ryan Cote had a 3-run homer.

**John Stark 10, Milford 5:** Chase Philibotte threw a very effective and efficient game for the Generals, and he was backed by excellent defense from Dykstra, Keim and Crean.

**Souhegan 8, John Stark 2:** The Generals outscored the Sabers in the restart, but couldn't dig themselves out of the large hole they dug eight days earlier.

**John Stark 17, Plymouth 4:** The Generals and Bobcats went back and forth over the first three innings before the Generals took the lead for good in the fourth.

**Hopkinton 5, Campbell 2:** The Hawks jumped out to a 4-0 lead in the top of the first behind a two-run single by Laylagian and a two-run single by Hunter Boissy with two outs.

### SOFTBALL

**Bishop Brady 9, Hillsboro-Deering 6:** The Giants hit well and put the ball in play often, while Bryson shut down the Hillcats from the circle.

**Hopkinton 20, Mascoma 1:** Shaylee Murdough earned her first varsity win in the circle.

**Campbell 3, Hopkinton 2:** The Hawks led 2-1 into the bottom of

the sixth, but Campbell scored two to take a 3-2 victory.

**Conant 9, Hopkinton 6:** The Hawks battled back from a 5-0 deficit to take a 6-5 lead after three, but Conant scored two in the fourth to retake the lead.

**Coe-Brown 8, ConVal 3:** Coe-Brown was too much to handle this day.

**John Stark 1, ConVal 0:** AJ DeTone only needed 75 pitches to earn the complete-game shutout for his first varsity win.

**John Stark 13, Milford 2:** The Generals had a balanced offensive attack, with the top five batters in the lineup scoring seven runs and the bottom six in the lineup scoring six.

**John Stark 23, Plymouth 7:** Kira Linstad got her 1st varsity win with plenty of run support.

## BOYS LACROSSE

**Lebanon 13, Hillsboro-Deering 5:** H-D's Jacob Davies scored 3 goals, Paulo Vasquez had 2, and Jared O'Connor registered 13 saves.

**Hopkinton 15, Hillsboro-Deering 2:** The Hillcats dominated at the faceoff and did a good job clearing the ball, keeping the game close early on.

**Hopkinton 3, Trinity 2, OT:** Quinn Whitehead scored with 1:02 left in regulation to force overtime and Aiden Burns scored 11 minutes into OT to avenge the Hawks' loss to Trinity in last year's Division III tournament semifinal.

**Campbell 15, Hopkinton 12:** Campbell came out to a 7-0 lead midway through the second quarter. The Hawks went on a 10-4 run to make it 11-10 by the beginning of the fourth quarter, but the Hawks couldn't seal the victory.

**Kearsarge 12, Milford 9:** The Cougars prevailed in a shootout.

**ConVal 9, Bow 4:** The Falcons played strong defense, despite the score.

## GIRLS LACROSSE

**Kearsarge 18, Belmont 5:** Eight different players scored for Kearsarge, utilizing good teamwork and solid defense.

**Kearsarge 17, Milford 6:** Kearsarge led 8-4 at halftime before pulling away in the second half.

**Hopkinton 19, Bishop Brady 9:** Shelby Olkonen and Jessie Carney recorded their first career varsity goals, and the Hawks built a 10-goal lead by halftime.

**Bow 14, Hopkinton 13:** Bow prevailed in a major shootout.
