Hopkinton Fallen Firefighters Memorial

Dedication on 10th anniversary of Chief Schaefer's death

The Hopkinton Fire Fighters Association Memorial Committee is in the process of erecting a fallen firefighter memorial dedicated to department members who made the ultimate sacrifice protecting our Hopkinton community.

The Fallen Firefighters Memorial in Concord has 90 names of firefighters who have died in the name of service to their community throughout the state.

Chief Richard Schaefer was Hopkinton's first Line of Duty Death, and September 2nd of this year will mark ten years since his passing.

The committee has chosen a bell on a pedestal to represent the fallen. A bell has a distinguished history in the fire service. Over the years, this has become synonymous with a firefighter who has lost his or her life, and "returned home."

The memorial will be erected on the

river-side of the Contoocook fire station, viewed in front of the waterfall from the Contoocook River.

The committee is NOT looking for money from taxation for this memorial. The Association will

use unrelated funds from a separate trust to finance the majority of the cost. However, we expect there will be members of this town who will want to embrace the concept of this memorial any way they can.

For those who want to become associated with this project, the HFFA has arranged for a process to have their name noted with this special memorial by offering a recognition in the pamphlet to be presented at the official dedication on September 2nd, 2022.

All donation checks should be made out to the Hopkinton Fire Fighters Association (HFFA).

The Center for the Arts announces 2022 Scholarship Recipients

The Center for the Arts, Lake Sunapee Region, is proud to announce this year's scholarship recipients. Four seniors were awarded scholarships as they plan to develop their talents when they begin their college careers.

We congratulate the following seniors: Mak Eldridge, from Warner, who will attend Plymouth State University to pursue a career in theater and music technology; Kayla Wimer, from New London, the recipient of The Hunting Scholarship for Visual Arts, who will be attending Emerson College majoring in film and media arts; Jonathan Glidewell, a singer songwriter from New London and recipient of The Rizza Scholarship for Performing Arts, who will be continuing his studies at Gordon College; Daniel Courtine, also from New London and recipient of The Lang Memorial Scholarship, who will attend Bowdoin College in Maine and will pursue a career in medicine and in the performing arts; and Maddox Cahill, a visual artist from Sunapee, who will

attend Thomas College in Waterville, Maine.

In addition, scholarships were awarded to the following students pursuing summer arts programs: Anya Moorehouse, from Sunapee and a senior at Mount Royal Academy; Sydney Laurendeau, also a senior from

Bradford, and Emily Pirone, from Warner, will attend The Dance Education Training Workshop in Boston; and our youngest recipient, seventh grade student Saoirse Carmody from Warner will enroll in a three week intensive in ballet at The Kearsarge Conservatory for Performing Arts.

Contoocook Railroad Association Museum Visitor Center receives grant

The Kearsarge Area Chamber of Commerce has generously provided a grant in the amount of \$3,360 to the Contoocook Railroad Association Museum Visitor Center. This grant will be used to fund summertime hours for the visitor center.

Regularly scheduled hours at the visitor center will help promote area businesses and organizations to visitors and residents. Kearsarge Chamber members are encouraged to contact either the museum or the Chamber if they would like to schedule a pop-up shop at the museum.

The Contoocook Riverway Association owns the historic depot completed in 1849, the world's oldest surviving railroad covered bridge, a 1907 Pullman Coach car, and a late 1800's section house recently moved to the property. The site is located next to the Contoocook River in Village Square in Contoocook.

The Kearsarge Area Chamber of Commerce has over 170 members of

local businesses, artisans, and non-profits.

The Chamber bridges the gap between New London and Concord, serving all the area towns. Members participate in educational workshops and networking events while the

Chamber assists them in promoting their organizations.

THE PROSTHODONTIST

Dr. Esin Narli

Q: What is a prosthodontist?

Among the various specialists in the arena of dentistry is the prosthodontist. The prosthodontist specializes in the placement of restorations, like dentures or bridges, in the mouth. A prosthodontist may do something as relatively simple as putting a single crown on a tooth. He could also do something as complicated as a full-mouth restoration that might involve a combination of bridges and implants. A prosthodontist is also the doctor who would be called in to do restorative work after, say, the removal of a cancerous portion of the mouth.

After four years of dental school, prosthodontists go on for another three years of specialized training in an American Dental Association-accredited graduate program. A prosthodontist often will act as the head of a team of dentists, other specialists and health care providers in figuring out the best way to address your dental needs. Talk with your dentist about the special skills of a prosthodontist and whether you are a candidate for those services.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

A large clinical trial conducted worldwide shows that treating moderately ill hospitalized COVID-19 patients with a full-dose blood thinner reduced their need for organ support, such as mechanical ventilation, and improved their chances of leaving the hospital. However, the use of this treatment strategy for critically ill COVID-19 patients requiring intensive care did not result in the same outcomes. The formal conclusions from the trial, which was supported in part by the National Heart, Lung, and Blood Institute (NHLBI), part of the National Institutes of Health, appear online in the *New England Journal of Medicine*.

• • •

A potentially game-changing treatment for people with, or at risk of, blood clots has been found effective by an international team of researchers. The team compared abelacimab with enoxaparin as a control drug in 412 patients undergoing knee replacement surgery. Results showed that just one abelacimab injection prevents blood clots for up to a month after surgery, reducing the risk by about 80% compared with enoxaparin without increasing the risk of bleeding. The findings were published in the *New England Journal of Medicine*.

• • •

Common blood-pressure drugs may improve survival for patients with colorectal cancer, a new study published in the journal *Cancer Medicine* suggests. After reviewing outcomes of almost 14,000 patients with colorectal cancer, researchers determined that ACE inhibitors, beta-blockers and thiazide diuretics were all associated with decreased mortality. They also found that patients who took their blood-pressure drugs consistently were less likely to die from their cancer. The researchers emphasize that more research is needed to validate the connection between blood-pressure drugs and better outcomes. But they say they are hopeful that the drugs could offer a new, low-cost way to improve care for patients with stage I-III colorectal cancer.

Bob Wright receives two awards from Washington Fire Chief Shawn Atkins: a plaque for 40 years on the Rescue Squad and a Golden Axe for his 50+ years as a member of the Washington Fire Department.

Newbury Fire Rescue Engines 2 & 4, Rescue 1, Tanker 1, a Bradford engine and tanker and a Sutton engine and tanker along with New London Ambulance and Newbury and Bradford Police responded to a house fire on Newell Road, Wednesday evening. The crews were on scene for about two hours. There were no injuries.

Fire Chief Thomas of the Newbury Fire Department responded with a chainsaw and other equipment on Engine 4 to help start the removal of a fallen tree on Route 103. NH DOT arrived later to help ensure the roadway would be fully open for travel.

W.P.A. Artist Exhibit Opens to Great Response in Washington

Submitted by William Mulcahy

The Washington Historical Society's summer-long exhibit on local W.P.A. artist Nathaniel C. Burwash (1906-2000) opened to strong attendance at their museum at 100 Half-moon Pond Road. Burwash started as a painter and later switched to sculpting. The exhibit focuses on both aspects of his career, using original watercolors borrowed from the NH State Library, and carvings from private collections.

Working from a tiny cabin in the woods off Bailey Road, Burwash created hundreds of warm, vibrant watercolors between 1934 and 1941 — lovingly capturing the people and places of Washington (and Hillsborough).

In a 1987 Messenger interview, Nat explained his organic approach to carving " ... the quality and feel of a piece of wood often determines the form it becomes. Nothing is preconceived, although the grain can have a strong influence." He continued to

"Village" 1938 W.P.A. watercolor by Nat Burwash showing Central Square in Hillsborough, NH, showing the Socony service station (now the "Volvo Museum") and the old Capitol Theater (which stood between the former location of Mama McDonough's and Tooky Mills).

create beautiful works until his death at age 94 in 2000.

The exhibit is free and open every Saturday now through Labor Day from

10 - 2, and also features photographs of life at the Burwash cabin in the 30's and 40's, and artifacts recently recovered from the cabin site.

Mason's Bikes For Books Program returns

Leigh Bosse, Master of Hillsborough's Masons of Harmony Lodge announced they are again sponsoring its Bikes For Books Program. This is the third year that Harmony Lodge has participated in this National Masonic program designed to encourage reading in young children. As in past years, two new bicycles and helmets will be presented to the two top readers in the Antrim, Henniker, Hillsborough, Washington and Weare Library's Summer Reading Programs.

Hillsborough Police receive \$50,000 grant

The Hillsborough Police Department is getting an infusion of federal dollars from the American Rescue Plan Act, the federal COVID19 stimulus bill passed in March 2021. The federal funds had been allocated to the state Department of Justice, which this week asked the Executive Council to approve two small grants to Lincoln and Hillsborough. The Hillsborough Police Department will receive just under \$50,000, meant to help towns manage tourists — who are expected in record numbers this year. Hillsborough's grant specifies that it will be used to buy a new off-highway recreational vehicle for police, to help patrol the town's miles of ATV trails, replacing a 12-year-old vehicle.

Bear breaks into a Hancock home for snack

The Hancock Police Department reports that a large bear broke into a house on Old Dublin Road around 1:00 a.m. Monday morning and began snacking in the kitchen. There were no reported injuries to the homeowners or their pets, but their pantry may have suffered some heavy losses. Authorities have reported the details of the house break to New Hampshire Fish and Game and ask residents in the area to remain vigilant.

Area Police conducted two full days of active shooter training at Hillsboro-Deering High School. Hillsboro, Deering, Washington, and Antrim Departments participated.

New staff announced at ConVal Regional High School

Shawne Hilliard (L) joined the ConVal School District on July 1 as the Community Principal for both the Dublin Consolidated School and Hancock Elementary School.

Hilliard has deep experience working in education, having served seven years as a principal for Weare School District's elementary and middle schools.

Kevin Proctor (C) will expand his role in the district when he begins

his role as Director of Athletics and Co-Curricular Activities at ConVal High School. Proctor has previously served as the varsity and junior varsity

boys basketball coach for ConVal, and has also coached basketball and other sports at various levels at Souhegan and in Antrim and North Berwick, Maine.

Richard Simoneau (R) joined the District as the Assistant Principal at ConVal High School. Simoneau comes to ConVal with extensive administrative experience. He previously worked as the Assistant Principal of Elm Street Middle School in Nashua.

Publisher's Perspective

Having celebrated the 4th - A word of caution

In listening to the debate over state and federal budget cuts, I am reminded of the old warning that "those who ignore history are bound to relive it." When conservatives talk of restructuring medicare, medicaid and the other "entitlement" programs, they are castigated as "heartless" individuals who care nothing about their fellow man.

Though they know that these programs are underfunded and will be bankrupt in the future, liberals refuse to face the reality that the more people who are "entitled" to these tax dollars, there are fewer of us left to provide them. I hope my liberal friends will take a moment to read what Alexander Tyler, a Scottish history professor at the University of Edinburgh, in 1887, had to say about the fall of the Athenian Republic some 2,000 years prior: "A democracy is always temporary in nature; it simply cannot exist as a permanent form of government. A democracy will continue to exist up

until the time that voters discover that they can vote themselves generous gifts from the public treasury. From that moment on, the majority always votes for the candidates who promise the most benefits from the public treasury, with the result that every democracy will finally collapse over loose fiscal policy, which is always followed by a dictatorship."

"The average age of the world's greatest civilizations from the beginning of history, has been about 200 years. During those 200 years, these nations always progressed through the following sequence: 1. From bondage to spiritual faith; 2. From spiritual faith to great courage; 3. From courage to liberty; 4. From liberty to abundance; 5. From abundance to complacency; 6. From complacency to apathy; 7. From apathy to dependence; 8. From dependence back into bondage."

America is quickly approaching step 7. The trend must be reversed!

Pro Woman, Pro Child, Pro Life

Sonya Curry had started college and found herself single and pregnant. In her book "Fierce Love: A Memoir of Family, Faith, and Purpose" she writes she knew she would have to quit college or abort the baby.

Curry decided to have an abortion, scheduled an appointment at a Planned Parenthood in Virginia.

In the parking lot, however, she sat in the car, hesitant to walk inside; she said her heart changed about her unborn child and she eventually drove away. That child grew up and was a member of the 2022 NBA Championship team - the Golden State Warriors.

Stephen Curry was voted the Most Valuable Player of the NBA Finals.

Former Greenfield Pastor prison sentence of 7.5-15 years

Christopher Lawton, 44, the Greenfield pastor who pleaded guilty to more than a dozen felony charges of sexual assault has been sentenced to prison time and was required to register as a sex offender last month. Lawton received 7½ to 15 years in state prison in Hillsborough County Superior Court North in April on concurrent sentences for eight counts of aggravated felonious sexual assault. Judge Delker also imposed 10- to 20-year suspended sentences on eight

additional counts of aggravated felonious sexual assault. The suspended sentences are concurrent to each other but consecutive with the other sentences.

Lawton pleaded guilty to those 16 charges, which allege he abused his authority as a pastor several years ago to coerce a teenage girl into sexual acts on several instances between January 2015 and June 2016. Prosecutors dropped more than a dozen additional felony sexual-assault charges.

Ashlee Brehio

Hopkinton girl is NH/VT Lion's Cup MVP

On Saturday, July 16, 2022 girls and boys soccer teams from New Hampshire and Vermont squared off against each other at Hanover High School. The players are seniors who are nominated by the coaches from their respective states. This competition began in 1975 and is held yearly with proceeds from this charity event being divided equally between the NH and Vermont Lions Clubs.

On Saturday, under bright sunny skies, the boys tied 1-1. Competing from Hopkinton was Bryce Charron.

The girls game was a different story. Players from Hopkinton included Ashlee Brehio and Annie Higginbotham. The NH girls poured on the offense right from the start and at the half led 2-0 with a goal by Ashlee Brehio and a goal by Annie Higginbotham assisted by Ashlee Brehio. Then into the second half Vermont got their lone goal from Tanum Nelson. A few minutes later Ashlee Brehio got a second goal, making the margin 3-1 and then Cierra Hill scored the 4th goal for NH. NH won 4-1 for their first win since 2018.

Ashlee's performance won her Most Valuable Player. She is a 2022 graduate of Hopkinton High School and will be attending Elon University in the fall where she will be playing for their Division 1 women's soccer team.

Our younger son, Brett, recently recorded a Hole-In-One at his home course in Buffalo. It's no surprise as he has been beating his dad since he was 11.

Adventures in Learning (AIL) board members Katrina Wagner, Betsy Boege and Harry Tether presented President Sue Stuebner with a check for \$15,000.00! AIL's generous gift will go toward the Colby-Sawyer Fund to further support the college's needs and their students' success.

Mary Clara Duval

HILLSBORO - Mary Clara Duval, 78, of Venice, FL died June 12, 2022 at Manatee Memorial Hospital, Bradenton, FL. She resided in an assisted living facility in Venice since Sept. 2020. Mary had planned to return to her family home in Hillsboro, New Hampshire, but health issues prevented her last move. On Sept. 22, 1943, she was born at the family home, the last child of the late Romeo Onesime and Nina Francis (Saunders) Duval. Mary was predeceased by Brother Frank Duval, and Sisters Corinne O'Brien and Constance Grimstad. She is survived by her brother James Duval of Palmetto, FL and her niece Sandy Grimstad of Hillsboro in addition to many nieces and nephews in NY, MD, OH, WI, VA, IA, and OK.

The family will have a ceremony at St Charles cemetery in September. In lieu of donations or flowers; smile.

Pamela Goldthwaite

GOFFSTOWN - Pamela Ann Goldthwaite, 62, of Goffstown passed away peacefully with family at her side on June 29, 2022. Pamela leaves a daughter, Samantha Richard, and her husband, Ben of Nashville Tennessee. Pam was a deeply devoted Mom and treasured her connection with Samantha. Pam also leaves a brother, William Goldthwaite, Jr. and his wife, Lynda of Salisbury NH; a sister "best friend", Sandra D. Jacobs, and her husband, Robert of Hooksett, NH; nephews and nieces, and three great-nieces and a great nephew. Pam was pre-deceased by her parents, William E. Sr. and Imogen D. Goldthwaite.

There will be a celebration of life held in her honor at a future private event. In lieu of flowers, please consider donating to Solinsky Center for Cancer Care at the Elliot.

Kyle Anderson

WASHINGTON - Kyle Anderson passed away peacefully on July 13 at his mother's home of a long battle, with her at his side. Kyle was born in Lakehurst, NJ and with his family moved to Washington in 1991. Kyle is survived by his parents Richard and Sue Bouley of Washington, his daughter Nadia Ender-son, his life partner Michelle Decowski and a large extended family and friends. There will be a celebration of life at the Curran/McClure home on Sunday July 24th from 12-3 pm. All are welcome. Anyone reading this, if you struggle with
