Sgt. Brandon Montplaisir briefs the Weare Select Board on the Department's urgent need for an upgraded radio communications system.

Weare supports Police

Board approves long overdue communication upgrades

Weare police officers left the August 15th Select Board meeting discouraged. They left Tuesday's special meeting elated.

Chief Christopher Moore informed the Board that the maintenance agreement between the Town of Weare Emergency Services (Police, Fire, DPW) and R&R Communications Inc. is not working.

The police department has noted multiple concerns with the delivery of services from R&R Communications Inc. Radio reception concerns have been well documented and brought to the attention of the Board. He asked for permission to terminate the agreement with R&R and enter a new maintenance agreement with 2-Way Communications Services Inc. The Board agreed.

Sgt. Brandon Montplaisir then explained that the Department is exploring two options for a 4-site simulcast

radio system. The plan calls to place equipment on existing cell tower infrastructure.

American Tower has provided verbal confirmation that there will be no reoccurring fees associated with the placement of equipment on their tower.

There are two steps which need to be completed to begin the process.

1. The Town needs to submit applications to allow American Tower and Pyramid Network Services to add the Town as an approved customer in their system.

2. Submit an application.

Not only did the Board unanimously approve the request, Chair Ricky Hippler announced that a Request For Proposals (RFP) would be submitted the next day seeking quotes for a P25 repeater system to provide quality communications to 95% of the town. Bids are due by September 30th with the winner to be awarded on October 3rd.

Hillsborough Police adding a second K-9 for drug detection

The Hillsborough Police Department has announced the expansion of its K9 Unit to include a single-purpose narcotics detection dog.

Labrador "Dice" from Katalyst K9-Working Labrador Retrievers will partner with Officer Gallant and will be tasked with primarily searching for narcotics in vehicles and search warrant situations.

K9 Dice has already received foundation training from Katalyst Kennel, and he and Officer Gallant will finish their training under Sgt. Hodgen's guidance for the next few months.

Drug forfeiture funds will sponsor this addition to the canine unit. By having an additional dog specifically tasked with only narcotics detection, we hope to reduce drugs further and increase the safety of our community.

Officer Gallant and K9 Dice.

Hancock Inn to reopen in Summer of 2023 after extensive renovations

The Hancock Inn is undergoing a \$2.6 million renovation and addition project and is projected to reopen in the summer of 2023. A Boston-based

investor group purchased the inn in April, from Marcia and Jarvis Coffin for \$1.15 million. According to a project application submitted to the town Historic District Commission, renovations include adding a pagoda structure and garden shed to the exterior, upgrading plumbing and air conditioning and renovating bathrooms.

The renovations will improve compliance with the Americans with Disabilities Act by increasing wheelchair accessibility, and an ADA-

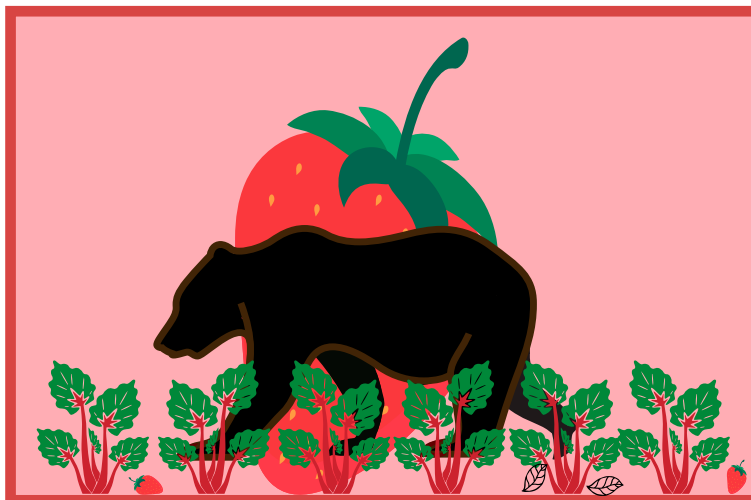

compliant guest room. The Inn, built in 1789, features 14 "period appropriate" rooms and suites, and has been managed by 12 innkeepers through-

out its history. The building includes the Fox Tavern, which will offer three dining rooms, a rear lounge and a renovated exterior patio.

Deering officials and Department of Environmental Services discuss reservoir use

The Deering Select Board and Town Administrator Julius Peel met with James Gallagher at the Deering Lakefront to discuss the usage of the reservoir. The board relayed the concerns that they have been hearing during their public meetings about broken glass being left around, alcohol and drug usage, and the impact of parking on abutter's property.

J. Gallagher and the board walked the site, reviewing potential corrections to these concerns. J. Gallagher agreed that he would contact other state agencies like the Water Body Commission and Fish and Game to see if they can assist with some of the potential fixes. Some of the solutions proposed are:

- i. Resident parking only on the town's leased portion of the property.
- ii. Safety Buoy installation within the swimming area.
- iii. The return of the parking signs that the state had removed depicting, "Boat Trailer Parking Only."

iv. Installation of parking lines or barriers to help maintain the number of parking spaces if it doesn't impede state maintenance.

v. Additional enforcement at the location would be sought through fish and game, but if not available, they would review other options later.

Antrim Library Director Cindy Jewett (C) joined Harmony Lodge Master Leigh Bosse, (l) and Past Master Robert Anderson in presenting a new bicycle and Helmet Certificate to Jacob Chamberlin and Dana Devlin (unable to attend), both 7, from Antrim, from the Mason's Bikes For Books Program.

Antrim Select Board to seek public's input on allocation of ARPA Funds

During Monday's meeting the Antrim Select Board discussed the town's allocation of ARPA funds totaling \$281,615, in anticipation of a Public Hearing on September 12. Antrim will also receive some grant assistance to help defray project costs and that will decrease the per capita contribution, but those grant amounts have yet to be determined with the exception of the water system improvements grant of \$537,000.

Antrim has 18 bridges and the State has allocated \$36,000,000 for state-wide distribution to NH communities. Antrim's share, based on 50% total deck area and 50% population, is \$169,771.

Gregg Lake Dam is classified as high hazard and is one of 15 so designated municipally owned dams. There is approximately 5 million in funding for the Rehabilitation/Removal Grant Program. The grant limit amount is one million per dam.

Cost estimates for the High Street Bridge are not yet available as the Engineering Study is ongoing. The Engineering Study cost is \$80,433 and Historical Survey costs so far

total \$45,802.

While not an exhaustive list of current Antrim initiatives the projects provide a context within which to view ARPA funding.

Hancock Select Board discusses several potential ARPA projects

The Town of Hancock received notice of the receipt of an additional \$78,222.03 in highway block grant funds on August 12, and will contact NHMA to determine if the funds may be encumbered to 2023. A public hearing will be scheduled to accept the unanticipated revenue.

The Select Board reviewed an estimate, received from the Conservation Commission, for the installation of a gate on the Elmwood Junction trail. There are sufficient funds available in the Conservation Fund to purchase the gate.

There was discussion with Tyler Howe on possible ARPA projects.

Howe provided an estimate for sealing and relining the fire department apron. Asbestos abatement for the DPW Office building may also be a project to consider.

There was a brief discussion regarding solar power and other building maintenance requirements. The Town Office fire escape requires

maintenance, the roof needs to be replaced. Police Department base radio is not functioning, may need to be

replaced; possibly an ARPA expense. There may be some additional federal incentives coming for solar projects.

New Center Woods Elementary School Teachers L-R: Jess Duval (1st grade), Debbie Booker (kindergarten), Eryn Bennetter (3rd grade), Michael Magistro (2nd grade), Kelly Murray (adjustment counselor WMS/CWES), Sydney Dubois (2nd grade).

Severe mold infestation closes Hillsborough's Youth Services facility

Chelsea Mather, Director of Youth Services met with the Hillsborough Select Board Wednesday evening to brief them on a major problem with the Project Genesis facility on the corner of West Main and Church Streets.

After a recent inspection, it was discovered that the building is infested with mold, much of it at "Above Normal" or "Severe" levels.

She reported that the recommendation is to shut down the facility because of health concerns.

The mold was discovered after testing was completed to investigate the extent of recent water damage apparently caused by a malfunctioning air conditioning system.

In discussing alternative locations for the project, the Board feels that it is not worth attempts to remediate the mold as the building should be offered for sale "as is."

Although no decision has been made, the consensus seems to be

moving the Town Offices into lease modulars and locating Project Genesis in the current Town complex.

In other business, the Board approved spending \$5,564.00 from

the Dana Crane Trust to go with a \$5,000 grant approved for the Community Center Committee to construct a two-sided Information Kiosk on the Library lawn.

An Editorial

George Hansel For Congress 2nd District

George Hansel is a fifth-generation executive at Filtrine, a family-owned manufacturing company located in Keene, NH. He worked on the shop floor through high school and right after college assembling small cooling equipment. Later, he worked his way up to become a Vice President at Filtrine. Filtrine employs about 90 people with good paying jobs right here in New Hampshire, building high quality products sold around the world, and develops the local workforce by providing training for high-skilled jobs in the trades.

in Keene has grown 20%.

As Mayor, George has made protecting our community and supporting law enforcement a top priority with a 9% increase in the budget for Keene's Police Department.

George has taken a strong stance on securing our southern

border and stopping dangerous drugs like fentanyl from flowing across our borders and into our communities.

George believes elected officials have a duty to make themselves accessible to their constituents. As Mayor, he has a track record of listening to the citizens of New Hampshire by hosting townhalls, meetings, and even a weekly call-in radio show on WKBK.

Since taking office, George has made standing up for our veterans a high priority and signed the Mayor's Challenge to End Veteran Homelessness.

If Republicans want to recapture NH's 2nd Congressional District George Hansel needs our vote on September 13th.

As Mayor of Keene, George passed balanced budgets and implemented fiscally responsible policies to cut Keene's debt service payments in half.

George knows what it's like to run a small business and has prioritized cutting red tape and working with small businesses to grow jobs in New Hampshire. Keene has witnessed explosive economic growth and a revitalized downtown with 12 new businesses since George took office in 2020. Under George's watch, tourism

District 2 Congressional candidate George Hansel met with Hillsborough area Republicans Monday evening.

Francestown Select Board studies location of Rec Center

Chair Marsha Dixon summarized the progress of the proposed Recreation Center since it was discussed at June's Select Board meeting. Potential locations included the Town Hall and the Lower Town Offices.

A memo from the Town Administrator went to all the boards regarding feedback of the Recreation Commission's proposed space of the Lower Town Offices; all boards were not in favor of moving from the Lower Town Offices to the Town Hall. The main concerns included the two archival record rooms and complying with the law to move said records, financial cost of relocating, and that when the Lower Town Offices were renovated in the 1990's, that renovation purpose was for the town boards to meet in that space.

Net result, the future Recreation Center is better suited on the second floor or first floor of the Town Hall. At present, the Recreation Commission is interested in the ground floor

of the Town Hall with the stage, first floor access, and that space is rented out less than the 2nd floor.

The recreation commission is in agreement that should they have

approval of Town Hall access they would need to be responsible for clean up, locking up, temperature regulation, etc. after each use of the building.

The Warner Police Department would like to announce that Patrick Hart has been located and is alive and well (see page 15). We had a lot of great assistance from NH Fish and Game, NH State Police along with their Aviation unit, NE K-9 Search and Rescue, Upper Valley Wilderness Response, Lakes Region Search and Rescue, Warner Fire Department, the US Air Force rescue coordination center and all the members of community that assisted in searching, donations and family support.

ORAL IRRIGATING DEVICES

Dr. Esin Narli

Q: What's the benefit of an oral irrigating device?

A: An oral irrigating device can be useful in cleaning out areas of the mouth that are hard to reach with a toothbrush or floss. The device delivers a high-pressure stream of water to those difficult-to-reach places. The stream of the water is also considered beneficial as a way to stimulate blood circulation in the gums. The devices come in two basic types: electric, which makes controlling the water's pressure and temperature easy, and manual, which you hook up to your bathroom faucet.

Irrigators are generally not recommended for children, but for those, say, 12 and up who may wear braces or some other sort of temporary appliance, the irrigator can be very helpful in flushing out all the nooks and crannies around the bands. Likewise, for older people, the stream allows for a thorough flushing of food debris from around bridges and any other restorative fittings.

The oral irrigator is not intended to be a substitute for regular brushing and flossing, only as a valuable supplement. The stream of water, for instance, will not remove plaque. Talk with your dentist about whether you would benefit from using an oral irrigating device.

TAKE YOUR MEDICINE

BY SARAH CHAPIN

New findings from a large study led by researchers at Yale Cancer Center shows the addition of the drugs oleclumab or monalizumab to durvalumab improved progression-free survival for patients with locally advanced non-small-cell lung cancer (NSCLC). The data was presented at the annual meeting of the European Society for medical Oncology (ESMO).

Use of menopausal hormone therapy (mHT, also known as hormone replacement therapy, HRT) is not associated with an increased risk of developing dementia, regardless of hormone type, dose, or duration, concludes a large UK study published by *The BMJ*.

There is a clear link between taking antibiotics and an increased risk of developing colon cancer within the next five to ten years. This has been confirmed by researchers at Umeå University, Sweden, after a study of 40,000 cancer cases. The impact of antibiotics on the intestinal microbiome is thought to lie behind the increased risk of cancer. Researchers found that both women and men who took antibiotics for over six months ran a 17 per cent greater risk of developing cancer in the ascending colon, the first part of the colon to be reached by food after the small intestine, than those who were not prescribed any antibiotics. However, no increased risk was found for cancer in the descending colon. Nor was there an increased risk of rectal cancer in men taking antibiotics, while women taking antibiotics had a slightly reduced incidence of rectal cancer. The increased risk of colon cancer was visible already five to ten years after taking antibiotics. Although the increase in risk was greatest for those taking most antibiotics, it was also possible to observe an admittedly small, but statistically significant, increase in the risk of cancer after a single course of antibiotics. The study was reported in *JNCI*, Journal of the National Cancer Institute.

John Manley announces run for NH House

I am running as a candidate to represent the voters of Antrim, Bennington, Hillsborough, and Windsor in

Concord. What you can expect from me is that I will always do my best to consider each legislative measure and vote for the best interest of the working families of this district and New Hampshire.

In my previous 3 terms, we have dealt with over 5 thousand bills. My voting record, available on line, will show a consistent emphasis on people.

Paramount among the votes are those to cover over 150 thousand citizens with health care. You can expect that I will continue to advocate for affordable health care, strong public schools, individual rights, a strong economy through good jobs, rebuilding our infrastructure, and common sense protection for small businesses.

I will do all that I can to stop legislation that “downshift”s costs to cities and towns. You can expect me to be present and working for you at all meetings and sessions. Over my past three terms, I missed one House session, (due to hospitalization). I made all committee, and sub-committee meetings. You can expect that I will not sponsor or approve any negative attacks on my opponents and I would hope they would follow that lead. We are all good people, doing what we think is best.

I will, however, point out our policy differences. I do not believe we should spend your tax dollars on private education. I do not believe in voter restrictions. I believe in a woman’s right to choose. You can expect that I will always be just a phone call away, (588-2427).

I ask for your vote in both the primary on September 13th and general election on November 8th.

NEC student drowns in Contoocook River

On August 17th, Henniker Police, Fire and Rescue responded to a report of a distressed swimmer in the Contoocook River in the area of Azalea Park.

First responders and a civilian entered the water where they located a male under approximately 10 feet of water, unresponsive.

Once he was pulled from the water, lifesaving measures were conducted, and he was transported by ambulance to Concord Hospital. Sadly, the victim, identified as Mourya Vamsi Nadimpalli, 24 years old of Albany New York, did not survive. This incident remains under investigation by New Hampshire Marine Patrol which has jurisdiction on inland water ways.

Silver Alert-Man Found

Silver Alert for vulnerable adult in Warner

At the request of the Warner NH Police Department, the New Hampshire State Police has authorized an activation of the Missing Vulnerable Adult Alert/SILVER Alert System. Law Enforcement is asking for the public's assistance in locating the following missing vulnerable adult: Patrick Henry Hart age: 59, 5'10", 220 lbs, brown hair, blue eyes. Mr. Hart was reported missing on Sunday,

August 21, 2022, at approximately 4:15 PM. Patrick suffers from Alzheimer's and he was last seen on the front porch of his residence, where it is believed he left on foot. Patrick should be wearing a gray shirt, tan shorts and possibly glasses. If contact is made with Patrick, please notify the Warner Police Department at (603) 456-3433.

Crime Watch

Bradford man charged with three felonies

Kaleb Ferland, 31, of Bradford was arrested on a violation of a protective order charge after an incident on Canal Street. He was also charged with three felony assault by a prison counts after an incident at the Merrimack County Jail.

Franklin man indicted for buprenorphine

Seth Laughey, 39, of Old South Main Street in Franklin was indicted on a felony possession of buprenorphine charge in Franklin.

Franklin man indicted two robbery counts

Zachary Markva, 32, of Pleasant Street in Franklin was charged on two felony robbery charges as well as two simple assault charges. He was accused of striking in the head and threatening another person with a handgun, grabbing their throat, and jumping on their back during the commission of a robbery on East Bow Street in Franklin.

Franklin woman indicted on drug charges

Ashley L. McDonald, 30, of Oak Street in Franklin was indicted on possession with intent to distribute-subsequent offense, a fentanyl and para-fluorofentanyl mix, as well as three controlled drug act; acts prohibited, buprenorphine, fentanyl and tramadol mix, and fentanyl and para-fluorofentanyl mix, charges, all felonies, on April 18 in Concord. Previously, according to the indictment, she was convicted of acts prohibited in Merrimack County Superior Court in April 2017.

Carole M. Webber

ANTRIM - Carole M. Webber, age 92, of Antrim, passed away, surrounded by the love of her family, on August 10, 2022 at her home. She was born at St. Mary's Hospital in Brooklyn, NY on March 8, 1930. She was the daughter of Henry and Agnes (Ryan) Dawson. Carole is survived by her six children, Amy Webber Daniels (Lou Daniels) of Canton, CT, Gary Webber of Antrim, NH, Gordon Webber (Leah Kim Tokunaga) of Antrim, NH, Glenn Webber (Tamara Webber) of Stoddard, NH, Polly Webber Quigley (Peter Quigley) of Pahoa, Hawaii, and Andrew Webber (Caroline Clotere) of Mammoth Lakes, CA. She was also grandmother to 16 grandchildren and 10 great grandchildren. She was predeceased by her husband Harold "Pat" Webber in 2019, her son Russell Webber in 2011 and her sister Shirley Agnes Hogan in 1989.

Theodore Strater "Ted" Brown

NEW LONDON - Theodore Strater "Ted" Brown passed away peacefully at his home in New London, NH on Friday August 5th, 2022. He was 91 years old. Ted was born in Newton, Massachusetts, on November 12, 1930, the only child of the late Donald Charles Brown and Irene (Strater) Brown. He is survived by Barbara, his wife of 68 years, and their five children: Matthew Brown (Sheri) of La Mesa CA; John Brown (Jolene) of Salt Lake City, UT; Melissa Panchy (Peter) of Nantucket, MA; Peter Brown (Amy) of Braintree, MA; and Timothy Brown (Nancy) of Davis, CA; fourteen grandchildren; and thirteen great-grandchildren. A memorial service will be held on Friday, September 2nd, 11 a.m. at St. Andrew's Episcopal Church,

New London, with a reception following. In lieu of flowers donations may be made to Kearsarge Regional Ecumenical Ministries (KREM) PO Box 1465, New London NH 03257.

Martha Rouliard

DEERING - Martha Frances (Cloutier-Hanagan) Rouillard, 80, of Deering, NH passed away peacefully surrounded by her family after a lengthy illness. She was born on September 25, 1941, to Maurice Cloutier and Marguerite (Beliveau) Cloutier. She is survived by her daughter, Stacey Raven and her husband, Peter Raven of Goffstown, NH; her step-daughter, Nicole Langelier of Goffstown, NH; her grandchildren, Rebeka Raven-Thorgerson and her husband Stephen of Manchester, NH, Nikolas Raven of Portsmouth, NH, Bentley & Jaxson Langelier

Obituaries: Friends & Neighbors Remembered

of Derry, NH; her step-great-granddaughter, Olivia Thorgerson. Martha is also survived by her great-grand puppies, Gunny, Lucy-Lu, Cody, Sammy, Apollo, Darla; her great-grand kitty, Sheldon; and her great-grand gecko, Odin. Several Aunts, Uncles, and Cousins. Relatives and friends held a Celebration of Life on Tuesday, August 23rd, 2022, at the Cremation Society of NH, 243 Hanover Street in Manchester, NH. A Memorial Service immediately followed the Celebration of Life at the Funeral Home. In lieu of flowers memorial donations may be made to the Manchester Animal Shelter.

Wayne Donald LaPorte, Sr.

NEWBURY - Wayne Donald LaPorte, Sr went to be with his Lord peacefully surrounded by family on Thursday, August 11, 2022 just shy of his 88th birthday. Wayne was born to Reginald and Grace Preston LaPorte, in Graniteville, VT on September

6, 1934, the third of four children. He was predeceased by his parents, a brother, Richard, and by a sister, Eloise LaPorte and a half brother, Reginald Jr. He is survived by his wife of 67 years, Judith Sawyer LaPorte; his daughter, Teriko LaPorte MacConnell, and her significant other, Stergios Spanos; a son, Wayne Donald LaPorte, Jr. and his wife, Kate Culverhouse; and three beloved grandchildren: Bryanna and Danielle MacConnell, and Kainoa Culverhouse; and by his sisters, Vivian Brown and half sister, Margaret Rychesky. A celebration of life was held at South Newbury Union Church Monday, August 22 at 11:00.

Lorraine D. Smith

CONTOOCCOOK - Lorraine D. Smith passed away on August 11, 2022 after a fierce battle with cancer. Lorraine was

born December 18, 1935 in Concord, NH to Leroy C. Smith and Eugenia V. (Les-sard) Smith of Contoocook, NH and was the middle child of seven children. She was predeceased by her brothers, Robert Smith, Orris Smith and Dean Smith. Lorraine is survived by her brother Erwin W. Smith of Webster NH, her sisters Geraldine D. Dean and Virginia G. Kelley, both of Concord NH, her Significant Other for more than 30 years, Lloyd E. Axelson and their dog Willie. In lieu of flowers the family has asked that you donate to the Granite VNA Hospice, 30 Pillsbury Street, Concord NH 03301. The Visiting nurses and hospice staff provided amazing support and care and to Lorraine and her family. The Hospice staff allowed Lorraine's family to honor her wishes to care for her in her home. A graveside service will be held at Contoocook Village Cemetery in Contoocook, NH on September 24 at 11:00 am.

Town of Weare, NH

REQUEST FOR PROPOSALS

The Town of Weare is seeking sealed bids for general assessing and data verification for an initial period from January 1, 2023 – December 31, 2027.

An overview and detailed specifications are provided on the town website www.weare.nh.gov or by contacting the Town Administrator at nbolton@weare.nh.gov

Proposals must be received **no later than 9:00AM on September 9, 2022** from interested firms, to be eligible for consideration by the Town. Proposals may be submitted in hard copy to the Town Administrator, Town of Weare, 15 Flanders Memorial Road, Weare, NH 03281 and must be clearly marked.

“RFP 22-02, General Assessing and Data Verification”

Proposals shall be submitted prior to the time fixed in the Request for Proposal. Proposals received after the time so indicated shall be returned unopened.

Bid proposals will be opened at 9:00 AM on September 9, 2022. Bid decisions will be made on September 19, 2022 at the Weare Board of Selectmen meeting.

The Town of Weare, NH reserves the right to accept or reject any and all bids.

Town of Hillsborough NH LEGAL/PUBLIC NOTICE

Case No 2022-12 LEGAL/PUBLIC NOTICE

Notice is hereby given in accordance with RSA 676:4 & 675:7, that an application for Change of Use/Waiver of Site Plan Review has been submitted by HK Hillsboro LLC. to allow weddings and other events to be held at the Angus Lea Golf Course. The property is located in the Commercial Zone at 126 West Main Street (Map 11P Lots 345). The application will be submitted to the Planning Board on September 7, at 7:00 p.m. at the Hillsborough Town Offices, 27 School Street, Hillsborough, New Hampshire, during a regular meeting of the Board.

Upon a finding by the Board that the application meets the submission requirements, the Board will vote to accept the application as complete, and the public hearing on the merits of the proposal may follow immediately. Should a decision not be reached at the public hearing, this application will stay on the Planning Board agenda until such time as it is either approved or disapproved.

Copies of the application may be viewed at the Office of Community Planning, 27 School Street, Hillsborough, New Hampshire and via e-mail. Anyone with questions about this application should contact Robyn Payson, Planning Director at 603-464-7971 or by e-mail at robyn@hillsboroughnh.net

Ideal candidates will have demonstrated experience in customer service, and general office technical skills and eager to learn. The pay range for the position is \$16.26 to \$22.37. The Town of Henniker offers paid prorated holidays, sick leave, and vacation.

Henniker is a vibrant, active college and resort community conveniently located just off Route 89 less than 20 miles west of Concord.

For a full job description, please see the employment section under Quick Links on the Town's website: <https://www.henniker.org/site-home/pages/employment-opportunities>. Please send resumes to the Town Administrator by email to: diane.kendall@henniker.org or by mail to: Diane Kendall Town Administrator 18 Depot Hill Rd Henniker NH 03242.

From Sun Tzu "The Art of War"

RULES OF WAR

- Cutoff supply chains
- Hit fuel lines
- Destroy wealth
- Disarm citizens
- Affect transportation
- Silence important communications
- Create diseases
- Cause strife & divisions
- Insert lies, confusion & Propaganda
- Make yourself look like the savior
